

Reynolds Group Holdings Limited Announces Repricing of Term Loans and Revolving Credit Facility

Business Wire

New York, New York – November 14, 2013 – Reynolds Group Holdings Limited (“Reynolds Group”) today announced that it is seeking amendments to effect a repricing on its \$2,213 million and €297 million senior secured term loans (the “Term Loans”) and \$120 million and €80 million senior secured revolving credit facility (the “Revolving Credit Facility” and together with the Term Loans, the “Senior Secured Credit Facilities”). In addition to the repricings, the amendments being sought would extend the maturity of the Revolving Credit Facility to five years after the date such changes are effective and have the effect, among other things, of providing Reynolds Group with greater flexibility to exclude certain non-U.S. subsidiaries from the collateral and guarantee requirement under the Senior Secured Credit Facilities, the exercise of which would result in such excluded non-U.S. subsidiary no longer guaranteeing the Senior Secured Credit Facilities and being released from its guarantee of Reynolds Group’s various outstanding notes. The Senior Secured Credit Facilities, if amended, would require that Reynolds Group’s guarantor subsidiaries collectively continue to maintain combined gross assets of at least 75% of the consolidated total assets and combined EBITDA of at least 75% of the consolidated EBITDA. If Reynolds Group were unable to meet these minimum guarantee requirements at the end of a fiscal quarter, it would be required to add additional subsidiary guarantors as necessary to satisfy such requirements.
