## Reynolds Group Offers to Acquire Graham Packaging Company Inc.

## Graham Packaging's Board Declares Reynolds Group's Offer "Superior" to Graham Packaging's Pending Transaction with Silgan Holdings.

AUCKLAND, New Zealand June 14, 2011--(BUSINESS WIRE)--Reynolds Group Holdings Limited ("Reynolds Group") today announced that it has negotiated definitive terms and conditions to acquire all of the outstanding shares of Graham Packaging Company Inc. ("Graham"; NYSE: GRM) for \$25.00 per share in cash.

Graham has announced that its board of directors, upon recommendation of its special committee, has determined that the Reynolds Group proposal is superior to its pending transaction with Silgan Holdings Inc. ("Silgan"; Nasdaq: SLGN). Graham has provided Silgan with three business days' written notice prior to Graham's board of directors changing its recommendation with respect to the pending transaction with Silgan, during which period Silgan has the right to make a responsive offer.

Pursuant to the Reynolds Group proposed merger agreement, Graham shareholders will receive \$25.00 in cash for each share of Graham common stock, representing a total enterprise value, including net debt, of approximately \$4.5 billion. Graham is a leading global supplier of value-added rigid plastic containers for the food, specialty beverage and consumer products markets. The proposed transaction is expected to close in the second half of 2011 and is subject to customary regulatory approvals and closing conditions, including the approval of Graham's stockholders.

Reynolds Group expects to finance the purchase price and associated transaction costs, with new indebtedness of up to \$5 billion and existing cash on hand. The transaction is supported by fully committed financing.

Reynolds Group expects to realize strategic benefits and operational cost synergies as a result of the combination. These synergies will be achieved primarily through reductions in administrative expenses, procurement savings and logistics efficiencies.

Pro forma for the transaction, Reynolds Group's leverage ratio is expected to increase by approximately 0.5 times Pro Forma Adjusted EBITDA. Reynolds Group has a longstanding track record of deleveraging following the successful integration of acquisitions.

As part of the transaction, Reynolds Group intends to repay Graham's existing credit facilities. Reynolds Group has not made a decision as to whether it will retire Graham's existing senior unsecured notes and senior subordinated notes. To the extent these notes remain outstanding after the acquisition, Graham will be required to make a change of control offer.

There can be no assurance that Reynolds Group's offer to acquire Graham will result in a definitive agreement or that such a proposed acquisition will be completed.
