Reynolds Group Holdings Limited wishes to furnish the information below for the benefit of its investors. Unless otherwise indicated by context in this report, the terms “Company,” “we,” “us” and “our” refer to Reynolds Group Holdings Limited and its subsidiaries.

**Entry into Material Definitive Agreement; Creation of a Direct Financial Obligation**

**Indenture and Notes**

On August 4, 2020, the Company completed its previously announced stand-alone financing for Graham Packaging Company Inc. and its subsidiaries (“GPC”), which includes the issuance of $510 million aggregate principal amount of 7.125% senior notes due 2028 (the “Notes”). GPC is an unrestricted subsidiary under the Company’s senior credit agreement dated August 5, 2016 and all applicable notes issued by the Company, and GPC was released as an obligor and pledgor under such agreements.

The Notes were offered by GPC Merger Sub Inc. (“Merger Sub”) in the United States and sold to qualified institutional buyers pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and outside the United States to non-U.S. persons pursuant to Regulation S under the Securities Act. The Notes have not been and will not be registered under the Securities Act or any state securities law and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements.

Following the issuance of the Notes, Merger Sub merged with and into GPC, with GPC continuing as the surviving entity (the “Merger”).

The Notes were issued pursuant to an Indenture dated as of August 4, 2020 (the “Base Indenture”) between Merger Sub and Wilmington Trust, National Association, as trustee, paying agent and registrar. GPC assumed the obligations of Merger Sub under the Notes pursuant to a supplemental indenture dated August 4, 2020 among GPC, the guarantors party thereto and Wilmington Trust, National Association (the “First Supplemental Indenture,” together with the Base Indenture, the “Indenture”).

The Notes are guaranteed by each of GPC’s wholly-owned domestic restricted subsidiaries that guarantees GPC’s new senior secured term loan (the “New Term Loan Facility”) and senior secured revolving facility (the “New Revolving Facility” and, together with the New Term Loan Facility, the “Senior Facilities”).

**Maturity and Interest**

The Notes will mature on August 15, 2028. The Notes will bear interest at a rate of 7.125% per annum, payable semi-annually in arrears to holders of record at the close of business on February 1 or August 1 immediately preceding the applicable interest payment date on February 15 and August 15 of each year, commencing February 15, 2021. Interest is computed on the basis of a 360-day year comprised of twelve 30-day months.

**Optional Redemption**

On or after August 15, 2023, GPC may redeem the Notes at the following redemption prices (expressed as a percentage of principal amount), plus accrued and unpaid interest, if any, on the Notes redeemed, to, but excluding, the applicable redemption date, if redeemed during the twelve-month period beginning on August 15 of the year indicated below:

<table>

<tr>
<td>2024</td>
<td>101.781%</td>
</tr>
<tr>
<td>2025 and thereafter</td>
<td>100.000%</td>

</tbody>
</table>

At any time prior to August 15, 2023, GPC may redeem the Notes at a redemption price equal to 100% of the principal amount of the Notes redeemed plus an applicable premium as of, and accrued and unpaid interest, if any, to, but excluding, the applicable redemption date.

**Optional Redemption After Certain Equity Offerings**

At any time prior to August 15, 2023, GPC may redeem the Notes with the net cash proceeds received by GPC from any equity offering at a redemption price equal to 107.125% plus accrued and unpaid interest, if any, to, but excluding, the redemption date, in an aggregate principal amount for all such redemptions not to exceed 40% of the aggregate principal amount of the Notes issued under the Indenture, provided that: (1) the redemption takes place not later than 180 days after the closing of the related equity offering, and (2) not less than 50% of the aggregate principal amount of the then-outstanding Notes issued under the Indenture remains outstanding immediately thereafter, unless all such Notes are redeemed substantially concurrently.

**Change of Control**

Upon a change of control, as defined in the Indenture, GPC will be required to make an offer to repurchase the Notes at a price equal to 101% of their principal amount, plus accrued and unpaid interest, if any, to but excluding the date of repurchase.

**Ranking of the Notes**

The Notes and the related guarantees will be senior unsecured obligations and will:

- rank equally in right of payment with all existing and future senior indebtedness of GPC and the subsidiary guarantors (including indebtedness under the credit agreement that will govern the Senior Facilities);
- rank senior in right of payment to all existing and future indebtedness and other obligations of GPC and the subsidiary guarantors that are, by their terms, expressly subordinated in right of payment to the notes or related guarantees;
be effectively junior to all existing and future secured indebtedness of GPC and the subsidiary guarantors, including indebtedness under the credit agreement that will govern the Senior Facilities, to the extent of the value of the collateral securing such indebtedness; and be structurally subordinated to all obligations of each of GPC’s subsidiaries that is not a guarantor of the notes.

Covenants

The Indenture contains covenants that, among other things, limit the ability of GPC and its restricted subsidiaries to:

- incur or guarantee additional indebtedness or issue certain kinds of stock;
- pay dividends or distributions on, or redeem or repurchase, capital stock and make other restricted payments;
- make investments;
- engage in certain transactions with affiliates;
- grant or assume certain liens; and
- consolidate, merge or transfer all or substantially all of their assets.

These limitations are subject to a number of important qualifications and exceptions.

Events of Default

The Indenture contains certain customary events of default, including:

- non-payment of interest on the Notes for a continuous period of 30 days;
- non-payment of principal or premium, if any, on the Notes;
- breach of any agreement in the Notes or the Indenture by GPC or any guarantor (a) for more than 270 days after notice with respect to reporting obligations under the Indenture or (b) in all other cases, which is not cured within 60 days of notice;
- cross-defaults or acceleration of certain other indebtedness of GPC or any Significant Subsidiary (as defined in the Indenture) in excess of the greater of $100 million and 20% of LTM EBITDA (as defined in the Indenture);
- certain bankruptcy or insolvency events;
- certain material judgments against GPC or a Significant Subsidiary; and
- invalidity of any guarantee, and with respect to the Notes, any security interest, of the Company or a Significant Subsidiary, subject to certain exceptions.

The foregoing description of the terms of the Notes does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Base Indenture and First Supplemental Indenture, copies of which are filed as Exhibits 1 and 2.

Senior Facilities

On August 4, 2020, Merger Sub, as initial borrower, and GPC, as borrower (the “Borrower”), entered into a Credit Agreement with Credit Suisse AG, Cayman Islands Branch, as administrative agent, and certain lenders from time to time party thereto (the “Credit Agreement”), which provides for a $1,475 million New Term Loan Facility and a $100 million New Revolving Facility. Upon consummation of the merger, the rights and obligations of Merger Sub under the Credit Agreement were assumed by GPC.

The New Revolving Facility includes a sub-facility for letters of credit. In addition, the Senior Facilities provide the Borrower with the right at any time, subject to customary conditions, to request incremental term loans or incremental revolving credit commitments.

Term Loan Borrowings under the Senior Facilities bear interest at a rate per annum equal to (i) in the case of LIBO Rate Borrowings, LIBO Rate plus 3.75% and (ii) in the case of ABR Borrowings, base rate plus 2.75%.

Revolving Loan Borrowings under the Senior Facilities bear interest at a rate per annum equal to (i) in the case of LIBO Rate Borrowings, LIBO Rate plus 3.75% and (ii) in the case of ABR Borrowings, base rate plus 2.75%, in each case subject to two stepdowns of 25 basis points at leverage ratios set forth in the Credit Agreement.

All obligations under the Senior Facilities are guaranteed by the subsidiary guarantors and are secured, subject to permitted liens and other exceptions, by a perfected first-priority pledge of all equity interests held by the Borrower and the subsidiary guarantors, and perfected first-priority security interests in substantially all tangible and intangible personal property of the Borrower and the subsidiary guarantors.

The Senior Facilities contain a number of covenants that, among other things, restrict the Borrower’s ability to:

- incur or guarantee additional debt and issue certain equity securities;
- engage in mergers or consolidations;
- sell, transfer or otherwise dispose of assets;
- pay dividends and distributions or repurchase capital stock;
- prepay, redeem or repurchase certain indebtedness;
- make investments, loans and advances;
- enter into certain transactions with affiliates;
- enter into agreements which limit the ability of the Borrower’s restricted subsidiaries to incur restrictions on their ability to make distributions; and
- enter into amendments to certain indebtedness in a manner materially adverse to the lenders.
Each of these restrictions is subject to various exceptions. The Senior Facilities also contain certain customary affirmative covenants and events of default for facilities of this type, including an event of default upon a change in control.

The foregoing description of the terms of the Senior Facilities does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Credit Agreement, a copy of which is filed as Exhibit 3.

Other Events

On July 22, 2020, the Company filed a 6-K announcing that it expects to apply a portion of the proceeds from the financing to redeem in full its senior secured floating rate notes due 2021 (the “Floating Rate Notes”) (the “Floating Rate Notes Redemption”).

On July 30, 2020, the Company filed a 6-K announcing that it expects to apply a portion of the proceeds from the financing to redeem a portion of its 7.000% senior notes due 2024 (the “2024 Notes”) (the “2024 Notes Redemption,” together with the “Floating Rate Notes Redemption,” the “Redemptions”) and that it expected the 2024 Notes Redemption would occur on August 29, 2020, with payment for the 2024 Notes Redemption to occur on September 1, 2020.

Accordingly, the Company delivered conditional notices of redemption to the holders of the Floating Rate Notes and the 2024 Notes (the “Conditional Redemption Notices”). The Redemptions are conditioned upon the closing of the financing and conditions set forth in the Conditional Redemption Notices.

On July 28, 2020, the Company issued a 6-K announcing that the Company expected such conditions to be satisfied on or about August 4, 2020 and that it expected that the Floating Rate Notes Redemption would occur on August 14, 2020.

On August 4, 2020, the Company delivered supplements to the Conditional Redemption Notices to holders of the Floating Rate Notes and the 2024 Notes stating that the conditions set forth in the Conditional Redemption Notices have been satisfied as of August 4, 2020, and the Floating Rate Notes Redemption will occur on August 14, 2020 and the 2024 Notes Redemption will occur on August 29, 2020, with payment for the 2024 Notes Redemption to occur on September 1, 2020.

On July 31, 2020 the Company repaid and terminated its securitization facility.

On August 4, 2020, the Company prepaid and terminated its existing Euro-denominated term loan and partially prepaid $700 million of its USD-denominated term loan.

This Form 6-K shall not be considered to be a notice of redemption pursuant to the indenture governing the Floating Rate Notes.

Article I

DEFINITIONS AND INCORPORATION BY REFERENCE

SECTION 1.1. Definitions.

“Acquired Indebtedness” means with respect to any Person (x) Indebtedness of any other Person or any of its Subsidiaries existing at the time such other Person becomes a Restricted Subsidiary or merges or amalgamates with or into or consolidates or otherwise combines with the Company or any Restricted Subsidiary and (y) Indebtedness secured by a Lien encumbering any asset acquired by such Person. Acquired Indebtedness shall be deemed to have been incurred, with respect to clause (x) of the preceding sentence, on the date such Person becomes a Restricted Subsidiary or on the date of the relevant merger, amalgamation, consolidation, acquisition or other combination.

“Additional Assets” means:

(1) any property or assets (other than Capital Stock) used or to be used by the Company, a Restricted Subsidiary or otherwise useful in a Similar Business (it being understood that capital expenditures on property or assets already used in a Similar Business or to replace any property or assets that are the subject of such Asset Disposition shall be deemed an investment in Additional Assets);

(2) the Capital Stock of a Person that is engaged in a Similar Business and becomes a Restricted Subsidiary as a result of the acquisition of such Capital Stock by the Company or a Restricted Subsidiary; or
(3) Capital Stock constituting a minority interest in any Person that at such time is a Restricted Subsidiary.

“Affiliate” of any specified Person means any other Person, directly or indirectly, controlling or controlled by or under direct or indirect common control with such specified Person. For the purposes of this definition, “control” when used with respect to any Person means the power to direct the management and policies of such Person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise; and the terms “controlling” and “controlled” have meanings correlative to the foregoing.

“Alternative Currency” means any currency (other than Dollars) that is a lawful currency (other than Dollars) that is readily available and freely transferable and convertible into Dollars (as determined in good faith by the Company).

“Applicable Premium” means the greater of (A) 1.00% of the principal amount of such Note and (B) on any redemption date, the excess (to the extent positive) of:

(a) the present value at such redemption date of:
   (i) the redemption price of such Note at August 15, 2023 (such redemption price (expressed in percentage of principal amount) being set forth in the table under Section 5.7(d) (excluding accrued but unpaid interest, if any)), plus
   (ii) all required interest payments due on such Note to and including such date set forth in clause (i) (excluding accrued but unpaid interest, if any), computed upon the redemption date using a discount rate equal to the Applicable Treasury Rate at such redemption date plus 50 basis points; over
(b) the outstanding principal amount of such Note;

in each case, as calculated by the Company or on behalf of the Company by such Person as the Company shall designate. The Trustee shall have no duty to calculate or verify the calculations of the Applicable Premium.

“Applicable Treasury Rate” means the weekly average for each Business Day during the most recent week that has ended at least two (2) Business Days prior to the redemption date of the yield to maturity at the time of computation of United States Treasury securities with a constant maturity (as compiled and published in the Federal Reserve Statistical Release H.15 (or, if such statistical release is not so published or available, any publicly available source of similar market data selected by the Company in good faith)) most nearly equal to the period from the redemption date to August 15, 2023; provided, however, that if the period from the redemption date to August 15, 2023 is not equal to the constant maturity of a United States Treasury security for which a yield is given, the Applicable Treasury Rate shall be obtained by linear interpolation (calculated to the nearest one-twelfth of a year) from the yields of United States Treasury securities for which such yields are given, except that if the period from the redemption date to such applicable date is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year shall be used.

“Asset Disposition” means:

applicable four-quarter period.

For purposes of making the computation referred to above, any Investments, acquisitions, dispositions,
mergers, amalgamations, consolidations and disposed operations that have been made by the Company or any of its
Restricted Subsidiaries, during the reference period or subsequent to the reference period and on or prior to or
simultaneously with the Fixed Charge Coverage Ratio Calculation Date shall be calculated on a pro forma basis
assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations and disposed
operations (and the change in any associated fixed charge obligations and the change in Consolidated EBITDA
resulting therefrom) had occurred on the first day of the reference period. If since the beginning of such period any
Person that subsequently became a Restricted Subsidiary or was merged or amalgamated with or into the Company
or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, acquisition,
disposition, merger, amalgamation, consolidation or disposed or discontinued operation that would have required
adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving pro forma
effect thereto for such period as if such Investment, acquisition, disposition, merger, amalgamation, consolidation or
dispensed operation had occurred at the beginning of the reference period.

For purposes of this definition, whenever pro forma effect is to be given to a transaction (including the
Transactions), the pro forma calculations shall be made in good faith by a responsible financial or chief accounting
officer of the Company (and may include, for the avoidance of doubt, cost savings, operating expenses reductions
and synergies resulting from such transactions which is being given pro forma effect). If any Indebtedness bears a
floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if
the rate in effect on the Fixed Charge Coverage Ratio Calculation Date had been the applicable rate for the entire
reference period (taking into account any Hedging Obligations applicable to such Indebtedness). Interest on a
Finance Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible
financial or accounting officer of the Company to be the rate of interest implicit in such Finance Lease Obligation in
accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness
under a revolving credit facility computed with a pro forma basis shall be computed based upon the average daily
balance of such Indebtedness during the reference period except as set forth in the first paragraph of this definition.
Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or
similar rate, a eurocurrency interbank offered rate, or other rate, shall be determined to have been based upon the
rate actually chosen, or if none, then based upon such optional rate chosen as the Company may designate.

are in effect from time to time; provided that all terms of an accounting or financial nature used in this Indenture

successor thereto or comparable accounting principle (including pursuant to the Accounting Standards Codification),
to value any Indebtedness of the Company or any Subsidiary at “fair value,” as defined therein and (b) the amount of
any Indebtedness under GAAP with respect to Finance Lease Obligations shall be determined in accordance with the definition of Finance Lease Obligations. At any time after the Issue Date, the Company may elect to apply IFRS accounting principles in lieu of GAAP and, upon any such election, references herein to GAAP shall thereafter be construed to mean IFRS (except as otherwise provided in this Indenture); provided that any such election, once made, shall be irrevocable; provided, further, any calculation or determination in this Indenture that requires the application of GAAP for periods that include fiscal quarters ended prior to the Company’s election to apply IFRS shall remain as previously calculated or determined in accordance with GAAP. The Company shall give notice of any such election made in accordance with this definition to the Trustee. For the avoidance of doubt, solely making an election (without any other action) referred to in this definition will not be treated as an incurrence of Indebtedness.

If there occurs a change in IFRS or GAAP, as the case may be, and such change would cause a change in the method of calculation of any term or measure used in this Indenture (an “Accounting Change”), then the Company may elect, as evidenced by a written notice of the Company to the Trustee, that such term or measure shall be calculated as if such Accounting Change had not occurred.

SECTION 1.4. Rules of Construction.

(a) Unless the context otherwise requires:

(1) a term has the meaning assigned to it;

(2) an accounting term not otherwise defined has the meaning assigned to it in accordance with GAAP;

(3) “or” is not exclusive;

(4) “including” means including without limitation;

(5) words in the singular include the plural and words in the plural include the singular;

(6) “will” shall be interpreted to express a command;

(7) the principal amount of any non-interest bearing or other discount security at any date shall be the principal amount thereof that would be shown on a balance sheet of the Company dated such date prepared in accordance with GAAP;

(8) the principal amount of any preferred stock shall be (i) the maximum liquidation value of such preferred stock or (ii) the maximum mandatory redemption or mandatory repurchase price with respect to such preferred stock, whichever is greater;

(9) all amounts expressed in this Indenture or in any of the Notes in terms of money refer to the lawful currency of the United States of America;

(10) the words “herein,” “hereof” and “hereunder” and other words of similar import refer to this Indenture as a whole and not to any particular Article, Section or other subdivision;
(11) except as otherwise stated, (a) references herein to Articles, Sections and Exhibits mean the Articles and Sections of and Exhibits to this Indenture and (b) each reference herein to a particular Article or Section includes the Sections, subsections and paragraphs subsidiary thereto;

(12) unless otherwise specifically indicated, the term “consolidated” with respect to any Person refers to such Person consolidated with its Restricted Subsidiaries, and excludes from such consolidation any Unrestricted Subsidiary as if such Unrestricted Subsidiary were not an Affiliate of such Person; and

(13) (i) unsecured Indebtedness shall not be deemed to be subordinate or junior to Secured Indebtedness merely because it is unsecured and (ii) senior Indebtedness shall not be deemed to be subordinate or junior to any other senior Indebtedness merely because it has a junior priority with respect to the same collateral or is secured by different collateral or because it is guaranteed by different obligors.

(b) Notwithstanding anything to the contrary herein, in the event an item of Indebtedness (or any portion thereof) is incurred or issued, any Lien is incurred or other transaction is undertaken in reliance on a ratio basket based on the Fixed Charge Coverage Ratio, Consolidated Secured Leverage Ratio or Consolidated Total Leverage Ratio, such ratio(s) shall be calculated with respect to such incurrence, issuance or other transaction without giving effect to amounts being utilized under any other basket (other than a ratio basket based on the Fixed Charge Coverage Ratio, Consolidated Secured Leverage Ratio or Consolidated Total Leverage Ratio) on the same date. Each item of Indebtedness that is incurred or issued, each Lien incurred and each other transaction undertaken will be deemed to have been incurred, issued or taken first, to the extent available, pursuant to the relevant Fixed Charge Coverage Ratio, Consolidated Secured Leverage Ratio or Consolidated Total Leverage Ratio test.

Notwithstanding anything to the contrary herein, in the event an item of Indebtedness (or any portion thereof) is incurred or issued, any Lien is incurred or other transaction is undertaken in reliance on a ratio basket based on a Fixed Charge Coverage Ratio, Consolidated Secured Leverage Ratio or Consolidated Total Leverage Ratio, such ratio(s) shall be calculated without regard to the incurrence of any Indebtedness under any revolving facility or letter of credit facility (1) immediately prior to or in connection therewith or (2) used to finance working capital needs of the Company and its Restricted Subsidiaries.

Any calculation or measure that is determined with reference to the Company’s financial statements (including Consolidated EBITDA, Consolidated Interest Expense, Consolidated Net Income, Fixed Charges, Fixed Charge Coverage Ratio, Consolidated Secured Leverage Ratio and Consolidated Total Leverage Ratio) may be determined with reference to the financial statements of a Parent Entity instead, so long as such Parent Entity does not hold any material assets other than, directly or indirectly, the Capital Stock of the Company.

(c) When calculating the availability under any basket or ratio under this Indenture or compliance with any provision of this Indenture in connection with any Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness and the use of proceeds thereof, the incurrence or creation of Liens, repayments, Restricted Payments and Asset Dispositions), in each case, at the option of the Company (the Company’s election to exercise such option, an “LCT Election”), the date of determination for availability under any such basket or ratio and whether any such action or transaction is permitted (or any requirement or condition therefor is complied with or satisfied (including as to the absence of any continuing Default or Event of Default)) under this Indenture shall be deemed to be the date (the “LCT Test Date”) either (a) the definitive agreement for such Limited Condition Transaction is entered into (or, if applicable, the date of delivery of an irrevocable declaration of a Restricted Payment or similar event), or (b) solely in connection with an acquisition to which a takeover code or other governmental requirement that requires that an announcement of a firm intention to make an offer (or equivalent announcement in another jurisdiction) in respect of a target prior to the execution of a definitive agreement, the date that such announcement is made and, in each case, if, after giving pro forma effect to the Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness and the use of proceeds thereof, the incurrence or creation of Liens, repayments, Restricted Payments
and any related pro forma adjustments, the Company or any of its Restricted Subsidiaries would have been permitted to take such actions or consummate such transactions on the relevant LCT Test Date in compliance with such ratio, test or basket (and any related requirements and conditions), such ratio, test or basket (and any related requirements and conditions) shall be deemed to have been complied with (or satisfied) for all purposes (in the case of Indebtedness, for example, whether such Indebtedness is committed, issued, assumed or incurred at the LCT Test Date or at any time thereafter); provided, that (a) if financial statements for one or more subsequent fiscal quarters shall have become available, the Company may elect, in its sole discretion, to redetermine all such ratios, tests or baskets on the basis of such financial statements, in which case, such date of redetermination shall thereafter be the applicable LCT Test Date for purposes of such ratios, tests or baskets, (b) except as contemplated in the foregoing clause (a), compliance with such ratios, test or baskets (and any related requirements and conditions) shall not be determined or tested at any time after the applicable LCT Test Date for such Limited Condition Transaction and any actions or transaction related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness and the use of proceeds thereof, the incurrence or creation of Liens, repayments, Restricted Payments and Asset Dispositions) and (c) Consolidated Interest Expense for purposes of the Fixed Charge Coverage Ratio will be calculated using an assumed interest rate as reasonably determined by the Company.

For the avoidance of doubt, if the Company has made an LCT Election, (1) if any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would at any time after the LCT Test Date have been exceeded or otherwise failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in Consolidated EBITDA of the Company or the Person subject to such Limited Condition Transaction, such baskets, tests or ratios will not be deemed to have been exceeded or failed to have been complied with as a result of such fluctuations; (2) if any related requirements and conditions (including as to the absence of any continuing Default or Event of Default) for which compliance or satisfaction was determined or tested as of the LCT Test Date would at any time after the LCT Test Date not have been complied with or satisfied (including due to the occurrence or continuation of an Default or Event of Default), such requirements and conditions will not be deemed to have been failed to be complied with or satisfied (and such Default or Event of Default shall be deemed not to have occurred or be continuing); and (3) in calculating the availability under any ratio, test or basket in connection with any action or transaction unrelated to such Limited Condition Transaction following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement or date for redemption, purchase or repayment specified in an irrevocable notice for such Limited Condition Transaction is terminated, expires or passes (or, if applicable, the irrevocable notice is terminated, expires or passes), as applicable, without consummation of such Limited Condition Transaction, any such ratio, test or basket shall be determined or tested giving pro forma effect to such Limited Condition Transaction.

(d) Notwithstanding anything to the contrary herein, unless the Company otherwise notifies the Trustee, with respect to any amount incurred or transaction entered into (or consummated) in reliance on a provision of this Indenture that does not require compliance with a financial ratio or financial test (any such amount, including any amount drawn under any revolving credit facility and any cap expressed as a percentage of Consolidated EBITDA, a “Fixed Amount") substantially concurrently with any amount incurred or transaction entered into (or consummated) in reliance on a provision of this Indenture that requires compliance with a financial ratio or financial test (any such amount, an “Incurrence-Based Amount”), it is understood and agreed that (i) the incurrence of the Incurrence-Based Amount shall be calculated first without giving effect to any Fixed Amount but giving full pro forma effect to the use of proceeds of such Fixed Amount and the related transactions and (ii) the incurrence of the Fixed Amount shall be calculated thereafter.

ARTICLE II

THE NOTES

SECTION 2.1. Form, Dating and Terms.
(a) The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited. The Initial Notes issued on the date hereof will be in an aggregate principal amount of $510,000,000. In addition, the Company may issue, from time to time in accordance with the provisions of this Indenture, Additional Notes (as provided herein). Furthermore, Notes may be authenticated and delivered upon registration of transfer, exchange or in lieu of, other Notes pursuant to Sections 2.2, 2.6, 2.11, 2.13, 5.6 or 9.5, in connection with an Asset Disposition Offer (or an Advance Offer) pursuant to Section 3.5 or in connection with a Change of Control Offer (or an Alternate Offer) pursuant to Section 3.9.

Notwithstanding anything to the contrary contained herein, the Company may not issue any Additional Notes, unless such issuance is in compliance with Section 3.2.

With respect to any Additional Notes, the Company shall set forth in one or more indentures supplemental hereto, the following information:

(A) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture;

(B) the issue price and the issue date of such Additional Notes, including the date from which interest shall accrue; and

(C) whether such Additional Notes shall be Restricted Notes.

In authenticating and delivering Additional Notes, the Trustee shall be entitled to receive and shall be fully protected in relying upon, in addition to the Opinion of Counsel and Officer’s Certificate required by Section 13.2, an Opinion of Counsel as to the due authorization, execution, delivery, validity and enforceability of such Additional Notes.

The Initial Notes and the Additional Notes shall be considered collectively as a single class for all purposes of this Indenture, provided that any Additional Notes will not be issued with the same CUSIP, ISIN or other identifying number as the Initial Notes unless such Additional Notes are fungible with the Initial Notes for U.S. federal income tax purposes. Holders of the Initial Notes and the Additional Notes will vote and consent together on all matters to which such Holders are entitled to vote or consent as one class, and none of the Holders of the Initial Notes or the Additional Notes shall have the right to vote or consent as a separate class on any matter to which such Holders are entitled to vote or consent.

(b) The Initial Notes are being offered and sold by the Company pursuant to a Purchase Agreement, dated July 28, 2020, between Merger Sub and Credit Suisse Securities (USA) LLC as representative for the Initial Purchasers. The Initial Notes and any Additional Notes (if issued as Restricted Notes) (the “Additional Restricted Notes”) will be resold initially only to (A) Persons reasonably believed to be QIBs in reliance on Rule 144A and (B) Non-U.S. Persons in reliance on Regulation S. Such Initial Notes and Additional Restricted Notes may thereafter be transferred to, among others, persons reasonably believed to be QIBs, purchasers in reliance on Regulation S, and IAs in accordance with Rule 501 under the Securities Act in each case, in accordance with the procedure described herein. Additional Notes offered after the date hereof may be offered and sold by the Company from time to time pursuant to one or more purchase agreements in accordance with applicable law.

Initial Notes and Additional Restricted Notes offered and sold to persons reasonably believed to be QIBs in the United States of America in reliance on Rule 144A (the “Rule 144A Notes”) shall be issued in the form of a permanent global Note substantially in the form of Exhibit A, which is hereby incorporated by reference and made a part of this Indenture, including appropriate legends as set forth in Section 2.1(d) (the “Rule 144A Global Note”), deposited with the Trustee, as custodian for DTC, duly executed by the Company and authenticated by the Trustee as hereinafter provided. The Rule 144A Global Note may be represented by more than one certificate if so required by DTC’s rules regarding the maximum principal amount to be represented by a single certificate. The aggregate principal amount of the Rule 144A Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee, as custodian for DTC or its nominee, as hereinafter provided.
Initial Notes and any Additional Restricted Notes offered and sold to non-U.S. Persons outside the United States of America (the “Regulation S Notes”) in reliance on Regulation S shall initially be issued in the form of a temporary global Note substantially in the form of Exhibit A, including appropriate legends as set forth in Section 2.1(d) (the “Temporary Regulation S Global Note”). The Temporary Regulation S Global Note will be deposited upon issuance with, or on behalf of, the Trustee as custodian for DTC in the manner described in this Article II. Following the expiration of the period through and including the 40th day after the later of the commencement of the offering of the Initial Notes and the Issue Date (such period through and including such 40th day, the “Restricted Period”), beneficial interests in such Temporary Regulation S Global Note shall be exchanged as provided in Section 2.6(c) for beneficial interests in a permanent global Note substantially in the form of Exhibit A (“Permanent Regulation S Global Note”) and, together with the Temporary Regulation S Global Note, the “Regulation S Global Note”) or otherwise in accordance with DTC’s procedures. The Permanent Regulation S Global Note will be deposited upon issuance with, or on behalf of, the Trustee as custodian for DTC in the manner described in this Article II. Simultaneously with the authentication of a Permanent Regulation S Global Note, the Trustee shall cancel the related Temporary Regulation S Global Note. The Regulation S Global Note may be represented by more than one certificate if so required by DTC’s rules regarding the maximum principal amount to be represented by a single certificate. The aggregate principal amount of the Regulation S Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee, as custodian for DTC or its nominee, as hereinafter provided.

Investors may hold their interests in the Regulation S Global Note through organizations other than Euroclear Bank S.A./N.V. (“Euroclear”) or Clearstream Banking, société anonyme (“Clearstream”) that are participants in DTC’s system or directly through Euroclear or Clearstream, if they are participants in such systems, or indirectly through organizations which are participants in such systems. If such interests are held through Euroclear or Clearstream, Euroclear and Clearstream will hold such interests in the applicable Regulation S Global Note on behalf of their participants through customers’ securities accounts in their respective names on the books of their respective depositaries. Such depositaries, in turn, will hold such interests in the applicable Regulation S Global Note in customers’ securities accounts in the depositaries’ names on the books of DTC.

Initial Notes and Additional Restricted Notes resold to IAIs (the “Institutional Accredited Investor Notes”) in the United States of America will be issued in the form of a permanent global Note substantially in the form of Exhibit A including appropriate legends as set forth in Section 2.1(d) (the “Institutional Accredited Investor Global Note”) deposited with the Trustee, as custodian for DTC, duly executed by the Issuer and authenticated by the Trustee as hereinafter provided. The Institutional Accredited Investor Global Note may be represented by more than one certificate, if so required by DTC’s rules regarding the maximum principal amount to be represented by a single certificate. The aggregate principal amount of the Institutional Accredited Investor Global Note may from time to time be increased or decreased by adjustments made on the records of the Trustee, as custodian for DTC or its nominee, as hereinafter provided.

The Rule 144A Global Note, the Regulation S Global Note and the Institutional Accredited Investor Global Note are sometimes collectively herein referred to as the “Global Notes.”

The principal of (and premium, if any) and interest on the Notes shall be payable at the office or agency of the Paying Agent designated by the Company maintained for such purpose (which shall initially be the office of the Trustee maintained for such purpose), or at such other office or agency of the Company as may be maintained for such purpose pursuant to Section 2.3; provided, however, that, at the option of the Paying Agent, each installment of interest may be paid by (i) check mailed to addresses of the Persons entitled thereto as such addresses shall appear on the Notes Register or (ii) wire transfer to an account located in the United States maintained by the payee, subject to the last sentence of this paragraph. Payments in respect of Notes represented by a Global Note (including principal, premium, if any, and interest) will be made by wire transfer of immediately available funds to the accounts specified by DTC. Payments in respect of Notes represented by Definitive Notes (including principal, premium, if any, and interest) held by a Holder of at least $1,000,000 aggregate principal amount of Notes represented by Definitive Notes will be made in accordance with the Notes Register, or by wire transfer to a Dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 15 days
immediately preceding the relevant due date for payment (or such other date as the Trustee or Paying Agent, as applicable, may accept in its discretion).

The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage, in addition to those set forth on Exhibit A and in Section 2.1(d). The Company shall approve any notation, endorsement or legend on the Notes. Each Note shall be dated the date of its authentication. The terms of the Notes set forth in Exhibit A are part of the terms of this Indenture and, to the extent applicable, the Company, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to be bound by such terms.

(c) **Denominations.** The Notes shall be issuable only in fully registered form in minimum denominations of $2,000 and any integral multiple of $1,000 in excess thereof.

(d) **Restrictive and Global Note Legends.**

(1) Unless and until (i) an Initial Note or an Additional Note issued as a Restricted Note is sold under an effective registration statement or (ii) the Company receives an Opinion of Counsel satisfactory to it to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act, the Rule 144A Global Note, the Regulation S Global Note and the Institutional Accredited Investor Global Note shall each bear the following legend on the face thereof:

(e) Book-Entry Provisions. (i) This Section 2.1(e) shall apply only to Global Notes deposited with the Trustee, as custodian for DTC, and for which the applicable procedures of DTC shall govern.

(1) Each Global Note initially shall (x) be registered in the name of DTC or the nominee of DTC, (y) be delivered to the Notes Custodian for DTC and (z) bear legends as set forth in Section 2.1(d). (2) Transfers of a Global Note (but not a beneficial interest therein) will be limited to transfers thereof in whole, but not in part, to DTC, its successors or its respective nominees, except as set forth in Section 2.1(e)(4) and 2.1(f). If a beneficial interest in a Global Note is transferred or exchanged for a beneficial interest in another Global Note, the Notes Custodian will (x) record a decrease in the principal amount of the Global Note being transferred or exchanged equal to the principal amount of such transfer or exchange and (y) record a like increase in the principal amount of the other Global Note. (2) Members of, or participants in, DTC (“Agent Members”) shall have no rights under this Indenture with respect to any Global Note held on their behalf by DTC or by the Notes Custodian as the custodian of DTC or under such Global Note, and DTC may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC and its Agent Members, the operation of customary practices of DTC governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(3) In connection with any transfer of a portion of the beneficial interest in a Global Note pursuant to Section 2.1(f) to beneficial owners who are required to hold Definitive Notes, the Notes Custodian shall reflect on its books and records the date and a decrease in the principal amount of such Global Note in an amount equal to the principal amount of the beneficial interest in the Global Note to be transferred, and the Company shall execute, and the Trustee shall authenticate and make available for delivery, one or more Definitive Notes of like tenor and amount.

(4) In connection with the transfer of an entire Global Note to beneficial owners pursuant to Section 2.1(f), such Global Note shall be deemed to be surrendered to the Trustee for cancellation, and the
Company shall execute, and the Trustee shall authenticate and make available for delivery, to each beneficial owner identified by DTC in exchange for its beneficial interest in such Global Note, an equal aggregate principal amount of Definitive Notes of authorized denominations.

(5) The registered Holder of a Global Note may grant proxies and otherwise authorize any person, including Agent Members and persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(6) Any Holder of a Global Note shall, by acceptance of such Global Note, agree that transfers of beneficial interests in such Global Note may be effected only through a book-entry system maintained by (i) the Holder of such Global Note (or its agent) or (ii) any holder of a beneficial interest in such Global Note, and that ownership of a beneficial interest in such Global Note shall be required to be reflected in a book entry.

(f) Definitive Notes. Except as provided below, owners of beneficial interests in Global Notes will not be entitled to receive Definitive Notes. Definitive Notes shall be transferred to all beneficial owners in exchange for their beneficial interests in a Global Note if (A) DTC notifies the Company that it is unwilling or unable to continue as Depositary for such Global Note or DTC ceases to be a clearing agency registered under the Exchange Act, at a time when DTC is required to be so registered in order to act as depositary, and in each case a successor depositary is not appointed by the Company within 90 days of such notice, (B) the Company notifies the Trustee and DTC in writing stating that such Global Note shall be so exchangeable or (C) an Event of Default has occurred and is continuing and the Registrar has received a written request from DTC. In the event of the occurrence of any of the events specified in the second preceding sentence or in clause (A), (B) or (C) of the preceding sentence, the Company shall promptly make available to the Registrar a reasonable supply of Definitive Notes. In addition, any Note transferred to an affiliate (as defined in Rule 405 under the Securities Act) of the Company or evidencing a Note that has been acquired by an affiliate in a transaction or series of transactions not involving any public offering must, until one year after the last date on which either the Company or any affiliate of the Company was an owner of the Note, be in the form of a Definitive Note and bear the legend regarding transfer restrictions in Section 2.1(d)(1). If required to do so pursuant to any applicable law or regulation, beneficial owners may also obtain Definitive Notes in exchange for their beneficial interests in a Global Note upon written request in accordance with DTC’s and the Registrar’s procedures.

(1) Any Definitive Note delivered in exchange for an interest in a Global Note pursuant to Section 2.1(e) shall, except as otherwise provided by Section 2.6(d), bear the applicable legend regarding transfer restrictions applicable to the Global Note set forth in Section 2.1(d)(1).

(2) If a Definitive Note is transferred or exchanged for a beneficial interest in a Global Note, the Trustee will (x) cancel such Definitive Note, (y) record an increase in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (z) in the event that such transfer or exchange involves less than the entire principal amount of the canceled Definitive Note, the Company shall execute, and the Trustee shall authenticate and make available for delivery, to the transferring Holder a new Definitive Note representing the principal amount not so transferred.

(3) If a Definitive Note is transferred or exchanged for another Definitive Note, (x) the Trustee will cancel the Definitive Note being transferred or exchanged, (y) the Company shall execute, and the Trustee shall authenticate and make available for delivery, one or more new Definitive Notes in authorized denominations having an aggregate principal amount equal to the principal amount of such transfer or exchange to the transferee (in the case of a transfer) or the Holder of the canceled Definitive Note (in the case of an exchange), registered in the name of such transferee or Holder, as applicable, and (z) if such transfer or exchange involves less than the entire principal amount of the canceled Definitive Note, the Company shall execute, and the Trustee shall authenticate and make available for delivery to the Holder thereof, one or more Definitive Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Definitive Notes, registered in the name of the Holder thereof.
(4) Notwithstanding anything to the contrary in this Indenture, in no event shall a Definitive Note be delivered upon exchange or transfer of a beneficial interest in the Regulation S Global Note prior to the end of the Restricted Period.

SECTION 2.2. Execution and Authentication. One Officer of the Company shall sign the Notes for the Company by manual, facsimile or electronic (including PDF) signature. If the Officer whose signature is on a Note no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

A Note shall not be valid until an authorized signatory of the Trustee manually authenticates the Note. The signature of the Trustee on a Note shall be conclusive evidence that such Note has been duly and validly authenticated and issued under this Indenture. A Note shall be dated the date of its authentication.

At any time and from time to time after the execution and delivery of this Indenture, the Trustee shall authenticate and make available for delivery: (1) Initial Notes for original issue on the Issue Date in an aggregate principal amount of $510,000,000 and (2) subject to the terms of this Indenture, Additional Notes for original issue in an unlimited principal amount, in each case upon a written order of the Company signed by one Officer (the “Issuer Order”). Such Issuer Order shall specify whether the Notes will be in the form of Definitive Notes or Global Notes, the amount of the Notes to be authenticated, the date on which the original issue of Notes is to be authenticated, the Holder of the Notes and whether the Notes are to be Initial Notes or Additional Notes.

The Trustee may appoint an agent (the “Authenticating Agent”) reasonably acceptable to the Company to authenticate the Notes. Any such appointment shall be evidenced by an instrument signed by a Trust Officer, a copy of which shall be furnished to the Company. Unless limited by the terms of such appointment, any such Authenticating Agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by the Authenticating Agent. An Authenticating Agent has the same rights as any Registrar, Paying Agent or agent for service of notices and demands.

In case any of the Company or any Guarantor, pursuant to Article IV or Section 10.2, as applicable, shall be consolidated or merged with or into any other Person or shall convey, transfer, lease or otherwise dispose of its properties and assets substantially as an entirety to any Person, and the successor Person resulting from such consolidation, or surviving such merger, or into which the Company or any Guarantor shall have been merged, or the Person which shall have received a conveyance, transfer, lease or other disposition as aforesaid, shall have executed an indenture supplemental hereto with the Trustee pursuant to Article IV, any of the Notes authenticated or delivered prior to such consolidation, merger, conveyance, transfer, lease or other disposition may (but shall not be required), from time to time, at the request of the successor Person, be exchanged for other Notes executed in the name of the successor Person with such changes in phraseology and form as may be appropriate to reflect such successor Person, but otherwise in substance of like tenor as the Notes surrendered for such exchange and of like principal amount; and the Trustee, upon the Issuer Order of the successor Person, shall authenticate and make available for delivery Notes as specified in such order for the purpose of such exchange. If Notes shall at any time be authenticated and delivered in any new name of a successor Person pursuant to this Section 2.2 in exchange or substitution for or upon registration of transfer of any Notes, such successor Person, at the option of the Holders but without expense to them, shall provide for the exchange of all Notes at the time outstanding for Notes authenticated and delivered in such new name.

SECTION 2.3. Registrar and Paying Agent. The Company shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (the “Registrar”) and an office or agency where Notes may be presented for payment. The Registrar shall keep a register of the Notes and of their transfer and exchange (the “Notes Register”). The Company may have one or more co-registars and one or more additional paying agents. The term “Paying Agent” includes any additional paying agent and the term “Registrar” includes any co-registrar.

The Company shall enter into an appropriate agency agreement with any Registrar or Paying Agent not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such agent. The Company shall notify the Trustee in writing of the name and address of each such agent. If the Company fails
to maintain a Registrar or Paying Agent, the Trustee shall act as such and shall be entitled to appropriate compensation therefor pursuant to Section 7.7. The Company or any Guarantor may act as Paying Agent, Registrar or Transfer Agent.

The Company initially appoints DTC to act as Depositary with respect to the Global Notes. The Company initially appoints the Trustee as Registrar and Paying Agent for the Notes. The Company may change any Registrar or Paying Agent without prior notice to the Holders, but upon written notice to such Registrar or Paying Agent and to the Trustee; provided, however, that no such removal shall become effective until (i) acceptance of any appointment by a successor as evidenced by an appropriate agreement entered into by the Company and such successor Registrar or Paying Agent, as the case may be, and delivered to the Trustee and the passage of any waiting or notice periods required by DTC procedures or (ii) written notification to the Trustee that the Trustee shall serve as Registrar or Paying Agent until the appointment of a successor in accordance with clause (i) above. The Registrar or Paying Agent may resign at any time upon written notice to the Company and the Trustee.

Upon surrender for transfer of any Note at the office or agency of the Company in a place of payment, in compliance with all applicable requirements of this Indenture and applicable law, the Company shall execute, and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes, of any authorized denominations and of a like aggregate principal amount.

At the option of the Holder, Notes may be exchanged for other Notes of any authorized denominations and of a like aggregate principal amount, upon surrender of the Notes to be exchanged at such office or agency. Whenever any Notes are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Notes that the Holder making the exchange is entitled to receive.

Every Note presented or surrendered for transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company duly executed, by the Holder thereof or such Holder’s attorney duly authorized in writing.

SECTION 2.4. Paying Agent to Hold Money in Trust. By no later than 11:00 a.m. (New York City time) on the date on which any principal of, premium, if any, or interest on any Note is due and payable, the Company shall deposit with the Paying Agent a sum sufficient in immediately available funds to pay such principal, premium or interest when due. The Company shall require each Paying Agent (other than the Trustee) to agree in writing that such Paying Agent shall hold in trust for the benefit of Holders or the Trustee all money held by such Paying Agent for the payment of principal of, premium, if any, or interest on the Notes (whether such assets have been distributed to it by the Company or other obligors on the Notes), shall notify the Trustee in writing of any default by the Company or any Guarantor in making any such payment and shall during the continuance of any default by the Company (or any other obligor upon the Notes) in the making of any payment in respect of the Notes, upon the written request of the Trustee, forthwith deliver to the Trustee all sums held in trust by such Paying Agent for payment in respect of the Notes together with a full accounting thereof. If the Company or a Subsidiary of the Company acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Company at any time may require a Paying Agent (other than the Trustee) to pay all money held by it to the Trustee and to account for any funds or assets disbursed by such Paying Agent. Upon complying with this Section 2.4, the Paying Agent (if other than the Company or a Subsidiary of the Company) shall have no further liability for the money delivered to the Trustee. Upon any bankruptcy, reorganization or similar proceeding with respect to the Company, the Trustee shall serve as Paying Agent for the Notes.

SECTION 2.5. Holder Lists. The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. If the Trustee is not the Registrar, the Company, on its own behalf and on behalf of each of the Guarantors, shall furnish or cause the Registrar to furnish to the Trustee, in writing at least five (5) Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of Holders.

SECTION 2.6. Transfer and Exchange.
(a) A Holder may transfer a Note (or a beneficial interest therein) to another Person or exchange a Note (or a beneficial interest therein) for another Note or Notes of any authorized denomination by presenting to the Registrar a written request therefor stating the name of the proposed transferee or requesting such an exchange, accompanied by any certification, opinion or other document required by this Section 2.6. The Registrar will promptly register any transfer or exchange that meets the requirements of this Section 2.6 by noting the same in the Notes Register maintained by the Registrar for the purpose, and no transfer or exchange will be effective until it is registered in such Notes Register. The transfer or exchange of any Note (or a beneficial interest therein) may only be made in accordance with this Section 2.6 and Section 2.1(e) and 2.1(f), as applicable, and, in the case of a Global Note (or a beneficial interest therein), the applicable rules and procedures of DTC, Euroclear and Clearstream. The Registrar shall refuse to register any requested transfer or exchange that does not comply with this paragraph.

(b) Transfers of Rule 144A Notes and Institutional Accredited Investor Notes. The following provisions shall apply with respect to any proposed registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note prior to the date that is one year after the later of the date of its original issue and the last date on which the Company or any Affiliate of the Company was the owner of such Notes (or any predecessor thereto) (the “Resale Restriction Termination Date”):

1. a registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note or a beneficial interest therein to a QIB shall be made upon the representation of the transferee in the form as set forth on the reverse of the Note that it is purchasing for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a “qualified institutional buyer” within the meaning of Rule 144A, and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Company as the undersigned has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A; provided that no such written representation or other written certification shall be required in connection with the transfer of a beneficial interest in the Rule 144A Global Note to a transferee in the form of a beneficial interest in that Rule 144A Global Note in accordance with this Indenture and the applicable procedures of DTC;

2. a registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note or a beneficial interest therein to an IAI shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Section 2.8, from the proposed transferee and the delivery of an Opinion of Counsel, certification and/or other information satisfactory to the Company; and

3. a registration of transfer of a Rule 144A Note or an Institutional Accredited Investor Note or a beneficial interest therein to a Non-U.S. Person shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Section 2.9 from the proposed transferee and the delivery of an Opinion of Counsel, certification and/or other information satisfactory to the Company.

(c) Transfers of Regulation S Notes. The following provisions shall apply with respect to any proposed transfer of a Regulation S Note prior to the expiration of the Restricted Period:

1. a transfer of a Regulation S Note or a beneficial interest therein to a QIB shall be made upon the representation of the transferee, in the form of assignment on the reverse of the certificate, that it is purchasing the Note for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a “qualified institutional buyer” within the meaning of Rule 144A, is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Company as the undersigned has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A;
(2) a transfer of a Regulation S Note or a beneficial interest therein to an IAI shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Section 2.8 from the proposed transferee and the delivery of an Opinion of Counsel, certification and/or other information satisfactory to the Company;

(3) a transfer of a Regulation S Note or a beneficial interest therein to a Non-U.S. Person shall be made upon receipt by the Registrar or its agent of a certificate substantially in the form set forth in Section 2.9 hereof from the proposed transferee and receipt by the Registrar or its agent of an Opinion of Counsel, certification and/or other information satisfactory to the Company; and

(4) a beneficial owner of an interest in a Temporary Regulation S Global Note (and, in the case of any Additional Notes for which no Temporary Regulation S Global Note is issued, any Regulation S Global Note) shall not be permitted to exchange such interest for a Definitive Note or (in the case of such interest in a Temporary Regulation S Global Note) an interest in a Permanent Regulation S Global Note until a date, which must be after the end of the Restricted Period.

After the expiration of the Restricted Period, interests in the Regulation S Note may be transferred in accordance with applicable law without requiring the certification set forth in Section 2.9 or any additional certification.

(d) Restricted Notes Legend. Upon the transfer, exchange or replacement of Notes not bearing a Restricted Notes Legend, the Registrar shall deliver Notes that do not bear a Restricted Notes Legend. Upon the transfer, exchange or replacement of Notes bearing a Restricted Notes Legend, the Registrar shall deliver only Notes that bear a Restricted Notes Legend unless (1) an Initial Note is being transferred pursuant to an effective registration statement, (2) the requested transfer is after the relevant Resale Restriction Termination Date with respect to such Notes or (3) there is delivered to the Registrar an Opinion of Counsel reasonably satisfactory to the Company to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act. Any Additional Notes sold in an offering registered under the Securities Act shall not be required to bear the Restricted Notes Legend.

(e) [Reserved].

(f) Retention of Written Communications. The Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 2.1 or this Section 2.6. The Company shall have the right to inspect and make copies of all such letters, notices or other written communications, at the Company’s expense, at any reasonable time upon the giving of reasonable prior written notice to the Registrar.

(g) Obligations with Respect to Transfers and Exchanges of Notes. To permit registrations of transfers and exchanges, the Company shall, subject to the other terms and conditions of this Article II, execute and the Trustee shall authenticate Definitive Notes and Global Notes at the Company’s and the Registrar’s written request.

No service charge shall be made to a Holder for any registration of transfer or exchange, but the Company may require the Holder to pay a sum sufficient to cover any transfer tax assessments or similar governmental charge payable in connection therewith (other than any such transfer taxes, assessments or similar governmental charges payable upon exchange or transfer pursuant to Sections 2.2, 2.6, 2.11, 2.13, 3.5, 5.6 or 9.5).

The Company (and the Registrar) shall not be required to register the transfer of or exchange of any Note (A) for a period beginning (1) fifteen (15) calendar days before the mailing (or electronic delivery) of a notice of an offer to repurchase or redeem Notes and ending at the close of business on the day of such mailing (or electronic delivery) or (2) fifteen (15) calendar days before an interest payment date and ending on such interest payment date or (B) called for redemption, except the unredeemed portion of any Note being redeemed in part.
Prior to the due presentation for registration of transfer of any Note, the Company, the Trustee, the Paying Agent or the Registrar may deem and treat the person in whose name a Note is registered as the owner of such Note for the purpose of receiving payment of principal of, premium, if any, and (subject to paragraph 2 of the forms of Notes attached hereto as Exhibit A) interest on such Note and for all other purposes whatsoever, including without limitation the transfer or exchange of such Note, whether or not such Note is overdue, and none of the Company, the Trustee, the Paying Agent or the Registrar shall be affected by notice to the contrary.

Any Definitive Note delivered in exchange for an interest in a Global Note pursuant to Section 2.1(f) shall, except as otherwise provided by Section 2.6(d), bear the applicable legend regarding transfer restrictions applicable to the Definitive Note set forth in Section 2.1(d)(1).

All Notes issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

(h) No Obligation of the Trustee. (1) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in, DTC or other Person with respect to the accuracy of the records of DTC or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than DTC) of any notice (including any notice of redemption or purchase) or the payment of any amount or delivery of any Notes (or other security or property) under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders in respect of the Notes shall be given or made only to or upon the order of the registered Holders (which shall be DTC or its nominee in the case of a Global Note). The rights of beneficial owners in any Global Note shall be exercised only through DTC subject to the applicable rules and procedures of DTC. The Trustee may rely and shall be fully protected in relying upon information furnished by DTC with respect to its members, participants and any beneficial owners.

Neither the Registrar nor the Trustee shall have any obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among DTC participants, members or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof. Neither the Trustee nor any of its agents shall have any responsibility for any actions taken or not taken by DTC.

Re: Graham Packaging Company Inc. (the “Company”)

7.125% Senior Notes due 2028 (the “Notes”)

Ladies and Gentlemen:

In connection with our proposed sale of $[______] aggregate principal amount of the Notes, we confirm that such sale has been effected pursuant to and in accordance with Regulation S (“Regulation S”) under the United States Securities Act of 1933, as amended (the “Securities Act”), and, accordingly, we represent that:

(a) the offer of the Notes was not made to a person in the United States;

(b) either (i) at the time the buy order was originated, the transferee was outside the United States or we and any person acting on our behalf reasonably believed that the transferee was outside the United States or (ii) the transaction was executed in, on or through the facilities of a designated off-shore securities market and neither we nor any person acting on our behalf knows that the transaction has been pre-arranged with a buyer in the United States;

(c) no directed selling efforts have been made in the United States in contravention of the requirements of Rule 903(a)(2) or Rule 904(a)(2) of Regulation S, as applicable; and

(d) the transaction is not part of a plan or scheme to evade the registration requirements of the Securities Act.
In addition, if the sale is made during a restricted period and the provisions of Rule 903(b)(2), Rule 903(b)(3) or Rule 904(b)(1) of Regulation S are applicable thereto, we confirm that such sale has been made in accordance with the applicable provisions of Rule 903(b)(2), Rule 903(b)(3) or Rule 904(b)(1), as the case may be.

We also hereby certify that we [are][are not] an Affiliate of the Company and, to our knowledge, the transferee of the Notes [is][is not] an Affiliate of the Company.

SECTION 2.10. [Reserved].

SECTION 2.11. Mutilated, Destroyed, Lost or Stolen Notes.

If a mutilated Note is surrendered to the Registrar or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Company shall issue and the Trustee shall authenticate a replacement Note if the requirements of Section 8-405 of the UCC are met, such that the Holder (a) satisfies the Company and the Trustee that such Note has been lost, destroyed or wrongfully taken within a reasonable time after such Holder has notice of such loss, destruction or wrongful taking and the Registrar has not registered a transfer prior to receiving such notification, (b) makes such request to the Company and the Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the UCC (a “protected purchaser”), (c) satisfies any other reasonable requirements of the Trustee and (d) provides an indemnity bond, as more fully described below; provided, however, if after the delivery of such replacement Note, a protected purchaser of the Note for which such replacement Note was issued presents for payment or registration such replaced Note, the Trustee and/or the Company shall be entitled to recover such replacement Note from the Person to whom it was issued and delivered or any Person taking therefrom, except a protected purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the Company or the Trustee in connection therewith. Such Holder shall furnish an indemnity bond sufficient in the judgment of the (i) Trustee to protect the Trustee and (ii) the Company to protect the Company, the Trustee, the Paying Agent and the Registrar, from any loss which any of them may suffer if a Note is replaced, and, in the absence of notice to the Company, any Guarantor or the Trustee that such Note has been acquired by a protected purchaser, the Company shall execute, and upon receipt of an Issuer Order, the Trustee shall authenticate and make available for delivery, in exchange for any such mutilated Note or in lieu of any such destroyed, lost or stolen Note, a new Note of like tenor and principal amount, bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Note, pay such Note.

Upon the issuance of any new Note under this Section 2.11, the Company may require that such Holder pay a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of counsel and of the Trustee) in connection therewith.

Subject to the proviso in the initial paragraph of this Section 2.11, every new Note issued pursuant to this Section 2.11, in lieu of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Company, any Guarantor (if applicable) and any other obligor upon the Notes, whether or not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section 2.11 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

SECTION 2.12. Outstanding Notes. Notes outstanding at any time are all Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those paid pursuant to Section 2.11 and those described in this Section 2.12 as not outstanding. A Note does not cease to be outstanding in the event the Company or an Affiliate of the Company holds the Note; provided, however, that (i) for purposes of determining which are outstanding for consent or voting purposes hereunder, the provisions of Section 13.4 shall apply and (ii) in determining whether the Trustee shall be protected in making a determination whether the Holders of the requisite principal amount of outstanding Notes are present at a meeting of Holders of Notes for quorum purposes or have consented to or voted in favor of any request, demand, authorization, direction, notice, consent, waiver, amendment or modification hereunder, or relying upon any such quorum, consent or vote, only Notes which a Trust Officer of the Trustee actually knows to be held by the Company or an Affiliate of the Company shall not be considered outstanding.
If a Note is replaced pursuant to Section 2.11 (other than a mutilated Note surrendered for replacement), it ceases to be outstanding unless the Trustee and the Company receive proof satisfactory to them that the replaced Note is held by a protected purchaser. A mutilated Note ceases to be outstanding upon surrender of such Note and replacement pursuant to Section 2.11.

If the Paying Agent segregates and holds in trust, in accordance with this Indenture, on a Redemption Date or maturity date, money sufficient to pay all principal, premium, if any, and accrued interest payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

SECTION 2.13.  Temporary Notes. In the event that Definitive Notes are to be issued under the terms of this Indenture, until such Definitive Notes are ready for delivery, the Company may prepare and upon receipt of an Issuer Order the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form, and shall carry all rights, of Definitive Notes but may have variations that the Company considers appropriate for temporary Notes. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate Definitive Notes. After the preparation of Definitive Notes, the temporary Notes shall be exchangeable for Definitive Notes upon surrender of the temporary Notes at any office or agency maintained by the Company for that purpose and such exchange shall be without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Company shall execute, and the Trustee shall, upon receipt of an Issuer Order, authenticate and make available for delivery in exchange therefor, one or more Definitive Notes representing an equal principal amount of Notes of authorized denominations. Until so exchanged, the Holder of temporary Notes shall in all respects be entitled to the same benefits under this Indenture as a Holder of Definitive Notes.

SECTION 2.14.  Cancellation. The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and dispose of such Notes in accordance with its internal policies and customary procedures (subject to the record retention requirements of the Exchange Act and the Trustee). If the Company or any Guarantor acquires any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes unless and until the same are surrendered to the Trustee for cancellation pursuant to this Section 2.14. The Company may not issue new Notes to replace Notes it has paid or delivered to the Trustee for cancellation for any reason other than in connection with a transfer or exchange.

At such time as all beneficial interests in a Global Note have either been exchanged for Definitive Notes, transferred, redeemed, repurchased or canceled, such Global Note shall be returned by DTC to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for Definitive Notes, transferred in exchange for an interest in another Global Note, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Notes Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Notes Custodian, to reflect such reduction.

SECTION 2.15.  Payment of Interest; Defaulted Interest. Interest on any Note which is payable, and is punctually paid or duly provided for, on any interest payment date shall be paid to the Person in whose name such Note (or one or more Predecessor Notes) is registered at the close of business on the regular record date for such payment at the office or agency of the Company maintained for such purpose pursuant to Section 2.3.

Any interest on any Note which is payable, but is not paid when the same becomes due and payable and such nonpayment continues for a period of 30 days shall forthwith cease to be payable to the Holder on the regular record date, and such defaulted interest and (to the extent lawful) interest on such defaulted interest at the rate borne by the Notes (such defaulted interest and interest thereon herein collectively called “Defaulted Interest”) shall be paid by the Company, at its election, as provided in clause (a) or (b) below:
(a) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Notes (or their respective predecessor Notes) are registered at the close of business on a Special Record Date (as defined below) for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date (not less than 30 days after such notice) of the proposed payment (the “Special Interest Payment Date”), and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as provided in this Section 2.15(a). Thereupon the Company shall fix a record date (the “Special Record Date”) for the payment of such Defaulted Interest, which date shall be not more than twenty (20) calendar days and not less than fifteen (15) calendar days prior to the Special Interest Payment Date and not less than ten (10) calendar days after the receipt by the Trustee of the notice of the proposed payment. The Company shall promptly notify the Trustee in writing of such Special Record Date, and in the name and at the expense of the Company, the Trustee shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor to be given in the manner provided for in Section 13.1, not less than ten (10) calendar days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date and Special Interest Payment Date therefor having been so given, such Defaulted Interest shall be paid on the Special Interest Payment Date to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the provisions in Section 2.15(b).

(b) The Company may make payment of any Defaulted Interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange, if, after written notice given by the Company to the Trustee of the proposed payment pursuant to this Section 2.15(b), such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section 2.15, each Note delivered under this Indenture upon registration of, transfer of or in exchange for or in lieu of any other Note shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Note.

SECTION 2.16. CUSIP and ISIN Numbers.

The Company in issuing the Notes may use “CUSIP” and “ISIN” numbers and, if so, the Trustee shall use “CUSIP” and “ISIN” numbers in notices of redemption or purchase as a convenience to Holders; provided, however, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption or purchase and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption or purchase shall not be affected by any defect in or omission of such CUSIP and ISIN numbers. The Company shall promptly notify the Trustee in writing of any change in the CUSIP and ISIN numbers.

ARTICLE III

COVENANTS

SECTION 3.1. Payment of Notes. The Company shall promptly pay the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes and in this Indenture. Principal, premium, if any, and interest shall be considered paid on the date due if by 11:00 a.m. New York City time on such date the Trustee or the Paying Agent holds in accordance with this Indenture money sufficient to pay all principal, premium, if any, and interest then due and the Trustee or the Paying Agent, as the case may be, is not prohibited from paying such money to the Holders on that date pursuant to the terms of this Indenture.
The Company shall pay interest on overdue principal at the rate specified therefor in the Notes, and it shall pay interest on overdue installments of interest at the same rate to the extent lawful.

Notwithstanding anything to the contrary contained in this Indenture, the Company may, to the extent it is required to do so by law, deduct or withhold income or other similar taxes imposed by the United States of America from principal or interest payments hereunder.

SECTION 3.2. Limitation on Indebtedness.

(a) The Company shall not, and shall not permit any of its Restricted Subsidiaries to, incur any Indebtedness (including Acquired Indebtedness); provided, however, that the Company and any of its Restricted Subsidiaries may incur Indebtedness (including Acquired Indebtedness), if on the date of such incurrence and after giving pro forma effect thereto (including pro forma application of the proceeds thereof), either (i) the Fixed Charge Coverage Ratio of the Company and its Restricted Subsidiaries is greater than 2.00 to 1.00 or (ii) the Consolidated Total Leverage Ratio would have been no greater than 5.50 to 1.00; provided, further, that Non-Guarantors may not incur Indebtedness under this Section 3.2(a) if, after giving pro forma effect to such incurrence (including a pro forma application of the net proceeds therefrom), more than an aggregate of the greater of (a) $120.0 million and (b) 35.0% of LTM EBITDA of Indebtedness of Non-Guarantors (together with any Refinancing Indebtedness in respect thereof) would be outstanding pursuant to this paragraph at such time.

(b) Section 3.2(a) will not prohibit the incurrence of the following Indebtedness:

(1) Indebtedness incurred under any Credit Facility (including letters of credit or bankers’ acceptances issued or created under any Credit Facility), and (without duplication) Guarantees in respect of such Indebtedness and any Refinancing Indebtedness in respect thereof, up to an aggregate principal amount at the time of incurrence not exceeding the sum of (a) $1,575.0 million, (b) the greater of $350.0 million and 100.0% of LTM EBITDA and (c) an additional amount (with any amounts incurred under this clause (c) deemed to be Secured Indebtedness for this purpose), if after giving pro forma effect to the incurrence of such additional amount and the application of the proceeds therefrom, the Consolidated Secured Leverage Ratio would be no greater than 4.10 to 1.00 outstanding at any one time;

(2) Guarantees by the Company or any Restricted Subsidiary of Indebtedness or other obligations of the Company or any Restricted Subsidiary so long as the incurrence of such Indebtedness or other obligations is not prohibited by the terms of this Indenture;

(3) Indebtedness of the Company to any Restricted Subsidiary or Indebtedness of a Restricted Subsidiary to the Company or any Restricted Subsidiary; provided, however, that:

(i) any subsequent issuance or transfer of Capital Stock or any other event which results in any such Indebtedness being held by a Person other than the Company or a Restricted Subsidiary, and

(ii) any sale or other transfer of any such Indebtedness to a Person other than the Company or a Restricted Subsidiary,

shall be deemed, in each case, to constitute an incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be, not permitted by this Section 3.2(b)(3);

(4) Indebtedness represented by (a) the Notes (other than any Additional Notes), including any Guarantee thereof, (b) any Indebtedness (other than Indebtedness incurred pursuant to clauses (1), (3) or (4)(a) of this Section 3.2(b)) outstanding on the Issue Date and any Guarantees thereof, (c) Refinancing Indebtedness (including, with respect to the Notes and any Guarantee thereof) incurred in respect of any Indebtedness described in this clause (4) or clause (5) of this Section 3.2(b) or incurred pursuant to Section 3.2(a), and (d) Management Advances;
(5) Indebtedness of (x) the Company or any Restricted Subsidiary incurred or issued to finance an acquisition or Investment or (y) Persons that are acquired by the Company or any Restricted Subsidiary or merged into, amalgamated or consolidated with the Company or a Restricted Subsidiary in accordance with the terms of this Indenture (including designating an Unrestricted Subsidiary as a Restricted Subsidiary) if after giving pro forma effect to such acquisition, merger, amalgamation or consolidation, either:

the Company would be permitted to incur at least $1.00 of additional Indebtedness pursuant to Section 3.2(a);

either the Fixed Charge Coverage Ratio of the Company and its Restricted Subsidiaries would not be lower or the Consolidated Total Leverage Ratio of the Company and its Restricted Subsidiaries would not be higher, in each case, than it was immediately prior to such acquisition, merger, amalgamation or consolidation; or

such Indebtedness constitutes Acquired Indebtedness (other than Indebtedness incurred in contemplation of the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was otherwise acquired by the Company or a Restricted Subsidiary); provided that, in the case of this clause (c), the only obligors with respect to such Indebtedness shall be those Persons who were obligors of such Indebtedness prior to such acquisition, merger, amalgamation or consolidation.

(6) Hedging Obligations (excluding Hedging Obligations entered into for speculative purposes);

(7) Indebtedness (i) represented by Finance Lease Obligations or Purchase Money Obligations in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness incurred pursuant to this clause (7)(i) and then outstanding (including any Refinancing Indebtedness in respect thereof), does not exceed the greater of (a) $100.0 million and (b) 30.0% of LTM EBITDA at the time of incurrence, and (ii) arising out of Sale and Leaseback Transactions in an aggregate outstanding principal amount, which when taken together with the principal amount of all other Indebtedness incurred pursuant to this clause (7)(ii) and then outstanding (including any Refinancing Indebtedness in respect thereof), does not exceed the greater of (a) $70.0 million and (b) 20.0% of LTM EBITDA at the time of incurrence;

(8) Indebtedness in respect of (a) workers’ compensation claims, health, disability or other employee benefits, property, casualty or liability insurance, self-insurance obligations, customer guarantees, performance, indemnity, surety, judgment, bid, appeal, advance payment (including progress premiums), customs, value added or other tax or other guarantees or other similar bonds, instruments or obligations, completion guarantees and warranties or relating to liabilities, obligations or guarantees incurred in the ordinary course of business or consistent with past practice; (b) the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business or consistent with past practice; (c) customer deposits and advance payments (including progress premiums) received from customers for goods or services purchased in the ordinary course of business or consistent with past practice; (d) letters of credit, bankers’ acceptances, discounted bills of exchange, discounting or factoring of receivables or payables for credit management purposes, warehouse receipts, guarantees or other similar instruments or obligations issued or entered into, or relating to liabilities or obligations incurred in the ordinary course of business or consistent with past practice; and (e) Settlement Indebtedness incurred in the ordinary course of business or consistent with past practice;

(9) Indebtedness arising from agreements providing for guarantees, indemnification, obligations in respect of earn-outs, deferred purchase price or other adjustments of purchase price or, in each case, similar obligations, in each case, incurred or assumed in connection with the acquisition or disposition of any business, assets, a Person (including any Capital Stock of a Subsidiary) or Investment
(other than Guarantees of Indebtedness incurred by any Person acquiring or disposing of such business, assets, Person or Investment for the purpose of financing such acquisition or disposition);

(10) Indebtedness in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness incurred pursuant to this clause and then outstanding (including any Refinancing Indebtedness in respect thereof), will not exceed 200% of the net cash proceeds received by the Company from the issuance or sale (other than to a Restricted Subsidiary) of its Capital Stock or otherwise contributed to the equity (in each case, other than through the issuance of Disqualified Stock, Designated Preferred Stock or an Excluded Contribution) of the Company, in each case, subsequent to the Issue Date; provided, however, that (i) any such net cash proceeds that are so received or contributed shall not increase the amount available for making Restricted Payments to the extent the Company and its Restricted Subsidiaries incur Indebtedness in reliance thereon and (ii) any net cash proceeds that are so received or contributed shall be excluded for purposes of incurring Indebtedness pursuant to this clause to the extent such net cash proceeds or cash have been applied to make Restricted Payments;

(11) Indebtedness of Non-Guarantors in an aggregate principal amount which, when taken together with the principal amount of all other Indebtedness incurred pursuant to this Section 3.2(b)(11) and then outstanding (including any Refinancing Indebtedness in respect thereof), will not exceed the greater of (a) $50.0 million and (b) 15.0% of LTM EBITDA at the time of incurrence;

(12) (a) Indebtedness issued by the Company or any of its Subsidiaries to any future, present or former employee, director, officer, manager, contractor, consultant or advisor (or their respective Controlled Investment Affiliates or Immediate Family Members) of the Company, any of its Subsidiaries or any Parent Entity, in each case to finance the purchase or redemption of Capital Stock of the Company or any Parent Entity that is permitted by Section 3.3 and (b) Indebtedness consisting of obligations under deferred compensation or any other similar arrangements incurred in the ordinary course of business or consistent with past practice or in connection with the Transactions, any Investment or any acquisition (by merger, consolidation, amalgamation or otherwise);

(15) Indebtedness in respect of any Qualified Securitization Financing or any Receivables Facility;

(16) any obligation, or guaranty of any obligation, of the Company or any Restricted Subsidiary to reimburse or indemnify a Person extending credit to customers of the Company or a Restricted Subsidiary incurred in the ordinary course of business or consistent with past practice for all or any portion of the amounts payable by such customers to the Person extending such credit;

(17) Indebtedness to a customer to finance the acquisition of any equipment necessary to perform services for such customer; provided that the terms of such Indebtedness are consistent with those entered into with respect to similar Indebtedness prior to the Issue Date, including that (i) the repayment of such Indebtedness is conditional upon such customer ordering a specific amount of goods or services and (ii) such Indebtedness does not bear interest or provide for scheduled amortization or maturity;
(18) Indebtedness incurred by the Company or any of its Restricted Subsidiaries to the extent that the net proceeds thereof are promptly deposited with the Trustee to satisfy or discharge the Notes or exercise the Company’s legal defeasance or covenant defeasance, in each case, in accordance with this Indenture;

(19) Indebtedness of the Company or any of its Restricted Subsidiaries arising pursuant to any Permitted Tax Restructuring;

(20) [reserved];

(21) Indebtedness of any joint venture or Indebtedness of the Company or any Restricted Subsidiary incurred on behalf of any joint venture or any Guarantees by the Company or any Restricted Subsidiary of Indebtedness of any joint venture in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness incurred pursuant to this clause (21) and then outstanding (including any Refinancing Indebtedness in respect thereof), will not exceed the greater of $50.0 million and 15.0% of LTM EBITDA at the time of incurrence;

(22) Indebtedness of any Foreign Subsidiary incurred in the ordinary course of business under a working capital facility; provided that such Indebtedness is not guaranteed by any Domestic Subsidiary or secured by any assets other than the assets of Foreign Subsidiaries;

(23) Indebtedness of any Foreign Subsidiary incurred under a Local Facility in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness incurred pursuant to this Section 3.2(b)(23) and then outstanding (including any Refinancing Indebtedness in respect thereof), will not exceed the greater of $50.0 million and 15.0% of LTM EBITDA at the time of incurrence;

(24) Indebtedness of the Company or any Restricted Subsidiary supported by a letter of credit or bank guarantee issued pursuant to the Credit Agreement, in a principal amount not in excess of the stated amount of such letter of credit;

(25) Indebtedness of the Company or any of its Restricted Subsidiaries consisting of obligations (including guarantees thereof) to repurchase equipment sold to customers or third party leasing companies pursuant to the terms of sale of such equipment in the ordinary course of business; and

(26) Indebtedness arising from third party arrangements for the early payment of suppliers of goods or services entered into on market terms (as determined in good faith by the Company or the relevant Restricted Subsidiary) that do not increase the amount payable by the Company or the relevant Restricted Subsidiary for the relevant goods or services.

(c) For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness incurred pursuant to and in compliance with, this Section 3.2:

(1) in the event that all or any portion of any item of Indebtedness meets the criteria of more than one of the types of Indebtedness described in Sections 3.2(a) and (b), the Company, in its sole discretion, shall classify, and may from time to time reclassify, such item of Indebtedness (or any portion thereof) and only be required to include the amount and type of such Indebtedness in Section 3.2(a) or one of the clauses of Section 3.2(b);

(2) additionally, subject to Section 3.2(c)(3) below, all or any portion of any item of Indebtedness may later be reclassified as having been incurred pursuant to any type of Indebtedness described in Section 3.2(a) or (b) so long as such Indebtedness is permitted to be incurred pursuant to such provision and any related Liens are permitted to be incurred at the time of reclassification (it being understood that any Indebtedness incurred pursuant to one of the clauses of Section 3.2(b) shall cease to be deemed incurred or outstanding for purposes of such clause...
but shall be deemed incurred for the purposes of the Section 3.2(a) from and after the first date on which the Company or its Restricted Subsidiaries could have incurred such Indebtedness under Section 3.2(a) without reliance on such clause);

(3) all Indebtedness outstanding on the Issue Date under the Credit Agreement shall be deemed incurred on the Issue Date under Section 3.2(b)(1) and may not be reclassified;

(4) in the case of any Refinancing Indebtedness, when measuring the outstanding amount of such Indebtedness, such amount shall not include the aggregate amount of accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing;

(5) Guarantees of, or obligations in respect of letters of credit, bankers’ acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(6) if obligations in respect of letters of credit, bankers’ acceptances or other similar instruments are incurred pursuant to any Credit Facility and are being treated as incurred pursuant to any clause of Section 3.2(a) or Section 3.2(b) and the letters of credit, bankers’ acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;

(7) the principal amount of any Disqualified Stock of the Company or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof;

(8) Indebtedness permitted by this Section 3.2 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 3.2 permitting such Indebtedness;

(9) for all purposes under this Indenture, including for purposes of calculating the Fixed Charge Coverage Ratio, the Consolidated Secured Leverage Ratio or the Consolidated Total Leverage Ratio, as applicable, in connection with the incurrence, issuance or assumption of any Indebtedness pursuant to Section 3.2(a) or Section 3.2(b) or the incurrence or creation of any Lien pursuant to the definition of “Permitted Liens,” the Company may elect, at its option, to treat all or any portion of the committed amount of any Indebtedness (and the issuance and creation of letters of credit and bankers’ acceptances thereunder) which is to be incurred (or any commitment in respect thereof) or secured by such Lien, as the case may be (any such committed amount elected until revoked as described below, the “Reserved Indebtedness Amount”), as being incurred as of such election date, and, if such Fixed Charge Coverage Ratio, the Consolidated Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Indenture, as applicable, is complied with (or satisfied) with respect thereto on such election date, any subsequent borrowing or reborrowing thereunder (and the issuance and creation of letters of credit and bankers’ acceptances thereunder) will be deemed to be permitted under this Section 3.2 or the definition of “Permitted Liens,” as applicable, whether or not the Fixed Charge Coverage Ratio, the Consolidated Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Indenture, as applicable, at the actual time of any subsequent borrowing or reborrowing (or issuance or creation of letters of credit or bankers’ acceptances thereunder) is complied with (or satisfied) for all purposes (including as to the absence of any continuing Default or Event of Default); provided that for purposes of subsequent calculations of the Fixed Charge Coverage Ratio, the Consolidated Secured Leverage Ratio, the Consolidated Total Leverage Ratio or other provision of this Indenture, as applicable, the Reserved Indebtedness Amount shall be deemed to be outstanding, whether or not such amount is actually outstanding, for so long as such commitments are outstanding or until the Company revokes an election of a Reserved Indebtedness Amount;

(10) notwithstanding anything in this Section 3.2 to the contrary, in the case of any Indebtedness incurred to refinance Indebtedness initially incurred in reliance on Section 3.2(b) measured by reference to a
percentage of LTM EBITDA at the time of incurrence, if such refinancing would cause the percentage of LTM EBITDA restriction to be exceeded if calculated based on the percentage of LTM EBITDA on the date of such refinancing, such percentage of LTM EBITDA restriction shall not be deemed to be exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced, plus accrued and unpaid interest, dividends, premiums (including tender premiums), defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing; and

(11) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined in accordance with GAAP.

Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in GAAP, will not be deemed to be an incurrence of Indebtedness for purposes of this Section 3.2.

If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be incurred by a Restricted Subsidiary as of such date (and, if such Indebtedness is not permitted to be incurred as of such date under this Section 3.2, the Company shall be in default of this Section 3.2).

For purposes of determining compliance with any Dollar-denominated restriction on the incurrence of Indebtedness, the Dollar equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt, provided that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed (a) the principal amount of such Indebtedness being refinanced plus (b) the aggregate amount of accrued and unpaid interest, dividends, premiums (including tender premiums) defeasance costs, underwriting discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing.

Notwithstanding any other provision of this Section 3.2, the maximum amount of Indebtedness that the Company or a Restricted Subsidiary may incur pursuant to this Section 3.2 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

SECTION 3.3. Limitation on Restricted Payments.

(a) The Company shall not, and shall not permit any of the Restricted Subsidiaries, directly or indirectly, to:

(1) declare or pay any dividend or make any distribution on or in respect of the Company’s or any Restricted Subsidiary’s Capital Stock (including any such payment in connection with any merger or consolidation involving the Company or any of the Restricted Subsidiaries) except:
(i) dividends, payments or distributions payable in Capital Stock of the Company (other than Disqualified Stock) or in options, warrants or other rights to purchase such Capital Stock of the Company; and

(ii) dividends, payments or distributions payable to the Company or a Restricted Subsidiary (and, in the case of any such Restricted Subsidiary making such dividend or distribution, to holders of its Capital Stock other than the Company or another Restricted Subsidiary on no more than a pro rata basis);

(2) purchase, repurchase, redeem, retire or otherwise acquire or retire for value any Capital Stock of the Company or any Parent Entity held by Persons other than the Company or a Restricted Subsidiary;

(3) purchase, repurchase, redeem, defease or otherwise acquire or retire for value, prior to scheduled maturity, scheduled repayment or scheduled sinking fund payment, any Subordinated Indebtedness (other than (i) any such purchase, repurchase, redemption, defeasance or other acquisition or retirement in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case, due within one year of the date of purchase, repurchase, redemption, defeasance or other acquisition or retirement and (ii) any Indebtedness incurred pursuant to Section 3.2(b)(3)); or

(4) make any Restricted Investment;

(any such dividend, distribution, payment, purchase, redemption, repurchase, defeasance, other acquisition, retirement or Restricted Investment referred to in clauses (1) through (4) above are referred to herein as a "Restricted Payment"), if at the time the Company or such Restricted Subsidiary makes such Restricted Payment:

(i) in the case of a Restricted Payment other than a Restricted Investment, an Event of Default shall have occurred and be continuing (or would immediately thereafter result therefrom);

(ii) the Company is not able to incur an additional $1.00 of Indebtedness pursuant to Section 3.2(a) immediately after giving effect, on a pro forma basis, to such Restricted Payment; or

(iii) the aggregate amount of such Restricted Payment and all other Restricted Payments made subsequent to the Issue Date (and not returned or rescinded) (including Permitted Payments made pursuant to Section 3.3(b)(1) (without duplication) and Section 3.3(b)(7), but excluding all other Restricted Payments permitted by Section 3.3(b)) would exceed the sum of (without duplication):

(A) 50% of Consolidated Net Income for the period (treated as one accounting period) beginning with the first day of the fiscal quarter in which the Issue Date occurs to the end of the most recent fiscal quarter ending prior to the date of such Restricted Payment for which consolidated financial statements are available (which may be internal financial statements) (or, in the case such Consolidated Net Income is a deficit, such amount shall be deemed to be $0);

(B) 100% of the aggregate amount of cash, and the fair market value of property or assets or marketable securities, received by the Company from the issue or sale of its Capital Stock or as the result of a merger or consolidation with another Person subsequent to the Issue Date or otherwise contributed to the equity (in each case other than through the issuance of Disqualified Stock or Designated Preferred Stock) of the Company or a Restricted Subsidiary (including the aggregate principal amount of any Indebtedness of the Company or a Restricted Subsidiary contributed to the Company or a

(i) (a) to reduce, prepay, repay or purchase any Secured Indebtedness, including Indebtedness under the Credit Agreement (or any Refinancing Indebtedness in respect thereof), (b) to reduce, prepay, repay or purchase Pari Passu Indebtedness; provided that the Company ratably repay the Notes, (c) to redeem Notes pursuant to Section 5.7 or purchase Notes through open-market purchases or in privately negotiated transactions, or (d) to reduce, prepay, repay or purchase any Indebtedness of a Non-Guarantor (in each case, other than Indebtedness owed to the
Company or any Restricted Subsidiary); provided, however, that, in connection with any reduction, prepayment, repayment or purchase of Indebtedness pursuant to this clause (i), the Company or such Restricted Subsidiary will retire such Indebtedness and will cause the related commitment (other than obligations in respect of any asset-based credit facility to the extent the assets sold or otherwise disposed of in connection with such Asset Disposition constituted “borrowing base assets”) to be reduced in an amount equal to the principal amount so reduced, prepaid, repaid or purchased;

(ii) (a) to invest (including capital expenditures) in or commit to invest in Additional Assets (including by means of an investment in Additional Assets by a Restricted Subsidiary); (b) to invest (including capital expenditures) in any one or more businesses (provided that any such business will be a Restricted Subsidiary), properties or assets that replace the businesses, properties and/or assets that are the subject of such Asset Disposition or (c) to make an Investment not prohibited by this Indenture, other than any Investment in cash or Cash Equivalents or any Investment in the Company or any of its Subsidiaries (other than any Investment in the Company or its Subsidiaries the entirety of which is used to facilitate an Investment otherwise meeting the requirements of this clause (c)); provided, however, that a binding agreement shall be treated as a permitted application of Net Available Cash from the date of such commitment with the good faith expectation that an amount equal to Net Available Cash will be applied to satisfy such commitment within 180 days of such commitment (an “Acceptable Commitment”) and, in the event of any Acceptable Commitment is later cancelled or terminated for any reason before such amount is applied in connection therewith, the Company or such Restricted Subsidiary enters into another Acceptable Commitment (a “Second Commitment”) within 180 days of such cancellation or termination; provided, further, that if any Second Commitment is later cancelled or terminated for any reason before such amount is applied, then such Net Available Cash shall constitute Excess Proceeds; or

(iii) any combination of the foregoing;

provided that (1) pending the final application of the amount of any such Net Available Cash pursuant to this Section 3.5, the Company or the applicable Restricted Subsidiaries may apply such Net Available Cash temporarily to reduce Indebtedness (including under the Credit Agreement) or otherwise apply such Net Available Cash in any manner not prohibited by this Indenture and (2) the Company (or any Restricted Subsidiary, as the case may be) may elect to invest in Additional Assets prior to receiving the Net Available Cash attributable to any given Asset Disposition (provided that such investment shall be made no earlier than the earliest of notice to the Trustee of the relevant Asset Disposition, execution of a definitive agreement for the relevant Asset Disposition, and consummation of the relevant Asset Disposition) and deem the amount so invested to be applied pursuant to and in accordance with clause (ii) above with respect to such Asset Disposition.

If, with respect to any Asset Disposition, at the expiration of the Proceeds Application Period with respect to such Asset Disposition, an amount of Net Available Cash in excess of the greater of $50.0 million and 15.0% of LTM EBITDA has not been applied, invested or committed to be applied or invested as provided in clause (3) of the preceding paragraph (such amount, “Excess Proceeds”), then subject to the limitations with respect to Foreign Dispositions set forth below, the Company shall make an offer (an “Asset Disposition Offer”) no later than ten Business Days after the expiration of the Proceeds Application Period to all Holders of Notes and, if required by the terms of any Pari Passu Indebtedness, to all holders of such Pari Passu Indebtedness, to purchase the maximum principal amount of such Notes and Pari Passu Indebtedness, as appropriate, on a pro rata basis, that may be purchased out of such Excess Proceeds, if any, at an offer price in cash in an amount equal to 100% of the principal amount thereof (or in the event such other Indebtedness was issued with original issue discount, 100% of the accreted value thereof), plus accrued and unpaid interest, if any (or such lesser price with respect to Pari Passu Indebtedness, if any, as may be provided by the terms of such other Indebtedness), to,
but not including, the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture and the agreement governing the Pari Passu Indebtedness, as applicable, in minimum denominations of $2,000 and in integral multiples of $1,000 in excess thereof; provided that if at the time of receipt of any Excess Proceeds in respect of any Asset Disposition, or at any time during the Proceeds Application Period, on a pro forma basis after giving effect to such Asset Disposition and the use of proceeds therefrom, (x) the Consolidated Total Leverage Ratio would be equal to or less than 4.75 to 1.00, the Company shall apply an amount equal to 50% of the Excess Proceeds to an Asset Disposition Offer and (y) the Consolidated Total Leverage Ratio would be equal to or less than 4.25 to 1.00, the Company shall apply an amount equal to 0% of the Excess Proceeds to an Asset Disposition Offer. Notices of an Asset Disposition shall be sent by first class mail or sent electronically, at least 10 days but not more than 60 days before the purchase date to each Holder of the Notes at such Holder’s registered address or otherwise in accordance with the applicable procedures of DTC. The Company may satisfy the foregoing obligation with respect to any Net Proceeds to an Asset Disposition by making an Asset Disposition Offer prior to the expiration of the Proceeds Application Period (the “Advance Offer”) with respect to all or a part of the Net Available Cash (the “Advance Portion”) in advance of being required to do so by this Indenture.

(b) To the extent that the aggregate amount (or accreted value, as applicable) of Notes and, if applicable, any other Indebtedness validly tendered or otherwise surrendered in connection with an Asset Disposition Offer is less than the amount offered in an Asset Disposition Offer (or, in the case of an Advance Offer, the Advance Portion), the Company may use any remaining Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion) (the “Declined Excess Proceeds”) for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount (or accreted value, as applicable) of the Notes or, if applicable, Pari Passu Indebtedness validly tendered pursuant to any Asset Disposition Offer exceeds the amount of Excess Proceeds (or, in the case of an Advance Offer, the Advance Portion), the Company shall allocate the Excess Proceeds among the Notes and Pari Passu Indebtedness to be purchased on a pro rata basis on the basis of the aggregate principal amount (or accreted value, as applicable) of tendered Notes and Pari Passu Indebtedness; provided that no Notes or other Pari Passu Indebtedness validly tendered shall be selected and purchased in an unauthorized denomination. Upon completion of any Asset Disposition Offer, the amount of Excess Proceeds shall be reset at zero.

To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than Dollars, the amount thereof payable in respect of the Notes shall not exceed the net amount of funds in Dollars that is actually received by the Company upon converting such portion into Dollars.

(c) Notwithstanding any other provisions of this Section 3.5.

(i) to the extent that any of or all the Net Available Cash of any Asset Disposition are received or deemed to be received by a Foreign Subsidiary (a “Foreign Disposition”) is (x) prohibited or delayed by applicable local law, (y) restricted by applicable organizational documents or any agreement or (z) subject to other onerous organizational or administrative impediments from being repatriated to the United States, the portion of such Net Available Cash so affected will not be required to be applied in compliance with this Section 3.5, and such amounts may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law documents or agreements will not permit repatriation to the United States (the Company hereby agreeing to use reasonable efforts (as determined in the Company’s reasonable business judgment) to otherwise cause the applicable Foreign Subsidiary to within one year following the date on which the respective payment would otherwise have been required, promptly take all actions reasonably required by the applicable local law, applicable organizational impediments or other impediment to permit such repatriation), and if within one year following the date on which the respective payment would otherwise have been required such repatriation of any of such affected Net Available Cash is permitted under the applicable local law, applicable organizational impediment or other impediment, such repatriation will be promptly effected and the amount of such repatriated Net Available Cash will be promptly (and in any event not later than five Business Days after such repatriation could be made) applied (net of additional Taxes payable or reserved against as a result thereof) (whether or not repatriation actually occurs) in compliance with this Section 3.5; and
(ii) to the extent that the Company has determined in good faith that repatriation of any of or all the Net Available Cash of any Foreign Disposition would have an adverse Tax consequence (which for the avoidance of doubt, includes, but is not limited to, any prepayment out of any such Net Available Cash whereby doing so the Company, any of its Subsidiaries, any Parent Entity or any of their respective affiliates and/or equity owners would incur a Tax liability, including a Tax dividend, deemed dividend pursuant to Code Section 956 or a withholding Tax), the Net Available Cash so affected may be retained by the applicable Foreign Subsidiary. The non-application of any prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a Default or an Event of Default.

(d) For the purposes of Section 3.5(a)(2) hereof, the following will be deemed to be cash:

(1) the assumption by the transferee of Indebtedness or other liabilities, contingent or otherwise of the Company or a Restricted Subsidiary (other than Subordinated Indebtedness of the Company or a Guarantor) or the release of the Company or such Restricted Subsidiary from all liability on such Indebtedness or other liability in connection with such Asset Disposition;

(2) securities, notes or other obligations received by the Company or any Restricted Subsidiary from the transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents, or by their terms are required to be satisfied for cash and Cash Equivalents (to the extent of the cash or Cash Equivalents received), in each case, within 180 days following the closing of such Asset Disposition;

(3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Company and each other Restricted Subsidiary are released from any Guarantee of payment of such Indebtedness in connection with such Asset Disposition;

(4) consideration consisting of Indebtedness of the Company (other than Subordinated Indebtedness) received after the Issue Date from Persons who are not the Company or any Restricted Subsidiary; and

(5) any Designated Non-Cash Consideration received by the Company or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this Section 3.5 that is at that time outstanding, not to exceed the greater of $85.0 million and 25.0% of LTM EBITDA (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

(e) To the extent that the provisions of any securities laws, rules or regulations, including Rule 14e-1 under the Exchange Act, conflict with the provisions of this Indenture, the Company shall not be deemed to have breached its obligations described in this Indenture by virtue of compliance therewith.

(f) The provisions of this Indenture relative to the Company’s obligation to make an offer to repurchase the Notes as a result of an Asset Disposition may be waived or modified with the written consent of the Holders of a majority in aggregate principal amount of the Notes then outstanding.

SECTION 3.6. Limitation on Liens. The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create, incur or permit to exist any Lien (except Permitted Liens) (each, an “Initial Lien”) that secures obligations under any Indebtedness or any related guarantee, on any asset or property of the Company or any Restricted Subsidiary, unless:

(1) in the case of Liens securing Subordinated Indebtedness, the Notes and the Note Guarantees are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; or
(2) in all other cases, the Notes or the Note Guarantees are equally and ratably secured, except that the foregoing shall not apply to Liens securing the Notes and the Note Guarantees.

Any Lien created for the benefit of the Holders pursuant to the preceding sentence shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien.

With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “Increased Amount” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

SECTION 3.7. Limitation on Guarantees.

(a) The Company shall not permit any of its Wholly Owned Domestic Restricted Subsidiaries (and non-Wholly Owned Domestic Subsidiaries if such non-Wholly Owned Domestic Subsidiaries Guarantee or otherwise incur other capital markets debt securities of the Company or any Guarantor), other than a Guarantor, a Foreign Subsidiary or a Securitization Subsidiary, to incur or Guarantee the payment of (i) any Indebtedness under any syndicated Credit Facility with an aggregate outstanding principal amount in excess of the greater of $100.0 million and 20.0% of LTM EBITDA or (ii) capital markets debt securities of the Company or any other Guarantor unless:

(1) such Restricted Subsidiary within 60 days executes and delivers a supplemental indenture to this Indenture in the form attached as Exhibit B providing for a Note Guarantee by such Restricted Subsidiary, and in the case of a Guarantee of Indebtedness of the Company or any Guarantor, that is by its express terms subordinated in right of payment to the Notes or such Guarantor’s Note Guarantee, any such Guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Note Guarantee substantially to the same extent as such Indebtedness is subordinated to the Notes or such Guarantor’s Note Guarantee; and

(2) such Restricted Subsidiary waives and will not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other rights against the Company or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Guarantee until payment in full of Obligations under this Indenture.

provided that this Section 3.7 shall not be applicable (i) to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary, or (ii) in the event that the Guarantee of the Company’s obligations under the Notes or this Indenture by such Subsidiary would not be permitted under applicable law.

(b) The Company may elect, in its sole discretion, to cause or allow, as the case may be, any Subsidiary or any of its Parent Entities that is not otherwise required to be a Guarantor to become a Guarantor, in which case, such Subsidiary or Parent Entity shall not be required to comply with the 60-day period described in Section 3.7(a) and such Note Guarantee may be released at any time in the Company’s sole discretion so long as any Indebtedness of such Subsidiary then outstanding could have been incurred by such Subsidiary (either (x) when so incurred or (y) at the time of the release of such Note Guarantee) assuming such Subsidiary were not a Guarantor at such time.
SECTION 3.8. Limitation on Affiliate Transactions.

(a) The Company shall not, and shall not permit any Restricted Subsidiary to enter into or conduct any transaction (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Company (an “Affiliate Transaction”) involving aggregate value in excess of the greater of $35.0 million and 10.0% of LTM EBITDA unless:

(1) the terms of such Affiliate Transaction taken as a whole are not materially less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that could be obtained in a comparable transaction at the time of such transaction or the execution of the agreement providing for such transaction in arm’s length dealings with a Person who is not such an Affiliate; and

(2) in the event such Affiliate Transaction involves an aggregate value in excess of the greater of $100.0 million and 30.0% of LTM EBITDA, the terms of such transaction have been approved by a majority of the members of the Board of Directors of the Company.

An Affiliate Transaction shall be deemed to have satisfied the approval requirements set forth in this Section 3.8(a) if (1) such Affiliate Transaction is approved in good faith by a majority of the Disinterested Directors of the Company or (2) in the event there are no Disinterested Directors, a fairness opinion is provided by an Independent Financial Advisor with respect to such Affiliate Transaction. Any Affiliate Transaction shall be deemed to have satisfied the requirements set forth in Section 3.8(a)(2) if such Affiliate Transaction is approved in good faith by a majority of the Disinterested Directors of the Company, if any.

(b) The restrictions of Section 3.8(a) above shall not apply to:

(1) any Restricted Payment permitted to be made pursuant to Section 3.3 (including Permitted Payments and any Permitted Investment), any Indebtedness permitted to be incurred pursuant to Section 3.2, any Permitted Lien and any transactions permitted by, and complying with, the provisions of Section 4.1;

(2) any issuance, transfer or sale of (a) Capital Stock (other than Disqualified Stock), options, other equity-related interests or other securities, or other payments, awards or grants in cash, securities or otherwise to any Parent Entity, Permitted Holder or future, current or former employee, director, officer, manager, contractor, consultant or advisor (or their respective Controlled Investment Affiliates or Immediate Family Members) of the Company, any of its Subsidiaries or any of its Parent Entities and (b) directors’ qualifying shares and shares issued to foreign nationals as required under applicable law;

(3) any Management Advances and any waiver or transaction with respect thereto;

(4) (a) any transaction between or among the Company and any Restricted Subsidiary (or entity that becomes a Restricted Subsidiary as a result of such transaction), or between or among Restricted Subsidiaries and (b) any merger, amalgamation or consolidation with any Parent Entity, provided that such Parent Entity shall have no material liabilities and no material assets other than cash, Cash Equivalents and the Capital Stock of the Company and such merger, amalgamation or consolidation is otherwise permitted under this Indenture;

(5) the payment of compensation, fees, costs and expenses to, and indemnities (including under insurance policies) and reimbursements, employment and severance arrangements, and employee benefit and pension expenses provided on behalf of, or for the benefit of, future, current or former employees, directors, officers, managers, contractors, consultants, distributors or advisors (or their respective Controlled Investment Affiliates or Immediate Family Members) of the Company, any Parent Entity or any Restricted Subsidiary (whether directly or indirectly and including through their Controlled Investment Affiliates or Immediate Family Members);
(6) the entry into and performance of obligations of the Company or any of its Restricted Subsidiaries under the terms of any transaction arising out of, and any payments pursuant to or for purposes of funding, any agreement or instrument in effect as of or on the Issue Date, as these agreements and instruments may be amended, modified, supplemented, extended, renewed or refinanced from time to time in accordance with the other terms of this Section 3.8 or to the extent not disadvantageous in any material respect in the reasonable determination of the Company to the Holders when taken as a whole as compared to the applicable agreement as in effect on the Issue Date;

(7) any transaction effected as part of a Qualified Securitization Financing or Receivables Facility, any disposition or acquisition of Securitization Assets, Receivables Assets or related assets in connection with any Qualified Securitization Financing or Receivables Facility;

(8) transactions with customers, vendors, clients, joint venture partners, suppliers, contractors, distributors or purchasers or sellers of goods or services, in each case in the ordinary course of business or consistent with past practice, which are fair to the Company or its Restricted Subsidiaries, in the reasonable determination of the Company, or are on terms, taken as a whole, that are not materially less favorable as might reasonably have been obtained at such time from an unaffiliated party;

(9) any transaction between or among the Company or any Restricted Subsidiary and any Person (including a joint venture, but excluding an Unrestricted Subsidiary) that is an Affiliate of the Company or an Associate or similar entity solely because the Company or a Restricted Subsidiary owns an equity interest in or otherwise controls such Affiliate, Associate or similar entity;

(10) any issuance, sale or transfer of Capital Stock (other than Disqualified Stock or Designated Preferred Stock) of the Company, any Parent Entity or any of its Restricted Subsidiaries or options, warrants or other rights to acquire such Capital Stock and the granting of registration and other customary rights (and the performance of the related obligations) in connection therewith or any contribution to capital of the Company or any Restricted Subsidiary;

(11) (i) payments (including in the form of dividends or other distributions) by the Company or any Restricted Subsidiary to any Permitted Holder (whether directly or indirectly), including to its affiliates or its designees, of management, consulting, monitoring, refinancing, transaction, advisory, indemnities and other fees, costs and expenses (plus any unpaid management, consulting, monitoring, transaction, advisory, indemnities and other fees, costs and expenses accrued in any prior year) and any exit and termination fees (including any such cash lump sum or present value fee upon the consummation of a corporate event, including a Qualifying IPO) pursuant to any management services, transition services or similar agreements or the management services or other relevant provisions in an investor rights agreement, limited partnership agreement, limited liability company agreement or other equityholders’ agreement, as the case may be, between the Permitted Holders or certain of the management companies associated with the Permitted Holders or their advisors or Affiliates, if applicable, and the Company and/or its Parent Entities or Subsidiaries, as in effect on the Issue Date (including any amendment thereto or replacement thereof so long as any such amendment or replacement is not materially disadvantageous in the reasonable determination of the Company to the Holders when taken as a whole, as compared to the management services or similar agreements as in effect immediately prior to such amendment or replacement) and (ii) payments by the Company or any Restricted Subsidiary to any Permitted Holder (whether directly or indirectly, including through any Parent Entity) for financial advisory or financing services, including in connection with acquisitions or divestitures, which payments (x) are approved in the case of each of clauses (i) and (ii) in the reasonable determination of the Company or (y) do not exceed the greater of $7.0 million and 2.0% of Prior Year EBITDA in any calendar year (with unused amounts in any calendar year being carried over to succeeding calendar years) so long as, in the case of clause (ii), at the time thereof and after giving effect thereto, no Default or Event of Default shall have occurred and be continuing;

(12) payment to any Permitted Holder of all out of pocket expenses incurred by such Permitted Holder in connection with its direct or indirect investment in the Company and its Subsidiaries;
(13) the Transactions and the payment of all fees, costs and expenses (including all legal, accounting and other professional fees, costs and expenses) related to the Transactions, including Transaction Expenses;

(14) transactions in which the Company or any Restricted Subsidiary, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or meets the requirements of Section 3.8(a)(1);

(15) the existence of, or the performance by the Company or any Restricted Subsidiary of its obligations under the terms of, any equityholders, investor rights or similar agreement (including any registration rights agreement or purchase agreements related thereto) to which it is party as of the Issue Date and any similar agreement that it (or any Parent Entity) may enter into thereafter; provided that the existence of, or the performance by the Company or any Restricted Subsidiary (or any Parent Entity) of its obligations under any future amendment to any such existing agreement or under any similar agreement entered into after the Issue Date will only be permitted under this clause to the extent that the terms of any such amendment or new agreement are not otherwise, when taken as a whole, more disadvantageous to the Holders in any material respect in the reasonable determination of the Company than those in effect on the Issue Date;

(16) any purchases by the Company’s Affiliates of Indebtedness or Disqualified Stock of the Company or any of the Restricted Subsidiaries the majority of which Indebtedness or Disqualified Stock is purchased by Persons who are not the Company’s Affiliates; provided that such purchases by the Company’s Affiliates are on the same terms as such purchases by such Persons who are not the Company’s Affiliates;

(17) (i) investments by Affiliates in securities or loans of the Company or any of the Restricted Subsidiaries (and payment of reasonable out-of-pocket expenses incurred by such Affiliates in connection therewith) so long as the investment is being offered by the Company or such Restricted Subsidiary generally to other non-affiliated third party investors on the same or more favorable terms and (ii) payments to Affiliates in respect of securities or loans of the Company or any of the Restricted Subsidiaries contemplated in the foregoing subclause (i) or that were acquired from Persons other than the Company and its Restricted Subsidiaries, in each case, in accordance with the terms of such securities or loans;

(18) (i) entering into and performance by any Parent Entity, the Company and its Restricted Subsidiaries of any tax sharing or receivable agreements or other equity agreements in respect of Related Taxes among any such Parent Entity, the Company and its Restricted Subsidiaries on customary terms to the extent attributable to the ownership or operation of the Company and its Subsidiaries, including payments pursuant to any such tax sharing or receivable agreements or other equity agreements and (ii) the formation and maintenance by any Parent Entity, the Company and the Restricted Subsidiaries of any consolidated or combined group or subgroup for tax, accounting or cash pooling or management purposes in the ordinary course of business;

(19) payments, Indebtedness and Disqualified Stock (and cancellation of any thereof) of the Company and its Restricted Subsidiaries and Preferred Stock (and cancellation of any thereof) of any Restricted Subsidiary to any future, current or former employee, director, officer, manager, contractor, consultant or advisor (or their respective Controlled Investment Affiliates or Immediate Family Members) of the Company, any of its Subsidiaries or any of its Parent Entities pursuant to any management equity plan, stock option plan, phantom equity plan or any other management, employee benefit or other compensatory plan or agreement (and any successor plans or arrangements thereto), employment, termination or severance agreement, or any stock subscription or equityholder agreement with any such employee, director, officer, manager, contractor, consultant or advisor (or their respective Controlled
Investment Affiliates or Immediate Family Members) that are, in each case, approved by the Company in good faith;

(20) any management equity plan, stock option plan, phantom equity plan or any other management, employee benefit or other compensatory plan or agreement (and any successor plans or arrangements thereto), employment, termination or severance agreement, or any stock subscription or equityholder agreement between the Company or its Restricted Subsidiaries and any distributor, employee, director, officer, manager, contractor, consultant or advisor (or their respective Controlled Investment Affiliates or Immediate Family Members) approved by the reasonable determination of the Company or entered into in connection with the Transactions;

(21) any transition services arrangement, supply arrangement or similar arrangement entered into in connection with or in contemplation of the disposition of assets or Capital Stock in any Restricted Subsidiary permitted under Section 3.5 or entered into with any Business Successor, in each case, that the Company determines in good faith is either fair to the Company or otherwise on customary terms for such type of arrangements in connection with similar transactions;

(22) transactions entered into by an Unrestricted Subsidiary with an Affiliate prior to the day such Unrestricted Subsidiary is redesignated as a Restricted Subsidiary pursuant to Section 3.20 and pledges of Capital Stock of Unrestricted Subsidiaries; provided that such transaction was not entered into in anticipation of such Unrestricted Subsidiary being redesignated as a Restricted Subsidiary;

(23) (i) any lease entered into between the Company or any Restricted Subsidiary and any Affiliate of the Company and (ii) any operational services arrangement entered into between the Company or any Restricted Subsidiary and any Affiliate of the Company, in each case, which is approved as being on arms-length terms by the reasonable determination of the Company;

(24) intellectual property licenses and research and development agreements in the ordinary course of business or consistent with past practice;

(25) payments to or from, and transactions with, any Subsidiary or any joint venture in the ordinary course of business or consistent with past practice (including any cash management arrangements or activities related thereto);

(27) transactions undertaken in the ordinary course of business pursuant to membership in a purchasing consortium;

(28) Permitted Intercompany Activities, Permitted Tax Restructurings or Intercompany License Agreements;

(29) transactions between the Company or any Restricted Subsidiaries and any Person that is an Affiliate of the Company solely because a director of such Person is also a director of the Company or any Parent Entity; provided, however, that such director abstains from voting as a director of the Company or such Parent Entity, as the case may be, on any matter involving such other Person; and

(30) the Transition Services Agreements, the IT License Usage Agreement, the Tax Sharing Agreement, Management Services Agreement and the Tax Matters Agreement (in each case, including any amendment thereto or replacement thereof so long as any such amendment or replacement is not materially disadvantageous in the reasonable determination of the Company to the Holders when taken as a whole, as
compared to such agreement as in effect immediately prior to such amendment or replacement) and payments by the Company or any Restricted Subsidiary thereunder.

In addition, if the Company or any of its Restricted Subsidiaries (i) purchases or otherwise acquires assets or properties from a Person which is not an Affiliate, the purchase or acquisition by an Affiliate of the Company of an interest in all or a portion of the assets or properties acquired shall not be deemed an Affiliate Transaction (or cause such purchase or acquisition by the Company or a Restricted Subsidiary to be deemed an Affiliate Transaction) and (ii) sells or otherwise disposes of assets or other properties to a Person who is not an Affiliate, the sale or other disposition by an Affiliate of the Company of an interest in all or a portion of the assets or properties sold shall not be deemed an Affiliate Transaction (or cause such sale or other disposition by the Company or a Restricted Subsidiary to be deemed an Affiliate Transaction).

SECTION 3.9. Change of Control.

(a) If a Change of Control occurs, unless the Company has previously or substantially concurrently therewith delivered a redemption notice with respect to all of the outstanding Notes as set forth under Section 5.7(a) or Section 5.7(d), the Company shall make an offer to purchase all of the Notes (the “Change of Control Offer”) at a price in cash (the “Change of Control Payment”) equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to but excluding the date of repurchase; provided that if the repurchase date is on or after the record date and on or before the corresponding interest payment date, then Holders in whose name the Notes are registered at the close of business on such record date will receive the interest due on the repurchase date. Within 45 days following any Change of Control, the Company will deliver or cause to be delivered a notice of such Change of Control Offer electronically in accordance with the applicable procedures of DTC or by first class mail, with a copy to the Trustee, to each Holder of Notes at the address of such Holder appearing in the security register or otherwise in accordance with the applicable procedures of DTC, with the following information:

(1) that a Change of Control Offer is being made pursuant to this Section 3.9, and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Company;

(2) the purchase price and the purchase date, which will be no earlier than 10 days nor later than 60 days from the date such notice is delivered (the “Change of Control Payment Date”);

(3) that any Note not properly tendered will remain outstanding and continue to accrue interest;

(4) that unless the Company defaults in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest, on the Change of Control Payment Date;

(5) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of such Notes completed, to the applicable Paying Agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date, or otherwise comply with DTC procedures;

(6) that Holders will be entitled to withdraw their tendered Notes and their election to require the Company to purchase such Notes; provided that the applicable Paying Agent receives, not later than the close of business on the second Business Day prior to the expiration date of the Change of Control Offer, a telegram, facsimile transmission, electronic transmission or letter setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased, or otherwise comply with DTC procedures;
that Holders whose Notes are being purchased only in part will be issued new Notes and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered. The unpurchased portion of the Notes must be equal to at least $2,000 or any integral multiple of $1,000 in excess of $2,000;

(8) if such notice is delivered prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control; and

(9) the other instructions, as determined by the Company, consistent with this Section 3.9, that a Holder must follow.

The applicable Paying Agent will promptly deliver to each Holder of the Notes tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; provided that each such new Note will be in a minimum principal amount of $2,000 or an integral multiple of $1,000 in excess thereof. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

If the Change of Control Payment Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest will be paid on the Change of Control Payment Date to the Person in whose name a Note is registered at the close of business on such record date.

(b) On the Change of Control Payment Date, the Company will, to the extent permitted by law,

(1) accept for payment all Notes issued by it or portions thereof properly tendered pursuant to the Change of Control Offer,

(2) deposit with the applicable Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered, and

(3) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officer’s Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Company.

(c) The Company will not be required to make a Change of Control Offer following a Change of Control if (x) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer, (y) a notice of redemption of all outstanding Notes has been given pursuant to Section 5.7 hereof unless and until there is a default in the payment of the redemption price on the applicable redemption date or the redemption is not consummated due to the failure of a condition precedent contained in the applicable redemption notice to be satisfied or (z) after the public announcement that a definitive agreement for a Change of Control has been entered into (i) the Company (or any Affiliate of the Company) has made an offer to purchase all Notes validly tendered and not withdrawn at a cash price no less than 101% of the principal amount thereof, plus accrued and unpaid interest, if any, to but excluding the date of repurchase, (ii) the relevant offer to purchase documentation discloses that a Change of Control Offer will not be required to be made if all Notes validly tendered and not withdrawn in the Alternate Offer are purchased and (iii) the Company or such Affiliate of the Company purchases all Notes validly tendered and not withdrawn in accordance therewith (an “Alternate Offer”).

(d) Notwithstanding anything to the contrary in this Section 3.9, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control. If such Change of Control Offer is subject to satisfaction of one or more conditions precedent, such Change of Control Offer shall state that, in the Company’s discretion, the repurchase date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), or such Change of Control Offer may be rescinded
in the event that any or all such conditions shall not have been or, in the Company’s sole determination, may not be satisfied (or waived by the Company in their sole discretion). If a notice relating to a Change of Control Offer that is subject to one or more conditions precedent (other than the occurrence of a Change of Control) is later rescinded as described above as a result of the failure of such condition(s) to be satisfied or waived (or as a result of the Company determining that such will be the case), the offer described in such notice will not be deemed a valid “Change of Control Offer” for purposes of this Section 3.9.

(e) [Reserved]

(f) While the Notes are in global form and the Company makes an offer to purchase all of the Notes pursuant to the Change of Control Offer, a Holder may exercise its option to elect for the purchase of the Notes through the facilities of DTC, subject to its rules and regulations.

(g) The Company will comply, to the extent applicable, with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws, rules and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws, rules or regulations conflict with the provisions of this Indenture, the Company shall not be deemed to have breached its obligations described in this Indenture by virtue of compliance therewith.

SECTION 3.10. Reports and Other Information.

(a) Notwithstanding that the Company may not be subject to the reporting requirements of Section 13 or 15(d) of the Exchange Act or otherwise report on an annual and quarterly basis on forms provided for such annual and quarterly reporting pursuant to rules and regulations promulgated by the SEC, from and after the Issue Date, the Company shall furnish to the Trustee, within 15 days after the time periods specified below:

(1) within 120 days (or 150 days in the case of the fiscal year containing the Issue Date) after the end of each fiscal year (or if such day is not a Business Day, on the next succeeding Business Day), annual financial statements of the Company prepared in accordance with GAAP, a “Management's discussion and analysis of financial condition and results of operations” containing information customarily included if such section was included in a Form 10-K and a report on the annual financial statements by the Company’s independent auditors;

(2) within 60 days (or 90 days in the case of the first fiscal quarter after the Issue Date) after the end of each of the first three fiscal quarters of each fiscal year (or if such day is not a Business Day, on the next succeeding Business Day), financial statements prepared in accordance with GAAP and a “Management’s discussion and analysis of financial condition and results of operations,” containing information customarily included if such section was included in a Form 10-Q; and

(3) within 15 days after the time period specified in the SEC’s rules and regulations for filing current reports on Form 8-K, current reports of the Company containing substantially all of the information that would be required to be filed in a current report on Form 8-K under the Exchange Act on the Issue Date pursuant to Items 1.03, 2.01, 4.01, 4.02, and 5.01 of Form 8-K if the Company had been a reporting company under the Exchange Act; provided, however, that no such current reports (or Items thereof or all or a portion of the financial statements that would have otherwise been required thereby) will be required to be furnished to the Trustee (or included in any furnished current report) if the Company determines in its good faith judgment that such event (or information) is not material to holders or the business, assets, operations, financial position or prospects of the Company and its Restricted Subsidiaries, taken as a whole, and, in addition, the Company shall not be obligated to furnish to the Trustee (i) an exhibit or a summary of the terms of any employment or compensatory arrangement, agreement, plan or understanding between the Company or any of its Subsidiaries and any director, officer or manager of the Company or any of its Subsidiaries, (ii) copies of any agreements, financial statements or other items that would be required to be
filed as exhibits to a current report on Form 8-K or (iii) any trade secrets, privileged or confidential information obtained from another Person and competitively sensitive information;

in each case, in a manner that complies in all material respects with the requirements specified in such form, except as described above or below and subject to exceptions consistent with the presentation of information in the Offering Circular; provided, however, that the Company shall not be required to (i) comply with Regulation G under the Exchange Act or Item 10(e) of Regulation S-K with respect to any “non-GAAP” financial information contained therein, (ii) provide any information that is not otherwise similar to information currently included in the Offering Circular, (iii) provide separate financial statements or other information contemplated by Rules 3-05, 3-09, 3-10 or 3-16 of Regulation S-X, or in each case any successor provisions or any schedules required by Regulation S-X or comply with the requirements of Regulation S-X or (iv) contain any “segment reporting.” In addition, notwithstanding the foregoing, the Company will not be required to (i) comply with Sections 302, 906 and 404 of the Sarbanes-Oxley Act of 2002, as amended, (ii) comply with rules or regulations promulgated by the SEC concerning Extensible Business Reporting Language (XBRL) or (iii) otherwise furnish any information, certificates or reports required by Items 307, 308, 402, 405, 406, 407 and 601 of Regulation S-K. To the extent any such information is not so filed or furnished, as applicable, within the time periods specified above and such information is subsequently filed or furnished, as applicable, the Company will be deemed to have satisfied its obligations with respect thereto at such time and any Default with respect thereto shall be deemed to have been cured; provided that such cure shall not otherwise affect the rights of the Holders under Section 6.1 hereof if Holders of at least 30.0% in aggregate principal amount of the outstanding Notes have declared the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately and such declaration shall not have been rescinded or cancelled prior to such cure. In addition, to the extent not satisfied by the foregoing, the Company shall agree that, for so long as any Notes are outstanding, it shall furnish to Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(b) Delivery of reports, information and documents to the Trustee under this Indenture will be for informational purposes only and the information and the Trustee’s receipt of the foregoing shall not constitute actual or constructive notice of any information contained therein, or determinable from information contained therein, including the Company’s compliance with any of its covenants thereunder (as to which the Trustee is entitled to rely exclusively on an Officer’s Certificate). The Trustee shall have no duty to monitor or confirm whether the Company or any Parent Entity posts reports, information or documents on SEC’s website or otherwise, collect any such information from the SEC’s website or otherwise, or review or analyze reports delivered to it.

(c) Substantially concurrently with the furnishing of such information to the Trustee pursuant to Section 3.10(a), the Company shall also use its commercially reasonable efforts to post copies of such information required by Section 3.10(a) on a website (which may be nonpublic and may be maintained by the Company or a third party) to which access will be given to the Holders, prospective investors in the Notes (which prospective investors shall be limited to “qualified institutional buyers” within the meaning of Rule 144A of the Securities Act or non-U.S. persons (as defined in Regulation S under the Securities Act) that certify their status as such to the reasonable satisfaction of the Company), and securities analysts and market making financial institutions that are reasonably satisfactory to the Company. To the extent the Company determines in good faith that it cannot make such reports available in the manner described in the preceding sentence after the use of its commercially reasonable efforts, the Company shall furnish such reports to the Holders, upon their request. The Company may condition the delivery of any such reports to such Holders, prospective investors in the Notes and securities analysts and market making financial institutions on the agreement of such Persons to (i) treat all such reports (and the information contained therein) and information as confidential, (ii) not use such reports (and the information contained therein) and information for any purpose other than their investment or potential investment in the Notes and (iii) not publicly disclose any such reports (and the information contained therein) and information.

(d) The Company will participate in quarterly conference calls (which may be a single conference call together with investors and lenders holding other securities or Indebtedness of the Company, its Restricted Subsidiaries and/or any Parent Entity) to discuss results of operations. The conference call will be following the
last day of each fiscal quarter of the Company and not later than twenty (20) Business Days from the time that the Company distributes the financial information as set forth in Section 3.10(a). No fewer than two days prior to the conference call, the Company will issue a press release or otherwise announce the time and date of such conference call and providing instructions for Holders, prospective investors in the Notes, securities analysts and market making financial institutions to obtain access to such call.

(e) The Company may satisfy its obligations pursuant to this Section 3.10 with respect to financial information relating to the Company by furnishing financial information relating to a Parent Entity; provided that the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such Parent Entity (and other Parent Entities included in such information, if any), on the one hand, and the information relating to the Company and its Restricted Subsidiaries on a standalone basis, on the other hand. For the avoidance of doubt, the consolidating information referred to in the proviso in the preceding sentence need not be audited.

(f) Notwithstanding anything to the contrary set forth in this Section 3.10, if the Company or any Parent Entity has furnished to the Holders of Notes or filed with the SEC the reports described in this Section 3.10 with respect to the Company or any Parent Entity, the Company shall be deemed to be in compliance with the provisions of this Section 3.10.

(g) The Trustee shall have no duty to determine whether any filings or postings described in this Section 3.10 have been made.

SECTION 3.11. [Reserved].

The Company will maintain an office or agency where the Notes may be presented or surrendered for payment, where, if applicable, the Notes may be surrendered for registration of transfer or exchange. The corporate trust office of the Trustee, which initially shall be located at Wilmington Trust, National Association, Global Capital Markets, 50 South Street, Suite 1290, Minneapolis, Minnesota 55402, Attention: Graham Packaging Notes Administrator, shall be such office or agency of the Company, unless the Company shall designate and maintain some other office or agency for one or more of such purposes. The Company will give prompt written notice to the Trustee of any change in the location of any such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations and surrenders may be made or served at the corporate trust office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all such presentations and surrenders.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind any such designation. The Company will give prompt written notice to the Trustee of any such designation or rescission and any change in the location of any such other office or agency. No office of the Trustee shall be an office or agency of the Company for the purposes of service of legal process on the Company or any Guarantor.

SECTION 3.13. [Reserved].

SECTION 3.14. [Reserved].

SECTION 3.15. [Reserved].

SECTION 3.16. Compliance Certificate. The Company shall deliver to the Trustee within 120 days after the end of each fiscal year of the Company an Officer’s Certificate, the signer of which shall be the principal executive officer, principal financial officer, principal accounting officer, principal legal officer, secretary or treasurer of the Company, stating that in the course of the performance by the signer of his or her duties as an Officer of the Company he or she would normally have knowledge of any Default or Event of Default and whether
or not the signer knows of any Default or Event of Default that occurred during the previous fiscal year; provided that no such Officer’s Certificate shall be required for any fiscal year ended prior to the Issue Date. If such Officer does have such knowledge, the certificate shall describe the Default or Event of Default, its status and the action the Company is taking or proposes to take with respect thereto.

SECTION 3.17. Further Instruments and Acts. Upon request of the Trustee or as necessary to comply with future developments or requirements, the Company will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

SECTION 3.18. Activities Prior to Release. Prior to the consummation of the Merger, the activities of Merger Sub shall be restricted to issuing the Initial Notes, engaging in other financing activities related to the Transactions and performing its obligations in connection with any of the documents relating thereto, issuing capital stock to, and receiving capital contributions from, GPC or any other Parent Entity, performing its obligations in respect of the Initial Notes under this Indenture and the purchase agreement with the Initial Purchasers, performing its obligations under the Merger Agreement and consummating the Transactions (including the Closing Date Distribution), executing a supplemental indenture to this Indenture in the form attached hereto as Exhibit C in connection with the Assumption, redeeming the Initial Notes pursuant to Section 5.9 (if required) and repaying any other indebtedness incurred by it in connection with the Transactions (if required) and conducting such other activities as are necessary or appropriate in connection with the Transactions or to carry out the activities described above.

SECTION 3.19. Statement by Officers as to Default. The Company shall deliver to the Trustee, as soon as possible and in any event within 30 days after the Company becomes aware of the occurrence of any Default or Event of Default, an Officer’s Certificate setting forth the details of such Event of Default or Default, its status and the actions which the Company is taking or proposes to take with respect thereto.

SECTION 3.20. Designation of Restricted and Unrestricted Subsidiaries. The Company may designate (or re-designate) any Restricted Subsidiary to be an Unrestricted Subsidiary at any time after the Issue Date if, immediately after giving effect to such designation, no Event of Default shall have occurred or be continuing; provided that as of the date of the designation thereof, no Unrestricted Subsidiary shall own any Capital Stock in the Company or any Restricted Subsidiary (unless such Restricted Subsidiary is also designated as an Unrestricted Subsidiary simultaneously with the aforementioned designation in accordance with the terms of this paragraph) or hold any Indebtedness of or any Lien on any property of the Company or the Restricted Subsidiaries. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, an Investment by the Company or other Restricted Subsidiary determined in accordance with clause (1) of the second paragraph of the definition of “Investments” shall be deemed to be made in such Unrestricted Subsidiary.

Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary will be evidenced to the Trustee by delivering to the Trustee an Officer’s Certificate certifying that such designation complies with the preceding conditions and was permitted by Section 3.3 hereof.

The Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; provided that such designation will be deemed to be an incurrence of Indebtedness and an incurrence of Liens, as applicable, by a Restricted Subsidiary of any outstanding Indebtedness and Liens of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness and Liens are permitted under Section 3.2 hereof (including pursuant to Section 3.2(b)(5) treating such redesignation as an acquisition for the purpose of such clause) and Section 3.6, as applicable, calculated on a pro forma basis as if such designation had occurred at the beginning of the applicable reference period; and (2) no Event of Default would be in existence following such designation. Any such designation by the Company shall be evidenced to the Trustee by delivering to the Trustee an Officer’s Certificate certifying that such designation complies with the preceding conditions.

SECTION 3.21. Effectiveness of Certain Covenants. Beginning on the first day (a) the Notes have achieved Investment Grade Status and (b) no Default or Event of Default has occurred and is continuing under this
If at any time the Notes cease to have such Investment Grade Status, then the Suspended Covenants shall thereafter be reinstated as if such covenants had never been suspended (the “Reversion Date”) and be applicable pursuant to the terms of this Indenture (including in connection with performing any calculation or assessment to determine compliance with the terms of this Indenture), unless and until the Notes subsequently attain Investment Grade Status and no Default or Event of Default is in existence (in which event the Suspended Covenants shall no longer be in effect for such time that the Notes maintain an Investment Grade Status); provided, however, that no Default, Event of Default or breach of any kind shall be deemed to exist under this Indenture, the Notes or the Note Guarantees with respect to the Suspended Covenants based on, and none of the Company or any of its Subsidiaries shall bear any liability for, any actions taken or events occurring during the Suspension Period, or any actions taken at any time pursuant to any contractual obligation arising prior to the Reversion Date, regardless of whether such actions or events would have been permitted if the applicable Suspended Covenants remained in effect during such period.

On the Reversion Date, all Indebtedness incurred during the Suspension Period will be deemed to have been outstanding on the Issue Date, so that it is classified as permitted under Section 3.2(b)(4)(b). Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 3.3 will be made as though Section 3.3 had been in effect since the Issue Date and prior to, but not during, the Suspension Period. Accordingly, Permitted Payments made during the Suspension Period will not reduce the amount available to be made as Restricted Payments under Section 3.3(a). During the Suspension Period, any obligation to grant additional Note Guarantees pursuant to Section 3.7 shall be suspended, but will be reinstated upon the Reversion Date. No Default or Event of Default shall be deemed to have occurred on the Reversion Date in respect of the Suspended Covenants as a result of any actions taken by the Company or its Restricted Subsidiaries during the Suspension Period.

During the Suspension Period, the Company and its Restricted Subsidiaries, will be entitled to incur Liens permitted under Section 3.6 (including Permitted Liens). To the extent such covenant and any Permitted Liens refer to one or more Suspended Covenants, such covenant or definition shall be interpreted as though such applicable Suspended Covenant(s) continued to be applicable during the Suspension Period (but solely for purposes of Section 3.6 and the “Permitted Liens” definition and for no other covenant).

On and after each Reversion Date, the Company and its Subsidiaries will be permitted to consummate the transactions contemplated by any contract entered into during the Suspension Period, so long as such contract and such consummation would have been permitted during such Suspension Period.

The Trustee shall have no duty to monitor the ratings of the Notes, shall not be deemed to have any knowledge of the ratings of the Notes and shall have no duty to notify Holders if the Notes achieve Investment Grade Status or of the occurrence of a Reversion Date.

(f) Subject to Section 10.2(b), no Guarantor may consolidate with or merge with or into, or convey, transfer or lease all or Substantially All of its assets, in one or a series of related transactions, to any Person, unless:

either (x) the Company or a Guarantor is the continuing Person or (y) the resulting, surviving or transferee Person expressly assumes all the obligations of the Guarantor under its Note Guarantee and this Indenture; and

Any division of a limited liability company, limited partnership or trust shall constitute a separate Person hereunder (and each division of any limited liability company, limited partnership or trust that is a Subsidiary, Restricted Subsidiary, Unrestricted Subsidiary, joint venture or any other like term shall also constitute such a Person or entity).

Notwithstanding any other provision of this Section 4.1, this Section 4.1 will not apply to the Transactions.

ARTICLE V

REDEMPTION OF SECURITIES

SECTION 5.1. Notices to Trustee. Subject to Section 5.9 hereof, if the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 5.7 hereof, it must furnish to the Trustee, at least 10 days but not more than 60 days before a redemption date, an Officer’s Certificate setting forth:

(1) the clause of this Indenture pursuant to which the redemption shall occur;

(2) the redemption date;

(3) the principal amount of Notes to be redeemed; and

(4) the redemption price.

Any optional redemption referenced in such Officer’s Certificate may be cancelled by the Company at any time prior to notice of redemption being sent to any Holder and thereafter shall be null and void.

SECTION 5.2. Selection of Notes to Be Redeemed or Purchased. If less than all of the Notes are to be redeemed pursuant to Section 5.7 or purchased in an Asset Disposition Offer (or an Advance Offer) pursuant to Section 3.5 or a redemption pursuant to Section 5.9, the Trustee will select Notes for redemption or purchase (a) if
the Notes are in global form, on a pro rata basis, by lot, or by such other method in accordance with the applicable procedures of DTC and (b) if the Notes are in definitive form in their entirety, on a pro rata basis (subject to adjustments to maintain the authorized Notes denomination requirements) or by lot, except if otherwise required by law.

No Notes in an unauthorized denomination or of $2,000 in aggregate principal amount or less shall be redeemed in part. In the event of partial redemption, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 10 days nor more than 60 days prior to the redemption or purchase date by the Trustee from the outstanding Notes not previously called for redemption or purchase; provided that the Company shall provide the Trustee with sufficient notice of such partial redemption to enable the Trustee to select the Notes for partial redemption.

The Trustee will promptly notify the Company in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in minimum principal amounts of $2,000 and whole multiples of $1,000 in excess of $2,000; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not in a minimum principal amount of $2,000 or a multiple of $1,000 in excess thereof, shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

SECTION 5.3. Notice of Redemption. Subject to Section 5.9 hereof, at least 10 days but not more than 60 days before the redemption date, the Company will send or cause to be sent, by electronic delivery or by first class mail postage prepaid, a notice of redemption to each Holder (with a copy to the Trustee) whose Notes are to be redeemed at the address of such Holder appearing in the security register or otherwise in accordance with the applicable procedures of DTC, except that redemption notices may be delivered electronically or mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles VIII or XI hereto.

The notice will identify the Notes (including the CUSIP or ISIN number) to be redeemed and will state:

1. the redemption date;
2. the redemption price;
3. if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;
4. the name and address of the Paying Agent;
5. that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
6. that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
7. the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and
8. that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.
At the Company’s request, the Trustee will give the notice of redemption in the Company’s name and at its expense; provided, however, that the Company has delivered to the Trustee, at least three (3) Business Days (or if any of the Notes to be redeemed are in definitive form, five (5) Business Days) prior to the date on which the Company instructs the Trustee to give the notice (or such shorter period as the Trustee may agree), an Officer’s Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Notice of any optional redemption of the Notes may, at the Company’s discretion, be given prior to the completion of a transaction (including but not limited to an Equity Offering, a Qualifying IPO, an incurrence of Indebtedness, a Change of Control or other transaction) and any redemption notice may, at the Company’s discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a related transaction. If such redemption or purchase is so subject to satisfaction of one or more conditions precedent such notice shall describe each such condition, and if applicable, shall state that, in the Company’s discretion, the redemption date may be delayed until such time as any or all such conditions shall be satisfied, or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied by the redemption date, or by the redemption date as so delayed. In addition, the Company may provide in such notice that payment of the redemption price and performance of the Company’s obligations with respect to such redemption may be performed by another Person.

SECTION 5.4. [Reserved].

SECTION 5.5. Deposit of Redemption or Purchase Price. Prior to 11:00 a.m. New York City Time on the redemption or purchase date, the Company will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return, on or following the applicable redemption or repurchase date, to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or purchase price of, and accrued interest, if any, on all Notes to be redeemed or purchased.

If the Company complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after a record date but on or prior to the corresponding interest payment date, then any accrued and unpaid interest, if any, up to, but excluding, the redemption date or purchase date shall be paid on the redemption date or purchase date to the Person in whose name such Note was registered at the close of business on such record date in accordance with the applicable procedures of DTC. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 3.1 hereof:

SECTION 5.6. Notes Redeemed or Purchased in Part. Upon surrender of a Note issued in physical form that is redeemed or purchased in part, the Company will issue and the Trustee will authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered; provided that each such new Note will be in a minimum principal amount of $2,000 or integral multiple of $1,000 in excess thereof.

In the case of a Note issued as a global note, an appropriate notation will be made on such Note to decrease the principal amount thereof to an amount equal to the unredeemed portion thereof; provided that the unredeemed portion thereof will be in a minimum principal amount of $2,000 or integral multiple of $1,000 in excess thereof.

SECTION 5.7. Optional Redemption.

(a) At any time and from time to time prior to August 15, 2023, the Company may redeem the Notes in whole or in part, at its option, upon notice as provided in Section 5.3, at a redemption price (expressed as a
percentage of the principal amount of the Notes to be redeemed) equal to 100.000% plus the relevant Applicable Premium as of, and accrued and unpaid interest, if any, to but excluding, the date of redemption (the “Redemption Date”), subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date.

(b) At any time and from time to time prior to August 15, 2023, the Company may, at its option, and upon notice as provided in Section 5.3, redeem up to 40.0% of the original aggregate principal amount of Notes issued under this Indenture on the Issue Date (together with Additional Notes) at a redemption price (expressed as a percentage of the principal amount of Notes to be redeemed) equal to 107.125%, plus accrued and unpaid interest, if any, to but excluding, the applicable Redemption Date, subject to the right of Holders of record of the Notes on the relevant record date to receive interest due on the relevant interest payment date, with the net cash proceeds received by the Company from any Equity Offering; provided that not less than 50.0% of the original aggregate principal amount of the then-outstanding Notes issued under this Indenture remains outstanding immediately after the occurrence of each such redemption (including Additional Notes but excluding Notes held by the Company or any of its Restricted Subsidiaries), unless all such Notes are redeemed substantially concurrently; provided further that each such redemption occurs not later than 180 days after the date of closing of the related Equity Offering. The Trustee shall select the Notes to be purchased in the manner described under Sections 5.1 through 5.6.

(c) Except pursuant to clauses (a) and (b) of this Section 5.7, the Notes will not be redeemable at the Company’s option prior to August 15, 2023.

(d) At any time and from time to time on or after August 15, 2023, the Company may redeem the Notes, in whole or in part, at its option, and upon notice as provided in Section 5.3, at the redemption prices (expressed as percentages of principal amount of the Notes to be redeemed) set forth in the table below, plus accrued and unpaid interest thereon, if any, to but excluding, the applicable Redemption Date, subject to the right of Holders of record of the Notes on the relevant record date to receive interest due on the relevant interest payment date, if redeemed during the twelve-month period beginning on August 15 of each of the years indicated in the table below:

(e) Notwithstanding the foregoing, in connection with any tender offer for the Notes, including a Change of Control Offer or Asset Disposition Offer, if Holders of not less than 90.0% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Company, or any third party making such tender offer in lieu of the Company, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company or such third party shall have the right upon not less than 10 nor more than 60 days’ prior notice, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Notes Register, given not more than 30 days following such purchase date to redeem all Notes that remain outstanding following such purchase at a redemption price equal to the highest price offered to each other Holder in such tender offer plus, to the extent not included in the tender offer payment, accrued and unpaid interest, if any, thereon, to but not including, the date of such redemption.

(f) Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable Redemption Date.

(g) Any redemption pursuant to this Section 5.7 shall be made pursuant to the provisions of Sections 5.1 through 5.6.
SECTION 5.8. **Mandatory Redemption.** Other than as set forth in Section 5.9, the Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes; *provided*, however, that under certain circumstances, the Company may be required to offer to purchase Notes under Section 3.5 and Section 3.9.

SECTION 5.9. **Special Mandatory Redemption.** In the event that the Company does not consummate the Merger on or before August 11, 2020 (the “Merger Deadline Date”), the Company shall redeem all outstanding Notes at a redemption price equal to 100% of the aggregate principal amount of the Notes redeemed, plus accrued and unpaid interest, if any, to but excluding the Special Mandatory Redemption Date (the “Special Mandatory Redemption Price”) (the “Special Mandatory Redemption”). The “Special Mandatory Redemption Date” means the third Business Day following the Merger Deadline Date. If the Company is required to redeem the Notes pursuant to the Special Mandatory Redemption, the Company will deliver or cause to be delivered a notice of such Special Mandatory Redemption electronically in accordance with the applicable procedures of DTC or by first-class mail, with a copy to the Trustee, to each Holder of Notes at the address of such Holder appearing in the security register or otherwise in accordance with the applicable procedures of DTC on the first Business Day following the Merger Deadline Date. If funds sufficient to pay the Special Mandatory Redemption Price of all Notes are deposited with the Trustee on or before such Special Mandatory Redemption Date, all rights of Holders under the Notes will terminate (other than in respect of the right to receive the Special Mandatory Redemption Price). Notwithstanding anything to the contrary in this provision, the Company shall not be required to effect a Special Mandatory Redemption if the Assumption occurs prior to the Merger Deadline Date.

ARTICLE VI

**DEFAULTS AND REMEDIES**

SECTION 6.1. **Events of Default.**

(a) Each of the following is an “Event of Default”:

(1) default in any payment of interest on any Note when due and payable, continued for 30 days;

(2) default in the payment of the principal amount of or premium, if any, on any Note issued under this Indenture when due at its Stated Maturity, upon redemption, upon required repurchase, upon declaration or otherwise;

(3) failure by the Company or any Guarantor to comply for 60 days after written notice by the Trustee on behalf of the Holders or by the Holders of 30% in aggregate principal amount of the outstanding Notes with any agreement or obligation contained in this Indenture; *provided* that in the case of a failure to comply with the provisions described under Section 3.10, such period of continuance of such default or breach shall be 270 days after written notice described in this clause has been given;

(4) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any Significant Subsidiary (or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary) (or the payment of which is guaranteed by the Company or any Significant Subsidiary (or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary)) other than Indebtedness owed to the Company or a Restricted Subsidiary whether such Indebtedness or Guarantee now exists, or is created after the date hereof, which default:
(A) is caused by a failure to pay principal of such Indebtedness, at its stated final maturity (after giving effect to any applicable grace periods provided in such Indebtedness); or

(B) results in the acceleration of such Indebtedness prior to its stated final maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default of principal at its stated final maturity (after giving effect to any applicable grace periods) or the maturity of which has been so accelerated, aggregates to the greater of $100.0 million and 20.0% of LTM EBITDA or more at any one time outstanding;

(5) failure by the Company or a Significant Subsidiary (or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries) would constitute a Significant Subsidiary) to pay final judgments aggregating in excess of the greater of $100.0 million and 20.0% of LTM EBITDA other than any judgments covered by indemnities provided by, or insurance policies issued by, reputable and creditworthy companies, which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(6) (A) (x) any Note Guarantee of a Significant Subsidiary ceases to be in full force and effect or (y) a Guarantor that is a Significant Subsidiary denies or disaffirms its obligations under its Note Guarantee of the Notes, other than, in the case of (x) and (y), in accordance with the terms of this Indenture, or (B) in connection with the bankruptcy of a Guarantor, so long as the aggregate assets of such Guarantor and any other Guarantor whose Note Guarantee ceased or ceases to be in full force as a result of a bankruptcy are less than the greater of $100.0 million and 20.0% of LTM EBITDA;

(7) the Company or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements of the Company and its Restricted Subsidiaries, would constitute a Significant Subsidiary) pursuant to or within the meaning of any Bankruptcy Law:

(A) commences a voluntary case or proceeding;

(B) consents to the entry of an order for relief against it in an involuntary case or proceeding;

(C) consents to the appointment of a Custodian of it or for substantially all of its property;

(D) makes a general assignment for the benefit of its creditors;

(E) consents to or acquiesces in the institution of a bankruptcy or an insolvency proceeding against it; or

(F) takes any comparable action under any foreign laws relating to insolvency;

(8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
(A) is for relief against the Company or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries, would constitute a Significant Subsidiary) in an involuntary case;

(B) appoints a Custodian of the Company or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries, would constitute a Significant Subsidiary) for substantially all of its property;

(C) orders the winding up or liquidation of the Company or a Significant Subsidiary (or any group of Restricted Subsidiaries, that taken together as of the latest audited consolidated financial statements for the Company and its Restricted Subsidiaries, would constitute a Significant Subsidiary); or

(D) or any similar relief is granted under any foreign laws and the order, decree or relief remains unstayed and in effect for 60 consecutive days;

provided that a Default under clause (3), (4) or (5) above will not constitute an Event of Default until the Trustee or the Holders of 30% in principal amount of the outstanding Notes notify the Company of the Default and, with respect to clauses (3) and (5), the Company does not cure such Default within the time specified in clause (3) or (5) after receipt of such notice; provided that a notice of Default may not be given with respect to any action taken, and reported publicly or to holders of the Notes, more than two years prior to such notice of Default. Any notice of Default, notice of acceleration or instruction to the Trustee to provide a notice of Default, notice of acceleration or take any other action (a “Noteholder Direction”) provided by any one or more Holders (each a “Directing Holder”) must be accompanied by a signed Position Representation and Verification Form (in the form attached as Exhibit D) delivered to the Company and the Trustee (a “Position Representation and Verification Form”). The Position Representation and Verification Form will contain a representation that the applicable Directing Holder is not (or, in the case such Holder is DTC or its nominee, that such Holder is being instructed solely by beneficial owners that have represented to such Holder that they are not) Net Short (a “Position Representation”), which representation, in the case of a Noteholder Direction relating to the delivery of a notice of Default shall be deemed a continuing representation until the resulting Event of Default is cured or otherwise ceases to exist or the Notes are accelerated. The Position Representation and Verification Form will also contain a covenant by the applicable Directing Holder to provide the Company with such other information as the Company may reasonably request from time to time in order to verify the accuracy of such Holder’s Position Representation within five Business Days of request therefor (a “Verification Covenant”). In any case in which the Holder is DTC or its nominee, any Position Representation and Verification Form required hereunder shall be provided by the beneficial owner of the Notes in lieu of DTC or its nominee and DTC shall be entitled to conclusively rely on such Position Representation and Verification Form in delivering its direction to the Trustee.

If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Company determines in good faith that there is a reasonable basis to believe a Directing Holder was, at any relevant time, in breach of its Position Representation and provides to the Trustee an Officer’s Certificate stating that the Company has initiated litigation with a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any Event of Default that resulted from the applicable Noteholder Direction, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to such Event of Default shall be automatically reinstated and any remedy stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter. If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Company provides to the Trustee an Officer’s Certificate stating that a Directing Holder failed to satisfy its Verification Covenant, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to any Event of Default that resulted from the applicable Noteholder Direction shall be automatically reinstated and any remedy stayed pending satisfaction of such Verification Covenant. Any breach of the Position Representation shall result in such Holder’s participation in such Noteholder Direction being disregarded; and, if, without the participation of such
Holder, the percentage of Notes held by the remaining Holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction, such Noteholder Direction shall be void *ab initio*, with the effect that such Event of Default shall be deemed never to have occurred, any acceleration voided and the Trustee shall be deemed not to have received such Noteholder Direction or any notice of such Default or Event of Default.

For the avoidance of doubt, the Trustee shall be entitled to conclusively rely on any Noteholder Direction delivered to it in accordance with this Indenture, shall have no duty to inquire as to or investigate the accuracy of any Position Representation, enforce compliance with any Verification Covenant, verify any statements in any Officer’s Certificate delivered to it, or otherwise make calculations, investigations or determinations with respect to Derivative Instruments, Net Shorts, Long Derivative Instruments, Short Derivative Instruments or otherwise. The Trustee shall have no liability to the Company, any Holder or any other Person in acting in good faith on a Noteholder Direction.

(b) If a Default for a failure to report or failure to deliver a required certificate in connection with another default (the “Initial Default”) occurs, then at the time such Initial Default is cured, such Default for a failure to report or failure to deliver a required certificate in connection with another default that resulted solely because of that Initial Default shall also be cured without any further action.

(c) Any Default or Event of Default for the failure to comply with the time periods prescribed in Section 3.10 hereof or otherwise to deliver any notice or certificate pursuant to any other provision of this Indenture shall be deemed to be cured upon the delivery of any such report required by such provision or such notice or certificate, as applicable, even though such delivery is not within the prescribed period specified in this Indenture.

SECTION 6.2. Acceleration. If any Event of Default (other than an Event of Default described in Sections 6.1(a)(7) or (8)) occurs and is continuing, the Trustee by written notice to the Company or the Holders of at least 30% in principal amount of the outstanding Notes by written notice to the Company and the Trustee, may declare the principal of and accrued and unpaid interest, if any, on all the Notes to be due and payable. Upon such a declaration, such principal and accrued and unpaid interest, if any, will be due and payable immediately.

In the event of any Event of Default specified in clause (4) of Section 6.1(a), such Event of Default and all consequences thereof shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 30 days after such Event of Default arose:

1. (x) the Indebtedness that gave rise to such Event of Default shall have been discharged in full; or

2. (y) the holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or

3. (z) if the default that is the basis for such Event of Default has been cured; and

If an Event of Default described in Sections 6.1(a)(7) or (8) occurs and is continuing, the principal of and accrued and unpaid interest, if any, on all Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

SECTION 6.3. Other Remedies. If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, or premium, if any, or interest, if any, on the Notes or to enforce the performance of any provision of the Notes or this Indenture.
The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative.

SECTION 6.4. Waiver of Past Defaults. The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may, on behalf of all of the Holders, (a) waive, by their consent (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes), an existing Default or Event of Default and its consequences under this Indenture except (i) a Default or Event of Default in the payment of the principal of, or interest, on a Note or (ii) a Default or Event of Default in respect of a provision that under Section 9.2 cannot be amended without the consent of each Holder affected and (b) rescind any acceleration with respect to the Notes and its consequences if (1) such rescission would not conflict with any judgment or decree of a court of competent jurisdiction, (2) all existing Events of Default have been cured or waived except nonpayment of principal, premium, if any, interest, if any, that has become due solely because of the acceleration, (3) to the extent the payment of such interest is lawful, interest on overdue installments of interest and overdue principal, which has become due otherwise than by such declaration of acceleration, has been paid, (4) the Company has paid the Trustee its compensation and reimbursed the Trustee for its reasonable expenses, disbursements and advances and (5) in the event of the cure or waiver of an Event of Default of the type described in clause (4) of Section 6.1(a), the Trustee shall have received an Officer’s Certificate and an Opinion of Counsel stating that such Event of Default has been cured or waived. No such rescission shall affect any subsequent Default or impair any right consequent thereto. When a Default or Event of Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any consequent right.

SECTION 6.5. Control by Majority. The Holders of a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or the Notes or, subject to Sections 7.1 and 7.2, that the Trustee determines is unduly prejudicial to the rights of other Holders or would involve the Trustee in personal liability (it being understood that the Trustee has no duty to determine whether any such direction is prejudicial to any Holder); provided, however, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. Prior to taking any such action hereunder, the Trustee shall be entitled to indemnification satisfactory to it against all fees, losses, liabilities and expenses (including attorney’s fees and expenses) caused by taking or not taking such action.

SECTION 6.6. Limitation on Suits. Subject to Section 6.7, a Holder may not pursue any remedy with respect to this Indenture or the Notes unless:

1. such Holder has previously given the Trustee written notice that an Event of Default is continuing;

2. Holders of at least 30% in aggregate principal amount of the outstanding Notes have requested in writing the Trustee to pursue the remedy;

3. such Holders have offered in writing and, if requested, provided to the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;

4. the Trustee has not complied with such request within 60 days after the receipt of the written request and the offer of security or indemnity; and

5. Holders of a majority in aggregate principal amount of the outstanding Notes have not given the Trustee a written direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

-106-
A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

SECTION 6.7. Rights of Holders to Receive Payment. Notwithstanding any other provision of this Indenture (including, without limitation, Section 6.6), the contractual right of any Holder to receive payment of interest on the Notes held by such Holder or to institute suit for the enforcement of any such payment on or with respect to such Holder’s Notes shall not be impaired or affected without the consent of such Holder (and, for the avoidance of doubt, the amendment, supplement or modification in accordance with the terms of this Indenture of Articles III and IV and Section 6.1(a)(3), (4), (5) and (6) and the related definitions shall be deemed not to impair the contractual right of any Holder to receive payments of principal of and interest on such Holder’s Notes on or after the due dates therefor or to institute suit for the enforcement of any such payment on or with respect to such Holder’s Note).

SECTION 6.8. Collection Suit by Trustee. If an Event of Default specified in clauses (1) or (2) of Section 6.1(a) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Company for the whole amount then due and owing (together with interest on any unpaid interest to the extent lawful) and the amounts provided for in Section 7.7.

SECTION 6.9. Trustee May File Proofs of Claim. The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Company, its Subsidiaries or its or their respective creditors or properties and, unless prohibited by law or applicable regulations, may be entitled and empowered to participate as a member of any official committee of creditors appointed in such matter and may vote on behalf of the Holders in any election of a trustee in bankruptcy or other Person performing similar functions, and any Custodian in any such judicial proceeding is hereby authorized by each Holder to make payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the compensation, expenses, disbursements and advances of the Trustee, its agents and its counsel, and any other amounts due to the Trustee under Section 7.7.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.10. Priorities.

(a) If the Trustee collects any money or property pursuant to this Article VI, it shall pay out the money or property in the following order:

FIRST: to the Trustee for amounts due to it under Section 7.7;

SECOND: to Holders for amounts due and unpaid on the Notes for principal of, or premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal of, or premium, if any, and interest, respectively; and

THIRD: to the Company, or to the extent the Trustee collects any amount for any Guarantor, to such Guarantor.

(b) The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10. At least 15 days before such record date, the Company shall send or cause to be sent to each Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.
SECTION 6.1. **Undertaking for Costs.** In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys’ fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by the Company, a suit by a Holder pursuant to Section 6.7 or a suit by Holders of more than 20.0% in outstanding aggregate principal amount of the Notes.

ARTICLE VII

TRUSTEE

SECTION 7.1. **Duties of Trustee.**

(a) If an Event of Default has occurred and is continuing and is known to the Trustee, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person’s own affairs.

(b) Except during the continuance of an Event of Default known to the Trustee:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith or willful misconduct on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates, opinions or orders furnished to the Trustee and conforming to the requirements of this Indenture or the Notes, as the case may be. However, in the case of any such certificates or opinions which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall examine such certificates and opinions to determine whether or not they conform to the requirements of this Indenture or the Notes, as the case may be (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of Section 7.1(b);  

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Trust Officer unless it is proved that the Trustee was negligent in ascertaining the pertinent facts;  

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.5; and  

(4) No provision of this Indenture or the Notes shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or thereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(d) Every provision of this Indenture that in any way relates to the Trustee is subject to clauses (a), (b) and (c) of this Section 7.1.
(e) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Company.

(f) Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

(g) Every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.1.

SECTION 7.2. Rights of Trustee. Subject to Section 7.1:

(a) The Trustee may conclusively rely on and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, judgment, order or other paper or document (whether in its original or facsimile form) reasonably believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document. The Trustee shall receive and retain financial reports and statements of the Company as provided herein, but shall have no duty to review or analyze such reports or statements to determine compliance with covenants or other obligations of the Company.

(b) Before the Trustee acts or refrains from acting, it may require an Officer’s Certificate and/or an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on an Officer’s Certificate or Opinion of Counsel.

(c) The Trustee may execute any of the trusts and powers hereunder or perform any duties hereunder either directly or by or through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care by it hereunder.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers conferred upon it by this Indenture.

(e) The Trustee may consult with counsel of its selection, and the advice or opinion of counsel relating to this Indenture or the Notes shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder or under the Notes in good faith and in accordance with the advice or opinion of such counsel.

(f) The Trustee shall not be deemed to have notice of any Default or Event of Default or whether any entity or group of entities constitutes a Significant Subsidiary unless a Trust Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a Default or of any such Significant Subsidiary is received by the Trustee at the corporate trust office of the Trustee specified in Section 3.12, and such notice references the Notes and this Indenture.

(g) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and to each agent, custodian and other Person employed to act hereunder.

(h) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture or the Notes at the request, order or direction of any of the Holders pursuant to the provisions of this Indenture, unless such Holders shall have offered, and if requested, provided to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which may be incurred therein or thereby.

(i) The Trustee shall not be deemed to have knowledge of any fact or matter unless such fact or matter is known to a Trust Officer of the Trustee.
(j) Whenever in the administration of this Indenture or the Notes the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder or thereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of negligence or willful misconduct on its part, conclusively rely upon an Officer’s Certificate.

(k) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, report, notice, request, direction, consent, judgment order, bond, debenture, coupon or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine, during business hours and upon reasonable notice, the books, records and premises of the Company and the Restricted Subsidiaries, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(l) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(m) The Trustee may request that the Company deliver an Officer’s Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture or the Notes.

(n) In no event shall the Trustee be liable to any Person for special, punitive, indirect, consequential or incidental loss or damage of any kind whatsoever (including, but not limited to, lost profits), even if the Trustee has been advised of the likelihood of such loss or damage.

(o) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company shall be sufficient if signed by one Officer of the Company.

(p) The permissive rights of the Trustee under this Indenture and the Notes shall not be construed as duties.

SECTION 7.3. **Individual Rights of Trustee.** The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company, Guarantors or their Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent, Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Trustee must comply with Sections 7.10 and 7.11. In addition, the Trustee shall be permitted to engage in transactions with the Company and its Affiliates and Subsidiaries.

SECTION 7.4. **Trustee’s Disclaimer.** The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, shall not be accountable for the Company’s use of the proceeds from the sale of the Notes, shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee or any money paid to the Company pursuant to the terms of this Indenture and shall not be responsible for any statement of the Company in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Trustee’s certificate of authentication.

SECTION 7.5. **Notice of Defaults.** If a Default or Event of Default occurs and is continuing and if a Trust Officer has actual knowledge thereof, the Trustee shall send electronically or by first class mail to each Holder at the address set forth in the Notes Register notice of the Default or Event of Default within 60 days after it is actually known to a Trust Officer. Except in the case of a Default or Event of Default in payment of principal or interest, if any, on any Note (including payments pursuant to the optional redemption or required repurchase provisions of such Note), the Trustee may withhold the notice if and so long as it in good faith determines that withholding the notice is in the interests of Holders. The Trustee will not be deemed to have knowledge of any Defaults or Events of Default unless written notice of an event, which is in fact a Default, has been delivered to the
Trustee at the address set forth in Section 13.1 and such notice references the Notes and this Indenture and states that it is a “notice of default”.

SECTION 7.6. [Reserved].

SECTION 7.7. Compensation and Indemnity. The Company shall pay to the Trustee from time to time compensation for its services hereunder and under the Notes as the Company and the Trustee shall from time to time agree in writing. The Trustee’s compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred or made by it, including, but not limited to, costs of collection, costs of preparing reports, certificates and other documents, costs of preparation and mailing of notices to Holders. Such expenses shall include the reasonable compensation and expenses, disbursements and advances of the agents, counsel, accountants and experts of the Trustee. The Company and the Guarantors, jointly and severally, shall indemnify the Trustee, its directors, officers, employees and agents against any and all loss, liability, damages, claims or expense, including taxes (other than taxes based upon the income of the Trustee) (including reasonable attorneys’ and agents’ fees and expenses) incurred by it without willful misconduct or gross negligence, as determined by a final nonappealable order of a court of competent jurisdiction, on its part in connection with the administration of this trust and the performance of its duties hereunder and under the Notes, including the costs and expenses of enforcing this Indenture (including this Section 7.7) and the Notes and of defending itself against any claims (whether asserted by any Holder, the Company or otherwise). The Trustee shall notify the Company promptly of any claim for which it may seek indemnity of which it has received written notice. Failure by the Trustee to so notify the Company shall not relieve the Company of its obligations hereunder. The Company shall defend the claim and the Trustee shall provide reasonable cooperation at the Company’s expense in the defense. The Trustee may have separate counsel and the Company shall pay the fees and expenses of such counsel; provided that the Company shall not be required to pay the fees and expenses of such separate counsel if it assumes the Trustee’s defense, and, in the reasonable judgment of outside counsel to the Trustee, there is no conflict of interest between the Company and the Trustee in connection with such defense; provided further that, the Company shall be required to pay the reasonable fees and expenses of such counsel in evaluating such conflict.

To secure the Company’s payment obligations in this Section 7.7, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee other than money or property held in trust to pay principal of and interest on particular Notes. Such lien shall survive the satisfaction and discharge of this Indenture. The Trustee’s respective right to receive payment of any amounts due under this Section 7.7 shall not be subordinate to any other liability or Indebtedness of the Company.

The Company’s payment obligations pursuant to this Section 7.7 shall survive the discharge of this Indenture and any resignation or removal of the Trustee under Section 7.8. Without prejudice to any other rights available to the Trustee under applicable law, when the Trustee incurs fees, expenses or renders services after the occurrence of a Default specified in clause (7) or clause (8) of Section 6.1(a), the fees and expenses (including the reasonable fees and expenses of its counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

SECTION 7.8. Replacement of Trustee. The Trustee may resign at any time by so notifying the Company in writing not less than 30 days prior to the effective date of such resignation. The Holders of a majority in aggregate principal amount of the Notes may remove the Trustee by so notifying the removed Trustee in writing not less than 30 days prior to the effective date of such removal and may appoint a successor Trustee with the Company’s written consent, which consent will not be unreasonably withheld. The Company shall remove the Trustee if:

1. the Trustee fails to comply with Section 7.10 hereof;
2. the Trustee is adjudged bankrupt or insolvent;
3. a receiver or other public officer takes charge of the Trustee or its property; or
(4) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed by the Company or by the Holders of a majority in principal amount of the Notes and such Holders do not reasonably promptly appoint a successor Trustee as described in the preceding paragraph, or if a vacancy exists in the office of the Trustee for any reason (the Trustee in such event being referred to herein as the retiring Trustee), the Company shall promptly appoint a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall mail a notice of its succession to Holders. The retiring Trustee shall, at the expense of the Company, promptly transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.7.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee or the Holders of at least 10.0% in aggregate principal amount of the Notes may petition, at the Company’s expense, any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder, who has been a bona fide holder of a Note for at least six months, may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

Notwithstanding the replacement of the Trustee pursuant to this Section 7.8, the Company’s obligations under Section 7.7 shall continue for the benefit of the retiring Trustee. The predecessor Trustee shall have no liability for any action or inaction of any successor Trustee.

SECTION 7.9. Successor Trustee by Merger. If the Trustee consolidates with, merges or converts into, or transfers all or substantially all its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation without any further act shall be the successor Trustee.

In case at the time such successor or successors by merger, conversion or consolidation to the Trustee shall succeed to the trusts created by this Indenture, any of the Notes shall have been authenticated but not delivered, any such successor to the Trustee may adopt the certificate of authentication of any predecessor trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor to the Trustee; provided that the right to adopt the certificate of authentication of any predecessor Trustee or authenticate Notes in the name of any predecessor Trustee shall only apply to its successor or successors by merger, consolidation or conversion.

SECTION 7.10. Eligibility; Disqualification. This Indenture shall always have a Trustee. The Trustee shall have a combined capital and surplus of at least $100 million as set forth in its most recent published annual report of condition.

SECTION 7.11. [Reserved].

SECTION 7.12. Trustee’s Application for Instruction from the Company. Any application by the Trustee for written instructions from the Company may, at the option of the Trustee, set forth in writing any action proposed to be taken or omitted by the Trustee under this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective. The Trustee shall not be liable for any action taken by, or omission of, the Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than three (3) Business Days after the date any Officer of the Company actually receives such application, unless any such Officer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Trustee shall have received written instructions in response to such application specifying the action to be taken or omitted.
ARTICLE VIII

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

SECTION 8.1.  Option to Effect Legal Defeasance or Covenant Defeasance; Defeasance.  The Company may, at its option and at any time, elect to have either Section 8.2 or 8.3 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article VIII.

SECTION 8.2.  Legal Defeasance and Discharge.  Upon the Company’s exercise under Section 8.1 hereof of the option applicable to this Section 8.2, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Note Guarantees) on the date the conditions set forth below are satisfied (hereinafter, “Legal Defeasance”). For this purpose, Legal Defeasance means that the Company and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which will thereafter be deemed to be “outstanding” only for the purposes of Section 8.5 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all of their other obligations under the Note Documents (and the Trustee, on written demand of and at the expense of the Company, shall execute such instruments reasonably requested by the Company acknowledging the same) and to have cured all then existing Events of Default, except for the following provisions which will survive until otherwise terminated or discharged hereunder:

1. the rights of Holders of Notes issued under this Indenture to receive payments in respect of the principal of, premium, if any, and interest, if any, on the Notes when such payments are due solely out of the trust referred to in Section 8.4 hereof;

2. the Company’s obligations with respect to the Notes under Article II concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and Section 3.12 hereof concerning the maintenance of an office or agency for payment and money for security payments held in trust;

3. the rights, powers, trusts, duties and immunities of the Trustee and the Company’s or Guarantors’ obligations in connection therewith; and

4. this Article VIII with respect to provisions relating to Legal Defeasance.

SECTION 8.3.  Covenant Defeasance.  Upon the Company’s exercise under Section 8.1 hereof of the option applicable to this Section 8.3, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, be released from each of their obligations under the covenants contained in Section 3.2, 3.3, 3.4, 3.5, 3.6, 3.7, 3.8, 3.9, 3.10, 3.16, 3.19, 3.20 and Section 4.1 (except Section 4.1(a)(1) and (a)(2)) hereof with respect to the Notes on and after the date the conditions set forth in Section 8.4 hereof are satisfied (hereinafter, “Covenant Defeasance”), and the Notes will thereafter be deemed not “outstanding” for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed “outstanding” for all other purposes hereunder. For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Note Guarantees, the Company and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.1(a) hereof, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees will be unaffected thereby. In addition, upon the Company’s exercise under Section 8.1 hereof of the option applicable to this Section 8.3, subject to the satisfaction of the conditions set forth in Section 8.4 hereof, Sections 6.1(a)(3) (other than with respect to Section 4.1(a)(1) and (a)(2)), 6.1(a)(4), 6.1(a)(5), 6.1(a)(6), 6.1(a)(7) (with respect only to a Guarantor that is a Significant Subsidiary or any group of Guarantors that taken together would constitute a Significant Subsidiary), and 6.1(a)(8) (with respect only to a Guarantor that is a Significant Subsidiary)
SECTION 8.4. **Conditions to Legal or Covenant Defeasance.** In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.2 or 8.3 hereof:

(1) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in Dollars, U.S. Government Obligations, or a combination thereof, in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of and premium, if any, or interest, due on the Notes issued under this Indenture on the stated maturity date or on the applicable redemption date, as the case may be, and the Company must specify whether such Notes are being defeased to maturity or to a particular redemption date; provided that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of redemption (any such amount, the “Applicable Premium Deficit”) only required to be deposited with the Trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer’s Certificate delivered to the Trustee at least two (2) Business Days prior to the redemption date that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(2) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that, subject to customary assumptions and exclusions:

(A) the Company has received from, or there has been published by, the United States Internal Revenue Service a ruling; or

(B) since the issuance of such Notes, there has been a change in the applicable U.S. federal income tax law;

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the beneficial owners of the Notes, in their capacity as beneficial owners of the Notes, will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(3) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that, subject to customary assumptions and exclusions, the beneficial owners of the Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(4) no Default or Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(5) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under the Credit Facilities or any other material agreement or instrument (other than this Indenture) to which, the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(6) [reserved];
(7) the Company shall have delivered to the Trustee an Officer’s Certificate to the effect that the deposit was not made by the Company with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of the Company or any Guarantor; and

(8) the Company shall have delivered to the Trustee an Officer’s Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) each to the effect that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

SECTION 8.5. Deposited Money and U.S. Government Obligations to be Held in Trust; Other Miscellaneous Provisions. Subject to Section 8.6 hereof, all money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.5, the “Trustee”) pursuant to Section 8.4 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, and interest, but such money need not be segregated from other funds except to the extent required by law.

The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or U.S. Government Obligations deposited pursuant to Section 8.4 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article VIII to the contrary, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or U.S. Government Obligations held by it as provided in Section 8.4 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.4(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 8.6. Repayment to the Company. Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium or interest on, any Note and remaining unclaimed for two years after such principal, premium or interest has become due and payable shall be paid to the Company on its written request unless an abandoned property law designates another Person or (if then held by the Company) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Company for payment thereof unless an abandoned property law designates another Person, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, will thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, shall at the expense of the Company cause to be published once, in The New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Company.

SECTION 8.7. Reinstatement. If the Trustee or Paying Agent is unable to apply any money or Dollars or U.S. Government Obligations in accordance with Section 8.2 or 8.3 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company’s and the Guarantors’ obligations under this Indenture and the Notes and the Guarantees will be revoked and reinstated as though no deposit had occurred pursuant to Section 8.2 or 8.3 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.2 or 8.3 hereof, as the case may be; provided, however, that, if the Company make any payment of principal of, premium, or interest on, any Note following the reinstatement of its obligations, the Company will be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.
ARTICLE IX

AMENDMENTS

SECTION 9.1. Without Consent of Holders. Notwithstanding Section 9.2 of this Indenture, the Company, any Guarantor (with respect to its Note Guarantee or this Indenture) and the Trustee may amend, supplement or modify any Note Document without the consent of any Holder:

(1) to cure any ambiguity, omission, mistake, defect, error or inconsistency, conform any provision to any provision under the heading “Description of the Notes” in the Offering Circular or reduce the minimum denomination of the Notes;

(2) to provide for the assumption by a successor Person of the obligations of the Company or a Guarantor under any Note Document (including an assumption of Merger Sub’s obligations under the Notes and this Indenture by GPC in connection with the Assumption) or to comply with Section 4.1;

(3) to provide for uncertificated Notes in addition to or in place of certificated Notes or to alter the provisions of this Indenture relating to the form of the Notes (including related definitions);

(4) to add or modify the covenants or provide for a Note Guarantee for the benefit of the Holders or to surrender any right or power conferred upon the Company or any Restricted Subsidiary;

(5) to make any change (including changing the CUSIP or other identifying number on any Notes) that would provide any additional rights or benefits to the Holders or that does not adversely affect the rights of any Holder in any material respect;

(6) at the Company’s election, comply with any requirement of the SEC in connection with the qualification of this Indenture under the Trust Indenture Act, if such qualification is required;

(7) make such provisions as necessary for the issuance of Additional Notes;

(8) provide for any Restricted Subsidiary to provide a Guarantee in accordance with Section 3.2, to add Guarantees with respect to the Notes, to add security to or for the benefit of the Notes, or to confirm and evidence the release, termination, discharge or retaking of any Guarantee or Lien with respect to or securing the Notes when such release, termination, discharge or retaking is provided for under this Indenture;

(9) evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee or successor Paying Agent thereunder pursuant to the requirements hereof or to provide for the accession by the Trustee to any Note Document;

(10) make any amendment to the provisions of this Indenture relating to the transfer and legend of Notes as permitted by this Indenture, including to facilitate the issuance and administration of Notes; provided, however, that such amendment does not materially and adversely affect the rights of Holders to transfer the Notes; and

(11) comply with the rules and procedures of any applicable securities depositary.

Subject to Section 9.2, upon the request of the Company and upon receipt by the Trustee of the documents described in Sections 9.6 and 13.2 hereof, the Trustee will join with the Company and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture affects the Trustee’s own rights, duties, liabilities or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental indenture.
SECTION 9.2. **With Consent of Holders.** Except as provided below in this Section 9.2, the Company, the Guarantors and the Trustee may amend or supplement any Note Document with the consent of the Holders of at least a majority in principal amount of all the outstanding Notes issued under this Indenture, including, without limitation, consents obtained before or after a Change of Control or in connection with a purchase of, or tender offer or exchange offer for, Notes, and any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of any Note Document may be waived with the consent of the Holders of at least a majority in principal amount of all the outstanding Notes issued under this Indenture (including consents obtained before or after a Change of Control or in connection with a purchase of or tender offer or exchange offer for Notes). Section 2.12 hereof and Section 13.4 hereof shall determine which Notes are considered to be “outstanding” for the purposes of this Section 9.2.

Upon the request of the Company, and upon delivery to the Trustee of evidence of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 9.6 and 13.2 hereof, the Trustee will join with the Company and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture affects the Trustee’s own rights, duties, liabilities or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental indenture.

Without the consent of each Holder of Notes affected, an amendment, supplement or waiver may not, with respect to any Notes issued thereunder and held by a nonconsenting Holder:

1. reduce the principal amount of such Notes whose Holders must consent to an amendment;
2. reduce the stated rate of or extend the stated time for payment of interest on any such Note (other than provisions relating to Section 3.5 and Section 3.9);
3. reduce the principal of or extend the Stated Maturity of any such Note (other than provisions relating to Section 3.5 and Section 3.9);
4. reduce the redemption price payable upon the redemption of any such Note or change the time at which any such Note may be redeemed, in each case as set forth in Section 5.7 or Section 5.9;
5. make any such Note payable in currency other than that stated in such Note;
6. impair the right of any Holder to institute suit for the enforcement of any payment of principal of and interest on such Holder’s Notes on or after the due dates therefor;
7. waive a Default or Event of Default with respect to the nonpayment of principal, premium or interest (except pursuant to a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of such Notes outstanding and a waiver of the payment default that resulted from such acceleration); or
8. make any change in the amendment or waiver provisions which require the Holders’ consent described in this Section 9.2.

It shall not be necessary for the consent of the Holders under this Indenture to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof. A consent to any amendment, supplement or waiver under this Indenture by any Holder of the Notes given in connection with a tender or exchange of such Holder’s Notes will not be rendered invalid by such tender or exchange.

SECTION 9.3. [Reserved].
SECTION 9.4. Revocation and Effect of Consents and Waivers. Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder’s Note, even if notation of the consent or waiver is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent or waiver as to such Holder’s Note or portion of its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to give their consent or take any other action described in this Section 9.4 or required or permitted to be taken pursuant to this Indenture. If a record date is fixed, then notwithstanding the immediately preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only those Persons, shall be entitled to give such consent or to revoke any consent previously given or to take any such action, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date.

SECTION 9.5. Notation on or Exchange of Notes. The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Issuer Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

SECTION 9.6. Trustee to Sign Amendments. The Trustee shall sign any amended or supplemental indenture authorized pursuant to this Article IX if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. In executing any amended or supplemental indenture, the Trustee will be entitled to receive and (subject to Sections 7.1 and 7.2 hereof) shall be fully protected in conclusively relying upon, in addition to the documents required by Section 13.2 hereof, an Officer’s Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and is valid, binding and enforceable against the Company or any Guarantor, as the case may be, in accordance with its terms. Notwithstanding the foregoing, no Opinion of Counsel shall be required in connection with the supplemental indenture to be delivered by Merger Sub, GPC and the Initial Guarantors on the Issue Date in the form attached hereto as Exhibit C.

ARTICLE X

GUARANTEE

SECTION 10.1. Guarantee. Subject to the provisions of this Article X, each Guarantor that executes a supplemental indenture to this Indenture will as a result thereof fully, unconditionally and irrevocably guarantee, as primary obligor and not merely as surety, jointly and severally with each other Guarantor, to each Holder, and the Trustee the full and punctual payment when due, whether at maturity, by acceleration, by redemption or otherwise, of the principal of, premium, if any, and interest on the Notes and all other obligations and liabilities of the Company under this Indenture and the Notes (including without limitation interest accruing after the filing of any petition in bankruptcy, or the commencement of any insolvency, reorganization or like proceeding, relating to the Company or any Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding and the obligations under Section 7.7) (all the foregoing being hereinafter collectively called the “Guaranteed Obligations”). Each Guarantor agrees that the Guaranteed Obligations will rank equally in right of payment with other Indebtedness of such Guarantor, except to the extent such other Indebtedness is subordinate to the Guaranteed Obligations, in which case the obligations of the Guarantors under the Guarantees will rank senior in right of payment to such other Indebtedness.
To evidence its Note Guarantee set forth in this Section 10.1, an Officer of each Guarantor has executed and delivered a supplemental indenture to this Indenture in the form attached as Exhibit B or Exhibit C, as applicable.

Each Guarantor hereby agrees that its Note Guarantee set forth in this Section 10.1 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Note Guarantee on the Notes.

If an Officer whose signature is on the applicable supplemental indenture to this Indenture no longer holds that office at the time the Trustee authenticates the Note, the Guarantee shall be valid nevertheless.

Each Guarantor further agrees (to the extent permitted by law) that the Guaranteed Obligations may be extended, increased or renewed, in whole or in part, without notice or further assent from it, and that it will remain bound under this Article X notwithstanding any extension, increase or renewal of any Guaranteed Obligation.

Each Guarantor waives presentation to, demand of payment from and protest to the Company of any of the Guaranteed Obligations and also waives notice of protest for nonpayment. Each Guarantor waives notice of any default under the Notes or the Guaranteed Obligations.

Each Guarantor further agrees that its Note Guarantee herein constitutes a Guarantee of payment when due (and not a Guarantee of collection) and waives any right to require that any resort be had by any Holder to any security held for payment of the Guaranteed Obligations.

Except as set forth in Section 10.2, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason (other than payment of the Guaranteed Obligations in full), including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense of setoff, counterclaim, recoupment or termination whatsoever or by reason of the invalidity, illegality or unenforceability of the Guaranteed Obligations or otherwise. Without limiting the generality of the foregoing, the Guaranteed Obligations of each Guarantor herein shall not be discharged or impaired or otherwise affected by (a) the failure of any Holder to assert any claim or demand or to enforce any right or remedy against the Company or any other person under this Indenture, the Notes or any other agreement or otherwise; (b) any extension or renewal of any thereof; (c) any rescission, waiver, amendment or modification of any of the terms or provisions of this Indenture, the Notes or any other agreement; (d) the release of any security held by any Holder for the Guaranteed Obligations; (e) the failure of any Holder to exercise any right or remedy against any other Guarantor; (f) any change in the ownership of the Company; (g) any default, failure or delay, willful or otherwise, in the performance of the Guaranteed Obligations; or (h) any other act or thing or omission or delay to do any other act or thing which may or might in any manner or to any extent vary the risk of any Guarantor or would otherwise operate as a discharge of such Guarantor as a matter of law or equity.

Each Guarantor agrees that its Note Guarantee herein shall remain in full force and effect until payment in full of all the Guaranteed Obligations or such Guarantor is released from its Note Guarantee in compliance with Section 10.2, Article VIII or Article XI. Each Guarantor further agrees that its Note Guarantee herein shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of principal of, premium, if any, or interest on any of the Guaranteed Obligations is rescinded or must otherwise be restored by any Holder upon the bankruptcy or reorganization of the Company or otherwise.

In furtherance of the foregoing and not in limitation of any other right which any Holder has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Company to pay any of the Guaranteed Obligations when and as the same shall become due, whether at maturity, by acceleration, by redemption or otherwise, each Guarantor hereby promises to and will, upon receipt of written demand by the Trustee, forthwith pay, or cause to be paid, in cash, to the Holders or the Trustee on behalf of the Holders an amount equal to the sum of (i) the unpaid amount of such Guaranteed Obligations then due and owing and (ii) accrued and unpaid interest on such Guaranteed Obligations then due and owing (but only to the extent not prohibited by law) (including interest accruing after the filing of any petition in bankruptcy or the commencement of any insolvency, reorganization or like
proceeding relating to the Company or any Guarantor whether or not a claim for post-filing or post-petition interest is allowed in such proceeding).

Each Guarantor further agrees that, as between such Guarantor, on the one hand, and the Holders, on the other hand, (x) the maturity of the Guaranteed Obligations guaranteed hereby may be accelerated as provided in this Indenture for the purposes of its Note Guarantee herein, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Guaranteed Obligations guaranteed hereby and (y) in the event of any such declaration of acceleration of such Guaranteed Obligations, such Guaranteed Obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantor for the purposes of this Note Guarantee.

Each Guarantor also agrees to pay any and all fees, costs and expenses (including attorneys’ fees and expenses) incurred by the Trustee or the Holders in enforcing any rights under this Section 10.1.

SECTION 10.2. Limitation on Liability; Termination, Release and Discharge.

(a) Any term or provision of this Indenture to the contrary notwithstanding, the obligations of each Guarantor hereunder will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Note Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal, foreign, state or provincial law and not otherwise being void or voidable under any similar laws affecting the rights of creditors generally.

(b) Any Note Guarantee of a Guarantor shall be automatically and unconditionally released and discharged upon:

(1) a sale, exchange, transfer or other disposition (including by way of merger, amalgamation, consolidation, dividend distribution or otherwise) of the Capital Stock of such Guarantor (including any sale, exchange, transfer or other disposition) of all or Substantially All of the assets of the Guarantor to a Person other than to the Company or a Restricted Subsidiary and as otherwise permitted by this Indenture;

(2) the designation in accordance with this Indenture of the Guarantor as an Unrestricted Subsidiary or the occurrence of any event after which the Guarantor is no longer a Restricted Subsidiary;

(3) defeasance or discharge of the Notes pursuant to Article VIII or Article XI;

(4) [reserved];

(5) such Guarantor being (or being substantially concurrently) released or discharged from all of its Guarantees of Indebtedness of the Company or a Guarantor that would require such Guarantor to provide a Note Guarantee pursuant to Section 3.7 hereof, except in the case of a release as a result of the payment under such Guarantees (it being understood that a release subject to a contingent reinstatement is still considered a release);

(6) upon the merger, amalgamation or consolidation of any Guarantor with and into the Company or another Guarantor or upon the liquidation of such Guarantor, in each case, in compliance with the applicable provisions of this Indenture; or

(7) upon the achievement of Investment Grade Status by the Notes; provided that such Note Guarantee shall be reinstated upon the Reversion Date.

SECTION 10.3. Right of Contribution. Each Guarantor hereby agrees that to the extent that any Guarantor shall have paid more than its proportionate share of any payment made on the obligations under the Note
Guarantees, such Guarantor shall be entitled to seek and receive contribution from and against the Company or any other Guarantor who has not paid its proportionate share of such payment. The provisions of this Section 10.3 shall in no respect limit the obligations and liabilities of each Guarantor to the Trustee and the Holders and each Guarantor shall remain liable to the Trustee and the Holders for the full amount guaranteed by such Guarantor hereunder.

SECTION 10.4. No Subrogation. Notwithstanding any payment or payments made by each Guarantor hereunder, no Guarantor shall be entitled to be subrogated to any of the rights of the Trustee or any Holder against the Company or any other Guarantor or any collateral security or guarantee or right of offset held by the Trustee or any Holder for the payment of the Guaranteed Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Company or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Trustee and the Holders by the Company on account of the Guaranteed Obligations are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Guaranteed Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Trustee and the Holders, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Trustee in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Trustee, if required), to be applied against the Guaranteed Obligations.

ARTICLE XI

SATISFACTION AND DISCHARGE

SECTION 11.1. Satisfaction and Discharge. This Indenture will be discharged and will cease to be of further effect as to all Notes issued hereunder, when:

(a) either:

(1) all Notes that have been authenticated and delivered, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(2) all such Notes not theretofore delivered to the Trustee for cancellation (i) have become due and payable by reason of the making of a notice of redemption or otherwise or (ii) will become due and payable within one year at their Stated Maturity or (iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee, in the name, and at the expense of the Company;

(b) the Company has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in Dollars, U.S. Government Obligations, or a combination thereof, in such amounts as will be sufficient, without consideration of any reinvestment of interest, to pay and discharge the entire indebtedness on such Notes not previously delivered to the Trustee for cancellation, for principal, premium, if any, and interest to the date of deposit (in the case of Notes that have become due and payable), or to the Stated Maturity or redemption date, as the case may be; provided that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the date of redemption, and any Applicable Premium Deficit shall be set forth in an Officer’s Certificate delivered to the Trustee at least two (2) Business Days prior to the redemption date that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(c) no Default or Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and the granting of Liens in connection therewith) with respect to this Indenture or the Notes issued hereunder shall have occurred and be continuing on the date of such deposit or shall occur as a result of
such deposit and such deposit will not result in a breach or violation of, or constitute a default under the Credit Agreement or any other material agreement or instrument (other than this Indenture) to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound;

(d) the Company has paid or caused to be paid all sums payable by the Company under this Indenture; and

(e) the Company has delivered irrevocable instructions to the Trustee to apply the deposited money in Dollars toward the payment of such Notes issued hereunder at maturity or the redemption date, as the case may be.

In addition, the Company shall deliver an Officer’s Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied.

Notwithstanding the satisfaction and discharge of this Indenture, the Company’s obligations to the Trustee in Section 7.7 hereof and, if money in Dollars has been deposited with the Trustee pursuant to clause (a)(2) of this Section 11.1, the provisions of Sections 11.2 and 8.6 hereof will survive.

SECTION 11.2. Application of Trust Money. Subject to the provisions of Section 8.6 hereof, all money in Dollars or U.S. Government Obligations deposited with the Trustee pursuant to Section 11.1 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium) and interest for whose payment such money in Dollars or U.S. Government Obligations has been deposited with the Trustee; but such money in Dollars or U.S. Government Obligations need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 11.1 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company’s and any Guarantor’s obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.1 hereof; provided that if the Company have made any payment of principal of, premium or interest on, any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

(4) a statement as to whether or not, in the opinion of such individual, such covenant or condition has been complied with.

In giving such Opinion of Counsel, counsel may rely as to factual matters on an Officer’s Certificate or on certificates of public officials.

SECTION 13.4. When Notes Disregarded. In determining whether the Holders of the required aggregate principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company, any Guarantor or any Affiliate of them shall be disregarded and deemed not to be outstanding, except that, for the purpose of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes which a Trust Officer of the Trustee actually knows are so owned shall be so disregarded. Also, subject to the foregoing, only Notes outstanding at the time shall be considered in any such determination.

SECTION 13.5. Rules by Trustee, Paying Agent and Registrar. The Trustee may make reasonable rules for action by, or at meetings of, Holders. The Registrar and the Paying Agent may make reasonable rules for their functions.

SECTION 13.6. Legal Holidays. A “Legal Holiday” is a Saturday, a Sunday or other day on which commercial banking institutions are authorized or required to be closed in New York, New York or the jurisdiction of the place of payment. If a payment date or a Redemption Date is a Legal Holiday, payment shall be made on the next succeeding day that is not a Legal Holiday, and no interest shall accrue for the intervening period. If a regular record date is a Legal Holiday, the record date shall not be affected.

SECTION 13.8. Jurisdiction. The Company and the Guarantors agree that any suit, action or proceeding against the Company or any Guarantor brought by any Holder or the Trustee arising out of or based upon this Indenture, the Note Guarantees or the Notes may be instituted in any state or Federal court in the Borough of Manhattan, New York, New York, and any appellate court from any thereof, and each of them irrevocably submits to the non-exclusive jurisdiction of such courts in any suit, action or proceeding. The Company and the Guarantors irrevocably waive, to the fullest extent permitted by law, any objection to any suit, action, or proceeding that may be brought in connection with this Indenture, the Note Guarantees or the Notes, including such actions, suits or proceedings relating to securities laws of the United States of America or any state thereof, in such courts whether on the grounds of venue, residence or domicile or on the ground that any such suit, action or proceeding has been brought in an inconvenient forum. SECTION 13.9. Waivers of Jury Trial. SECTION 13.10. USA PATRIOT Act. The parties hereto acknowledge that in accordance with Section 326 of the USA PATRIOT Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order to satisfy the requirements of the USA PATRIOT Act.

SECTION 13.11. No Recourse Against Others. No director, officer, employee, incorporator or shareholder of the Company or any of its respective Subsidiaries or Affiliates, as such (other than the Company and the Guarantors), shall have any liability for any obligations of the Company or the Guarantors under the Notes, the Note Guarantees or this Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

SECTION 13.12. Successors. All agreements of the Company and each Guarantor in this Indenture and the Notes shall bind their respective successors. All agreements of the Trustee in this Indenture shall bind its successors.

SECTION 13.13. Multiple Originals. The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. Any signature to this Indenture may be delivered by facsimile, electronic mail (including .pdf) or any electronic signature complying with the U.S. Federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law; provided that notwithstanding anything herein to the contrary, the Trustee is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Trustee pursuant to procedures approved by the Trustee. For the avoidance of doubt, the foregoing also applies to any amendment hereto. Each of the parties represents and warrants to the other parties that it has the corporate capacity and authority to execute this Indenture through electronic means and there are no restrictions for doing so in that party’s constitutive documents.

SECTION 13.14. Table of Contents; Headings. The table of contents, cross-reference table and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not intended to be considered a part hereof and shall not modify or restrict any of the terms or provisions hereof.

SECTION 13.15. Force Majeure. In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, epidemics, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility, it being understood that the Trustee shall use reasonable best efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.
SECTION 13.16. **Severability.** In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

SECTION 13.17. [Reserved].

SECTION 13.18. **Waiver of Immunities.** To the extent that the Company or any Guarantor or any of its properties, assets or revenues may have or may hereafter become entitled to, or have attributed to them, any right of immunity, on the grounds of sovereignty, from any legal action, suit or proceeding, from set-off or counterclaim, from the jurisdiction of any court, from service of process, from attachment upon or prior to judgment, or from attachment in aid of execution of judgment, or from execution of judgment, or other legal process or proceeding for the giving of any relief or for the enforcement of any judgment, in any jurisdiction in which proceedings may at any time be commenced, with respect to their obligations, liabilities or any other matter under or arising out of or in connection with this Indenture, the Notes or the Note Guarantees, the Company and each Guarantor hereby irrevocably and unconditionally, to the extent permitted by applicable law, waives and agrees not to plead or claim any such immunity and consents to such relief and enforcement.

SECTION 13.19. **Judgment Currency.** The Company and each Guarantor agrees to indemnify the recipient against any loss incurred by such recipient as a result of any judgment or order being given or made against the Company or any Guarantor for any amount due hereunder and such judgment or order being expressed and paid in a currency (the “Judgment Currency”) other than Dollars and as a result of any variation as between (i) the rate of exchange at which the Dollar amount is converted into the Judgment Currency for the purpose of such judgment or order, and (ii) the rate of exchange in The City of New York at which such party on the date of payment of such judgment or order is able to purchase Dollars with the amount of the Judgment Currency actually received by such party if such party had utilized such amount of Judgment Currency to purchase Dollars as promptly as practicable upon such party’s receipt thereof. The foregoing indemnity shall constitute a separate and independent obligation of the Company and each Guarantor and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term “rate of exchange” shall include any premiums and costs of exchange payable in connection with the purchase of, or conversion into, the relevant currency.

1. **Interest**

The Issuer promises to pay interest on the principal amount of this Note at 7.125% per annum from August 4, 2020 until maturity. The Issuer will pay interest semi-annually in arrears every February 15 and August 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an “Interest Payment Date”). Interest on the Notes shall accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; provided that the first Interest Payment Date shall be February 15, 2021. The Issuer shall pay interest on overdue principal at the rate specified herein, and it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful. Interest on the Notes will be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. **Method of Payment**

By no later than 11:00 a.m. (New York City time) on the date on which any principal of, premium, if any, or interest, on any Note is due and payable, the Issuer shall deposit with the Paying Agent a sum sufficient in immediately available funds to pay such principal, premium, interest when due. Interest on any Note which is payable, and is timely paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name such Note (or one or more Predecessor Notes) is registered at the close of business on the preceding February 1 and August 1 at the office or agency of the Issuer maintained for such purpose pursuant to Section 2.3 of the Indenture. The principal of (and premium, if any) and interest on the Notes shall be payable at the office or agency of Paying Agent or Registrar designated by the Issuer maintained for such purpose (which shall initially be the office of the Trustee maintained for such purpose), or at such other office or agency of the Issuer as may be maintained for such purpose pursuant to Section 2.3 of the Indenture; provided, however, that, at the option of the Paying Agent, each installment of interest may be paid by (i) check mailed to addresses of the Persons entitled thereto as such addresses shall appear on the Notes Register or (ii) wire transfer to an account located in the United States maintained by the payee, subject to the third to the last sentence of this paragraph. Payments in respect of Notes represented by a Global Note (including principal, premium, if any, and interest) will be made by wire transfer of immediately available funds to the accounts specified by The Depository Trust Company or any successor depository. Payments in respect of Notes represented by Definitive Notes (including principal, premium, if any, and interest) held by a Holder of at least $1,000,000 aggregate principal amount of Notes represented by Definitive Notes will be made in accordance with the Notes Register, or by wire transfer to a Dollar account maintained by the payee with a bank in the United States if such Holder elects payment by wire transfer by giving written notice to the Trustee or the Paying Agent to such effect designating such account no later than 15 days immediately preceding the relevant due date for payment (or such other date as the Trustee may accept in its discretion). If an Interest Payment Date or a Redemption Date is a Legal Holiday, payment shall be made on the next succeeding day that is not a Legal Holiday, and no interest shall accrue for the intervening period. If a regular record date is a Legal Holiday, the record date shall not be affected.

3. **Paying Agent and Registrar**

The Issuer issued the Notes under an Indenture dated as of August 4, 2020, among the Issuer and the Trustee (as it may amended or supplemented from time to time in accordance with the terms thereof, the
The terms of the Notes include those stated in the Indenture. The Notes are subject to all terms and provisions of the Indenture, and Holders are referred to the Indenture for a statement of those terms. In the event of a conflict between the terms of the Notes and the terms of the Indenture, the terms of the Indenture shall control.

The Notes are senior obligations of the Issuer. The aggregate principal amount of Notes that may be authenticated and delivered under the Indenture is unlimited. This Note is one of the 7.125% Senior Notes due 2028 referred to in the Indenture. The Notes include (i) $510,000,000 principal amount of the Issuer’s 7.125% Senior Notes due 2028 issued under the Indenture on August 4, 2020 (the “Initial Notes”) and (ii) if and when issued, additional Notes that may be issued from time to time under the Indenture subsequent to August 4, 2020 (the “Additional Notes”) as provided in Section 2.1(a) of the Indenture. The Initial Notes and the Additional Notes shall be considered collectively as a single class for all purposes of the Indenture; provided that the Additional Notes will not be issued with the same CUSIP as the existing Notes unless such Additional Notes are fungible with the existing Notes for U.S. federal income tax purposes. The Indenture imposes certain limitations on the incurrence of indebtedness, the making of restricted payments, the sale of assets, the incurrence of certain liens, the entering into of agreements that restrict distribution from restricted subsidiaries and the consummation of mergers and consolidations. The Indenture also imposes requirements with respect to the provision of financial information and the provision of guarantees of the Notes by certain subsidiaries.

5. Guarantees

The Notes may hereafter be entitled to certain Note Guarantees made for the benefit of the Holders. Reference is made to Article X of the Indenture for terms relating to such Note Guarantees, including the release, termination and discharge thereof. Neither the Company nor any Guarantor shall be required to make any notation on this Note to reflect any Note Guarantee or any such release, termination or discharge.

6. Redemption

The Notes are subject to optional redemption and Special Mandatory Redemption as further described in the Indenture. Other than as set forth in Section 5.9 of the Indenture, the Issuer shall not be required to make any mandatory redemption or sinking fund payments with respect to the Notes.

7. Reserved

The Notes may be the subject of a Change of Control Offer and/or an Asset Disposition Offer (or an Alternate Offer or an Advance Offer, as applicable), as further described in the Indenture.

9. Denominations; Transfer; Exchange

The Notes shall be issuable only in fully registered form in minimum denominations of principal amount of $2,000 and any integral multiple of $1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay a sum sufficient to cover any tax and fees required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange of any Note (A) for a period beginning (1) fifteen (15) calendar days before the mailing of a notice of an offer to repurchase or redeem Notes and ending at the close of business on the day of such mailing or (2) fifteen (15) calendar days before an Interest Payment Date and ending on such Interest Payment Date or (B) called for redemption, except the unredeemed portion of any Note being redeemed in part.

10. Persons Deemed Owners

The registered Holder of this Note may be treated as the owner of it for all purposes.
11. **Unclaimed Money**

If money for the payment of principal, premium, if any, interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Issuer at its written request unless an abandoned property law designates another Person to receive such money. After any such payment, Holders entitled to the money must look only to the Issuer and not to the Trustee for payment as general creditors unless an abandoned property law designates another person for payment.

12. **Discharge and Defeasance**

Subject to certain exceptions and conditions set forth in the Indenture, the Issuer at any time may terminate some or all of its obligations under the Notes and the Indenture if the Issuer deposits with the Trustee money or U.S. Government Obligations for the payment of principal, premium, if any and interest on the Notes to redemption or maturity, as the case may be.

13. **Amendment, Supplement, Waiver**

Subject to certain exceptions contained in the Indenture, the Indenture and the Notes may be amended, or a Default thereunder may be waived, with the consent of the Holders of a majority in aggregate principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Issuer, the Guarantors and the Trustee may amend or supplement the Indenture and the Notes as provided in the Indenture.

14. **Defaults and Remedies**

The Events of Default relating to the Notes are defined in Section 6.1 of the Indenture. Upon the occurrence of an Event of Default, the rights and obligations of the Issuer, the Guarantors, the Trustee and the Holders shall be as set forth in the applicable provisions of the Indenture.

15. **Trustee Dealings with the Issuer**

Subject to certain limitations set forth in the Indenture, the Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer, Guarantors or their Affiliates with the same rights it would have if it were not Trustee. In addition, the Trustee shall be permitted to engage in transactions with the Issuer and its Affiliates and Subsidiaries.

16. **No Recourse Against Others**

No director, officer, employee, incorporator or shareholder of the Issuer or any of its Subsidiaries or Affiliates, as such (other than the Issuer and the Guarantors), shall have any liability for any obligations of the Issuer or the Guarantors under the Notes, the Guarantees or the Indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Each Holder by accepting a note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. Such waiver may not be effective to waive liabilities under the federal securities laws and it is the view of the SEC that such a waiver is against public policy.

17. **Authentication**

This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent acting on its behalf) manually signs the certificate of authentication on the other side of this Note.

18. **Abbreviations**
Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (= tenants in common), TEN ENT (= tenants by the entirety), JT TEN (= joint tenants with rights of survivorship and not as tenants in common), CUST (= custodian) and U/G/M/A (= Uniform Gift to Minors Act).

19. **CUSIP and ISIN Numbers**

The Issuer has caused CUSIP and ISIN numbers, if applicable, to be printed on the Notes and has directed the Trustee to use CUSIP and ISIN numbers, if applicable, in notices of redemption or purchase as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption or purchase and reliance may be placed only on the other identification numbers placed thereon.

20. **Governing Law**

This Note shall be governed by, and construed in accordance with, the laws of the State of New York.

The Issuer will furnish to any Holder upon written request and without charge to the Holder a copy of the Indenture. Requests may be made to:

(a) **Notice Procedures.** In connection with any Auction, the Auction Party will provide notification to the Auction Agent (for distribution to the relevant Lenders) of the Term Loans that will be the subject of the Auction (an “Auction Notice”). Each Auction Notice shall be in a form reasonably acceptable to the Auction Agent and shall (i) specify the maximum aggregate principal amount of the Term Loans subject to the Auction, in a minimum amount of $10,000,000 and whole increments of $1,000,000 in excess thereof (or, in any case, such lesser amount of such Term Loans then outstanding or which is otherwise reasonably acceptable to the Auction Agent and the Administrative Agent (if different from the Auction Agent)) (the “Auction Amount”), (ii) specify the discount to par (which may be a range (the “Discount Range”) of percentages of the par principal amount of the Term Loans subject to such Auction), that represents the range of purchase prices that the Auction Party would be willing to accept in the Auction, (iii) be extended, at the sole discretion of the Auction Party, to (x) each Lender and/or (y) each Lender with respect to any Term Loan on an individual Class basis and (iv) remain outstanding through the Auction Response Date. The Auction Agent will promptly provide each appropriate Lender with a copy of the Auction Notice and a form of the Return Bid to be submitted by a responding Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m. on the date specified in the Auction Notice (or such later date as the Auction Party may agree with the reasonable consent of the Auction Agent) (the “Auction Response Date”).

(b) **Reply Procedures.** In connection with any Auction, each Lender holding the relevant Term Loans subject to such Auction may, in its sole discretion, participate in such Auction and may provide the Auction Agent with a notice of participation (the “Return Bid”) which shall be in a form reasonably acceptable to the Auction Agent, and shall specify (i) a discount to par (that must be expressed as a price at which it is willing to sell all or any portion of such Term Loans) (the “Reply Price”), which (when expressed as a percentage of the par principal amount of such Term Loans) must be within the Discount Range and (ii) a principal amount of such Term Loans, which must be in whole increments of $1,000,000 (or, in any case, such lesser amount of such Term Loans of such Lender then outstanding or which is otherwise reasonably acceptable to the Auction Agent) (the “Reply Amount”). Lenders may only submit one Return Bid per Auction, but each Return Bid may contain up to three bids only one of which may result in a Qualifying Bid. In addition to the Return Bid, the participating Lender must execute and deliver, to be held in escrow by the Auction Agent, an Assignment and Assumption with the dollar amount of the Term Loans to be assigned to be left in blank, which amount shall be completed by the Auction Agent in accordance with the final determination of such Lender’s Qualifying Bid pursuant to clause (c) below. Any Lender whose
Return Bid is not received by the Auction Agent by the Auction Response Date shall be deemed to have declined to participate in the relevant Auction with respect to all of its Term Loans.

(c) Acceptance Procedures. Based on the Reply Prices and Reply Amounts received by the Auction Agent prior to the applicable Auction Response Date, the Auction Agent, in consultation with the Auction Party, will determine the applicable price (the “Applicable Price”) for the Auction, which will be the lowest Reply Price for which the Auction Party can complete the Auction at the Auction Amount; provided that, in the event that the Reply Amounts are insufficient to allow the Auction Party to complete a purchase of the entire Auction Amount (any such Auction, a “Failed Auction”), the Auction Party shall either, at its election, (i) withdraw the Auction or (ii) complete the Auction at an Applicable Price equal to the highest Reply Price. The Auction Party shall purchase the relevant Term Loans (or the respective portions thereof) from each Lender with a Reply Price that is equal to or lower than the Applicable Price (“Qualifying Bids”) at the Applicable Price; provided that if the aggregate proceeds required to purchase all Term Loans subject to Qualifying Bids would exceed the Auction Amount for such Auction, the Auction Party shall purchase such Term Loans at the Applicable Price ratably based on the principal amounts of such Qualifying Bids (subject to rounding requirements specified by the Auction Agent in its discretion). If a Lender has submitted a Return Bid containing multiple bids at different Reply Prices, only the bid with the lowest Reply Price that is equal to or less than the Applicable Price will be deemed to be the Qualifying Bid of such Lender (e.g., a Reply Price of $100 with a discount to par of 1%, when compared to an Applicable Price of $100 with a 2% discount to par, will not be deemed to be a Qualifying Bid, while, however, a Reply Price of $100 with a discount to par of 2.50% would be deemed to be a Qualifying Bid). The Auction Agent shall promptly, and in any case within five Business Days following the Auction Response Date with respect to an Auction, notify (I) the Company of the respective Lenders’ responses to such solicitation, the effective date of the purchase of Term Loans pursuant to such Auction, the Applicable Price, and the aggregate principal amount of the Term Loans and the tranches thereof to be purchased pursuant to such Auction, (II) each participating Lender of the effective date of the purchase of Term Loans pursuant to such Auction, the Applicable Price, and the aggregate principal amount and the tranches of Term Loans to be purchased at the Applicable Price on such date, (III) each participating Lender of the aggregate principal amount and the tranches of the Term Loans of such Lender to be purchased at the Applicable Price on such date and (IV) if applicable, each participating Lender of any rounding and/or proration pursuant to the second preceding sentence. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Company and Lenders shall be conclusive and binding for all purposes absent manifest error.

(d) Additional Procedures.

(i) Once initiated by an Auction Notice, the Auction Party may not withdraw an Auction other than a Failed Auction. Furthermore, in connection with any Auction, upon submission by a Lender of a Qualifying Bid, such Lender (each, a “Qualifying Lender”) will be obligated to sell the entirety or its allocable portion of the Reply Amount, as the case may be, at the Applicable Price.

(ii) To the extent not expressly provided for herein, each purchase of Term Loans pursuant to an Auction shall be consummated pursuant to procedures consistent with the provisions in this definition, established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the Company.
(iii) In connection with any Auction, the Company and the Lenders acknowledge and agree that the Auction Agent may require as a condition to any Auction, the payment of customary fees and expenses by the Auction Party in connection therewith as agreed between the Auction Party and the Auction Agent.

(iv) Notwithstanding anything in any Loan Document to the contrary, for purposes of this definition, each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon the Auction Agent’s (or its delegate’s) actual receipt during normal business hours of such notice or communication; provided that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(v) The Borrower and the Lenders acknowledge and agree that the Auction Agent may perform any and all of its duties under this definition by itself or through any Affiliate of the Auction Agent and expressly consent to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. (c) [Reserved].

(d) For purposes of determining the permissibility of any action, change, transaction or event that by the terms of the Loan Documents requires a calculation of any financial ratio or financial test (including the Total Leverage Ratio, the First Lien Leverage Ratio, the Secured Leverage Ratio, the Interest Coverage Ratio and the amount of Consolidated Adjusted EBITDA, Consolidated Net Income or Consolidated Total Assets), subject to the succeeding clause (e), such financial ratio or test shall be calculated at the time such action is taken, such change is made, such transaction is consummated or such event occurs, as the case may be, and no Default or Event of Default shall be deemed to have occurred solely as a result of a change in such financial ratio or financial test occurring after the time such action is taken, such change is made, such transaction is consummated or such event occurs, as the case may be.

(e) Notwithstanding anything to the contrary herein (including in connection with any calculation made on a Pro Forma Basis), if the terms of this Agreement require (i) compliance with any financial ratio or financial test (including, without limitation, any First Lien Leverage Ratio test, any Secured Leverage Ratio test, any Total Leverage Ratio test and/or any Interest Coverage Ratio test) and/or any cap expressed as a percentage of Consolidated Total Assets, Consolidated Net Income or Consolidated Adjusted EBITDA, (ii) accuracy of any representation or warranty and/or the absence of a Default or Event of Default (or any type of default or event of default) or (iii) compliance with any basket, as a condition to (A) the consummation of any transaction (including in connection with any acquisition or other Investment or the assumption or incurrence of Indebtedness), (B) the making of any Restricted Payment and/or (C) the making of any Restricted Debt Payment, the determination of whether the relevant condition is satisfied may be made, at the election of the Company, (1) in the case of any acquisition or other Investment or any Disposition and any transaction related thereto, at the time of (or on the basis of the financial statements for the most recently ended Test Period at the time of) either (x) the execution of the definitive agreement with respect to such acquisition, Investment or Disposition (or, solely in connection with an acquisition, consolidation or business combination to which the United Kingdom City Code on Takeovers and Mergers applies, the date on which a “Rule 2.7 Announcement” of a firm intention to make an offer is made) or the establishment of a commitment with respect to such Indebtedness or (y) the consummation of such acquisition, Investment or Disposition, (2) in the case of any Restricted Payment, at the time of (or on the basis of the financial statements for the most recently ended Test Period at the time of) (x) the declaration of such Restricted Payment or (y) the making of such Restricted Payment and (3) in the case of any Restricted Debt Payment,
at the time of (or on the basis of the financial statements for the most recently ended Test Period at the time of) (x) delivery of notice with respect to such Restricted Debt Payment or (y) the making of such Restricted Debt Payment, in each case, after giving effect to the relevant acquisition, Restricted Payment and/or Restricted Debt Payment or other transaction on a Pro Forma Basis (including, in each case, giving effect to the relevant transaction, any relevant Indebtedness (including the intended use of proceeds thereof) and, at the election of the Company, giving pro forma effect to other prospective “limited conditionality” acquisitions or other Investments for which definitive agreements have been executed, and no Default or Event of Default shall be deemed to have occurred solely as a result of an adverse change in such financial ratio or test occurring after the time such election is made (but any subsequent improvement in the applicable financial ratio or test may be utilized by the Company or any Restricted Subsidiary). For the avoidance of doubt, if the Company shall have elected the option set forth in clause (x) of any of the preceding clauses (1), (2) or (3) in respect of any transaction, then the Company shall be permitted to consummate such transaction even if any applicable test or condition shall cease to be satisfied subsequent to the Company’s election of such option. The provisions of this paragraph (e) shall also apply in respect of the incurrence of any Incremental Facility.

(f) [Reserved].

(g) Notwithstanding anything to the contrary herein, unless the Company otherwise notifies the Administrative Agent, with respect to any amount incurred under any Revolving Facility or any other permitted revolving facility or any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that does not require compliance with a financial ratio or financial test (including any First Lien Leverage Ratio test, any Secured Leverage Ratio test, any Total Leverage Ratio test and/or any Interest Coverage Ratio test) (any such amounts, the “Fixed Amounts”) substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that requires compliance with a financial ratio or financial test (including any First Lien Leverage Ratio test, any Secured Leverage Ratio test, any Total Leverage Ratio test and/or any Interest Coverage Ratio test) (any such amounts, the “Incurrence-Based Amounts”), it is understood and agreed that the incurrence of the Incurrence-Based Amount shall be calculated first without giving effect to any Fixed Amount but giving full pro forma effect to the use of proceeds of such Fixed Amount and the related transactions and (B) the incurrence of the Fixed Amount shall be calculated thereafter. Unless the Company elects otherwise, the Company or the applicable Restricted Subsidiary shall be deemed to have used amounts under an Incurrence-Based Amount then available to the Company or the applicable Restricted Subsidiary prior to utilization of any amount under a Fixed Amount then available to the Company or the applicable Restricted Subsidiary.

(h) The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date shall be the principal amount thereof that would be shown on a balance sheet of the Company dated such date prepared in accordance with GAAP.

(i) The increase in any amount secured by any Lien by virtue of the accrual of interest, the accretion of accreted value, the payment of interest or a dividend in the form of additional Indebtedness, amortization of original issue discount and/or any increase in the amount of Indebtedness outstanding solely as a result of any fluctuation in the exchange rate of any applicable currency will not be deemed to be the granting of a Lien for purposes of Section 6.02.

(j) For purposes of determining compliance with Section 6.01 or Section 6.02, if any Indebtedness or Lien is incurred in reliance on a basket measured by reference to a percentage of Consolidated Adjusted EBITDA, and any refinancing or replacement thereof would cause the percentage of Consolidated

Adjusted EBITDA to be exceeded if calculated based on the Consolidated Adjusted EBITDA on the date of such refinancing or replacement, such percentage of Consolidated Adjusted EBITDA will be deemed not to be exceeded so long as the principal amount of such refinancing or replacement Indebtedness or other obligation does not exceed an amount sufficient to repay the principal amount of such Indebtedness or other obligation being refinanced or replaced, except by an amount equal to (x) unpaid accrued interest, penalties and premiums (including tender, prepayment or repayment premiums) thereon plus underwriting discounts and other customary fees, commissions and expenses (including upfront fees, original issue discount or initial yield payment) incurred in connection with such refinancing or replacement, (y) any existing commitments unutilized thereunder and (z) additional amounts permitted to be incurred under Section 6.01.

(k) Any financial ratios required to be maintained by the Company or any of its Restricted Subsidiaries pursuant to this Agreement (or required to be satisfied in order for a specific action to be permitted under this Agreement) shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

Section 1.05. Effectuation of Transactions. Each of the representations and warranties contained in this Agreement (and all corresponding definitions) is made after giving effect to the Transactions, unless the context otherwise requires.

Section 1.06. Timing of Payment and Performance. When payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or required on a day which is not a Business Day, the date of such payment (other than as described in the definition of “Interest Period”) or performance shall extend to the immediately succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension.

Section 1.07. Times of Day. Unless otherwise specified, all references herein to times of day shall be references to New York City time (daylight or standard, as applicable).

Section 1.08. Currency Equivalents Generally.

(a) Notwithstanding anything to the contrary in clause (b) below, for purposes of any determination under Article 5, Article 6 (other than Section 6.15 and the calculation of compliance with any financial ratio for purposes of taking any action hereunder) or Article 7 with respect to the amount of any Indebtedness, Lien, Restricted Payment, Restricted Debt Payment, Investment, Disposition, Affiliate transaction or other transaction, event or circumstance, or any determination under any other provision of this Agreement (any of the foregoing, a “relevant transaction”), in a currency other than Dollars, (i) the Dollar equivalent amount of a relevant transaction in a currency other than Dollars shall be calculated based on the rate of exchange quoted by the Bloomberg Foreign Exchange Rates & World Currencies Page (or any successor page thereto, or in the event such rate does not appear on any Bloomberg Page, by reference to such other publicly available service for displaying exchange rates as may be agreed upon by the Administrative Agent and the Company) for such foreign currency, as in effect at 11:00 a.m. (London time) on the date of such relevant transaction (which, in the case of any Restricted Payment, Restricted Debt Payment, Investment, Disposition or incurrence of Indebtedness, shall be determined as set forth in Section 1.04(e)); provided, that if any Indebtedness is incurred (and, if applicable, associated Lien granted) to refinance or replace other Indebtedness denominated in a currency other than Dollars, and the relevant refinancing or replacement would cause the applicable Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing or replacement,
such Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing or replacement Indebtedness (and, if applicable, associated Lien granted) does not exceed an amount sufficient to repay the principal amount of such Indebtedness being refinanced or replaced, except by an amount equal to (x) unpaid accrued interest, penalties and premiums (including tender premiums) thereon plus underwriting discounts and other customary fees, commissions and expenses (including upfront fees, original issue discount or initial yield payment) incurred in connection with such refinancing or replacement, (y) any existing commitments unutilized thereunder and (z) additional amounts permitted to be incurred under Section 6.01 and (ii) for the avoidance of doubt, no Default or Event of Default shall be deemed to have occurred solely as a result of a change in the rate of currency exchange occurring after the time of any relevant transaction so long as such relevant transaction was permitted at the time incurred, made, acquired, committed, entered or declared as set forth in clause (i). For purposes of Section 6.15 and the calculation of compliance with any financial ratio for purposes of taking any action hereunder (including for purposes of calculating compliance with the Incremental Cap) on any relevant date of determination, amounts denominated in currencies other than Dollars shall be translated into Dollars at the applicable currency exchange rate used in preparing the financial statements delivered pursuant to Sections 5.01(a) or (b) (or, prior to the first such delivery, the financial statements referred to in Section 3.04), as applicable, for the relevant Test Period. Notwithstanding the foregoing or anything to the contrary herein, to the extent that the Company would not be in compliance with Section 6.15(a) if any Indebtedness denominated in a currency other than Dollars were to be translated into Dollars on the basis of the applicable currency exchange rate used in preparing the financial statements delivered pursuant to Section 5.01(a) or (b), as applicable, for the relevant Test Period, but would be in compliance with Section 6.15(a) if such Indebtedness that is denominated in a currency other than Dollars were instead translated into Dollars on the basis of the average relevant currency exchange rates over such Test Period (taking into account the currency translation effects, determined in accordance with GAAP, of Hedge Agreements permitted hereunder in respect of currency exchange risks with respect to the applicable currency in effect on the date of determination for the Dollar equivalent amount of such Indebtedness), then, solely for purposes of compliance with Section 6.15(a), the First Lien Leverage Ratio as of the last day of such Test Period shall be calculated on the basis of such average relevant currency exchange rates.

(b) Each provision of this Agreement shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify with the Company’s consent to appropriately reflect a change in currency of any country and any relevant market convention or practice relating to such change in currency.

Section 1.09. Cashless Rollovers. Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, to the extent that any Lender extends the maturity date of, or replaces, renews or refinances, any of its then-existing Loans with Incremental Loans, Replacement Term Loans, Loans in connection with any Replacement Revolving Facility, Extended Term Loans, Extended Revolving Loans or loans incurred under a new credit facility, in each case, to the extent such extension, replacement, renewal or refinancing is effected by means of a “cashless roll” by such Lender, such extension, replacement, renewal or refinancing shall be deemed to comply with any requirement hereunder or any other Loan Document that such payment be made “in Dollars”, “in immediately available funds”, “in Cash” or any other similar requirement.

Section 1.10. Alternative Currencies.

(a) Any Revolving Borrower may from time to time request that LIBO Rate Revolving Loans be made and/or Letters of Credit be issued in a currency other than Dollars; provided that such requested currency is a lawful currency (other than Dollars) that is readily available and freely transferable and
convertible into Dollars. In the case of any such request with respect to the making of LIBO Rate Revolving Loans, such request shall be subject to the approval of the Revolving Lenders of the applicable Class that will provide such Loans, and in the case of any such request with respect to the issuance of Letters of Credit, such request shall be subject to the approval of the applicable Issuing Banks, in each case as set forth in Section 9.02(b).

(b) Any such request shall be made to the Administrative Agent not later than 11:00 a.m., ten Business Days prior to the date of the desired Credit Extension (or such other time or date as may be agreed by the Administrative Agent and, in the case of any such request pertaining to Letters of Credit, the relevant Issuing Bank, in its or their sole discretion). In the case of any such request pertaining to LIBO Rate Revolving Loans, the Administrative Agent shall promptly notify each Revolving Lender thereof; and in the case of any such request pertaining to Letters of Credit, the Administrative Agent shall promptly notify the relevant Issuing Bank thereof. Each applicable Revolving Lender (in the case of any such request pertaining to LIBO Rate Revolving Loans) or each relevant Issuing Bank (in the case of a request pertaining to Letters of Credit) shall notify the Administrative Agent, not later than 11:00 a.m., five Business Days after receipt of such request whether it consents, in its sole discretion, to the making of LIBO Rate Revolving Loans or the issuance of Letters of Credit, as the case may be, in such requested currency.

(c) Any failure by any Revolving Lender or the relevant Issuing Bank, as the case may be, to respond to such request within the time period specified in the preceding paragraph shall be deemed to be a refusal by such Revolving Lender or Issuing Bank, as the case may be, to permit LIBO Rate Revolving Loans to be made or Letters of Credit to be issued, as applicable, in such requested currency. If the Administrative Agent and all the applicable Revolving Lenders that would be obligated to make Credit Extensions denominated in such requested currency consent to making Revolving Loans or issuing Letters of Credit in such requested currency, the Administrative Agent shall so notify the Company, and the Company, each other Borrower and the Revolving Lenders shall amend this Agreement and the other Loan Documents as necessary to accommodate such Borrowings and/or Letters of Credit (as applicable), in accordance with Section 9.02(b). If the Administrative Agent fails to obtain the requisite consent to any request for an additional currency under this Section 1.10, the Administrative Agent shall promptly so notify the Company. Notwithstanding anything to the contrary herein, if the LIBO Rate is not applicable or available with respect to any Revolving Loan denominated in a currency other than Dollars, the components of the interest rate applicable to such Revolving Loan shall be separately agreed by the Company and the Administrative Agent in accordance with Section 9.02(b).

Section 1.11. Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction’s laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized and acquired on the first date of its existence by the holders of its Capital Stock at such time.

ARTICLE 2 THE CREDITS

Section 2.01. Commitments.

(a) Subject to the terms and conditions set forth herein, (i) each Initial Term Lender severally, and not jointly, agrees to make Initial Term Loans to the Borrower on the Closing Date in Dollars in a principal amount not to exceed its Initial Term Loan Commitment and (ii) each Revolving Lender

[[5470263]]
severally, and not jointly, agrees to make Initial Revolving Loans to the Revolving Borrower in Dollars at any time and from time to time during the Availability Period; provided that, (i) the Outstanding Amount of Initial Revolving Loans to be made on the Closing Date shall not exceed $25,000,000 plus the sum of any amounts drawn and used for (A) working capital needs in the ordinary course of business and (B) the payment of Transaction Costs and (ii) after giving effect to any Borrowing of Initial Revolving Loans, the Outstanding Amount of such Initial Revolving Lender’s Initial Revolving Credit Exposure shall not exceed such Initial Revolving Lender’s Initial Revolving Credit Commitment. Within the foregoing limits and subject to the terms, conditions and limitations set forth herein, the Borrower may borrow, pay or prepay and re-borrow Revolving Loans. Amounts paid or prepaid in respect of the Initial Term Loans may not be re-borrowed.

(b) Subject to the terms and conditions of this Agreement and any applicable Refinancing Amendment, Extension Amendment or Incremental Facility Amendment, each Lender with an Additional Commitment of a given Class, severally and not jointly, agrees to make Additional Loans of such Class to the Borrower, which Loans shall not exceed for any such Lender at the time of any incurrence thereof the Additional Commitment of such Class of such Lender as set forth in the applicable Refinancing Amendment, Extension Amendment or Incremental Facility Amendment.

Section 2.02. Loans and Borrowings.

(a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the Lenders ratably in accordance with their respective Commitments of the applicable Class.

(b) Subject to Section 2.01 and Section 2.14, each Borrowing shall be comprised entirely of ABR Loans or LIBO Rate Loans as the Borrower may request in accordance herewith. Each Lender at its option may make any LIBO Rate Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that (i) any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement, (ii) such LIBO Rate Loan shall be deemed to have been made and held by such Lender, and the obligation of the Borrower to repay such LIBO Rate Loan shall nevertheless be to such Lender for the account of such domestic or foreign branch or Affiliate of such Lender and (iii) in exercising such option, such Lender shall use reasonable efforts to minimize increased costs to the Borrower resulting therefrom (which obligation of such Lender shall not require it to take, or refrain from taking, actions that it determines would result in increased costs for which it will not be compensated hereunder or that it otherwise determines would be disadvantageous to it and in the event of such request for costs for which compensation is provided under this Agreement, the provisions of Section 2.15 shall apply); provided, further, that no such domestic or foreign branch or Affiliate of such Lender shall be entitled to any greater indemnification under Section 2.17 with respect to such LIBO Rate Loan than that to which the applicable Lender was entitled on the date on which such Loan was made (except in connection with any indemnification entitlement arising as a result of a Change in Law after the date on which such Loan was made).

(c) At the commencement of each Interest Period for any LIBO Rate Borrowing, such Borrowing shall comprise an aggregate principal amount that is an integral multiple of $100,000 and not less than $500,000. Each ABR Borrowing when made shall be in a minimum principal amount of $100,000; provided that an ABR Revolving Loan Borrowing may be made in a lesser aggregate amount that is (x) equal to the entire aggregate Unused Revolving Credit Commitments or (y) required to finance the reimbursement of an LC Disbursement as contemplated by Section 2.05(e). Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of 15
different Interest Periods in effect for LIBO Rate Borrowings at any time outstanding (or such greater number of different Interest Periods as the Administrative Agent may agree from time to time).

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not, nor shall it be entitled to, request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the Maturity Date applicable to such Loans.

Section 2.03. Requests for Borrowings. Each Borrowing, each conversion of Loans from one Type to the other, and each continuation of LIBO Rate Loans shall be made upon irrevocable notice by the Borrower to the Administrative Agent (provided that, subject to Section 2.16, notices in respect of Borrowings to be made in connection with any acquisition, Investment or irrevocable repayment, redemption or refinancing of Indebtedness may be conditioned on the closing of such acquisition, Investment or irrevocable repayment, redemption or refinancing of Indebtedness). Each such notice must be in writing or by telephone (and promptly confirmed in writing) and must be received by the Administrative Agent (by hand delivery, fax or other electronic transmission (including “.pdf” or “.tif”)) not later than (i) 1:00 p.m. three Business Days prior to the requested day of any Borrowing of, conversion to or continuation of LIBO Rate Loans or conversion to ABR Loans (or 11:00 a.m. one Business Day prior in the case of any Borrowing of LIBO Rate Loans to be made on the Closing Date) and (ii) 12:00 p.m. on the requested date of any Borrowing of or conversion to ABR Loans (or, in each case, such later time as shall be reasonably acceptable to the Administrative Agent); provided, however, that if the Borrower wishes to request LIBO Rate Loans having an Interest Period of other than one, two, three or six months in duration as provided in the definition of “Interest Period,” (A) the applicable notice must be received by the Administrative Agent not later than 1:00 p.m. four Business Days prior to the requested date of such Borrowing, conversion or continuation (or such later time as is reasonably acceptable to the Administrative Agent), whereupon the Administrative Agent shall give prompt notice to the appropriate Lenders of such request and determine whether the requested Interest Period is acceptable to them and (B) not later than 11:00 a.m. three Business Days before the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify the Borrower whether or not the requested Interest Period has been consented to by all the appropriate Lenders. Each written notice (or confirmation of telephonic notice) with respect to a Borrowing by the Borrower pursuant to this Section 2.03 shall be delivered to the Administrative Agent in the form of a written Borrowing Request, appropriately completed and signed by a Responsible Officer of the Borrower. Each such written Borrowing Request shall specify the following information in compliance with Section 2.02:

(a) the Class of such Borrowing;
(b) the aggregate amount of the requested Borrowing;
(c) the date of such Borrowing, which shall be a Business Day;
(d) whether such Borrowing is to be an ABR Borrowing or a LIBO Rate Borrowing;
(e) in the case of a LIBO Rate Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term “Interest Period”; and
(f) the location and number of the Borrower’s account or any other designated account(s) to which funds are to be disbursed (the “Funding Account”).

If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested LIBO Rate Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month’s duration. The Administrative
Agent shall advise each Lender of the details thereof and of the amount of the Loan to be made as part of the requested Borrowing (x) in the case of any ABR Borrowing, on the same Business Day of receipt of a Borrowing Request in accordance with this Section 2.03 or (y) in the case of any LIBO Rate Borrowing, no later than one Business Day following receipt of a Borrowing Request in accordance with this Section 2.03.

Section 2.04. [Reserved].

Section 2.05. Letters of Credit.

(a) General.

Subject to the terms and conditions set forth herein, (i) each Issuing Bank agrees, in each case in reliance upon the agreements of the other Revolving Lenders set forth in this Section 2.05, (A) from time to time on any Business Day during the period from the Closing Date to the fifth Business Day prior to the Latest Revolving Credit Maturity Date, upon the request of any Revolving Borrower, to issue Letters of Credit for the account of the Company and/or any of its Restricted Subsidiaries and to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.05(b) and (B) to honor drafts under the Letters of Credit and (ii) the Revolving Lenders severally agree to participate in the Letters of Credit issued pursuant to Section 2.05(d). Notwithstanding anything to the contrary contained in this Agreement, (x) no Issuing Bank shall be required to issue any Letter of Credit if, immediately after giving effect thereto, the Stated Amount of all Letters of Credit issued by such Issuing Bank and its Affiliates and outstanding would exceed its LC Commitment and (y) no Issuing Bank other than HSBC Bank USA, N.A. shall be required to issue Commercial Letters of Credit without its consent.

(b) Notice of Issuance, Amendment, Renewal, Extension; Certain Conditions.

To request the issuance of a Letter of Credit, the Borrower shall deliver to the applicable Issuing Bank and the Administrative Agent, at least three Business Days in advance of the requested date of issuance (or such shorter period as is acceptable to the applicable Issuing Bank), a request to issue a Letter of Credit, which shall specify that it is being issued under this Agreement, in the form of Exhibit K attached hereto. To request an amendment, extension or renewal of a Letter of Credit (other than any automatic extension of a Letter of Credit permitted under Section 2.05(e)), the Borrower shall submit such a request to the applicable Issuing Bank selected by the Borrower (with a copy to the Administrative Agent) at least three Business Days in advance of the requested date of amendment, extension or renewal (or such shorter period as is acceptable to the applicable Issuing Bank), identifying the Letter of Credit to be amended, extended or renewed, and specifying the proposed date (which shall be a Business Day) and other details of the amendment, extension or renewal. Requests for the issuance, amendment, extension or renewal of any Letter of Credit must be accompanied by such other information reasonably requested by the applicable Issuing Bank as shall be necessary to issue, amend, extend or renew such Letter of Credit. If requested by the applicable Issuing Bank in connection with any request for any Letter of Credit, the Borrower also shall submit a letter of credit application on such Issuing Bank’s standard form. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or entered into by the Borrower with, the applicable Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. No Letter of Credit shall be required to be issued, amended, extended or renewed unless (and on the issuance, amendment, extension or renewal of each Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, extension or renewal, (i) the Initial Revolving Credit Exposure would not exceed the aggregate amount of the Initial Revolving Credit Commitment and (ii) the aggregate LC Exposure would not exceed the Letter of Credit Sublimit. In addition,
no Issuing Bank shall be required to issue, amend, extend or renew any Letter of Credit if the expiration date of such Letter of Credit extends beyond five Business Days prior to the Maturity Date applicable to the Revolving Credit Commitments of any Class unless (1) the aggregate amount of the LC Exposure attributable to Letters of Credit expiring after such Maturity Date does not exceed the aggregate amount of the Revolving Credit Commitments then in effect that are scheduled to remain in effect after such Maturity Date, (2) all Revolving Lenders and such Issuing Bank shall have consented to such expiry date, (3) the Borrower shall have caused such Letter of Credit to be backstopped by a “back to back” letter of credit reasonably satisfactory to such Issuing Bank or (4) the Borrower shall have caused such Letter of Credit to be Cash collateralized in accordance with Section 2.05(j), in the case of clause (3) or (4) on or before the date that such Letter of Credit is issued, amended, extended or renewed beyond such date. Promptly after the delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the applicable Issuing Bank will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment. Upon receipt of such Letter of Credit or amendment, the Administrative Agent shall notify the Revolving Lenders, in writing, of such Letter of Credit or amendment, and if so requested by a Revolving Lender, the Administrative Agent will provide such Revolving Lender with copies of such Letter of Credit or amendment.

(c) Expiration Date.

(i) Except as set forth in Section 2.05(b), no Standby Letter of Credit shall expire later than the earlier of (A) the date that is one year after the date of the issuance of such Standby Letter of Credit (or such later date to which the relevant Issuing Bank may agree) and (B) five Business Days prior to the Latest Revolving Credit Maturity Date; provided that, any Standby Letter of Credit may provide for the automatic extension thereof for any number of additional periods each of up to one year in duration (none of which, in any event, shall extend beyond the date referred to in the preceding clause (B) unless the Stated Amount thereof is Cash collateralized in accordance with Section 2.05(j) or backstopped on or before the date that such Letter of Credit is extended beyond the date referred to in clause (B) above pursuant to arrangements reasonably satisfactory to the relevant Issuing Bank).

(ii) Except as set forth in Section 2.05(b), no Commercial Letter of Credit shall expire later than the earlier to occur of (A) one year after the issuance thereof (or such later date to which the relevant Issuing Bank may agree) and (B) five Business Days prior to the Latest Revolving Credit Maturity Date.

(d) Participations.

By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the applicable Issuing Bank or the Revolving Lenders, the applicable Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Revolving Lender’s Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of the applicable Issuing Bank, such Lender’s Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (e) of this Section, or of any reimbursement payment required to be refunded to the Borrower for any reason. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever,
including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or Event of Default or reduction or termination of the Revolving Credit Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(c) Reimbursement.

(i) If the applicable Issuing Bank makes any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to the Administrative Agent (or, in the case of Commercial Letters of Credit, the applicable Issuing Bank) an amount equal to the amount of such LC Disbursement not later than 2:00 p.m. on the second Business Day immediately following the date on which the Borrower receives notice under paragraph (g) of this Section of such LC Disbursement (or, if such notice is received less than two hours prior to the deadline for requesting ABR Borrowings pursuant to Section 2.03, on the third Business Day immediately following the date on which the Borrower receives such notice); provided that the Borrower may, without satisfying the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with an ABR Revolving Loan and, to the extent so financed, the Borrower’s obligation to make such payment shall be discharged and replaced by the resulting Revolving Loan Borrowing. If the Borrower fails to make such payment when due, the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Revolving Lender’s Applicable Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent its Applicable Percentage of the payment then due from the Borrower, in the same manner as provided in Section 2.07 with respect to Loans made by such Revolving Lender (and Section 2.07 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders), and the Administrative Agent shall promptly pay to the applicable Issuing Bank the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from the Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Revolving Lenders and such Issuing Bank as their interests may appear.

(ii) If any Revolving Lender fails to make available to the Administrative Agent for the account of the applicable Issuing Bank any amount required to be paid by such Revolving Lender pursuant to the foregoing provisions of this Section 2.05(e) by the time specified therein, such Issuing Bank shall be entitled to recover from such Revolving Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such Issuing Bank at a rate per annum equal to the greater of the Federal Funds Effective Rate from time to time in effect and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. A certificate of the applicable Issuing Bank submitted to any Revolving Lender (through the Administrative Agent) with respect to any amounts owing under this clause (ii) shall be conclusive absent manifest error.

(f) Obligations Absolute. The Borrower’s obligation to reimburse LC Disbursements as provided in paragraph (e) of this Section shall be absolute, unconditional and irrevocable and shall be performed in accordance with the terms of this Agreement and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement, or any term or provision therein or herein, (ii) any draft or other document presented under any Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by the applicable
Issuing Bank under any Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit or (iv) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower’s obligations hereunder. Neither the Administrative Agent, the Revolving Lenders nor any Issuing Bank, nor any of their respective Related Parties shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of such Issuing Bank; provided that the foregoing shall not be construed to excuse such Issuing Bank from liability to the Borrower to the extent of any direct damages suffered by the Borrower that are caused by such Issuing Bank’s failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence, bad faith or willful misconduct on the part of the applicable Issuing Bank (as determined by a final and non-appealable judgment of a court of competent jurisdiction), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of any Letter of Credit, the applicable Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(g) **Disbursement Procedures.** The applicable Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Such Issuing Bank shall promptly notify the Administrative Agent and the Borrower by electronic means or by telephone (confirmed by facsimile) of such demand for payment and whether such Issuing Bank has made or will make an LC Disbursement thereunder; provided that no failure to give or delay in giving such notice shall relieve the Borrower of its obligation to reimburse such Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement within the time period prescribed in Section 2.05(e).

(h) **Interim Interest.** If any Issuing Bank makes any LC Disbursement, then, unless the Borrower reimburses such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement (or the date on which such LC Disbursement is reimbursed with the proceeds of Loans, as applicable), at the rate per annum then applicable to Revolving Loans that are ABR Loans of the same Class; provided that if the Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (e) of this Section, then Section 2.13(d) shall apply. Interest accrued pursuant to this paragraph shall be for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (e) of this Section to reimburse such Issuing Bank shall be for the account of such Revolving Lender to the extent of such payment.

(i) **Replacement of an Issuing Bank or Addition of New Issuing Banks.** Any Issuing Bank may be replaced with the consent of the Administrative Agent (not to be unreasonably withheld or delayed), the Borrower and the successor Issuing Bank at any time by written agreement among the Borrower, the Administrative Agent and the successor Issuing Bank. The Administrative Agent shall notify the Revolving Lenders of any such replacement of an Issuing Bank. At the time any such replacement becomes
effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank pursuant to Section 2.12(b)(ii). From and after the effective date of any such replacement, (i) the successor Issuing Bank shall have all the rights and obligations of the replaced Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term “Issuing Bank” shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement of any Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement, but shall not be required to issue additional Letters of Credit after such replacement. The Borrower may, at any time and from time to time with the consent of the Administrative Agent (which consent shall not be unreasonably withheld or delayed) and the relevant Revolving Lender, designate one or more additional Revolving Lenders to act as an issuing bank under the terms of this Agreement, with an LC Commitment to be specified in such designation. Any Revolving Lender designated as an issuing bank pursuant to this paragraph (i) shall be deemed to be an “Issuing Bank” (in addition to being a Revolving Lender) in respect of Letters of Credit issued or to be issued by such Revolving Lender, and, with respect to such Letters of Credit, such term shall thereafter apply to any other Issuing Bank and such Revolving Lender.

(j) Cash Collateralization.

(i) If any Event of Default exists, then on the Business Day that the Borrower receives notice from the Administrative Agent at the direction of the Required Lenders demanding the deposit of Cash collateral pursuant to this paragraph (j), upon such demand, the Borrower shall deposit, in an account designated by the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Revolving Lenders (the “LC Collateral Account”), an amount in Cash equal to 101% of the LC Exposure as of such date (minus the amount then on deposit in the LC Collateral Account); provided that the obligation to deposit such Cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in Section 7.01(f) or (g).

(ii) Any such deposit under clause (i) above shall be held by the Administrative Agent as collateral for the payment and performance of the Secured Obligations in accordance with the provisions of this paragraph (j). The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account, and the Borrower hereby grants the Administrative Agent, for the benefit of the Secured Parties, a First Priority security interest in the LC Collateral Account. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the applicable Issuing Bank for LC Disbursements for which it has not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of the Required Revolving Lenders) be applied to satisfy other Secured Obligations. If the Borrower is required to provide an amount of Cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (together with all interest and other earnings with respect thereto, to the extent not applied as aforesaid) shall be returned to the Borrower promptly but in no event later than three Business Days after such Event of Default has been cured or waived.

(k) Existing Letters of Credit. Each Existing Letter of Credit shall be deemed a Letter of Credit issued hereunder for all purposes under this Agreement without need for any further action by the Borrower or any other Person.
Section 2.06. [Reserved].

Section 2.07. Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by 2:00 p.m. to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders in an amount equal to such Lender’s respective Applicable Percentage. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to the Funding Account or as otherwise directed by the Borrower; provided that Revolving Loans made to finance the reimbursement of any LC Disbursement as provided in Section 2.05(e) shall be remitted by the Administrative Agent to the applicable Issuing Bank.

(b) Unless the Administrative Agent has received notice from any Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender’s share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section 2.07 and, in reliance upon such assumption, make available a corresponding amount. In such event, if any Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand (without duplication) such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation or (ii) in the case of the Borrower, the interest rate applicable to the Loans comprising such Borrowing at such time. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender’s Loan included in such Borrowing and the Borrower’s obligation to repay the Administrative Agent such corresponding amount pursuant to this Section 2.07(b) shall cease. If the Borrower pays such amount to the Administrative Agent, the amount so paid shall constitute a repayment of such Borrowing by such amount. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower or any other Loan Party may have against any Lender as a result of any default by such Lender hereunder.

Section 2.08. Type; Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Borrowing Request and, in the case of a LIBO Rate Borrowing, shall have an initial Interest Period as specified in such Borrowing Request. Thereafter, the Borrower may elect to convert any Borrowing to a Borrowing of a different Type or to continue such Borrowing and, in the case of a LIBO Rate Borrowing, may elect Interest Periods therefor, all as provided in this Section 2.08. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders based upon their Applicable Percentages and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election in writing (by hand delivery, fax or other electronic transmission (including “.pdf” or “.tif”)) by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election.
(c) Each written Interest Election Request shall specify the following information in compliance with Section 2.02:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a LIBO Rate Borrowing; and

(iv) if the resulting Borrowing is a LIBO Rate Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term “Interest Period”.

If any such Interest Election Request requests a LIBO Rate Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month’s duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each applicable Lender of the details thereof and of such Lender’s portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a LIBO Rate Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, such Borrowing shall be converted at the end of such Interest Period to a LIBO Rate Borrowing with an Interest Period of one month. Notwithstanding any contrary provision hereof, if an Event of Default exists and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as such Event of Default exists (i) no outstanding Borrowing may be converted to or continued as a LIBO Rate Borrowing and (ii) unless repaid, each LIBO Rate Borrowing shall be converted to an ABR Borrowing at the end of the then-current Interest Period applicable thereto.

Section 2.09. Termination and Reduction of Commitments.

(a) Unless previously terminated, (i) the Initial Term Loan Commitments on the Closing Date shall automatically terminate upon the making of the Initial Term Loans on the Closing Date, (ii) the Initial Revolving Credit Commitments shall automatically terminate on the Initial Revolving Credit Maturity Date, (iii) the Additional Term Loan Commitments of any Class shall automatically terminate upon the making of the Additional Term Loans of such Class and, if any such Additional Term Loan Commitment is not drawn on the date that such Additional Term Loan Commitment is required to be drawn pursuant to the applicable Refinancing Amendment, Extension Amendment or Incremental Facility Amendment, the undrawn amount thereof shall terminate unless otherwise provided in the applicable Refinancing Amendment, Extension Amendment or Incremental Facility Amendment and (iv) the Additional Revolving Credit Commitments of any Class shall automatically terminate on the Maturity Date specified therefor in the applicable Refinancing Amendment, Extension Amendment or Incremental Facility Amendment.

(b) Upon delivering the notice required by Section 2.09(e), the Company or other applicable Revolving Borrower may at any time terminate or from time to time reduce the Revolving Credit...
Commitments of any Class; provided that (i) each reduction of the Revolving Credit Commitments of any Class shall be in an amount that is an integral multiple of $1,000,000 and (ii) neither the Company nor any other Revolving Borrower shall terminate or reduce the Revolving Credit Commitments of any Class if, after giving effect to such termination or reduction, as applicable, and any concurrent prepayment of Revolving Loans, the aggregate amount of the Revolving Credit Exposure attributable to the Revolving Credit Commitments of such Class would exceed the aggregate amount of the Revolving Credit Commitments of such Class; provided that, after the establishment of any Additional Revolving Credit Commitment, any such termination or reduction of the Revolving Credit Commitments of any Class shall be subject to the provisions set forth in Section 2.22, 2.23 and/or 9.02, as applicable.

(c) The Company or other applicable Revolving Borrower shall notify the Administrative Agent of any election to terminate or reduce any Class or Classes of Revolving Credit Commitments under paragraph (b) of this Section 2.09 not later than 1:00 p.m. on or prior to the effective date of such termination or reduction (or not later than 1:00 p.m., three Business Days prior to the effective date of such termination or reduction, in the case of a termination or reduction involving a prepayment of LIBO Rate Borrowings (or such later date to which the Administrative Agent may agree)), specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Revolving Lenders of each applicable Class or Classes of the contents thereof. Each notice delivered pursuant to this Section 2.09 shall be irrevocable; provided that any such notice may state that such notice is conditioned upon the effectiveness of other transactions, in which case such notice may be revoked or its effectiveness deferred by the Company or other applicable Revolving Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of any Revolving Credit Commitment pursuant to this Section 2.09 shall be permanent. Upon any reduction of any Revolving Credit Commitment, the Revolving Credit Commitment of each Revolving Lender of the relevant Class shall be reduced by such Revolving Lender’s Applicable Percentage of such reduction amount.

Section 2.10. Repayment of Loans; Evidence of Debt.

(a) The Term Loan Borrowers jointly and severally hereby unconditionally promise to repay the outstanding principal amount of the Initial Term Loans to the Administrative Agent for the account of each applicable Term Lender (i) on the last Business Day of each March, June, September and December prior to the Initial Term Loan Maturity Date (each such date being referred to as a “Loan Installment Date”), commencing on the last Business Day of December 2020, in each case in an amount equal to 0.25% of the original principal amount of the Initial Term Loans (as such payments may be reduced from time to time as a result of the application of prepayments in accordance with Section 2.11 and purchases or assignments in accordance with Section 9.05(g) or increased as a result of any increase in the amount of such Initial Term Loans pursuant to Section 2.22(a)) and (ii) on the Initial Term Loan Maturity Date, in an amount equal to the remainder of the principal amount of the Initial Term Loans outstanding on such date, together in each case with accrued and unpaid interest on the principal amount to be paid to but excluding the date of such payment. The Term Loan Borrowers shall repay the Additional Term Loans of any Class in such scheduled amortization installments and on such date or dates as shall be specified therefor in the applicable Refinancing Amendment, Extension Amendment or Incremental Facility Amendment (as such payments may be reduced from time to time as a result of the application of prepayments in accordance with Section 2.11 and purchases or assignments in accordance with Section 9.05(g) or increased as a result of any increase in the amount of such Additional Term Loans pursuant to Section 2.22(a)).

(b) The Revolving Borrowers jointly and severally hereby unconditionally promise to pay (i) to the Administrative Agent for the account of each Initial Revolving Lender, the then-unpaid principal
amount of the Initial Revolving Loans of such Lender on the Initial Revolving Credit Maturity Date and (ii) to the Administrative Agent for the account of each Additional Revolving Lender, the then-unpaid principal amount of each Additional Revolving Loan of such Additional Revolving Lender on the Maturity Date applicable thereto. On the Initial Revolving Credit Maturity Date, the Borrowers shall make payment in full in Cash of all accrued and unpaid fees and all reimbursable expenses and other Obligations with respect to the Initial Revolving Facility then due, together with accrued and unpaid interest (if any) thereon.

(c) If the Maturity Date in respect of any Class of Revolving Credit Commitments occurs prior to the expiry date of any Letter of Credit, then (i) if one or more other Classes of Revolving Credit Commitments in respect of which the Maturity Date shall not have so occurred are then in effect (or will automatically be in effect upon the occurrence of such Maturity Date) and at such time the conditions precedent specified in Sections 4.02(b) and (c) would be satisfied, such Letters of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Revolving Lenders to purchase participations therein and to make Revolving Loans and payments in respect thereof pursuant to Section 2.05(d) and Section 2.05(e)) under (and ratably participated in by Revolving Lenders pursuant to) the non-terminating or new Classes of Revolving Credit Commitments up to an aggregate amount not to exceed the aggregate principal amount of the unutilized Revolving Credit Commitments continuing at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) (in each case, after giving effect to any repayments of Revolving Loans) and (ii) to the extent not reallocated pursuant to immediately preceding clause (i) and unless provisions reasonably satisfactory to the applicable Issuing Bank for the treatment of such Letter of Credit as a letter of credit under a successor credit facility have been agreed upon, the Borrower shall, on or prior to the applicable Maturity Date, (x) cause such Letter of Credit to be replaced and returned to the applicable Issuing Bank undrawn and marked “cancelled”, (y) cause such Letter of Credit to be backstopped by a “back to back” letter of credit reasonably satisfactory to the applicable Issuing Bank or (z) Cash collateralize such Letter of Credit in accordance with Section 2.05(j). Commencing with the Maturity Date of any Class of Revolving Credit Commitments, the Letter of Credit Sublimit shall be in an amount agreed solely with the applicable Issuing Bank; provided that, at the request of the Borrower, the Letter of Credit Sublimit immediately following such Maturity Date shall be no less than the Letter of Credit Sublimit immediately prior to such Maturity Date multiplied by a fraction, the numerator of which is the aggregate amount of the Revolving Credit Commitments immediately following such Maturity Date and the denominator of which is the aggregate amount of the Revolving Credit Commitments immediately prior to such Maturity Date.

(d) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(e) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Class and Type thereof and the Interest Period (if any) applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders or the Issuing Banks and each Lender’s or Issuing Bank’s share thereof.

(f) The entries made in the accounts maintained pursuant to paragraphs (d) or (e) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein (absent manifest error); provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any manifest error therein shall not in any manner affect the obligation of the Borrower to repay
the Loans in accordance with the terms of this Agreement; provided, further, that in the event of any inconsistency between the accounts maintained by the Administrative Agent pursuant to paragraph (e) of this Section 2.10 and any Lender’s records, the accounts of the Administrative Agent shall govern.

(g) Any Lender may request that Loans made by it be evidenced by a Promissory Note. In such event, the Borrower shall prepare, execute and deliver to such Lender a Promissory Note payable to such Lender and its registered permitted assigns; it being understood and agreed that such Lender (and/or its applicable permitted assign) shall be required to return such Promissory Note to the Borrower in accordance with Section 9.05(b)(iii) and upon the occurrence of the Termination Date (or as promptly thereafter as practicable). If any Lender loses the original copy of its Promissory Note, it shall execute an affidavit of loss containing a customary indemnification provision that is reasonably satisfactory to the Borrower. The obligation of each Lender to execute an affidavit of loss containing a customary indemnification provision that is reasonably satisfactory to the Borrower shall survive the Termination Date.

Section 2.11. Prepayment of Loans.

(a) Optional Prepayments.

(i) Upon prior notice in accordance with paragraph (a)(iii) of this Section, the Term Loan Borrowers shall have the right at any time and from time to time to prepay any Borrowing of Term Loans of one or more Classes (such Class or Classes to be selected by the applicable Term Loan Borrower in its sole discretion) in whole or in part without premium or penalty (but subject to (A) in the case of Initial Term Loans only, Section 2.12(f) and (B) to the extent otherwise applicable, Section 2.16). Each such prepayment shall be paid to the Lenders in accordance with their respective Applicable Percentages of the relevant Class.

(ii) Upon prior notice in accordance with paragraph (a)(iii) of this Section 2.11, the Revolving Borrowers shall have the right at any time and from time to time to prepay any Borrowing of Revolving Loans of any Class, including any Additional Revolving Loans, in whole or in part without premium or penalty (but subject to Section 2.16). Prepayments made pursuant to this Section 2.11(a)(ii), first, shall be applied ratably to outstanding LC Disbursements and second, shall be applied ratably to the outstanding Revolving Loans, including any Additional Revolving Loans of the relevant Class.

(iii) Any Borrower shall notify the Administrative Agent by telephone (confirmed in writing) of any prepayment under this Section 2.11(a) (A) in the case of a prepayment of a LIBO Rate Borrowing, not later than 1:00 p.m. three Business Days before the date of prepayment or (B) in the case of a prepayment of an ABR Borrowing, not later than 1:00 p.m. on the date of prepayment. Each such notice shall be irrevocable (except as set forth in the proviso to this sentence) and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that a notice of prepayment may state that such notice is conditioned upon the effectiveness of other transactions or other conditional events, in which case such notice may be revoked or its effectiveness deferred by the applicable Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied until such condition is satisfied. Promptly following receipt of any such notice relating to any Borrowing, the Administrative Agent shall advise the relevant Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount at least equal to the amount that would be permitted in the case of a Borrowing of the same Type and Class as provided in Section 2.02(c) or such lesser amount that is then outstanding with respect to such Borrowing being repaid. Each
prepayment of Term Loans shall be applied to the Class or Classes of Term Loans specified by the applicable Borrower in the applicable prepayment notice, and each prepayment of Term Loans of such Class or Classes made pursuant to this Section 2.11(a) shall be applied against the remaining scheduled installments of principal due in respect of the Term Loans of such Class or Classes in the manner specified by such Borrower or, if not so specified on or prior to the date of such optional prepayment, in direct order of maturity.

(b) Mandatory Prepayments.

(i) No later than the tenth Business Day after the date on which the financial statements with respect to each Fiscal Year of the Company are delivered pursuant to Section 5.01(b), commencing with the Fiscal Year ending December 31, 2021, the Borrower shall prepay Subject Loans in accordance with clause (vi) below in an aggregate principal amount (the “ECF Prepayment Amount”) equal to (A) the Required Excess Cash Flow Percentage of Excess Cash Flow of the Company and its Restricted Subsidiaries for the Excess Cash Flow Period then most recently ended (this clause (A), the “Base ECF Prepayment Amount”), minus (B) at the option of the Company, to the extent occurring during such Excess Cash Flow Period (or occurring after such Excess Cash Flow Period and prior to the date of the applicable Excess Cash Flow payment), and without duplication (including duplication of any amounts deducted in any prior Excess Cash Flow Period), the following (collectively, the “ECF Deductions”):

(1) the aggregate principal amount of any Initial Term Loans, Additional Term Loans or Revolving Loans prepaid pursuant to Section 2.11(a) (or contractually committed to be prepaid, with an increase in the applicable future period to the extent so deducted but not actually prepaid);

(2) the aggregate principal amount of any Incremental Equivalent Debt, Replacement Debt and/or any other Indebtedness permitted to be incurred pursuant to Section 6.01 (to the extent secured by Liens on the Collateral that are pari passu with the Liens on the Collateral securing the Credit Facilities) voluntarily prepaid, repurchased, redeemed or otherwise retired (or contractually committed to be prepaid, repurchased, redeemed or otherwise retired);

(3) the amount of any reduction in the outstanding amount of any Term Loans, Incremental Equivalent Debt, Replacement Debt and/or any other Indebtedness permitted to be incurred pursuant to Section 6.01 (to the extent secured by Liens on the Collateral that are pari passu with the Liens on the Collateral securing the Credit Facilities) resulting from any purchase or assignment made in accordance with Section 9.05(g) of this Agreement (including in connection with any Dutch Auction) (with respect to Term Loans) and any equivalent provisions with respect to any Incremental Equivalent Debt, Replacement Debt and/or such other Indebtedness, but only to the extent of the actual price paid in connection with such purchase or assignment;

(4) all Cash payments in respect of Capital Expenditures and all Cash payments made to acquire IP Rights;

(5) Cash payments by the Company and its Restricted Subsidiaries made (or committed or budgeted) in respect of long-term liabilities (including for purposes of clarity, the current portion of such long-term liabilities)
of the Company and its Restricted Subsidiaries other than Indebtedness, except to the extent such Cash payments were deducted in the calculation of Consolidated Net Income or Consolidated Adjusted EBITDA for such period;

(6) Cash payments in respect of any Investment (including acquisitions) permitted by Section 6.06 or otherwise consented to by the Required Lenders (other than Investments (x) in Cash or Cash Equivalents or (y) in the Company or any Restricted Subsidiary) and/or any Restricted Payment permitted by Section 6.04(a), including, without limitation, the payment of any management fees under Section 6.04(a)(xx);

(7) the aggregate consideration (i) required to be paid in Cash by the Company or its Restricted Subsidiaries pursuant to binding contracts entered into prior to or during such period relating to Capital Expenditures, acquisitions or other Investments permitted by Section 6.06 and/or Restricted Payments described in clause (6) above and/or (ii) otherwise committed or budgeted to be made in connection with Capital Expenditures, acquisitions or other Investments and/or Restricted Payments described in clause (6) above (clauses (i) and (ii) of this clause (7), the “Scheduled Consideration”) (other than Investments in (x) Cash and Cash Equivalents or (y) the Company or any Restricted Subsidiary) to be consummated or made during the period of four consecutive Fiscal Quarters of the Company following the end of such period; provided that to the extent the aggregate amount actually utilized to finance such Capital Expenditures, acquisitions, Investments or Restricted Payments during such subsequent period of four consecutive Fiscal Quarters is less than the Scheduled Consideration, the amount of the resulting shortfall shall be added to the calculation of Excess Cash Flow at the end of such subsequent period of four consecutive Fiscal Quarters;

(8) Cash expenditures in respect of any Hedge Agreement to the extent not otherwise deducted in the calculation of Consolidated Net Income or Consolidated Adjusted EBITDA; and

(9) the aggregate amount of expenditures actually made by the Company and/or any Restricted Subsidiary in Cash (including any expenditure for the payment of fees or other Charges (or any amortization thereof for such period) in connection with any Disposition, incurrence or repayment of Indebtedness, issuance of Capital Stock, refinancing transaction, amendment or modification of any debt instrument, including this Agreement, and including, in each case, any such transaction consummated prior to, on or after the Closing Date, and Charges incurred in connection therewith, whether or not such transaction was successful), to the extent that such expenditures were not expensed;

in the case of each of clauses (1)-(9), (I) excluding any such payments, prepayments and expenditures made during such Fiscal Year that reduced the amount required to be prepaid pursuant to this Section 2.11(b)(i) in the prior Fiscal Year, (II) in the case of any prepayment of revolving Indebtedness, to the extent accompanied by a permanent reduction in the relevant commitment and (III) to the extent that such payments, prepayments and expenditures were not financed with the proceeds of other long-term funded Indebtedness (other than revolving Indebtedness) of the Company or its Restricted Subsidiaries; provided that (x) no prepayment under this Section 2.11(b)(i) shall be required unless the principal amount of Subject Loans required to be
prepaid exceeds $10,000,000 (and, in such case, only such amount in excess of $10,000,000 shall be required to be prepaid) and (y) to the extent the aggregate ECF Deductions for any Excess Cash Flow Period exceeds the Base ECF Prepayment Amount for such period, the Company may carry forward such excess as additional ECF Deductions to any subsequent Excess Cash Flow Period; provided, further, that if at the time that any such prepayment would be required, the Company (or any Restricted Subsidiary) is also required to prepay, repurchase or offer to prepay or repurchase any Indebtedness that is secured on a pari passu basis (without regard to the control of remedies) with any Secured Obligation pursuant to the terms of the documentation governing such Indebtedness required to be so prepaid or repurchased or offered to be so prepaid or repurchased, “Other Applicable Indebtedness”) with any portion of the ECF Prepayment Amount, then the Company may apply such portion of the ECF Prepayment Amount on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Subject Loans and the relevant Other Applicable Indebtedness (or accreted amount if such Other Applicable Indebtedness is issued with original issue discount) at such time) to the prepayment of the Subject Loans and to the prepayment of the relevant Other Applicable Indebtedness, and the amount of prepayment of the Subject Loans that would have otherwise been required pursuant to this Section 2.11(b)(i) shall be reduced accordingly; it being understood that (1) the portion of such ECF Prepayment Amount allocated to the Other Applicable Indebtedness shall not exceed the portion of such ECF Prepayment Amount required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such ECF Prepayment Amount shall be allocated to the Subject Loans in accordance with the terms hereof and (2) to the extent the holders of the Other Applicable Indebtedness decline to have such Indebtedness prepaid or repurchased, the declined amount shall promptly (and in any event within ten Business Days after the date of such rejection) be applied to prepay the Subject Loans in accordance with the terms hereof.

(ii) No later than (x) the fifth Business Day following the receipt of Net Proceeds in respect of any Prepayment Asset Sale or Net Insurance/Condemnation Proceeds, or (y) in the event that at the time of such Prepayment Asset Sale or event giving rise to Net Insurance/Condemnation Proceeds any Other Subject Indebtedness is outstanding, the earlier of (A) the 90th day following the receipt of Net Proceeds in respect of any Prepayment Asset Sale or Net Insurance/Condemnation Proceeds, as applicable, and (B) the date on which the Company or any of its Subsidiaries uses any of such Net Proceeds to prepay or repurchase Other Subject Indebtedness pursuant to an asset sale offer made in accordance with the provisions of the indenture or other agreement governing the terms thereof, in each case, in excess of $50,000,000 in any Fiscal Year, the Borrower shall apply an amount equal to 100% of the Net Proceeds or Net Insurance/Condemnation Proceeds received with respect thereto in excess of such thresholds (collectively, the “Subject Proceeds”; and any such Net Proceeds or Net Insurance/Condemnation Proceeds that do not constitute Subject Proceeds, the “Excluded Proceeds”) to prepay the outstanding principal amount of Subject Loans in accordance with clause (vi) below; provided that (A) if prior to the date any such prepayment is required to be made, the Company notifies the Administrative Agent of its intention to reinvest the Subject Proceeds in assets used or useful in the business of the Borrower or any of its Restricted Subsidiaries (including Permitted Acquisitions and other Investments not prohibited by this Agreement (other than a direct Investment in Cash or Cash Equivalents)), then the Borrower shall not be required to make a mandatory prepayment under this clause (ii) in respect of the Subject Proceeds to the extent (x) the Subject Proceeds are so reinvested within 18 months following receipt thereof or (y) the Company or any of its subsidiaries has contractually committed to so reinvest the Subject Proceeds during such 18-month period and the Subject Proceeds are so reinvested within six months after the expiration of such 18-month period; provided, however, that if the Subject Proceeds have not been so reinvested prior to the expiration of the applicable period, the Company shall promptly prepay the outstanding principal amount of Subject Loans with the Subject Proceeds not so reinvested as set forth above (without regard to the immediately preceding
proviso) (provided that the Company may elect to deem certain expenditures that would otherwise be permissible reinvestments but that occurred prior to the receipt of the applicable Net Proceeds or Net Insurance/Condemnation Proceeds (as applicable) as having been reinvested in accordance with the provisions of this Section 2.11(b)(ii), but only to the extent such deemed expenditure shall have been made no earlier than (x) in the case of Net Proceeds, the earlier of the execution of a definitive agreement with respect to such Prepayment Asset Sale or the consummation of the applicable Disposition and (y) in the case of Net Insurance/Condemnation Proceeds, the occurrence of the event in respect of which such Net Insurance/Condemnation Proceeds were received) and (B) if, at the time that any such prepayment would be required hereunder, the Company or any of its Restricted Subsidiaries is required to prepay, repay or repurchase (or offer to prepay, repay or repurchase) any Other Applicable Indebtedness, then the relevant Person shall reduce the amount of the Subject Proceeds to be applied pursuant to this Section 2.11(b)(ii) in respect of the Subject Loans by an amount equal to the product of (1) the amount of such Net Proceeds and (2) a fraction, the numerator of which is the outstanding principal amount of such Other Applicable Indebtedness and the denominator of which is the sum of the outstanding principal amount of such Other Applicable Indebtedness and the outstanding principal amount of the Subject Loans; it being understood that the portion of the Subject Proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of the Subject Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the amount of the prepayment of the Subject Loans that would have otherwise been required pursuant to this Section 2.11(b)(ii) shall be reduced accordingly.

(iii) In the event that the Company or any of its Restricted Subsidiaries receives Net Proceeds from the issuance or incurrence of Indebtedness by the Company or any of its Restricted Subsidiaries (other than with respect to Indebtedness permitted under Section 6.01, except to the extent the relevant Indebtedness constitutes Refinancing Indebtedness incurred to refinance all or a portion of the Initial Term Loans pursuant to Section 6.01(p) or Replacement Term Loans incurred to refinance Initial Term Loans in accordance with the requirements of Section 9.02(b)), the Borrower shall, substantially simultaneously with (and in any event not later than two Business Days thereafter) the receipt of such Net Proceeds by the Company or its applicable Restricted Subsidiary, apply an amount equal to 100% of such Net Proceeds to prepay the outstanding principal amount of the relevant Initial Term Loans in accordance with clause (vi) below.

(iv) Notwithstanding anything in this Section 2.11(b) to the contrary, (A) the Company shall not be required to prepay any amount that would otherwise be required to be paid pursuant to Sections 2.11(b)(i), (ii) or (iii) above to the extent that the relevant Excess Cash Flow is generated by any Foreign Subsidiary, the relevant Prepayment Asset Sale is consummated by any Foreign Subsidiary, the relevant Net Insurance/Condemnation Proceeds are received by any Foreign Subsidiary or the relevant Indebtedness is incurred by any Foreign Subsidiary (except to the extent the relevant Indebtedness constitutes Refinancing Indebtedness incurred by any Foreign Subsidiary to refinance all or a portion of the Initial Term Loans or Additional Term Loans pursuant to Section 6.01(p) or Replacement Term Loans incurred to refinance Initial Term Loans or Additional Term Loans in accordance with the requirements of Section 9.02(b)), as the case may be, for so long as the Company determines in good faith that the repatriation to the Company of any such amount would be prohibited or delayed (beyond the time period during which such prepayment is otherwise required to be made pursuant to Section 2.11(b)(i), (ii) or (iii) above) under any Requirement of Law or conflict with the fiduciary duties of such Foreign Subsidiary’s directors, or result in, or could reasonably be expected to result in, a material risk of personal or criminal liability for any officer, director, employee, manager, member of management or consultant of such Foreign Subsidiary (including on account of financial assistance, corporate benefit, thin capitalization, capital
maintenance or similar considerations); it being understood and agreed that (i) solely within 365 days following the end of the applicable Excess Cash Flow Period, the event giving rise to the relevant Subject Proceeds or the receipt of proceeds from the respective incurrence of Indebtedness, the Company shall use commercially reasonable efforts required by applicable Requirements of Law to permit such repatriation and (ii) if the repatriation of the relevant affected Excess Cash Flow, Subject Proceeds or Indebtedness proceeds, as the case may be, is permitted under the applicable Requirement of Law and, to the extent applicable, would no longer conflict with the fiduciary duties of such director, or result in, or be reasonably expected to result in, a material risk of personal or criminal liability for the Persons described above, in either case, within 365 days following the end of the applicable Excess Cash Flow Period, the event giving rise to the relevant Subject Proceeds or the receipt of Net Proceeds in respect of any such Indebtedness, the relevant Foreign Subsidiary will promptly repatriate the relevant Excess Cash Flow, Subject Proceeds or Net Proceeds in respect of Indebtedness, as the case may be, and the repatriated Excess Cash Flow, Subject Proceeds or Net Proceeds in respect of Indebtedness, as the case may be, will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional Taxes payable or reserved against such Excess Cash Flow, such Subject Proceeds or such Net Proceeds in respect of Indebtedness, as a result thereof, in each case by any Loan Party, such Loan Party’s subsidiaries, and any Affiliates or indirect or direct equity owners of the foregoing) to the repayment of Subject Loans pursuant to this Section 2.11(b) to the extent required herein (without regard to this clause (iv)), (B) the Borrower shall not be required to prepay any amount that would otherwise be required to be paid pursuant to Sections 2.11(b)(i) or (iii) to the extent that the relevant Excess Cash Flow is generated by any joint venture or the relevant Subject Proceeds or Net Proceeds in respect of Indebtedness are received by any joint venture for so long as the Company determines in good faith that the distribution to the Company of such Excess Cash Flow, Subject Proceeds or Net Proceeds in respect of Indebtedness would be prohibited under the Organizational Documents (or any relevant shareholders’ or similar agreement) governing such joint venture; it being understood that if the relevant prohibition ceases to exist within the 365-day period following the end of the applicable Excess Cash Flow Period, the event giving rise to the relevant Subject Proceeds or the receipt of Net Proceeds in respect of any such Indebtedness, the relevant joint venture will promptly distribute the relevant Excess Cash Flow, the relevant Subject Proceeds or the relevant Net Proceeds in respect of Indebtedness, as the case may be, and the distributed Excess Cash Flow, Subject Proceeds or Net Proceeds in respect of Indebtedness, as the case may be, will be promptly (and in any event not later than ten Business Days after such distribution) applied (net of additional Taxes payable or reserved against as a result thereof) to the repayment of Subject Loans pursuant to this Section 2.11(b) to the extent required herein (without regard to this clause (iv)) and (C) if the Company determines in good faith that the repatriation to the Company of any amounts required to mandatorily prepay Subject Loans pursuant to Sections 2.11(b)(i), (ii) or (iii) above would result in material and adverse tax consequences for any Loan Party or any of such Loan Party’s subsidiaries, taking into account any foreign tax credit or benefit actually realized in connection with such repatriation (such amount, a “Restricted Amount”), as determined by the Company in good faith, the amount the Borrower shall be required to mandatorily prepay pursuant to Sections 2.11(b)(i), (ii) or (iii) above, as applicable, shall be reduced by the Restricted Amount; provided that to the extent that the repatriation of any Subject Proceeds, Excess Cash Flow or the Net Proceeds in respect of any such Indebtedness from the relevant Foreign Subsidiary would no longer have a material and adverse tax consequence within the 365-day period following the event giving rise to the relevant Subject Proceeds, the receipt of Net Proceeds in respect of any such Indebtedness or the end of the applicable Excess Cash Flow Period, as the case may be, an amount equal to the Subject Proceeds, Excess Cash Flow or the Net Proceeds in respect of any such Indebtedness, as applicable, not previously applied pursuant to this
clause (C), shall be promptly applied to the repayment of Subject Loans pursuant to Section 2.11(b) as otherwise required above (without regard to this clause (iv));

(v) Each Lender may elect, by notice to the Administrative Agent at or prior to the time and in the manner specified by the Administrative Agent, prior to any prepayment of Initial Term Loans and Additional Term Loans required to be made by the Borrower pursuant to this Section 2.11(b), to decline all (but not a portion) of its Applicable Percentage of such prepayment (such declined amounts, the “Declined Proceeds”), which Declined Proceeds may be retained by the Borrower and used for any legal purpose permitted (or not prohibited) hereunder, including to increase the Available Amount; provided, further, that, for the avoidance of doubt, no Lender may reject any prepayment made under Section 2.11(b)(iii) above to the extent that such prepayment is made with the Net Proceeds of (w) Refinancing Indebtedness (including Replacement Debt) incurred to refinance all or a portion of the Initial Term Loans or Additional Term Loans pursuant to Section 6.01(p), (x) Incremental Term Loans incurred to refinance all or a portion of the Term Loans pursuant to Section 2.22, (y) Replacement Term Loans incurred to refinance all or a portion of the Term Loans in accordance with the requirements of Section 9.02(b) and/or (z) Incremental Equivalent Debt incurred to refinance all or a portion of the Term Loans in accordance with the requirements of Section 6.01(z). If any Lender fails to deliver a notice to the Administrative Agent of its election to decline receipt of its Applicable Percentage of any mandatory prepayment within the time frame specified by the Administrative Agent, such failure will be deemed to constitute an acceptance of such Lender’s Applicable Percentage of the total amount of such mandatory prepayment of Initial Term Loans and Additional Term Loans.

(vi) Except as may otherwise be set forth in any amendment to this Agreement in connection with any Additional Term Loan, (A) each prepayment of Initial Term Loans and Additional Term Loans pursuant to this Section 2.11(b) shall be applied ratably to each Class of Term Loans (based upon the then outstanding principal amounts of the respective Classes of Term Loans) (provided that any prepayment constituting (w) Refinancing Indebtedness (including Replacement Debt) incurred to refinance all or a portion of the Initial Term Loans or Additional Term Loans pursuant to Section 6.01(p), (x) Incremental Loans incurred to refinance all or a portion of the Term Loans pursuant to Section 2.22, (y) Replacement Term Loans incurred to refinance all or a portion of the Term Loans in accordance with the requirements of Section 9.02(c) and/or (z) Incremental Equivalent Debt incurred to refinance all or a portion of the Term Loans in accordance with the requirements of Section 6.01(z) shall, in each case be applied solely to each applicable Class of refinanced or replaced Term Loans), (B) with respect to each Class of Initial Term Loans and Additional Term Loans, all accepted prepayments under Section 2.11(b)(i), (ii) or (iii) shall be applied against the remaining scheduled installments of principal due in respect of the Initial Term Loans and Additional Term Loans as directed by the Borrower (or, in the absence of direction from the Borrower, to the remaining scheduled amortization payments in respect of the Initial Term Loans and Additional Term Loans in direct order of maturity), and (C) each such prepayment shall be paid to the Term Lenders in accordance with their respective Applicable Percentages. The amount of such mandatory prepayments shall be applied on a pro rata basis to the then outstanding Initial Term Loans and Additional Term Loans being prepaid irrespective of whether such outstanding Loans are ABR Loans or LIBO Rate Loans; provided that the amount thereof shall be applied first to ABR Loans to the full extent thereof before application to the LIBO Rate Loans in a manner that minimizes the amount of any payments required to be made by the Borrower pursuant to Section 2.16. Any prepayment of Initial Term Loans made on or prior to the date that is six months after the Closing Date pursuant to Section 2.11(b)(iii) as part of a Repricing Transaction shall be accompanied by the fee set forth in Section 2.12(f).
(vii) In the event that the Revolving Credit Exposure of any Class exceeds the amount of the Revolving Credit Commitment of such Class then in effect, the Revolving Borrowers shall, within three Business Days of receipt of notice from the Administrative Agent, prepay the Revolving Loans and/or reduce LC Exposure in an aggregate amount sufficient to reduce such Revolving Credit Exposure as of the date of such payment to an amount not to exceed the Revolving Credit Commitment of such Class then in effect by taking any of the following actions as it shall determine at its sole discretion: (A) prepaying Revolving Loans or (B) with respect to any excess LC Exposure, depositing Cash in the LC Collateral Account or “backstopping” or replacing the relevant Letters of Credit, in each case, in an amount equal to 100% of such excess LC Exposure (minus any amount then on deposit in the LC Collateral Account).

(viii) Notwithstanding any of the other provisions of this Section 2.11, so long as no Event of Default shall have occurred and be continuing, if any prepayment of LIBO Rate Loans is required to be made under this Section 2.11(b) prior to the last day of the Interest Period therefor, Borrower may, in its sole discretion, deposit the amount of any such prepayment otherwise required to be made hereunder with the Administrative Agent until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Company or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.11(b). Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Company or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with this Section 2.11(b).

(ix) At the time of each prepayment required under Section 2.11(b)(i), (ii) or (iii), the Company shall deliver to the Administrative Agent a certificate signed by a Responsible Officer of the Company setting forth in reasonable detail the calculation of the amount of such prepayment; provided, however, that in the case of any prepayment that may be declined at the option of any Lender, the Company shall notify the Administrative Agent in writing of such prepayment not later than 1:00 p.m. three Business Days prior to the date of the prepayment. Each such certificate shall specify the Borrowings being prepaid and the principal amount of each Borrowing (or portion thereof) to be prepaid. Prepayments shall be accompanied by accrued interest as required by Section 2.13. All prepayments of Borrowings under this Section 2.11(b) shall be subject to Section 2.16 and, except as set forth in the last sentence of clause (vi) above, shall otherwise be without premium or penalty.

(x) In the event that the Merger shall not have been consummated by 11:59 p.m. (New York City time) on the fifth (5th) Business Day following the Closing Date, then the Borrower shall immediately prepay 100% of the aggregate principal amount of Loans outstanding on such date.

Section 2.12. Fees.

(a) The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender of any Class (other than any Defaulting Lender) a commitment fee, which shall accrue at a rate equal to the Commitment Fee Rate per annum applicable to the Revolving Credit Commitment of such Class on the average daily amount of the Unused Revolving Credit Commitment of such Class during the period from and including the Closing Date to the date on which such Lender’s Revolving Credit Commitment of such Class terminates. Accrued commitment fees shall be payable in arrears on the last Business Day of each March, June, September and December for the quarterly period then
ended (commencing on the last Business Day of September 2020, but in the case of the payment made on such date, for the period from the Closing Date to such date) and on the date on which the Revolving Credit Commitments of the applicable Class terminate.

(b) The Borrower agrees to pay (i) to the Administrative Agent for the account of each Revolving Lender of any Class (other than any Defaulting Lender) a participation fee with respect to its participation in each Letter of Credit, which shall accrue at the Applicable Rate used to determine the interest rate applicable to LIBO Rate Revolving Loans on the daily face amount of such Lender’s LC Exposure attributable to its Revolving Credit Commitment of such Class in respect of such Letter of Credit (excluding any portion thereof attributable to unreimbursed LC Disbursements), during the period from and including the Closing Date to the later of the date on which such Revolving Lender’s Revolving Credit Commitment of such Class terminates and the date on which such Revolving Lender ceases to have any LC Exposure related to its Revolving Credit Commitment of such Class in respect of such Letter of Credit (including any such LC Exposure that may exist following the termination of such Revolving Credit Commitments) and (ii) to each Issuing Bank, for its own account, a fronting fee, in respect of each Letter of Credit issued by such Issuing Bank for the period from the date of issuance of such Letter of Credit to the expiration date of such Letter of Credit (or if terminated on an earlier date, to the termination date of such Letter of Credit), computed at a rate equal to the rate agreed by such Issuing Bank and the Borrower (but in any event not to exceed 0.125% per annum) of the daily face amount of such Letter of Credit, as well as such Issuing Bank’s reasonable and customary fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued to but excluding the last Business Day of each March, June, September and December shall be payable in arrears for the quarterly period then ended (or, in the case of the payment made on the last Business Day of September 2020, for the period from the Closing Date to such date) on the last Business Day of such calendar quarter; provided that all such fees shall be payable on the date on which the Revolving Credit Commitments of the applicable Class terminate, and any such fees accruing after the date on which the Revolving Credit Commitments of the applicable Class terminate shall be payable on demand. Any other fees payable to any Issuing Bank pursuant to this paragraph shall be payable within 30 days after receipt of a written demand (accompanied by reasonable back-up documentation) therefor.

(c) [Reserved].

(d) The Borrower agrees to pay to the Administrative Agent, for its own account, the fees in the amounts and at the times separately agreed upon by the Borrower and the Administrative Agent in writing.

(e) All fees payable hereunder shall be paid on the dates due, in Dollars and in immediately available funds, to the Administrative Agent (or to the applicable Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Revolving Lenders. Fees paid shall not be refundable under any circumstances except as otherwise provided in the Fee Letter. Fees payable hereunder shall accrue through and including the last day of the month immediately preceding the applicable fee payment date.

(f) In the event that, on or prior to the date that is six months after the Closing Date, the Borrower (x) prepays, repays, refinances, substitutes or replaces any Initial Term Loans as part of a Repricing Transaction (including, for the avoidance of doubt, any prepayment made pursuant to Section 2.11(b)(iii) that constitutes a Repricing Transaction) or (y) effects any amendment, modification or waiver of, or consent under, this Agreement resulting in a Repricing Transaction, the Borrower shall pay to the Administrative Agent, for the ratable account of each of the applicable Initial Term Lenders, (I) in the case
of clause (x), a premium of 1.00% of the aggregate principal amount of the Initial Term Loans so prepaid, repaid, refinanced, substituted or replaced and (ii) in the case of clause (y), a fee equal to 1.00% of the aggregate principal amount of the Initial Term Loans that are the subject of such Repricing Transaction outstanding immediately prior to such amendment. If, on or prior to the date that is six months after the Closing Date, all or any portion of the Initial Term Loans held by any Term Lender are prepaid, repaid, refinanced, substituted or replaced pursuant to Section 2.19(b)(iv) as a result of, or in connection with, such Term Lender not agreeing or otherwise consenting to any waiver, consent, modification or amendment referred to in clause (y) above (or otherwise in connection with a Repricing Transaction), such prepayment, repayment, refinancing, substitution or replacement will be made at 101% of the principal amount so prepaid, repaid, refinanced, substituted or replaced. All such amounts shall be due and payable on the date of effectiveness of such Repricing Transaction.

(g) Unless otherwise indicated herein, all computations of fees shall be made on the basis of a 360-day year and shall be payable for the actual days elapsed (including the first day but excluding the last day). Each determination by the Administrative Agent of the amount of any fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.13. Interest.

(a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each LIBO Rate Borrowing shall bear interest at the LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) [Reserved]

(d) Notwithstanding the foregoing, during the existence and continuance of any Event of Default under Section 7.01(a), if any principal of or interest on any Loan or any LC Disbursement or any fee payable by the Borrower hereunder is not, in each case, paid or reimbursed when due, whether at stated maturity, upon acceleration or otherwise, the relevant overdue amount shall bear interest, to the fullest extent permitted by applicable Requirements of Law, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal or interest of any Loan or unreimbursed LC Disbursement, 2.00% plus the rate otherwise applicable to such Loan or LC Disbursement as provided in the preceding paragraphs of this Section 2.13 or Section 2.05(h) or (ii) in the case of any other amount, 2.00% plus the rate applicable to Revolving Loans that are ABR Loans as provided in paragraph (a) of this Section 2.13; provided that no amount shall be payable pursuant to this Section 2.13(d) to any Defaulting Lender so long as such Lender is a Defaulting Lender; provided further that no amounts shall accrue pursuant to this Section 2.13(d) on any overdue amount, reimbursement obligation in respect of any LC Disbursement or other amount payable to a Defaulting Lender so long as such Lender is a Defaulting Lender.

(e) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and on the Maturity Date applicable to such Loan or, in the case of any Revolving Loan, upon the termination of the Revolving Credit Commitments of the applicable Class, as applicable; provided that (i) interest accrued pursuant to paragraph (d) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the termination of the relevant revolving Commitments), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any LIBO Rate Loan prior to the end of the current Interest Period therefor, accrued interest on such Initial Term Loan shall be payable on the effective date of such conversion. Accrued interest for any Class of

[[5470263]]
Additional Loans shall be payable as set forth in the applicable Refinancing Amendment, Incremental Facility Amendment or Extension Amendment.

(f) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed for ABR Loans shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error. Interest shall accrue on each Loan from the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; provided that any Loan that is repaid on the same day on which it is made shall bear interest for one day.

Section 2.14. Alternate Rate of Interest.

(a) If at least two Business Days prior to the commencement of any Interest Period for a LIBO Rate Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the LIBO Rate (including because a Published LIBO Rate is not available or published on a current basis) for such Interest Period; provided that no Benchmark Transition Event shall have occurred at such time; or

(ii) the Administrative Agent is advised by the Required Lenders that the LIBO Rate for the applicable currency and/or such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give written notice thereof to the Company and the Lenders by hand delivery, facsimile or other electronic transmission as promptly as practicable thereafter and, until the Administrative Agent notifies the Company and the Lenders that the circumstances giving rise to such notice no longer exist, which the Administrative Agent agrees promptly to do, (i) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a LIBO Rate Borrowing shall be ineffective and such Borrowing shall be converted to an ABR Borrowing and the utilization of the LIBO Rate component in determining the Alternate Base Rate shall be suspended on the last day of the Interest Period applicable thereto and (ii) if any Borrowing Request requests a LIBO Rate Borrowing, then such Borrowing shall be made as an ABR Borrowing and the utilization of the LIBO Rate component in determining the Alternate Base Rate shall be suspended; provided, however, (x) that, in each case, the Company may revoke any Borrowing Request that is pending when such notice is received and (y) if the circumstances giving rise to such notice affect only Borrowings in certain currencies, then LIBO Rate Borrowings in unaffected currencies shall be permitted to the extent otherwise permitted by this Agreement.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, the Administrative Agent and the Company may amend this Agreement to replace the LIBO Rate with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all Lenders and the Company so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. Any such amendment with respect to an Early Opt-in Election will become effective on the date that Lenders
comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders accept such amendment. No replacement of the LIBO Rate with a Benchmark Replacement pursuant to this Section 2.14 will occur prior to the applicable Benchmark Transition Start Date.

(c) In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time with the prior written consent of the Company, not to be unreasonably withheld, delayed or conditioned.

(d) The Administrative Agent will promptly notify the Company and the Lenders of (i) any occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date and Benchmark Transition Start Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes and (iv) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or Lenders pursuant to this Section 2.14, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to this Section 2.14.

(e) Upon the Company’s receipt of notice of the commencement of a Benchmark Unavailability Period, the Company may revoke any request for a Borrowing of, conversion to or continuation of LIBO Rate Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Company will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans. During any Benchmark Unavailability Period, (x) the component of ABR based upon the LIBO Rate will not be used in any determination of ABR, (y) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a LIBO Rate Borrowing shall be ineffective and (z) any affected Borrowing shall be converted to an ABR Borrowing on the last day of the Interest Period applicable thereto.

Section 2.15. Increased Costs.

(a) If any Change in Law:

(i) imposes, modifies or deems applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the LIBO Rate) or Issuing Bank;

(ii) imposes on any Lender or Issuing Bank or the London interbank market any other condition affecting this Agreement or LIBO Rate Loans made by any Lender or any Letter of Credit or participation therein; or

(iii) subjects any recipient to any Taxes (other than (A) Indemnified Taxes and (B) Excluded Taxes) on its loans, loan principal, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing is to increase the cost to the relevant Lender of making or maintaining any LIBO Rate Loan (or of maintaining its obligation to make any such Loan) or to increase the cost to such Lender or Issuing Bank of participating in, issuing or maintaining any Letter of Credit or to reduce the amount of any sum received or receivable by such Lender or Issuing Bank hereunder (whether of principal, interest
or otherwise) in respect of any LIBO Rate Loan or Letter of Credit in an amount deemed by such Lender or Issuing Bank to be material, then, within 30 days after the Company’s receipt of the certificate contemplated by paragraph (c) of this Section, the Borrower will pay to such Lender or Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or Issuing Bank, as applicable, for such additional costs incurred or reduction suffered (except that this provision shall not apply to any Taxes, which shall be dealt with exclusively pursuant to Section 2.17); provided that the Borrower shall not be liable for such compensation if (x) the relevant Change in Law is publicly announced or occurs on a date prior to the date such Lender becomes a party hereto, (y) such Lender invokes Section 2.20 or (z) in the case of any request for reimbursement under clause (ii) above resulting from a market disruption, (A) the relevant circumstances do not generally affect the banking market or (B) the applicable request has not been made by Lenders constituting Required Lenders.

(b) If any Lender or Issuing Bank determines that any Change in Law regarding liquidity or capital requirements has or would have the effect of reducing the rate of return on such Lender’s or Issuing Bank’s capital or on the capital of such Lender’s or Issuing Bank’s holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or such Issuing Bank or such Lender’s or such Issuing Bank’s holding company could have achieved but for such Change in Law other than due to Taxes, which shall be dealt with exclusively pursuant to Section 2.17 (taking into consideration such Lender’s or Issuing Bank’s policies and the policies of such Lender’s or such Issuing Bank’s holding company with respect to capital adequacy), then within 30 days of receipt by the Company of the certificate contemplated by paragraph (c) of this Section the Borrower will pay to such Lender or such Issuing Bank, as applicable, such additional amount or amounts as will compensate such Lender or such Issuing Bank or such Lender’s or such Issuing Bank’s holding company for any such reduction suffered.

(c) Any Lender or Issuing Bank requesting compensation under this Section 2.15 shall be required to deliver a certificate to the Company that (i) sets forth the amount or amounts necessary to compensate such Lender or Issuing Bank or its holding company, as applicable, as specified in paragraph (a) or (b) of this Section, (ii) sets forth in reasonable detail the manner in which such amount or amounts were determined and (iii) certifies that such Lender or Issuing Bank is generally charging such amounts to similarly situated borrowers, which certificate shall be conclusive absent manifest error.

(d) Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender’s or Issuing Bank’s right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender or an Issuing Bank pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender or Issuing Bank notifies the Company of the Change in Law giving rise to such increased costs or reductions and of such Lender’s or Issuing Bank’s intention to claim compensation therefor; provided, further, that if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

Section 2.16. Break Funding Payments. In the event of (a) the conversion or prepayment of any principal of any LIBO Rate Loan other than on the last day of an Interest Period applicable thereto (whether voluntary, mandatory, automatic, by reason of acceleration or otherwise), (b) the failure to borrow, convert, continue or prepay any LIBO Rate Loan on the date or in the amount specified in any notice delivered pursuant hereto or (c) the assignment of any LIBO Rate Loan of any Lender other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19, then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense incurred by such Lender that is attributable to such event (other than loss of profit). In the case of a LIBO Rate Loan,
the loss, cost or expense of any Lender shall be the amount reasonably determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan) over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for deposits in the applicable currency of a comparable amount and period from other banks in the Eurodollar market; it being understood that such loss, cost or expense shall in any case exclude any interest rate floor and all administrative, processing or similar fees. Any Lender requesting compensation under this Section 2.16 shall be required to deliver a certificate to the Company (i) setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section, the basis therefor and, in reasonable detail, the manner in which such amount or amounts were determined and (ii) certifying that such Lender is generally charging the relevant amounts to similarly situated borrowers, which certificate shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

Section 2.17. Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party hereunder shall be made free and clear of and without deduction for any Taxes, except as required by applicable Requirements of Law (as determined in the good faith discretion of the applicable Withholding Agent). If any applicable Requirement of Law requires the deduction or withholding of any Tax from any such payment, then (i) if such Tax is an Indemnified Tax, the amount payable by the applicable Loan Party shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.17(a)) the Administrative Agent, each Lender and each Issuing Bank (as applicable) receives an amount equal to the sum it would have received had no such deductions been made, (ii) such Withholding Agent shall make such deductions and (iii) such Withholding Agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Requirements of Law.

(b) In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Requirements of Law.

(c) Each Loan Party shall indemnify the Administrative Agent, each Lender and each Issuing Bank within 30 days after receipt of the certificate described in the succeeding sentence, for the full amount of any Indemnified Taxes payable or paid by the Administrative Agent, such Lender or Issuing Bank, as applicable, on or with respect to any payment by or any payment on account of any obligation of any Loan Party hereunder (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17(c) but excluding any penalties or interest resulting from any action or inaction of the Administrative Agent or such Lender or Issuing Bank), and any reasonable expenses arising therefrom or with respect thereto; whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) Each Lender and each Issuing Bank shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender or Issuing Bank (but only to the extent that no Loan Party has already indemnified the Administrative Agent...
for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender’s or Issuing Bank’s failure to comply with the provisions of Section 9.05(c) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender or Issuing Bank, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender or Issuing Bank by the Administrative Agent shall be conclusive absent manifest error. Each Lender and Issuing Bank hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender or Issuing Bank from any other source against any amount due to the Administrative Agent under this clause (d).

(e) As soon as practicable after any payment of Indemnified Taxes by any Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment that is reasonably satisfactory to the Administrative Agent.

(f) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Company and the Administrative Agent, at the time or times reasonably requested by the Company or the Administrative Agent, such properly completed and executed documentation as the Company or the Administrative Agent may reasonably request to permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Company or the Administrative Agent, shall deliver such other documentation prescribed by applicable Requirements of Law or reasonably requested by the Company or the Administrative Agent as will enable the Company or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Each Lender hereby authorizes the Administrative Agent to deliver to the Company and to any successor Administrative Agent any documentation provided to the Administrative Agent pursuant to this Section 2.17(f). Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(f) (ii)(A), 2.17(f)(ii)(B) or 2.17(f)(ii)(D)) shall not be required if in the Lender’s reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing,

(A) each Lender that is not a Foreign Lender shall deliver to the Company and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Administrative Agent), two executed copies of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) each Foreign Lender shall deliver to the Company and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement
(and from time to time thereafter upon the reasonable request of the Company or the Administrative Agent), whichever of the following is applicable:

(1) in the case of any Foreign Lender claiming the benefits of an income tax treaty to which the U.S. is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “interest” article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of any Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit L-1 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Company within the meaning of Section 871(h)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed copies of IRS Form W-8BEN or W-8BEN-E; or

(4) to the extent any Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit L-2 or Exhibit L-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if such Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit L-4 on behalf of each such direct or indirect partner;

(C) each Foreign Lender shall deliver, to the extent that it is legally entitled to do so, to the Company and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Company or the Administrative Agent), executed copies of any other form prescribed by applicable Requirements of Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Requirements of Law to permit the Company or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to any Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the
Company and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Company or the Administrative Agent such documentation as is prescribed by applicable Requirements of Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Company or the Administrative Agent as may be necessary for the Company and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any documentation it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such documentation or promptly notify the Company and the Administrative Agent in writing of its legal inability to do so.

(g) If the Administrative Agent or any Lender or Issuing Bank determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes as to which it has been indemnified by any Loan Party or with respect to which such Loan Party has paid additional amounts pursuant to this Section 2.17, it shall pay over such refund to such Loan Party (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.17 with respect to the Indemnified Taxes giving rise to such refund), net of all out-of-pocket expenses of the indemnified party (including any Taxes imposed with respect to such refund), and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that such Loan Party, upon the request of the indemnified party, agrees to repay the amount paid over to such Loan Party pursuant to this paragraph (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such indemnified party in the event such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the Administrative Agent, any Lender or Issuing Bank be required to pay any amount to any Loan Party pursuant to this paragraph (g) to the extent that the payment thereof would place the Administrative Agent, such Lender or Issuing Bank in a less favorable net after-Tax position than the position that it would have been in if the Tax subject to indemnification had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph shall not be construed to require the Administrative Agent, any Lender or any Issuing Bank to make available its Tax returns (or any other information relating to its Taxes which it deems confidential) to the relevant Loan Party or any other Person.

(h) The Administrative Agent shall deliver to Borrower, on or before the date on which it becomes the Administrative Agent hereunder, either (i) a duly executed original IRS Form W-9 (or any applicable successor form) certifying that the Administrative Agent is not subject to backup withholding, or (ii) (A) a duly completed executed original IRS Form W-8ECI to establish that the Administrative Agent is not subject to withholding Taxes under the Internal Revenue Code with respect to any amounts payable for the account of the Administrative Agent under any of the Loan Documents and (B) a duly executed original IRS Form W-8IMY (or applicable successor form) certifying that it is a U.S. branch that has agreed to be treated as a U.S. person for United States federal withholding Tax purposes with respect to payments received by it from a Loan Party for the account of others under the Loan Documents. The Administrative Agent shall promptly notify the Company at any time it determines that it is no longer in a position to provide the certification described in the preceding sentence.
(i) Each party’s obligations under this Section 2.17 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, any Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

(j) For purposes of this Section 2.17, the term “Requirements of Law” includes FATCA.

Section 2.18. Payments Generally; Allocation of Proceeds; Sharing of Payments.

(a) Unless otherwise specified, the Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements or of amounts payable under Section 2.15, 2.16 or 2.17 or otherwise) prior to the time expressed hereunder or under such Loan Document (or, if no time is expressly required, by 2:00 p.m.) on the date when due, in immediately available funds, without set-off (except as otherwise provided in Section 2.17) or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent to the applicable account designated to the Borrower by the Administrative Agent, except payments to be made directly to the applicable Issuing Bank as expressly provided herein and except that payments pursuant to Sections 2.15, 2.16, 2.17 and 9.03 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Each Lender agrees that in computing such Lender’s portion of any Borrowing to be made hereunder, the Administrative Agent may, in its discretion, round such Lender’s percentage of such Borrowing to the next higher or lower whole dollar amount. All payments (including accrued interest) hereunder shall be made in Dollars. Any payment required to be made by the Administrative Agent hereunder shall be deemed to have been made by the time required if the Administrative Agent shall, at or before such time, have taken the necessary steps to make such payment in accordance with the regulations or operating procedures of the clearing or settlement system used by the Administrative Agent to make such payment.

(b) Subject in all respects to the provisions of any applicable Acceptable Intercreditor Agreement, all proceeds of Collateral received by the Administrative Agent at any time when an Event of Default exists and all or any portion of the Loans have been accelerated hereunder pursuant to Section 7.01, shall, upon election by the Administrative Agent or at the direction of the Required Lenders, be applied, first, on a pro rata basis, to pay any fees, indemnities or expense reimbursements then due to the Administrative Agent or any Issuing Bank from the Borrower constituting Obligations, second, on a pro rata basis, to pay any fees or expense reimbursements then due to the Lenders from the Borrower constituting Obligations, third, to pay interest due and payable in respect of any Loans, on a pro rata basis, fourth, to prepay principal on the Loans and unreimbursed LC Disbursements, all Banking Services Obligations and all Secured Hedging Obligations on a pro rata basis among the Secured Parties, fifth, to pay an amount to the Administrative Agent equal to 100% of the LC Exposure (minus the amount then on deposit in the LC Collateral Account) on such date, to be held in the LC Collateral Account as Cash collateral for such Obligations, on a pro rata basis; provided that if any Letter of Credit expires undrawn, then any Cash collateral held to secure the related LC Exposure shall be applied in accordance with this Section 2.18(b), beginning with clause first above, sixth, to the payment of any other Secured Obligation due to the Administrative Agent, any Lender or any other Secured Party by the Borrower on a pro rata basis, seventh, as provided for under any applicable Acceptable Intercreditor Agreement and eighth, to the Borrower or as the Borrower shall direct.

(c) If any Lender obtains payment (whether voluntary, involuntary, through the exercise of any right of set-off or otherwise) in respect of any principal of or interest on any of its Loans of any Class
or participations in LC Disbursements held by it resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans of such Class and participations in LC Disbursements and accrued interest thereon than the proportion received by any other Lender with Loans of such Class and participations in LC Disbursements, then the Lender receiving such greater proportion shall purchase (for Cash at face value) participations in the Loans and sub-participations in LC Disbursements of other Lenders of such Class at such time outstanding to the extent necessary so that the benefit of all such payments shall be shared by the Lenders of such Class ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans of such Class and participations in LC Disbursements; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and (ii) the provisions of this paragraph shall not apply to (x) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by any Lender as consideration for the assignment of or sale of a participation in any of its Loans to any permitted assignee or participant, including any payment made or deemed made in connection with Sections 2.22, 2.23, 9.02(b) and/or Section 9.05. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable Requirements of Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.18(c) and will, in each case, notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.18(c) shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

(d) Unless the Administrative Agent has received notice from the Company or any other applicable Borrower prior to the date on which any payment is due to the Administrative Agent for the account of any Lender or any Issuing Bank hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lender or Issuing Bank the amount due. In such event, if the Borrower has not in fact made such payment, then each Lender or the applicable Issuing Bank severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender fails to make any payment required to be made by it pursuant to Section 2.07(a) or Section 2.18(d), then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender’s obligations under such Sections until all such unsatisfied obligations are fully paid.

Section 2.19. Mitigation Obligations; Replacement of Lenders.

(a) If any Lender requests compensation under Section 2.15 or such Lender determines it can no longer make or maintain LIBO Rate Loans pursuant to Section 2.20, or the Borrower is required to pay any additional amount to or indemnify any Lender or any Governmental Authority for the account of
any Lender pursuant to Section 2.17, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or its participation in any Letter of Credit affected by such event, or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or 2.17, as applicable, in the future or mitigate the impact of Section 2.20, as the case may be, and (ii) would not subject such Lender to any material unreimbursed out-of-pocket cost or expense and would not otherwise be disadvantageous to such Lender in any material respect. The Borrower hereby agrees to pay all reasonable out-of-pocket costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any Lender requests compensation under Section 2.15 or such Lender determines it can no longer make or maintain LIBO Rate Loans pursuant to Section 2.20, (ii) the Borrower is required to pay any additional amount to or indemnify any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, (iii) any Lender is a Defaulting Lender or (iv) in connection with any proposed amendment, waiver or consent requiring the consent of “each Lender”, “each Revolving Lender” or “each Lender directly affected thereby” (or any other Class or group of Lenders other than the Required Lenders) with respect to which Required Lender or Required Revolving Lender consent (or the consent of Lenders holding loans or commitments of such Class or lesser group representing more than 50% of the sum of the total loans and unused commitments of such Class or lesser group at such time) has been obtained, as applicable, any Lender is a non-consenting Lender (each such Lender, a “Non-Consenting Lender”), then the Company may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, (x) terminate the applicable Commitments and/or Additional Commitments of such Lender, and repay all Obligations of the Borrower owing to such Lender relating to the applicable Loans and participations held by such Lender as of such termination date under one or more Credit Facilities or Additional Credit Facilities as the Company may elect or (y) replace such Lender by requiring such Lender to assign and delegate (and such Lender shall be obligated to assign and delegate), without recourse (in accordance with and subject to the restrictions contained in Section 9.05), all of its interests, rights and obligations under this Agreement to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if any Lender accepts such assignment); provided that (A) such Lender shall have received payment of an amount equal to the outstanding principal amount of its Loans and, if applicable, participations in LC Disbursements, of such Class of Loans, Commitments and/or Additional Commitments, accrued interest thereon, accrued fees and all other amounts payable to it hereunder with respect to such Class of Loans, Commitments and/or Additional Commitments, (B) in the case of any assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments and (C) such assignment does not conflict with applicable law. No action by or consent of a Defaulting Lender or a Non-Consenting Lender shall be necessary in connection with such assignment, which shall be immediately and automatically effective upon payment of the amounts described in clause (A) of the immediately preceding sentence. No Lender (other than a Defaulting Lender) shall be required to make any such assignment and delegation, and the Borrower may not repay the Obligations of such Lender or terminate its Commitments or Additional Commitments, if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each Lender agrees that if it is replaced pursuant to this Section 2.19, it shall execute and deliver to the Administrative Agent an Assignment and Assumption to evidence such sale and purchase and shall deliver to the Administrative Agent any Promissory Note (if the assigning Lender’s Loans are evidenced by one or more Promissory Notes) subject to such Assignment and Assumption (provided that the failure of any Lender replaced pursuant to this Section 2.19 to execute an Assignment and Assumption or deliver any such Promissory Note shall not render such sale and purchase (and the corresponding assignment) invalid), such assignment shall be recorded in the Register and any such Promissory Note shall be deemed cancelled. Each

[[5470263]]
Lender hereby irrevocably appoints the Administrative Agent (such appointment being coupled with an interest) as such Lender’s attorney-in-fact, with full authority in the place and stead of such Lender and in the name of such Lender, from time to time in the Administrative Agent’s discretion, with prior written notice to such Lender, to take any action and to execute any such Assignment and Assumption or other instrument that the Administrative Agent may deem reasonably necessary to carry out the provisions of this clause (b).

To the extent that any Lender is replaced pursuant to Section 2.19(b)(iv) in connection with a Repricing Transaction requiring payment of a fee pursuant to Section 2.12(f), the Borrower shall pay to each Lender being replaced as a result of such Repricing Transaction the fee set forth in Section 2.12(f).

Section 2.20. Illegality. If any Lender reasonably determines that any Change in Law has made it unlawful, or that any Governmental Authority has asserted after the Closing Date that it is unlawful, for such Lender or its applicable lending office to make, maintain or fund Loans whose interest is determined by reference to the Published LIBO Rate, or to determine or charge interest rates based upon the Published LIBO Rate, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the applicable interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (i) any obligation of such Lender to make or continue LIBO Rate Loans in Dollars or to convert ABR Loans to LIBO Rate Loans shall be suspended and (ii) if such notice asserts the illegality of such Lender making or maintaining ABR Loans the interest rate on which is determined by reference to the Published LIBO Rate component of the Alternate Base Rate, the interest rate on which ABR Loans of such Lender, shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Published LIBO Rate component of the Alternate Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist (which notice such Lender agrees to give promptly). Upon receipt of such notice, (x) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or convert all of such Lender’s LIBO Rate Loans to ABR Loans (the interest rate on which ABR Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Published LIBO Rate component of the Alternate Base Rate) either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such LIBO Rate Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such LIBO Rate Loans (in which case the Borrower shall not be required to make payments pursuant to Section 2.16 in connection with such payment) and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Published LIBO Rate, the Administrative Agent shall during the period of such suspension compute the Alternate Base Rate applicable to such Lender without reference to the Published LIBO Rate component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon the Published LIBO Rate. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted. Each Lender agrees to designate a different lending office if such designation will avoid the need for such notice and will not, in the determination of such Lender, otherwise be materially disadvantageous to such Lender.

Section 2.21. Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) Fees shall cease to accrue on the unfunded portion of any Commitment of such Defaulting Lender pursuant to Section 2.12(a) and, subject to clause (d)(iv) below, on the participation of such Defaulting Lender in Letters of Credit pursuant to Section 2.12(b).
(b) The Commitments, Loans and LC Exposure of such Defaulting Lender shall not be included in determining whether all Lenders, each affected Lender, the Required Lenders, the Required Revolving Lenders or such other number of Lenders as may be required hereby or under any other Loan Document have taken or may take any action hereunder (including any consent to any waiver, amendment or modification pursuant to Section 9.02); provided that any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender which affects such Defaulting Lender disproportionately and adversely relative to other affected Lenders shall require the consent of such Defaulting Lender.

(c) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of any Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 2.11, Section 2.15, Section 2.16, Section 2.17, Section 2.18, Article 7, Section 9.05 or otherwise, and including any amounts made available to the Administrative Agent by such Defaulting Lender pursuant to Section 9.09), shall be applied at such time or times as may be determined by the Administrative Agent and, where relevant, the Borrower as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to any applicable Issuing Bank hereunder; third, if so reasonably determined by the Administrative Agent or reasonably requested by the applicable Issuing Bank, to be held as Cash collateral for future funding obligations of such Defaulting Lender in respect of any participation in any Letter of Credit; fourth, so long as no Default or Event of Default exists, as the Borrower may request, to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement; fifth, if so determined by the Administrative Agent or the Borrower, to be held in a deposit account and released in order to satisfy obligations of such Defaulting Lender to fund Loans under this Agreement; sixth, to the payment of any amounts owing to the non-Defaulting Lenders or Issuing Banks as a result of any judgment of a court of competent jurisdiction obtained by any non-Defaulting Lender or any Issuing Bank against such Defaulting Lender as a result of such Defaulting Lender’s breach of its obligations under this Agreement; seventh, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender’s breach of its obligations under this Agreement; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loan or LC Exposure in respect of which such Defaulting Lender has not fully funded its appropriate share and (y) such Loan or LC Exposure was made or created, as applicable, at a time when the conditions set forth in Section 4.02 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and LC Exposure owed to, all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or LC Exposure owed to, such Defaulting Lender. Any payments, prepayments or other amounts paid or payable to any Defaulting Lender that are applied (or held) to pay amounts owed by any Defaulting Lender or to post Cash collateral pursuant to this Section 2.21(e) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(d) If any LC Exposure exists at the time any Lender becomes a Defaulting Lender then:

(i) all or any part of such LC Exposure shall be reallocated among the non-Defaulting Revolving Lenders in accordance with their respective Applicable Percentages but only to the extent the sum of all non-Defaulting Lenders’ Revolving Credit Exposures does not exceed the total of all non-Defaulting Revolving Lenders’ Revolving Credit Commitments; provided that no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from such Lender having become a Defaulting Lender, including
any claim of a non-Defaulting Lender as a result of such non-Defaulting Lender’s increased exposure following such reallocation;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any other right or remedy available to it hereunder or under applicable Requirements of Law, within two Business Days following notice by the Administrative Agent, Cash collateralize 100% of such Defaulting Lender’s LC Exposure and any obligations of such Defaulting Lender to fund participations (after giving effect to any partial reallocation pursuant to paragraph (i) above and any Cash collateral provided by such Defaulting Lender or pursuant to Section 2.21(c) above) or make other arrangements reasonably satisfactory to the Administrative Agent and the applicable Issuing Bank with respect to such LC Exposure and obligations to fund participations. Cash collateral (or the appropriate portion thereof) provided to reduce LC exposure or other obligations shall be released promptly following (A) the elimination of the applicable LC Exposure or other obligations giving rise thereto (including by the termination of the Defaulting Lender status of the applicable Lender (or, as appropriate, its assignee following compliance with Section 2.19)) or (B) the Administrative Agent’s good faith determination that there exists excess Cash collateral (including as a result of any subsequent reallocation of LC Exposure among non-Defaulting Lenders described in clause (i) above);

(iii) (A) if the LC Exposure of the non-Defaulting Lenders is reallocated pursuant to this Section 2.21(d), then the fees payable to the Revolving Lenders pursuant to Section 2.12(a) and (b), as the case may be, shall be adjusted to give effect to such reallocation and (B) if the LC Exposure of any Defaulting Lender is Cash collateralized pursuant to this Section 2.21(d), then, without prejudice to any rights or remedies of the applicable Issuing Bank, any Lender or the Borrower hereunder, no letter of credit fees shall be payable under Section 2.12(b) with respect to such Defaulting Lender’s LC Exposure; and

(iv) if any Defaulting Lender’s LC Exposure is not Cash collateralized, prepaid or reallocated pursuant to this Section 2.21(d), then, without prejudice to any rights or remedies of the applicable Issuing Bank or any Revolving Lender hereunder, all letter of credit fees payable under Section 2.12(b) with respect to such Defaulting Lender’s LC Exposure shall be payable to the applicable Issuing Bank until such Defaulting Lender’s LC Exposure is Cash collateralized or reallocated.

(e) So long as any Revolving Lender is a Defaulting Lender, no Issuing Bank shall be required to issue, extend, create, incur, amend or increase any Letter of Credit unless it is reasonably satisfied that the related exposure will be 100% covered by the Revolving Credit Commitments of the non-Defaulting Lenders, Cash collateral provided pursuant to Section 2.21(c) and/or Cash collateral provided by the Borrower in accordance with Section 2.21(d), and participating interests in any such or newly issued, extended or created Letter of Credit shall be allocated among non-Defaulting Revolving Lenders in a manner consistent with Section 2.21(d)(i) (it being understood that Defaulting Lenders shall not participate therein).

(f) In the event that the Administrative Agent and the Company agree that any Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Applicable Percentage of LC Exposure of the Revolving Lenders shall be readjusted to reflect the inclusion of such Lender’s Revolving Credit Commitment, and on such date such Revolving Lender shall purchase at par such of the Revolving Loans of the other Revolving Lenders or participations in Revolving Loans as the Administrative Agent shall determine as are necessary in order for such Revolving Lender to hold such Revolving Loans or participations in accordance with its Applicable Percentage of the applicable
Class. Notwithstanding the fact that any Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, (x) no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while such Lender was a Defaulting Lender and (y) except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender’s having been a Defaulting Lender.

Section 2.22. Incremental Credit Extensions.

(a) The Borrower or any Loan Party may, at any time, on one or more occasions pursuant to an Incremental Facility Amendment (i) with respect to any Term Loan Borrower, add one or more new Classes of term facilities and/or increase the principal amount of the Term Loans of any existing Class by requesting new term loan commitments to be added to such Loans (any such new Class or increase, an "Incremental Term Facility" and any loans made pursuant to an Incremental Term Facility, "Incremental Term Loans") and/or (ii) with respect to any Revolving Borrower, add one or more new Classes of revolving commitments and/or increase the aggregate amount of the Revolving Credit Commitments of any existing Class (any such new Class or increase, an "Incremental Revolving Facility" and, together with any Incremental Term Facility, "Incremental Facilities", or either or any thereof, an "Incremental Facility"; and the loans thereunder, "Incremental Revolving Loans" and, together with any Incremental Term Loans, "Incremental Loans") in an aggregate outstanding principal amount not to exceed the Incremental Cap; provided that:

(i) no Incremental Commitment may be in an amount that is less than $5,000,000 (or such lesser amount to which the Administrative Agent may reasonably agree),

(ii) except as separately agreed from time to time between any Loan Party and any Lender, no Lender shall be obligated to provide any Incremental Commitment, and the determination to provide such commitments shall be within the sole and absolute discretion of such Lender (it being agreed that no Loan Party shall be obligated to offer the opportunity to any Lender to participate in any Incremental Facility),

(iii) no Incremental Facility or Incremental Loan (nor the creation, provision or implementation thereof) shall require the approval of any existing Lender other than in its capacity, if any, as a lender providing all or part of any Incremental Commitment or Incremental Loan,

(iv) any such Incremental Revolving Facility shall either (i) be subject to the same terms and conditions as any then-existing Revolving Facility (and be deemed added to, and made a part of, such Revolving Facility) (it being understood that, if required to consummate an Incremental Revolving Facility, the Borrower may increase the pricing, interest rate margins, rate floors, and undrawn fees on the applicable Revolving Facility being increased for all lenders under such Revolving Facility, but additional upfront or similar fees may be payable to the lenders participating in such Incremental Revolving Facility without any requirement to pay such amounts to any existing Revolving Lenders) or (ii) mature no earlier than, and require no scheduled mandatory commitment reduction prior to, the maturity of the Initial Revolving Facility and all other material terms (other than pricing, maturity, upfront, arrangement, structuring, underwriting, ticking, consent, amendment and other fees, participation in mandatory prepayments or commitment reductions and immaterial terms, which shall be determined by the Company) shall (x) be substantially identical to the Initial Revolving Facility, (y) reflect market terms and conditions (as determined by the Company in good faith) at the time of incurrence or issuance (or the obtaining of a commitment with respect
(v) the Effective Yield (and the components thereof) applicable to any Incremental Facility may be determined by the Company and the lender or lenders providing such Incremental Facility; provided that, in the case of any broadly syndicated Dollar-denominated Incremental Term Facility that is (x) originally incurred in reliance on clause (e) of the definition of “Incremental Cap” (but not any reclassification pursuant to clause (3) of the proviso therein) and (y) scheduled to mature prior to the date that is one year after the Initial Term Loan Maturity Date, the Effective Yield applicable thereto may not be more than 0.50% higher than the Effective Yield applicable to the Initial Term Loans unless the Applicable Rate (and/or, as provided in the proviso below, the Alternate Base Rate floor or LIBO Rate floor) with respect to the Initial Term Loans is adjusted such that the Effective Yield on the Initial Term Loans is not more than 0.50% per annum less than the Effective Yield with respect to such Incremental Facility; provided further that any increase in Effective Yield applicable to any Initial Term Loan due to the application or imposition of an Alternate Base Rate floor or LIBO Rate floor on any Incremental Term Loan may, at the election of the Company, be effected through an increase in the Alternate Base Rate floor or LIBO Rate floor applicable to such Initial Term Loans or an increase in the interest rate margin applicable to such Incremental Loans; provided further that the MFN Provision (1) shall not apply to Incremental Term Facilities having an aggregate principal amount not exceeding the greater of $175,000,000 and 50% of Consolidated Adjusted EBITDA as of the last day of the most recently ended Test Period, (2) shall not apply to Incremental Term Facilities incurred more than twelve months after the Closing Date, (3) shall not apply to Incremental Term Facilities incurred in connection with a Permitted Acquisition or other permitted Investment, (4) [reserved] and (5) shall not apply to customary bridge loans with a maturity date of not longer than one year that are convertible or exchangeable into, or are intended to be refinanced with, any Indebtedness other than term loans that are pari passu with the Initial Term Loans in right or payment and with respect to security (this clause (v), the “MFN Provision”),

(vi) the final maturity date with respect to any Incremental Term Loans shall be no earlier than the Initial Term Loan Maturity Date at the time of the incurrence thereof; provided, that the foregoing limitation shall not apply to (i) customary bridge loans with a maturity date of not longer than one year; provided, that any loans, notes, securities or other Indebtedness which are exchanged for or otherwise replace such bridge loans shall be subject to the requirements of this clause (vi), (ii) [reserved] or (iii) Incremental Term Facilities having an aggregate principal amount outstanding not exceeding the greater of $175,000,000 and 50% of Consolidated Adjusted EBITDA as of the last day of the most recently ended Test Period,

(vii) the Weighted Average Life to Maturity of any Incremental Term Facility shall be no shorter than the remaining Weighted Average Life to Maturity of the Initial Term Loans; provided, that the foregoing limitation shall not apply to (i) customary bridge loans with a maturity date of not longer than one year; provided, that any loans, notes, securities or other Indebtedness which are exchanged for or otherwise replace such bridge loans shall be subject to the requirements of this clause (vii), (ii) [reserved] or (iii) Incremental Term Facilities having an aggregate principal

amount outstanding not exceeding the greater of $350,000,000 and 100% of Consolidated Adjusted EBITDA as of the last day of the most recently ended Test Period,

(viii) subject to clauses (vi) and (vii) above, any Incremental Term Facility may otherwise have an amortization schedule as determined by the Company and the lenders providing such Incremental Term Facility,

(ix) subject to clause (v) above, to the extent applicable, any fees payable in connection with any Incremental Facility shall be determined by the Company and the arrangers and/or lenders providing such Incremental Facility,

(x) (A) each Incremental Facility shall rank pari passu with the Initial Term Loans (in the case of any Incremental Term Facility) and pari passu with the Initial Revolving Loans (in the case of Incremental Revolving Loans), in each case in right of payment and security and (B) no Incremental Facility may be (x) guaranteed by any Person which is not a Loan Party or (y) secured by Liens on any assets other than the Collateral,

(xi) any Incremental Term Facility may provide for the ability to participate (A) on a pro rata basis or non-pro rata basis in any voluntary prepayment of Term Loans made pursuant to Section 2.11(a) and (B) on a pro rata or less than pro rata basis (but not on a greater than pro rata basis, other than in the case of prepayment with proceeds of Indebtedness refinancing such Incremental Term Loans) in any mandatory prepayment of Term Loans required pursuant to Section 2.11(b),

(xii) no Specified Event of Default shall exist immediately prior to or after giving effect to the effectiveness of such Incremental Facility (except in connection with any acquisition or other Investment or irrevocable repayment or redemption of Indebtedness, where no such Specified Event of Default shall exist at the time as elected by the Company pursuant to Section 1.04(e)),

(xiii) except as otherwise set forth above or below, all other terms of any such Incremental Term Facility, shall (x) be substantially identical to the terms of any then-existing Term Facility, (y) reflect market terms and conditions (as determined by the Company in good faith) at the time of incurrence or issuance or (z) be reasonably satisfactory to the Administrative Agent,

(xiv) the proceeds of any Incremental Facility may be used for working capital, Capital Expenditures and other general corporate purposes of the Company and its subsidiaries (including permitted Restricted Payments, Investments, Permitted Acquisitions, Restricted Debt Payments and any other purpose not prohibited by the terms of the Loan Documents), and

(xv) on the date of the making of any Incremental Term Loans that will be added to any Class of Initial Term Loans or Additional Term Loans, and notwithstanding anything to the contrary set forth in Sections 2.08 or 2.13, such Incremental Term Loans shall be added to (and constitute a part of) each borrowing of outstanding Initial Term Loans or Additional Term Loans, as applicable, of the same type with the same Interest Period of the respective Class on a pro rata basis (based on the relative sizes of the various outstanding Borrowings), so that each Term Lender will participate proportionately in each then outstanding borrowing of Initial Term Loans or Additional Term Loans, as applicable, of the same type with the same Interest Period of the respective Class.
(b) Incremental Commitments may be provided by any existing Lender or by any other Eligible Assignee (any such other Eligible Assignee being called an “Additional Lender”); provided that the Administrative Agent (and, in the case of any Incremental Revolving Facility, each Issuing Bank) shall have consented (such consent not to be unreasonably withheld, conditioned or delayed) to the relevant Additional Lender’s provision of Incremental Commitments if such consent would be required under Section 9.05(b) for an assignment of Loans to such Additional Lender; provided further, that any Additional Lender that is an Affiliated Lender shall be subject to the provisions of Section 9.05(g), mutatis mutandis, to the same extent as if the relevant Incremental Commitments and related Obligations had been obtained by such Lender by way of assignment.

(c) Each Lender or Additional Lender providing a portion of any Incremental Commitment shall execute and deliver to the Administrative Agent and the Company all such documentation (including the relevant Incremental Facility Amendment) as may be reasonably required by the Administrative Agent to evidence and effectuate such Incremental Commitment. On the effective date of such Incremental Commitment, each Additional Lender shall become a Lender for all purposes in connection with this Agreement.

(d) As a condition precedent to the effectiveness of any Incremental Facility or the making of any Incremental Loans, (i) upon its request, the Administrative Agent shall have received customary written opinions of counsel, as well as such reaffirmation agreements, supplements and/or amendments as it shall reasonably require, (ii) the Administrative Agent shall have received, from each Additional Lender, an administrative questionnaire, in the form provided to such Additional Lender by the Administrative Agent (the “Administrative Questionnaire”) and such other documents as it shall reasonably require from such Additional Lender, (iii) the Administrative Agent and applicable Additional Lenders shall have received all fees required to be paid in respect of such Incremental Facility or Incremental Loans and (iv) upon its request, the Administrative Agent shall have received a certificate of the applicable Borrower, signed by a Responsible Officer thereof:

(A) certifying and attaching a copy of the resolutions adopted by the governing body of the applicable Borrower approving or consenting to such Incremental Facility or Incremental Loans, and

(B) to the extent applicable, certifying that the condition set forth in clause (a)(xii) above has been satisfied.

(e) Upon the implementation of any Incremental Revolving Facility pursuant to this Section 2.22:

(i) if such Incremental Revolving Facility establishes Revolving Credit Commitments of the same Class as any then-existing Class of Revolving Credit Commitments, (i) each Revolving Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each relevant Incremental Revolving Facility Lender, and each relevant Incremental Revolving Facility Lender will automatically and without further act be deemed to have assumed a portion of such Revolving Lender’s participations hereunder in outstanding Letters of Credit such that, after giving effect to each deemed assignment and assumption of participations, all of the Revolving Lenders’ (including each Incremental Revolving Facility Lender’s) participations hereunder in Letters of Credit and (ii) the existing Revolving Lenders of the applicable Class shall assign Revolving Loans to certain other Revolving Lenders of such Class (including the Revolving Lenders providing the relevant Incremental Revolving Facility), and such other Revolving
Lenders (including the Revolving Lenders providing the relevant Incremental Revolving Facility) shall purchase such Revolving Loans, in each case to the extent necessary so that all of the Revolving Lenders of such Class participate in each outstanding borrowing of Revolving Loans pro rata on the basis of their respective Revolving Credit Commitments of such Class (after giving effect to any increase in the Revolving Credit Commitment pursuant to this Section 2.22); it being understood and agreed that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to this clause (i); and

(ii) if such Incremental Revolving Facility establishes Revolving Credit Commitments of a new Class, (I) the borrowing and repayment (except for (A) payments of interest and fees at different rates on any Revolving Facility, (B) repayments required upon the Maturity Date of any Revolving Facility and (C) repayments made in connection with any permanent repayment and termination of any Revolving Credit Commitments (subject to clause (3) below)) of Incremental Revolving Loans after the effective date of such Incremental Revolving Facility Commitments shall be made on a pro rata basis with any then-existing Revolving Facility, (2) all letters of credit issued under such Incremental Revolving Facility shall be participated on a pro rata basis by all Revolving Lenders and (3) any permanent repayment of Revolving Loans with respect to, and reduction or termination of Revolving Credit Commitments under, any Revolving Facility after the effective date of any Incremental Revolving Facility shall be made on a pro rata basis or less than pro rata basis with all other Revolving Facilities, except that the Borrower shall be permitted to permanently repay Revolving Loans and terminate Revolving Credit Commitments of any Revolving Facility on a greater than pro rata basis (I) as compared to any other Revolving Facilities with a later Maturity Date than such Revolving Facility or (II) to the extent refinanced or replaced with a Replacement Revolving Facility or Replacement Debt.

(f) Effective on the date of effectiveness of each Incremental Revolving Facility, the maximum amount of LC Exposure permitted hereunder shall increase by the amount, if any, agreed upon by Administrative Agent, the Company and the relevant Issuing Banks.

(g) The Lenders hereby irrevocably authorize the Administrative Agent to enter into any Incremental Facility Amendment and/or any amendment to any other Loan Documents as may be necessary in order to establish new or any increase in any Classes or sub-Classes in respect of Loans or commitments pursuant to this Section 2.22 and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Company in connection with the establishment or increase, as applicable, of such Classes or sub-Classes, in each case on terms consistent with this Section 2.22.

(h) To the extent the provisions of clause (a)(xv) above require that Term Lenders making new Incremental Term Loans add such Incremental Term Loans to the then outstanding borrowings of LIBO Rate Loans of the respective Class of Initial Term Loans or Additional Term Loans, as applicable, it is acknowledged that the effect thereof may result in such new Incremental Term Loans having short Interest Periods (i.e., an Interest Period that began during an Interest Period then applicable to outstanding LIBO Rate Loans of the respective Class and which will end on the last day of such Interest Period).

(i) This Section 2.22 shall supersede any provision in Section 2.18 or 9.02 to the contrary.
Section 2.23. Extensions of Loans and Revolving Credit Commitments.

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an “Extension Offer”) made from time to time by the Borrower to all Lenders holding Loans of any Class or Commitments of any Class, in each case on a pro rata basis (based on the aggregate outstanding principal amount of the respective Loans or Commitments of such Class) and on the same terms to each such Lender, the Borrower is hereby permitted from time to time to consummate transactions with any individual Lender who accepts the terms contained in the relevant Extension Offer to extend the Maturity Date of all or a portion of such Lender’s Loans and/or Commitments of such Class and otherwise modify the terms of all or a portion of such Loans and/or Commitments pursuant to the terms of the relevant Extension Offer (including by increasing the interest rate or fees payable in respect of such Loans and/or Commitments (and related outstandings) and/or modifying the amortization schedule, if any, in respect of such Loans) (each, an “Extension”); it being understood that any Extended Term Loans shall constitute a separate Class of Loans from the Class of Loans from which they were converted and any Extended Revolving Credit Commitments shall constitute a separate Class of Revolving Credit Commitments from the Class of Revolving Credit Commitments from which they were converted, so long as the following terms are satisfied:

(i) except as to (x) interest rates, fees and final maturity (which shall, subject to the succeeding clause (iii)(y), be determined by the Company and set forth in the relevant Extension Offer), (y) terms applicable to such Extended Revolving Credit Commitments or Extended Revolving Loans that are more favorable to the lenders or the agent of such Extended Revolving Credit Commitments or Extended Revolving Loans than those contained in the Loan Documents and are then conformed (or added) to the Loan Documents on or prior to the effectiveness of such Extension for the benefit of the Revolving Lenders or, as applicable, the Administrative Agent pursuant to the applicable Extension Amendment and (z) any terms or other provisions applicable only to periods after the Latest Revolving Credit Maturity Date (in each case, as of the date of such Extension), the commitment of any Revolving Lender that agrees to an Extension (an “Extended Revolving Credit Commitment”; and the Loans thereunder, “Extended Revolving Loans”), and the related outstandings, shall be a revolving commitment (or related outstandings, as the case may be) with substantially consistent terms (or terms not less favorable to existing Revolving Lenders) as the Class of Revolving Credit Commitments subject to the relevant Extension Offer (and related outstandings) provided hereunder; provided that to the extent any non-extended portion of any Revolving Facility then exists after giving effect to any such Extension, (1) the borrowing and repayment (except for (A) payments of interest and fees at different rates on any Revolving Facility (and related outstandings), (B) repayments required upon the Maturity Date of any Revolving Facility and (C) repayments made in connection with any permanent repayment and termination of any Revolving Credit Commitments (subject to clause (3) below)) of Extended Revolving Loans after the effective date of such Extended Revolving Credit Commitments shall be made on a pro rata basis or less than pro rata basis with such portion of the relevant Revolving Facilities (2) all letters of credit issued under any Extended Revolving Credit Commitment shall be participated on a pro rata basis by all Revolving Lenders of the applicable Class and (3) the permanent repayment of Revolving Loans with respect to, and reduction or termination of commitments under, any such Extended Revolving Credit Commitment after the effective date of such Extended Revolving Credit Commitments shall be made on a pro rata basis with such portion of any then-existing Revolving Facility, except that the Borrower shall be permitted to permanently repay and terminate Revolving Credit Commitments of any Revolving Facility on a greater than pro rata basis (I) as compared to any other Revolving Facilities with a later Maturity Date than such Revolving Facility and (II) to the extent refinanced or replaced with a Replacement Revolving Facility or Replacement Debt;
(ii) except as to (x) interest rates, fees, amortization, final maturity date, premiums, required prepayment dates and participation in prepayments (which shall, subject to immediately succeeding clauses (iii)(x), (iv) and (v), be determined by the Company and set forth in the relevant Extension Offer), (y) terms applicable to such Extended Term Loans that are more favorable to the lenders or the agent of such Extended Term Loans than those contained in the Loan Documents and are then conformed (or added) to the Loan Documents on or prior to the effectiveness of such Extension for the benefit of the Term Lenders or, as applicable, the Administrative Agent pursuant to the applicable Extension Amendment and (z) any covenants or other provisions applicable only to periods after the Latest Term Loan Maturity Date (in each case, as of the date of such Extension), the Term Loans of any Lender extended pursuant to any Extension (any such extended Term Loans, the “Extended Term Loans”) shall have substantially consistent terms (or terms not less favorable to existing Lenders) as the tranche of Term Loans subject to the relevant Extension Offer;

(iii) (x) the final maturity date of any Extended Term Loans shall be no earlier than the then applicable Latest Term Loan Maturity Date at the time of extension and (y) no Extended Revolving Credit Commitments or Extended Revolving Loans shall have a final maturity date earlier than (or require commitment reductions prior to) the then applicable Latest Revolving Credit Maturity Date;

(iv) the Weighted Average Life to Maturity of any Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans or any other Extended Term Loans extended thereby;

(v) subject to clauses (iii) and (iv) above, any Extended Term Loans may otherwise have an amortization schedule as determined by the Company and the Lenders providing such Extended Term Loans;

(vi) any Extended Term Loans may provide for the ability to participate (A) on a pro rata basis or non-pro rata basis in any voluntary prepayment of Term Loans made pursuant to Section 2.11(a) and (B) on a pro rata or less than pro rata basis (but not on a greater than pro rata basis other than in the case of prepayment with proceeds of Indebtedness refinancing such Extended Term Loans) in any mandatory prepayment of Term Loans required pursuant to Section 2.11(b);

(vii) if the aggregate principal amount of Loans or commitments, as the case may be, in respect of which Lenders shall have accepted the relevant Extension Offer exceeds the maximum aggregate principal amount of Loans or commitments, as the case may be, offered to be extended by the Borrower pursuant to such Extension Offer, then the Loans or commitments, as the case may be, of such Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) held by Lenders that have accepted such Extension Offer;

(viii) unless the Administrative Agent otherwise agrees, each Extension shall be in a minimum amount of $5,000,000;

(ix) any applicable Minimum Extension Condition shall be satisfied or waived by the Borrower; and

(x) all documentation in respect of such Extension shall be consistent with the foregoing.
(b) With respect to any Extension consummated pursuant to this Section 2.23, (i) no such Extension shall constitute a voluntary or mandatory prepayment for purposes of Section 2.11, (ii) the scheduled amortization payments (in so far as such schedule affects payments due to Lenders participating in the relevant Class) set forth in Section 2.10 shall be adjusted to give effect to such Extension of the relevant Class and (iii) except as set forth in clause (a)(viii) above, no Extension Offer is required to be in any minimum amount or any minimum increment; provided that the Borrower may, at its election, specify as a condition (a “Minimum Extension Condition”) to consummating such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrower’s sole discretion and which may be waived by the Borrower in its sole discretion) of Loans or commitments (as applicable) of any or all applicable Classes be tendered. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.23 (including, for the avoidance of doubt, any payment of any interest, fees or premium in respect of any tranche of Extended Term Loans and/or Extended Revolving Credit Commitments on such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including Sections 2.10, 2.11 or 2.18) or any other Loan Document that may otherwise prohibit any Extension or any other transaction contemplated by this Section.

(c) No consent of any Lender or the Administrative Agent shall be required to effectuate any Extension, other than (A) the consent of each Lender agreeing to such Extension with respect to one or more of its Loans and/or commitments under any Class (or a portion thereof) and (B) with respect to any Extension of the Revolving Credit Commitments, the consent of each Issuing Bank to the extent the commitment to provide Letters of Credit is to be extended. All Extended Term Loans and Extended Revolving Credit Commitments and all obligations in respect thereof shall constitute Secured Obligations under this Agreement and the other Loan Documents that are secured by the Collateral and guaranteed on a pari passu basis with all other Secured Obligations under this Agreement and the other Loan Documents. The Lenders hereby irrevocably authorize the Administrative Agent to enter into any Extension Amendment and such other amendments to this Agreement and the other Loan Documents as may be necessary in order to establish new Classes or sub-Classes in respect of Loans or commitments so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Company in connection with the establishment of such new Classes or sub-Classes, in each case on terms consistent with this Section 2.23.

(d) In connection with any Extension, the Company shall provide the Administrative Agent at least five Business Days’ (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures (including regarding timing, rounding and other adjustments and to ensure reasonable administrative management of the credit facilities hereunder after such Extension), if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.23.

(k) Other Information. Such other certificates, reports and information (financial or otherwise) as the Administrative Agent may reasonably request from time to time regarding the financial condition or business of the Company and its Restricted Subsidiaries; provided, however, that none of the Company or any Restricted Subsidiary shall be required to disclose or provide any information (i) that constitutes non-financial trade secrets or non-financial proprietary information of the Company or any of its subsidiaries or any of their respective customers and/or suppliers, (ii) in respect of which disclosure to the Administrative Agent or any Lender (or any of their respective representatives) is prohibited by any applicable Requirement of Law, (iii) that is subject to attorney-client or similar privilege or constitutes attorney work product or (iv) in respect of which the Company or any Restricted Subsidiary owes confidentiality obligations to any third party (provided such confidentiality obligations were not entered into solely in contemplation of the requirements of this Section 5.01(k)); provided, further, that in the event the Company does not provide any certificate, report or information requested pursuant to this clause (k) in reliance on the preceding proviso, the Company shall provide notice to the Administrative Agent that such certificate, report or information is being withheld and the Company shall use commercially reasonable efforts to describe, to the extent both feasible and permitted under applicable Requirements of Law or confidentiality obligations, or without waiving such privilege, as applicable, the applicable certificate, report or information.

Documents required to be delivered pursuant to this Section 5.01 may be delivered electronically and, if so delivered, shall be deemed to have been delivered on the date on which the Company (or a representative thereof) (i) (x) posts such documents or (y) provides a link thereto at the website address listed on Schedule 9.01 (as updated from time to time); provided that, other than with respect to items required to be delivered pursuant to Section 5.01(j) above, the Company shall promptly notify (which notice may be by facsimile or electronic mail) the Administrative Agent of the posting of any such documents or a link thereto on such website and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents; (ii) on which such documents are delivered by the Company to the Administrative Agent for posting on behalf of the Company on IntraLinks, SyndTrak or another relevant website, if any, to which each Lender and the Administrative Agent have access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); (vii) on which such documents are faxed to the Administrative Agent (or electronically mailed to an address provided by the Administrative Agent); or (iii) in respect of the items required to be delivered pursuant to Section 5.01(j) above in respect of information filed by the Company or any of its Restricted Subsidiaries with any securities exchange or with the SEC or any analogous governmental or private regulatory authority with jurisdiction over matters relating to
securities (other than Form 10-Q Reports and Form 10-K Reports), on which such items have been made available on the SEC website or the website of the relevant analogous governmental or private regulatory authority or securities exchange.

No financial statement required to be delivered pursuant to Section 5.01(a) or (b) shall be required to include acquisition accounting adjustments relating to the Transactions or any Permitted Acquisition or other Investment to the extent it is not practicable to include any such adjustments in such financial statement.

The Company shall conduct quarterly conference calls (which may be a single conference call together with investors and lenders holding other securities or Indebtedness of the Company, its Restricted Subsidiaries and/or any parent entity, including the Senior Notes) to discuss results of operations. Each quarterly conference call shall be following the last day of each Fiscal Quarter of the Company and not later than 20 Business Days from the time that the Company distributes the financial information required to be delivered pursuant to Section 5.01(a) or (b). At least two Business Days prior to such conference call, the Company shall notify the Lenders of the time and date of such conference call and provide instructions for Lenders to obtain access to such call.

Section 5.02. Existence. Except as otherwise permitted under Section 6.07, the Company will, and will cause each of its Restricted Subsidiaries to, at all times preserve and keep in full force and effect its existence and all rights, franchises, licenses and permits material to its business except, other than with respect to the preservation of the existence of the Company and each other Borrower, to the extent that the failure to do so would not reasonably be expected to result in a Material Adverse Effect; provided that neither the Company nor any of the Company’s Restricted Subsidiaries shall be required to preserve any such existence (other than with respect to the preservation of existence of the Company, except as otherwise permitted under Section 6.07), right, franchise, license or permit if a Responsible Officer of such Person or such Person’s board of directors (or similar governing body) determines that the preservation thereof is no longer desirable in the conduct of the business of such Person, and that the loss thereof is not disadvantageous in any material respect to such Person or to the Lenders.

Section 5.03. Payment of Taxes. The Company will, and will cause each of its Restricted Subsidiaries to, pay all Taxes imposed upon it or any of its properties or assets or in respect of any of its income or businesses or franchises before any penalty or fine accrues thereon; provided that no such Tax need be paid if (a) it is being contested in good faith by appropriate proceedings promptly instituted and diligently conducted, so long as (i) adequate reserves or other appropriate provisions, as are required in conformity with GAAP, have been made therefor and (ii) in the case of a Tax which has or may become a Lien against a material portion of the Collateral, such contest proceedings conclusively operate to stay the sale of such portion of the Collateral to satisfy such Tax or (b) failure to pay or discharge the same would not reasonably be expected to result in a Material Adverse Effect.

Section 5.04. Maintenance of Properties. The Borrower will, and will cause each of its Restricted Subsidiaries to, maintain or cause to be maintained in good repair, working order and condition, ordinary wear and tear and casualty and condemnation excepted, all material tangible property reasonably necessary to the normal conduct of business of the Company and its Restricted Subsidiaries and from time to time will make or cause to be made all needed and appropriate repairs, renewals and replacements thereof except as expressly permitted by this Agreement or where the failure to maintain such tangible properties or make such repairs, renewals or replacements would not reasonably be expected to have a Material Adverse Effect.

Section 5.05. Insurance. Except where the failure to do so would not reasonably be expected to have a Material Adverse Effect, the Company will maintain or cause to be maintained, in each case, as
determined by the Company in good faith, with financially sound and reputable insurers, such insurance coverage with respect to liabilities, losses or damage in respect of the assets, properties and businesses of the Company and its Restricted Subsidiaries as may customarily be carried or maintained under similar circumstances by Persons of established reputation engaged in similar businesses, in each case in such amounts (giving effect to self-insurance), with such deductibles, covering such risks and otherwise on such terms and conditions as shall be customary for such Persons, including, but only if required by applicable law or regulation, flood insurance with respect to each Flood Hazard Property, in each case in compliance with Flood Insurance Laws. Each such policy of insurance shall (i) name the Administrative Agent on behalf of the Lenders as a loss payee or an additional insured, as applicable, thereunder as its interests may appear and (ii) to the extent available from the relevant insurance carrier, in the case of each casualty insurance policy (excluding any business interruption insurance policy), contain a loss payable clause or endorsement that names the Administrative Agent, on behalf of the Lenders, as the loss payee thereunder and, to the extent available, provide for at least 30 days’ prior written notice to the Administrative Agent of any modification or cancellation of such policy (or 10 days’ prior written notice in the case of the failure to pay any premiums thereunder); provided that the Company shall have 45 days after the Closing Date (or such later date as agreed by the Administrative Agent) to comply with the requirements of the foregoing clauses (i) and (ii) with respect to policies in effect on the Closing Date.

Section 5.06. Inspections. The Company will, and will cause each of its Restricted Subsidiaries to, permit any authorized representative designated by the Administrative Agent to visit and inspect any of the properties of the Company and any of its Restricted Subsidiaries at which the principal financial records and executive officers of the applicable Person are located, to inspect, copy and take extracts from its and their respective financial and accounting records, and to discuss its and their respective affairs, finances and accounts with its and their Responsible Officers and independent public accountants (subject to such accountants’ customary policies and procedures) (provided that the Company (or any of its subsidiaries) may, if it so chooses, have one or more employees or representatives be present at or participate in any such discussion), all upon reasonable notice and at reasonable times during normal business hours; provided that (x) only the Administrative Agent on behalf of the Lenders may exercise the rights of the Administrative Agent and the Lenders under this Section 5.06, (y) the Administrative Agent shall not exercise such rights more often than one time during any calendar year and (z) only one such time per calendar year shall be at the expense of the Company; provided, further, that when an Event of Default exists, the Administrative Agent (or any of its representatives or independent contractors) may do any of the foregoing at the expense of the Company at any time during normal business hours and upon reasonable advance notice; provided, further that notwithstanding anything to the contrary herein, neither the Company nor any Restricted Subsidiary shall be required to disclose, permit the inspection, examination or making of copies of or taking abstracts from, or discuss any document, information or other matter (i) that constitutes non-financial trade secrets or non-financial proprietary information of the Company and its subsidiaries and/or any of its customers and/or suppliers, (ii) in respect of which disclosure to the Administrative Agent or any Lender (or any of their respective representatives or contractors) is prohibited by applicable law, (iii) that is subject to attorney-client or similar privilege or constitutes attorney work product or (iv) in respect of which the Company or any Restricted Subsidiary owes confidentiality obligations to any third party (provided such confidentiality obligations were not entered into solely in contemplation of the requirements of this Section 5.06); provided, further, that in the event any of the circumstances described in the preceding proviso exist, the Company shall provide notice to the Administrative Agent thereof and shall use commercially reasonable efforts to describe, to the extent both feasible and permitted under applicable Requirements of Law or confidentiality obligations, or without waiving such privilege, as applicable, the applicable document, information or other matter.
Section 5.07.  **Maintenance of Book and Records.** The Company will, and will cause its Restricted Subsidiaries to, maintain proper books of record and account containing entries of all material financial transactions and matters involving the assets and business of the Company and its Restricted Subsidiaries that are full, true and correct in all material respects and permit the preparation of consolidated financial statements in accordance with GAAP.

Section 5.08.  **Compliance with Laws.** The Company will comply, and will cause each of its Restricted Subsidiaries to comply, with the requirements of all applicable laws, rules, regulations and orders of any Governmental Authority (including ERISA and all Environmental Laws), except to the extent the failure of the Company or the relevant Restricted Subsidiary to comply would not reasonably be expected to have a Material Adverse Effect.

Section 5.09.  **Hazardous Materials Activity.**

(a) The Company will deliver to the Administrative Agent:

(i) as soon as reasonably practicable following receipt by Borrower thereof, copies of all written environmental audits, investigations, analyses and reports of any kind or character, whether prepared by personnel of the Company or any of its Restricted Subsidiaries or by independent consultants, governmental authorities or any other Persons, with respect to any Environmental Liabilities or Hazardous Materials Activity that, in each case would reasonably be expected to have a Material Adverse Effect;

(ii) reasonably promptly following the Company becoming aware of the occurrence thereof, written notice describing in reasonable detail (A) any Release required to be reported by the Company or any of its Restricted Subsidiaries to any federal, state or local governmental or regulatory agency under any applicable Environmental Law, (B) any remedial action taken by or on behalf of the Company or any of its Restricted Subsidiaries in response to any Hazardous Materials Activity or Environmental Claim, or (C) any pending or threatened in writing Environmental Claim, that in the case of each of (A), (B) and (C) above, would reasonably be expected to have a Material Adverse Effect; and

(iii) reasonably promptly following the sending or receipt thereof by the Company or any of its Restricted Subsidiaries, a copy of any and all written communications with respect to any Release required to be reported by the Company or any of its Restricted Subsidiaries to any federal, state or local governmental or regulatory agency or any Release required to be remediated pursuant to any Environmental Law, that in each case would reasonably be expected to have a Material Adverse Effect.

(b) The Company shall reasonably promptly take, and shall cause each of its Restricted Subsidiaries reasonably promptly to take, any and all actions reasonably necessary to (i) cure any violation of Environmental Law by the Company or any of its Restricted Subsidiaries, and, to the extent required by Environmental Law, address with appropriate corrective or remedial action any Release or threatened Release of any Hazardous Material at or from any Facility, in each case that would reasonably be expected to have a Material Adverse Effect and (ii) make an appropriate response to any Environmental Claim against the Company or any of its Restricted Subsidiaries and discharge any obligations it may have to any Person thereunder, in each case where failure to do so would reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect; provided that it shall not be deemed to be a violation of this Section 5.09 if the Company or its Restricted Subsidiaries are in good faith contesting such violation, corrective or remedial action or Environmental Claim in accordance with applicable Environmental Law.
Section 5.10. Designation of Subsidiaries. The Company may at any time after the Closing Date designate (or re-designate) any subsidiary as an Unrestricted Subsidiary or any Unrestricted Subsidiary as a Restricted Subsidiary; provided that (i) as of the date of the designation thereof, no Unrestricted Subsidiary shall own any Capital Stock in any Restricted Subsidiary (unless such Restricted Subsidiary is also designated as an Unrestricted Subsidiary simultaneously with the aforementioned designation in accordance with the terms of this Section 5.10) or hold any Indebtedness of or any Lien on any property of the Company or its Restricted Subsidiaries (unless the Company or such Restricted Subsidiary is permitted hereunder to incur such Indebtedness or grant such Lien in favor of such Unrestricted Subsidiary), and (ii) no Restricted Subsidiary may be designated as an Unrestricted Subsidiary unless, at the time thereof and after giving effect thereto, on a Pro Forma Basis, the Company would be in compliance with the covenant set forth in Section 6.15(a), whether or not the Revolving Facility Test Condition is then satisfied. The designation of any subsidiary as an Unrestricted Subsidiary shall constitute an Investment by the Company therein at the date of designation in an amount equal to the portion of the fair market value of the net assets of such Restricted Subsidiary attributable to the Company’s equity interest therein as estimated by the Company in good faith (and such designation shall only be permitted to the extent such Investment is permitted under Section 6.06); provided that if any subsidiary (a “Subject Subsidiary”) being designated as an Unrestricted Subsidiary has a subsidiary that was previously designated as an Unrestricted Subsidiary (the “Previously Designated Unrestricted Subsidiary”) in compliance with the provisions of this Agreement, the Investment of such Subject Subsidiary in such Previously Designated Unrestricted Subsidiary shall not be taken into account, and shall be excluded, in determining whether the Subject Subsidiary may be designated as an Unrestricted Subsidiary hereunder. The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute the incurrence or making, as applicable, at the time of designation of any then-existing Investment, Indebtedness or Lien of such Restricted Subsidiary, as applicable; provided that upon a re-designation of any Unrestricted Subsidiary as a Restricted Subsidiary, the Company shall be deemed to continue to have an Investment in the resulting Restricted Subsidiary in an amount (if positive) equal to (a) the Company’s “Investment” in such Restricted Subsidiary at the time of such re-designation less (b) the portion of the fair market value of the net assets of such Restricted Subsidiary attributable to the Company’s equity therein at the time of such re-designation. As of the Closing Date, the subsidiaries listed on Schedule 5.10 hereo have been designated as Unrestricted Subsidiaries.

Section 5.11. Use of Proceeds. The Borrower shall use the proceeds of the Revolving Loans on and after the Closing Date to finance the working capital needs and other general corporate purposes of the Company and its Restricted Subsidiaries (including for capital expenditures, acquisitions, working capital and/or purchase price adjustments, the payment of transaction fees and expenses (in each case, including in connection with the Transactions), other Investments, Restricted Payments, Restricted Debt Payments and related fees and expenses and any other purpose not prohibited by the terms of the Loan Documents). The Borrower shall use the proceeds of the Initial Term Loans, directly or indirectly, to finance the Transactions. No part of the proceeds of any Loan will be used, whether directly or indirectly, for any purpose that would entail a violation of Regulation U. The Borrower shall use the proceeds of the Incremental Term Loans for working capital, capital expenditures and other general corporate purposes of the Company and its Subsidiaries (including for Restricted Payments, acquisitions and other Investments and any other purpose not prohibited by the terms of the Loan Documents).

(a) Upon (i) the formation or acquisition after the Closing Date of any Restricted Subsidiary that is a Domestic Subsidiary (in each case, subject to Section 6.06(hh)), (ii) the designation of any Unrestricted Subsidiary that is a Domestic Subsidiary as a Restricted Subsidiary or (iii) any Restricted Subsidiary that is a Domestic Subsidiary ceasing to be an Excluded Subsidiary, (x) if the event giving rise

to the obligation under this Section 5.12(a) occurs during the first three Fiscal Quarters of any Fiscal Year, on or before the later of (I) 60 days following the relevant formation, acquisition, designation or cessation and (II) the date on which financial statements are required to be delivered pursuant to Section 5.01(a) for the Fiscal Quarter in which such formation, acquisition, designation or cessation occurred or (y) if the event giving rise to the obligation under this Section 5.12(a) occurs during the fourth Fiscal Quarter of any Fiscal Year, on or before the date that is 60 days after the end of such Fiscal Quarter (or, in the cases of clauses (x) and (y), such longer period as the Administrative Agent may reasonably agree), the Company shall (A) cause such Restricted Subsidiary (other than any Excluded Subsidiary) to comply with the requirements set forth in clause (a) of the definition of “Collateral and Guarantee Requirement” and (B) upon the reasonable request of the Administrative Agent, cause the relevant Restricted Subsidiary (other than any Excluded Subsidiary) to deliver to the Administrative Agent a signed copy of a customary opinion of counsel for such Restricted Subsidiary, addressed to the Administrative Agent and the other relevant Secured Parties.

(b) Within 120 days after the acquisition by any Loan Party of any Material Real Estate Asset other than any Excluded Asset (or such longer period as the Administrative Agent may reasonably agree), the Company shall cause such Loan Party to comply with the requirements set forth in clause (b) of the definition of “Collateral and Guarantee Requirement”; it being understood and agreed that, with respect to any Material Real Estate Asset (other than any Excluded Asset) owned by any Restricted Subsidiary at the time such Restricted Subsidiary is required to become a Loan Party under Section 5.12(a) above, such Material Real Estate Asset shall be deemed to have been acquired by such Restricted Subsidiary on the first day of the time period within which such Restricted Subsidiary is required to become a Loan Party under Section 5.12(a).

Notwithstanding anything to the contrary herein or in any other Loan Document, (i) the Administrative Agent may grant extensions of time (including after the expiration of any relevant period, which apply retroactively) for the creation and perfection of security interests in, or obtaining of title insurance, legal opinions, surveys or other deliverables with respect to, particular assets or the provision of any Loan Guaranty by any Restricted Subsidiary, and each Lender hereby consents to any such extension of time, (ii) any Lien required to be granted from time to time pursuant to the definition of “Collateral and Guarantee Requirement” shall be subject to the exceptions and limitations set forth in the Collateral Documents, (iii) perfection by control shall not be required with respect to assets requiring perfection through control agreements or other control arrangements, including deposit accounts, securities accounts and commodities accounts (other than control of pledged Capital Stock and/or Material Debt Instruments, in each case, that constitute Collateral) and no blocked account agreement, account control agreement or similar agreement shall be required, (iv) no Loan Party shall be required to seek any landlord waiver, bailee letter, estoppel, warehouseman waiver or other collateral access or similar letter or agreement, (v) no Loan Party will be required to (1) take any action or grant or perfect any security interest in any asset located outside of the U.S. or conduct any foreign lien search, (2) execute any foreign law guarantee, security agreement, pledge agreement, mortgage, deed or charge or (3) make any foreign intellectual property filing, conduct any foreign intellectual property search or prepare any foreign intellectual property schedule with respect to any assets of any Loan Party or enter into any source code escrow arrangement or register any intellectual property, in each case, except with respect to the assets of any Foreign Subsidiary that is designated as a Subsidiary Guarantor pursuant to the definition of such term, (vi) in no event will the Collateral include any Excluded Assets without the consent of the Company, (vii) no action shall be required to perfect any Lien with respect to (x) any vehicle or other asset subject to a certificate of title, or any retention of title, extended retention of title rights, or similar rights and/or (y) Letter-of-Credit Rights, in each case, to the extent that a security interest therein cannot be perfected by filing a Form UCC-1 (or similar) “all assets” financing statement without the requirement to list any VIN, serial or other number and (viii) the Administrative Agent shall not require the taking of a Lien on, or require the perfection of any Lien granted in, those assets as to which the cost (including the cost of any mortgage,
stamp, intangibles, or other tax or expense related to such Lien), burden, difficulty or consequence (including any effect on the ability of the relevant Loan Party to conduct its operations and business in the ordinary course of business) of obtaining or perfecting such Lien outweighs the benefit to the Lenders of the security afforded thereby as determined in good faith by the Company and the Administrative Agent.

Additionally, (i) no action shall be required to create or perfect a Lien in any asset in respect of which the creation or perfection of a security interest therein would (1) be prohibited by enforceable anti-assignment provisions set forth in any contract that is permitted or otherwise not prohibited by the terms of this Agreement, (2) violate the terms of any contract relating to such asset that is permitted or otherwise not prohibited by the terms of this Agreement, in each case, after giving effect to the applicable anti-assignment provisions of the UCC or other applicable law or (3) trigger termination of any contract relating to such asset that is permitted or otherwise not prohibited by the terms of this Agreement pursuant to any “change of control” or similar provision, it being understood that the Collateral shall include any proceeds and/or receivables arising out of any contract described in this clause (other than Excluded Assets) to the extent the assignment of such proceeds or receivables is expressly deemed effective under the UCC or other applicable Requirements of Law notwithstanding the relevant prohibition, violation or termination right, (ii) no Loan Party shall be required to create or perfect a security interest in any asset to the extent the creation or perfection of a security interest in such asset would (A) be prohibited under any applicable Requirement of Law, after giving effect to any applicable anti-assignment provision of the UCC or other applicable law and other than proceeds thereof (other than Excluded Assets) to the extent that the assignment of such proceeds is effective under the UCC or other applicable Requirements of Law notwithstanding such Requirement of Law, (B) require any governmental consent, approval, license or authorization (unless such consent, approval, license or authorization has been obtained), after giving effect to any applicable anti-assignment provision of the UCC or other applicable law and other than proceeds thereof (other than Excluded Assets) to the extent that the assignment of such proceeds is effective under the UCC or other applicable Requirements of Law notwithstanding such consent or restriction and/or (C) result in material adverse tax consequences to any Loan Party or any of its subsidiaries as determined by the Company in good faith, (iii) any joinder or supplement to any Loan Guaranty, any Collateral Document and/or any other Loan Document executed by any Restricted Subsidiary that is required to become a Loan Party pursuant to Section 5.12(a) above may, with the consent of the Administrative Agent (not to be unreasonably withheld or delayed), include such schedules (or updates to schedules) as may be necessary to qualify any representation or warranty set forth in any Loan Document to the extent necessary to ensure that such representation or warranty is true and correct to the extent required thereby or by the terms of any other Loan Document; and (iv) (A) no Loan Party will be required to take any action required under the Federal Assignment of Claims Act or any similar law and (B) no Secured Party will be permitted to exercise any right of setoff in respect of any account maintained solely for the purpose of receiving and holding government receivables.

Section 5.13. **Maintenance of Ratings.** The Company shall use commercially reasonable efforts to maintain public corporate credit facility ratings in respect of the Initial Term Loans and public corporate family ratings in respect of the Company from each of S&P and Moody’s; provided that in no event shall the Company be required to maintain any specific rating with any such agency.

Section 5.14. **Maintenance of Fiscal Year.** The Company shall maintain its Fiscal Year-end as in effect on the Closing Date; provided that the Company may, with the consent of the Administrative Agent (not to be unreasonably withheld or delayed), change its Fiscal Year-end to another date, in which case the Company and the Administrative Agent will, and are hereby authorized to (without requiring the consent of any other Person, including any Lender), make any adjustments to this Agreement that are necessary to reflect such change in Fiscal Year.
Section 5.15. Further Assurances. Promptly upon reasonable request of the Administrative Agent and subject to the limitations described in Section 5.12:

(a) The Company will, and will cause each other Loan Party to, execute any and all further documents, financing statements, agreements, instruments, certificates, notices and acknowledgments and take all such further actions (including the filing and recordation of financing statements, fixture filings, Mortgages and/or amendments thereto and other documents), that may be required under any applicable law and which the Administrative Agent may reasonably request to ensure the perfection and priority of the Liens created or intended to be created under the Collateral Documents, all at the expense of the relevant Loan Parties.

(b) The Company will, and will cause each other Loan Party to, (i) correct any material defect or error that may be discovered in the execution, acknowledgment, filing or recordation of any Collateral Document or other document or instrument relating to any Collateral and (ii) do, execute, acknowledge, deliver, record, re-record, file, re-file, register and re-register any and all such further acts (including notices to third parties), deeds, certificates, assurances and other instruments as the Administrative Agent may reasonably request from time to time in order to ensure the creation and perfection of the Liens created under the Collateral Documents.

(c) The Company agrees to deliver or cause to be delivered such documents and instruments, and take or cause to be taken such other actions as may be reasonably necessary to provide the perfected security interests described in the provisos to Section 4.01(a), Section 4.01(l) and Section 4.01(m) that are not so provided on the Closing Date, and in any event to provide such perfected security interests and to satisfy such other conditions within the applicable time periods set forth on Schedule 5.15(c), as such time periods may be extended by the Administrative Agent, in its sole discretion.

Section 5.16. Conduct of Business. The Company and its Restricted Subsidiaries shall engage only in those material lines of business that consist of (a) the businesses engaged in by the Company or any Restricted Subsidiary on the Closing Date, reasonably related, similar, incidental, complementary, ancillary, corollary, synergistic or related businesses, and/or reasonable extensions of such businesses and (b) such other lines of business to which the Administrative Agent may consent.

Section 5.17. Anti-Terrorism Laws. The Company and its Restricted Subsidiaries shall comply, in all material respects, with applicable Sanctions, the USA PATRIOT Act, the U.S. Foreign Corrupt Practices Act of 1977 and any other applicable anti-corruption laws; provided that the requirements set forth in this Section 5.17, as they pertain to compliance by any Foreign Subsidiary with Sanctions and the U.S. Foreign Corrupt Practices Act of 1977 are subject to and limited by any Requirement of Law applicable to such Foreign Subsidiary in its relevant local jurisdiction.

(b) **Financial Cure.** Notwithstanding anything to the contrary in this Agreement (including Article 7), the Company shall have the right (the “**Cure Right**”) (at any time during any such Fiscal Quarter or thereafter until the date that is 15 Business Days after the date on which financial statements for such Fiscal Quarter are required to be delivered pursuant to Section 5.01(a) or (b), as applicable) to issue common Capital Stock for Cash or otherwise receive Cash contributions in respect of common Capital Stock in each case to any Person or Persons (other than any Restricted Subsidiary) (the “**Cure Amount**”), and thereupon the Company’s compliance with Section 6.15(a) shall be recalculated giving effect to the following pro forma adjustment: Consolidated Adjusted EBITDA shall be increased (notwithstanding the absence of a related addback in the definition of “Consolidated Adjusted EBITDA”), solely for the purpose of determining compliance with Section 6.15(a) as of the end of such Fiscal Quarter and for applicable subsequent periods that include such Fiscal Quarter, by an amount equal to the Cure Amount. If, after giving effect to the foregoing recalculation (but not taking into account any immediate repayment of Indebtedness in connection therewith, except as expressly set forth below), the requirements of Section 6.15(a) would be satisfied, then the requirements of Section 6.15(a) shall be deemed satisfied as of the end of the relevant Fiscal Quarter with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of Section 6.15(a) that had occurred (or would have occurred) shall be deemed cured for the purposes of this Agreement. Notwithstanding anything herein to the contrary, (i) in each four consecutive Fiscal Quarter period there shall be at least two Fiscal Quarters (which may, but are not required to be, consecutive) in which the Cure Right is not exercised, (ii) during the term of this Agreement, the Cure Right shall not be exercised more than five times, (iii) the Cure Amount shall be no greater than the amount required for the purpose of complying with Section 6.15(a) (or to be in pro forma compliance with any financial covenant with respect to any other Indebtedness that is being cured), (iv) until the 15th Business Day following the date on which financial statements for the Fiscal Quarter are required to be delivered pursuant to Section 5.01(a) or (b), as applicable, neither the Administrative Agent (nor any subagent therefor) nor any Lender shall exercise any right to accelerate the Loans or terminate the Revolving Credit Commitments or any Additional Commitments, and none of the Administrative Agent (nor any subagent therefor) nor any Lender or Secured Party shall exercise any right to foreclose on or take possession
of the Collateral or any other right or remedy under the Loan Documents, in each case solely on the basis of the relevant Event of Default under Section 6.15(a), (v) during any Test Period in which any Cure Right is exercised, (A) such Cure Amount shall be counted solely as an increase to Consolidated Adjusted EBITDA (and not as a reduction of Indebtedness (by netting or otherwise), except with respect to future Test Periods to the extent that the proceeds of such Cure Amount are actually applied to repay Indebtedness) for the purpose of determining compliance with Section 6.15(a) and (B) such Cure Amount shall be disregarded for all other purposes, including the purpose of determining whether any financial ratio-based condition has been satisfied, the Commitment Fee Rate or the availability of any carve-out set forth in Article 6 of this Agreement and (vi) no Revolving Lender or Issuing Bank shall be required to make any Revolving Loan or issue any Letter of Credit hereunder if an Event of Default under Section 6.15(a) exists during the 15 Business Day period during which the Company may exercise a Cure Right above unless and until the Cure Amount is actually received.

Upon the occurrence and during the continuance of an Event of Default, subject to any Acceptable Intercreditor Agreement, the Administrative Agent may, and at the request of the Required Lenders shall, exercise any rights and remedies provided to the Administrative Agent under the Loan Documents or at law or equity, including all remedies provided under the UCC.

ARTICLE 8     THE ADMINISTRATIVE AGENT

Each of the Lenders and the Issuing Banks, on behalf of itself and its applicable Affiliates and in their respective capacities as such and as Secured Parties in respect of any Secured Hedging Obligations or Banking Services Obligations, as applicable, hereby irrevocably appoints Credit Suisse (or any successor appointed pursuant hereto) as Administrative Agent and authorizes the Administrative Agent to take such actions on its behalf, including execution of the other Loan Documents or any other documents with respect to the rights of the Secured Parties and the Collateral as contemplated by this Agreement and the other Loan Documents, and to exercise such powers as are delegated to the Administrative Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto.
Each of the Secured Parties hereby irrevocably appoints and authorizes the Administrative Agent (as collateral agent) to act as the agent of (and to hold any security interest created by the Loan Documents for and on behalf of or on trust for) such Secured Party for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. Each Secured Party agrees that any such actions by the Administrative Agent shall bind such Secured Party.

Any Person serving as Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent, and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated, unless the context otherwise requires or unless such Person is in fact not a Lender, include each Person serving as Administrative Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Loan Party or any subsidiary of any Loan Party or other Affiliate thereof as if it were not the Administrative Agent hereunder. The Lenders acknowledge that, pursuant to such activities, the Administrative Agent or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that the Administrative Agent shall not be under any obligation to provide such information to them.

The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or Event of Default exists, and the use of the term “agent” herein and in the other Loan Documents with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Requirements of Law; it being understood that such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary power, except discretionary rights and powers that are expressly contemplated by the Loan Documents and which the Administrative Agent is required to exercise in writing as directed by the Required Lenders or Required Revolving Lenders (or such other number or percentage of the Lenders as shall be necessary under the relevant circumstances as provided in Section 9.02); provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable Requirements of Law and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Company or any of its Restricted Subsidiaries that is communicated to or obtained by the Person serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable to the Lenders or any other Secured Party for any action taken or not taken by it with the consent or at the request of the Required Lenders or Required Revolving Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith shall be necessary, under the relevant circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct, as determined by the final judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein. The Administrative Agent shall not be deemed to have knowledge of any Default or Event of Default unless and until written notice thereof is given to the Administrative Agent by the Company or any Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or in connection with any Loan Document, (iii)
the performance or observance of any covenant, agreement or other term or condition set forth in any Loan Document or the occurrence of any Default or Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the creation, perfection or priority of any Lien on the Collateral or the existence, value or sufficiency of the Collateral, (vi) the satisfaction of any condition set forth in Article 4 or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or (vii) any property, book or record of any Loan Party or any Affiliate thereof; provided, further that, the foregoing paragraph is solely for the benefit of the Administrative Agent and not any Lender.

Each Lender agrees that, except with the written consent of the Administrative Agent, it will not take any enforcement action hereunder or under any other Loan Document, accelerate the Obligations under any Loan Document, or exercise any right that it might otherwise have under applicable law or otherwise to credit bid at any foreclosure sale, UCC sale, any sale under Section 363 of the Bankruptcy Code or other similar Dispositions of Collateral. Notwithstanding the foregoing, however, except as otherwise expressly limited herein, a Lender may take action to preserve or enforce its rights against a Loan Party where a deadline or limitation period is applicable that would, absent such action, bar enforcement of the Obligations held by such Lender, including the filing of a proof of claim in a case under the Bankruptcy Code.

Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, the Borrower, the Administrative Agent and each Secured Party agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Loan Guaranty; it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by the Administrative Agent on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights and remedies under the other Loan Documents may be exercised solely by the Administrative Agent and (ii) in the event of a foreclosure by the Administrative Agent on any of the Collateral pursuant to a public or private sale or in the event of any other Disposition (including pursuant to Section 363 of the Bankruptcy Code), (A) the Administrative Agent, as agent for and representative of the Secured Parties, shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such sale, to use and apply all or any portion of the Obligations as a credit on account of the purchase price for any Collateral payable by the Administrative Agent at such Disposition and (B) the Administrative Agent or any Lender may be the purchaser or licensee of all or any portion of such Collateral at any such Disposition.

No holder of any Secured Hedging Obligation or Banking Services Obligation in its respective capacity as such shall have any rights in connection with the management or release of any Collateral or of the obligations of any Loan Party under this Agreement.

Each of the Lenders hereby irrevocably authorizes (and by entering into a Hedge Agreement with respect to any Secured Hedging Obligation and/or by entering into documentation in connection with any Banking Services Obligation, each of the other Secured Parties hereby authorizes and shall be deemed to authorize) the Administrative Agent, on behalf of all Secured Parties, to take any of the following actions upon the instruction of the Required Lenders:

(a) consent to the Disposition of all or any portion of the Collateral free and clear of the Liens securing the Secured Obligations in connection with any Disposition pursuant to the applicable provisions of the Bankruptcy Code (or other applicable Debtor Relief Law), including Section 363 thereof;

(b) credit bid all or any portion of the Secured Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more acquisition vehicles), in connection
with any Disposition of all or any portion of the Collateral pursuant to the applicable provisions of the Bankruptcy Code (or other applicable Debtor Relief Law), including under Section 363 thereof;

(c) credit bid all or any portion of the Secured Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more acquisition vehicles), in connection with any Disposition of all or any portion of the Collateral pursuant to the applicable provisions of the UCC (or other applicable Debtor Relief Law), including pursuant to Sections 9-610 or 9-620 of the UCC;

(d) credit bid all or any portion of the Secured Obligations, or purchase all or any portion of the Collateral (in each case, either directly or through one or more acquisition vehicles), in connection with any foreclosure or other Disposition conducted in accordance with applicable law following the occurrence of an Event of Default, including by power of sale, judicial action or otherwise; and/or

(e) estimate the amount of any contingent or unliquidated Secured Obligations of such Lender or other Secured Party;

it being understood that no Lender shall be required to fund any new amount in connection with any purchase of all or any portion of the Collateral by the Administrative Agent pursuant to the foregoing clauses (b), (c) or (d) without its prior written consent.

Each Secured Party agrees that the Administrative Agent is under no obligation to credit bid any part of the Secured Obligations or to purchase or retain or acquire any portion of the Collateral; provided that, in connection with any credit bid or purchase described under clauses (b), (c) or (d) of the preceding paragraph, the Secured Obligations owed to all of the Secured Parties (other than with respect to contingent or unliquidated liabilities as set forth in the next succeeding paragraph) may be, and shall be, credit bid by the Administrative Agent on a ratable basis. For the avoidance of doubt, nothing in this Article 8 shall limit any rights of the Company or its Subsidiaries under Section 363(k) of the Bankruptcy Code (or the corresponding provisions of any other applicable Debtor Relief Law).

With respect to each contingent or unliquidated claim that is a Secured Obligation, the Administrative Agent is hereby authorized by the Secured Parties, but is not required, to estimate the amount thereof for purposes of any credit bid or purchase described in the second preceding paragraph so long as the estimation of the amount or liquidation of such claim would not unduly delay the ability of the Administrative Agent to credit bid the Secured Obligations or purchase the Collateral in the relevant Disposition. In the event that the Administrative Agent, in its sole and absolute discretion, elects not to estimate any such contingent or unliquidated claim or any such claim cannot be estimated without unduly delaying the ability of the Administrative Agent to consummate any credit bid or purchase in accordance with the second preceding paragraph, then any contingent or unliquidated claims not so estimated shall be disregarded, shall not be credit bid, and shall not be entitled to any interest in the portion or the entirety of the Collateral purchased by means of such credit bid.

Each Secured Party whose Secured Obligations are credit bid under clauses (b), (c) or (d) of the third preceding paragraph shall be entitled to receive interests in the Collateral or any other asset acquired in connection with such credit bid (or in the Capital Stock of the acquisition vehicle or vehicles that are used to consummate such acquisition) on a ratable basis in accordance with the percentage obtained by dividing (x) the amount of the Secured Obligations of such Secured Party that were credit bid in such credit bid or other Disposition by (y) the aggregate amount of all Secured Obligations that were credit bid in such credit bid or other Disposition.

[[5470263]]
In addition, in case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, each Secured Party agrees that the Administrative Agent (irrespective of whether the principal of any Loan or LC Exposure is then due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans or LC Exposure and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuing Banks and the Administrative Agent and their respective agents and counsel and all other amounts to the extent due to the Lenders and the Administrative Agent under Sections 2.12 and 9.03) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same.

Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and each Issuing Bank to make such payments to the Administrative Agent and, in the event that the Administrative Agent consents to the making of such payments directly to the Lenders and the Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amount due to the Administrative Agent under Sections 2.12 and 9.03.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or any Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or any Issuing Bank or to authorize the Administrative Agent to vote in respect of the claim of any Lender or any Issuing Bank in any such proceeding.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Administrative Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender or the applicable Issuing Bank, the Administrative Agent may presume that such condition is satisfactory to such Lender or such Issuing Bank unless the Administrative Agent has received notice to the contrary from such Lender or Issuing Bank prior to the making of such Loan or the issuance of such Letter of Credit. The Administrative Agent may consult with legal counsel (who may be counsel for the Company), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any and all of its duties and exercise its rights and powers by or through any one or more sub-agents appointed by it. The Administrative Agent and any such sub-agent may perform any and all of their respective duties and exercise their respective rights and powers through
their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as the Administrative Agent.

The Administrative Agent may resign at any time by giving thirty days’ written notice to the Lenders, the Issuing Banks and the Company. If the Administrative Agent is a Defaulting Lender or an Affiliate of a Defaulting Lender, either the Required Lenders or the Company may, upon thirty days’ notice, remove the Administrative Agent. Upon receipt of any such notice of resignation or delivery of any such notice of removal, the Required Lenders shall have the right, with the consent of the Company (not to be unreasonably withheld or delayed), to appoint a successor Administrative Agent which shall be a commercial bank or trust company or other Person reasonably acceptable to the Company with offices in the U.S. having combined capital and surplus in excess of $1,000,000,000 (or such lesser amount as determined in the sole and absolute discretion of the Required Lenders); provided that during the existence and continuation of a Specified Event of Default, no consent of the Company shall be required. If no successor shall have been appointed as provided above and accepted such appointment within thirty days after the retiring Administrative Agent gives notice of its resignation or the Administrative Agent receives notice of removal, then (a) in the case of a retirement, the retiring Administrative Agent may (but shall not be obligated to), on behalf of the Lenders and the Issuing Banks, appoint a successor Administrative Agent meeting the qualifications set forth above (including, for the avoidance of doubt, consent of the Company) or (b) in the case of a removal, the Company may, after consulting with the Required Lenders, appoint a successor Administrative Agent meeting the qualifications set forth above; provided that (x) in the case of a retirement, if the Administrative Agent notifies the Company, the Lenders and the Issuing Banks that no qualifying Person has accepted such appointment or (y) in the case of a removal, the Company notifies the Required Lenders that no qualifying Person has accepted such appointment, then, in each case, such resignation or removal shall nonetheless become effective in accordance with such notice and (i) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent in its capacity as collateral agent for the Secured Parties for perfection purposes, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed) and (ii) all payments, communications and determinations required to be made by, to or through the Administrative Agent shall instead be made by or to each Lender and each Issuing Bank directly (and each Lender and each Issuing Bank will cooperate with the Company to enable the Company to take such actions), until such time as the Required Lenders or the Company, as applicable, appoint a successor Administrative Agent, as provided for above in this Article 8. Upon the acceptance of its appointment as a successor Administrative Agent, such successor Administrative Agent shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Administrative Agent (other than any rights to indemnity payments owed to the retiring Administrative Agent), and the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder (other than its obligations under Section 9.13 hereof) and under the other Loan Documents if not already discharged from them. The fees payable by the Company to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Company and such successor Administrative Agent. After the Administrative Agent’s resignation or removal hereunder, the provisions of this Article and Section 9.03 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any action taken or omitted to be taken by any of them while the relevant Person was acting as Administrative Agent (including for this purpose holding any collateral security following the retirement or removal of the Administrative Agent). Notwithstanding anything to the contrary herein, no Disqualified Institution (nor any Affiliate thereof) may be appointed as a successor Administrative Agent.

176
Any removal of the Administrative Agent by the Company hereunder shall also constitute its removal as Issuing Bank effective as of the date of effectiveness of its removal as Administrative Agent as provided above; it being understood that in the event of any such resignation or removal, any Letter of Credit then outstanding shall remain outstanding (irrespective of whether any amounts have been drawn at such time). In the event of any such removal as an Issuing Bank, the Company shall be entitled to appoint any Revolving Lender that is willing to accept such appointment as successor Issuing Bank hereunder. Upon the acceptance of any appointment as Issuing Bank hereunder by a successor Issuing Bank, such successor Issuing Bank shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the resigning Issuing Bank, and the resigning Issuing Bank shall be discharged from its duties and obligations in such capacity hereunder.

Each Lender and each Issuing Bank acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender or any of their respective Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or related agreement or any document furnished hereunder or thereunder. Except for notices, reports and other documents expressly required to be furnished to the Lenders and the Issuing Banks by the Administrative Agent herein, the Administrative Agent shall not have any duty or responsibility to provide any Lender or any Issuing Bank with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of the Administrative Agent or any of its Related Parties.

Notwithstanding anything to the contrary herein, the Arrangers shall not have any right, power, obligation, liability, responsibility or duty under this Agreement, except in their respective capacities, as applicable, as the Administrative Agent or a Lender hereunder.

Each Secured Party irrevocably authorizes and instructs the Administrative Agent to, and the Administrative Agent shall, upon request of the Company:

(a) without limiting Section 9.22, release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon the occurrence of the Termination Date, (ii) that is sold or to be sold or transferred as part of or in connection with any Disposition permitted under the Loan Documents to a Person that is not a Loan Party, (iii) that does not constitute (or ceases to constitute) Collateral, (iv) if the property subject to such Lien is owned by a Subsidiary Guarantor, upon the release of such Subsidiary Guarantor from its Loan Guaranty otherwise in accordance with the Loan Documents, (v) as required under clause (d) below or (vi) if approved, authorized or ratified in writing by the Required Lenders (or such other number or percentage of Lenders as shall be necessary under the relevant circumstances as provided in Section 9.02) in accordance with Section 9.02;

(b) without limiting Section 9.22, release any Subsidiary Guarantor from its obligations under the Loan Guaranty (i) if such Person ceases to be a Restricted Subsidiary (or becomes an Excluded Subsidiary as a result of a single transaction or series of related transactions or any event or other circumstance permitted hereunder) and/or (ii) upon the occurrence of the Termination Date;
(c) subordinate any Lien on any property granted to or held by the Administrative Agent under any Loan Document to the holder of any Lien on such property that is permitted by Sections 6.02(c), 6.02(d), 6.02(e), 6.02(f), 6.02(g), 6.02(h), 6.02(m), 6.02(n), 6.02(o), 6.02(p), 6.02(r), 6.02(u), 6.02(y)(ii), 6.02(x), 6.02(y), 6.02(z)(i), 6.02(bb), 6.02(cc), 6.02(dd), 6.02(ce), 6.02(ff), 6.02(hh), 6.02(ii) and 6.02(ll) (and any Refinancing Indebtedness in respect of any thereof to the extent such Refinancing Indebtedness is permitted to be secured under Section 6.02(k)); and

(d) enter into subordination, intercreditor, collateral trust and/or similar agreements (and any amendments thereto) with respect to Indebtedness (including any Acceptable Intercreditor Agreement and any amendment thereto) that is (i) required or permitted to be subordinated hereunder or pari passu with the Liens securing the Obligations and/or (ii) secured by Liens, and with respect to which Indebtedness and/or Liens, this Agreement contemplates an intercreditor, subordination, collateral trust or similar agreement.

Upon the request of the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent’s authority to release or subordinate its interest in particular types or items of property, or to release any Loan Party from its obligations under the Loan Guaranty or its Lien on any Collateral pursuant to this Article 8. In each case as specified in this Article 8, the Administrative Agent will (and each Lender and each Issuing Bank hereby authorizes the Administrative Agent to), at the Company’s expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Collateral Documents, to subordinate its interest therein, or to release such Loan Party from its obligations under the Loan Guaranty, in each case in accordance with the terms of the Loan Documents and this Article 8.

The Administrative Agent is authorized to, and shall upon request of the Company, enter into any Acceptable Intercreditor Agreement and any other intercreditor, subordination, collateral trust or similar agreement contemplated hereby with respect to any (a) Indebtedness (i) that is (A) required or permitted to be subordinated hereunder or pari passu with or senior to the Liens securing the Obligations and/or (B) secured by Liens and (ii) with respect to which Indebtedness and/or Liens, this Agreement contemplates an intercreditor, subordination, collateral trust or similar agreement (any such other intercreditor, subordination, collateral trust and/or similar agreement, an “Additional Agreement”) and/or (b) Secured Hedging Obligations and/or Banking Services Obligations, whether or not constituting Indebtedness, and each Secured Party acknowledges that any Acceptable Intercreditor Agreement and any Additional Agreement is binding upon them. Each Secured Party hereby (a) [reserved], (b) agrees that it will be bound by, and will not take any action contrary to, the provisions of any Acceptable Intercreditor Agreement or any Additional Agreement and (c) authorizes and instructs the Administrative Agent to enter into any Additional Agreement (including any Acceptable Intercreditor Agreement) and to subject the Liens on the Collateral securing the Secured Obligations to the provisions thereof. The foregoing provisions are intended as an inducement to the Secured Parties to extend credit to the Borrower, and the Secured Parties are intended third-party beneficiaries of such provisions and the provisions of any Acceptable Intercreditor Agreement and/or any other Additional Agreement.

To the extent that the Administrative Agent (or any Affiliate thereof) is not reimbursed and indemnified by the Borrower in accordance with the terms of this Agreement, the Lenders will reimburse and indemnify the Administrative Agent (and any Affiliate thereof) in proportion to their respective Applicable Percentages (determined as if there were no Defaulting Lenders) for and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, judgments, costs, expenses or disbursements of whatsoever kind or nature which may be imposed on, asserted against or incurred by the
Administrative Agent (or any Affiliate thereof) in performing its duties hereunder or under any other Loan Document or in any way relating to or arising out of this Agreement or any other Loan Document; provided that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, claims, actions, judgments, suits, costs, expenses or disbursements resulting from the Administrative Agent’s (or such Affiliate’s) gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

Each Lender (a) represents and warrants, as of the date such Person became a Lender party hereto, to, and (b) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

In addition, unless either (1) subclause (i) in the immediately preceding paragraph is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with subclause (iv) in the immediately preceding paragraph, such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets
of such Lender involved in such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

(iii) if to any Lender, to it at its address, facsimile number or email address set forth in its Administrative Questionnaire.

All such notices and other communications (A) sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when delivered in person or by courier service and signed for against receipt thereof or three Business Days after dispatch if sent by certified or registered mail, in each case, delivered, sent or mailed (properly addressed) to the relevant party as provided in this Section 9.01 or in accordance with the latest unrevoked direction from such party given in accordance with this Section 9.01 or (B) sent by facsimile shall be deemed to have been given when sent and when receipt has been confirmed by telephone; provided that notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, such notices or other communications shall be deemed to have been given at the opening of business on the next Business Day for the recipient). Notices and other communications delivered through
electronic communications to the extent provided in clause (b) below shall be effective as provided in such clause (b).

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications (including e-mail and Internet or Intranet websites, including Intralinks or another similar electronic system (the “Platform”)) pursuant to procedures set forth herein or otherwise approved by the Administrative Agent. The Administrative Agent or the Company (on behalf of any Loan Party) may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures set forth herein or otherwise approved by it; provided that approval of such procedures may be limited to particular notices or communications. All such notices and other communications (i) sent to an e-mail address shall be deemed received upon the sender’s receipt of an acknowledgment from the intended recipient (such as by the “return receipt requested” function, as available, return e-mail or other written acknowledgment); provided that if not given during the normal business hours of the recipient, such notice or communication shall be deemed to have been given at the opening of business on the next Business Day for the recipient and (ii) posted to an Internet or Intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (b)(i) of notification that such notice or communication is available and identifying the website address therefor.

(c) Certain of the Lenders may be “public-side” Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to each Borrower or its securities) (each, a “Public Lender”). The Company and each other Borrower hereby agree that, at the request of the Administrative Agent, (i) all materials that are to be made available to Public Lenders shall be clearly and conspicuously marked “PUBLIC” which, at a minimum, shall mean that the word “PUBLIC” shall appear prominently on the first page thereof; (ii) by marking such materials “PUBLIC,” the Borrowers shall be deemed to have authorized the Administrative Agent and the Lenders to treat such materials as not containing any material non-public information with respect to the Company and any other Borrower or its securities for purposes of foreign, United States federal and state securities laws (provided, however, that to the extent such materials constitute Confidential Information, they shall be treated as set forth in Section 9.13); (iii) all materials marked “PUBLIC” are permitted to be made available through a portion of the Platform designated as “Public Investor;” and (iv) the Administrative Agent shall be entitled to treat any materials that are not marked “PUBLIC” as being suitable only for posting on a portion of the Platform not marked as “Public Investor.” Notwithstanding the foregoing, the following materials shall be marked “PUBLIC”, unless the Company or any other Borrower notifies the Administrative Agent promptly that any such document contains material non-public information: (A) the Loan Documents and (B) notification of changes in the terms of the Credit Facilities. Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable law, including foreign, United States Federal and state securities laws, to make reference to communications that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Company or any other Borrower or its securities for purposes of foreign, United States Federal or state securities laws.

(d) Any party hereto may change its address or facsimile number or other notice information hereunder by notice to the other parties hereto; it being understood and agreed that the Company may provide any such notice to the Administrative Agent as recipient on behalf of itself, each Issuing Bank and each Lender.
(e) Any additional Borrower hereby irrevocably appoints the Company as its agent for all purposes relevant to this Agreement and each of the other Loan Documents (other than with respect to payment), including (i) the giving and receipt of notices and (ii) the execution and delivery of all documents, instruments and certificates contemplated herein and all modifications hereto. Any acknowledgment, consent, direction, certification or other action (other than with respect to payment) which might otherwise be valid or effective only if given or taken by all Borrowers, or by each Borrower acting singly, shall be valid and effective if given or taken only by the Company, whether or not any such additional Borrower joins therein. Any notice, demand, consent, acknowledgment, direction, certification or other communication delivered to the Company in accordance with the terms of this Agreement shall be deemed to have been delivered to each additional Borrower.

Section 9.02. Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof except as provided herein or in any other Loan Document, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Issuing Banks and the Lenders hereunder and under any other Loan Document are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any party thereto therefrom shall in any event be effective unless the same is permitted by this Section 9.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which it is given. Without limiting the generality of the foregoing, to the extent permitted by law, the making of a Loan or the issuance of any Letter of Credit shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default or Event of Default at the time.

(b) Subject to clauses (A), (B), (C), (D) and (E) of this Section 9.02(b) and Sections 9.02(c) and (d) below, neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified, except (i) in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Company and the Required Lenders (or the Administrative Agent with the consent of the Required Lenders) or (ii) in the case of any other Loan Document (other than any waiver, amendment or modification to effectuate any modification thereto expressly contemplated by the terms of such other Loan Document), pursuant to an agreement or agreements in writing entered into by the Administrative Agent and each Loan Party that is party thereto, with the consent of the Required Lenders; provided that, notwithstanding the foregoing:

(A) except with the consent of each Lender directly and adversely affected thereby (but without requiring the consent of the Required Lenders), no such agreement shall;

(1) increase the Commitment of such Lender (other than with respect to any Incremental Facility pursuant to Section 2.21(a) in respect of which such Lender has agreed to be an Additional Lender); it being understood that no amendment, modification or waiver of, or consent to departure from, any condition precedent, representation, warranty, covenant, Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall constitute an increase of any Commitment of such Lender;
(2) reduce or forgive the principal amount of any Loan owed to such Lender or any amount due to such Lender on any Loan Installment Date (other than, in each case, any waiver of, or consent to or departure from, any Default or Event of Default or any mandatory prepayment; it being understood that no change in (i) the definition of “First Lien Leverage Ratio” or any other ratio used in the calculation of any mandatory prepayment (including any component definition thereof) or (ii) the MFN Provision shall constitute a reduction or forgiveness of any principal amount due hereunder);

(3) (x) extend the scheduled final maturity of any Loan or (y) postpone any Loan Installment Date, any Interest Payment Date or the date of any scheduled payment of any fee, in each case payable to such Lender hereunder (in each case, other than any extension for administrative reasons agreed by the Administrative Agent) (other than, in each case, any waiver of, or consent or departure from, any Default or Event of Default or any mandatory prepayment; it being understood that no change in (i) the definition of “First Lien Leverage Ratio” or any other ratio used in the calculation of the Commitment Fee Rate, or in the calculation of any other interest or fee due hereunder (including any component definition thereof) or (ii) the MFN Provision shall constitute such an extension or postponement);

(4) reduce the rate of interest (other than to waive any Default or Event of Default or obligation of the Borrower to pay interest at the default rate of interest under Section 2.13(d), which shall only require the consent of the Required Lenders) or the amount of any fee owed to such Lender; it being understood that no change in (i) the definition of “First Lien Leverage Ratio” or any other ratio used in the calculation of the Commitment Fee Rate, or in the calculation of any other interest or fee due hereunder (including any component definition thereof) or (ii) the MFN Provision shall constitute a reduction in any rate of interest or fee hereunder;

(5) extend the expiry date of such Lender’s Commitment; it being understood that no amendment, modification or waiver of, or consent to departure from, any condition precedent, representation, warranty, covenant, Default, Event of Default, mandatory prepayment or mandatory reduction of any Commitment shall constitute an extension of any Commitment of any Lender; and

(6) waive, amend or modify the provisions of Sections 2.11(a), 2.11(b)(vi), 2.18(b) or 2.18(c) in a manner that would by its terms alter the pro rata sharing of payments required thereby or any requirement to make payments to Lenders in accordance with their respective Applicable Percentages (except in connection with any transaction permitted under Sections 2.22, 2.23, 9.02(c) and/or 9.05(g) or as otherwise provided in this Section 9.02); and

(B) no such agreement shall:

(1) change (x) any of the provisions of Section 9.02(a) or Section 9.02(b) or the definition of “Required Lenders” to reduce any voting percentage required to waive, amend or modify any right thereunder or make any determination or grant any consent thereunder, without the prior written consent of each Lender or (y) the definition of “Required Revolving Lenders” to reduce any
voting percentage required to waive, amend or modify any right thereunder or make any determination or grant any consent thereunder, without the prior written consent of each Revolving Lender (it being understood that neither the consent of the Required Lenders nor the consent of any other Lender shall be required in connection with any change to the definition of “Required Revolving Lenders”);

(2) release all or substantially all of the Collateral from the Lien granted pursuant to the Loan Documents (except as otherwise permitted herein or in the other Loan Documents, including pursuant to Article 8 or Section 9.22 hereof or pursuant to any Acceptable Intercreditor Agreement), without the prior written consent of each Lender; or

(3) release all or substantially all of the value of the Guarantees under the Loan Guaranty (except as otherwise permitted herein or in the other Loan Documents, including pursuant to Article 8 or Section 9.22 hereof), without the prior written consent of each Lender;

(C) solely with the consent of the Required Revolving Lenders (but without the consent of the Required Lenders or any other Lender), any such agreement may (x) waive, amend or modify Section 6.15 (or the definition of “First Lien Leverage Ratio” or any component definition thereof, in each case, as any such definition is used solely for purposes of Section 6.15) or waive any Default or Event of Default in respect of Section 6.15 (other than as permitted under clause (y)), (y) waive, amend or modify any condition precedent set forth in Section 4.02 hereof as it pertains to any Revolving Loan and/or Additional Revolving Loan and/or (z) waive any Default or Event of Default that results from any representation made or deemed made by any Loan Party in any Loan Document in connection with any Credit Extension under the Revolving Facility being untrue in any material respect as of the date made or deemed made;

(D) solely with the consent of the relevant Issuing Bank and, in the case of clause (x), the Administrative Agent, any such agreement may (x) increase or decrease the Letter of Credit Sublimit or (y) waive, amend or modify any condition precedent set forth in Section 4.02 hereof as it pertains to the issuance of any Letter of Credit by such Issuing Bank; and

(E) solely with the consent of the Borrower and applicable Class or Classes of Revolving Lenders and/or, if applicable, Issuing Banks, subject to the provisions of Section 1.10, this Agreement may be amended or otherwise modified to permit the availability of Revolving Loans and/or Letters of Credit denominated in a currency other than Dollars and to make technical changes to this Agreement and any other Loan Document to accommodate the inclusion of any such new currency;

provided, further, that no such agreement shall adversely amend, modify or otherwise affect the rights or duties of the Administrative Agent or any Issuing Bank hereunder without the prior written consent of the Administrative Agent and/or any such Issuing Bank, as the case may be. The Administrative Agent may also amend the Commitment Schedule to reflect assignments entered into pursuant to Section 9.05. Commitment reductions or terminations pursuant to Section 2.09, incurrences of Additional Commitments or Additional Loans pursuant to Sections 2.22, 2.23 or 9.02(c) and reductions or terminations of any such Additional Commitments or Additional Loans. Notwithstanding anything to the contrary herein,
(i) no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment of any Defaulting Lender may not be increased without the consent of such Defaulting Lender (it being understood that any Commitment or Loan held or deemed held by any Defaulting Lender shall be excluded from any vote hereunder that requires the consent of any Lender, except as expressly provided in Section 2.21(b)) and (ii) no Net Short Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder or under any of the Loan Documents and instead shall be deemed to have voted its interest as a Lender as provided in the immediately preceding paragraph below. Notwithstanding the foregoing, but without limiting the provisions of Section 2.22(g), this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit any extension of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the relevant benefits of this Agreement and the other Loan Documents and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders on substantially the same basis as the Lenders prior to such inclusion.

Notwithstanding anything to the contrary herein, in connection with any determination as to whether the requisite Lenders have (A) consented (or not consented) to any amendment or waiver of any provision of this Agreement or any other Loan Document or any departure by any Loan Party therefrom, (B) otherwise acted on any matter related to any Loan Document, or (C) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, any Lender (other than (x) any Lender that is a Regulated Bank and (y) any Initial Revolving Lender as of the Closing Date) that, as a result of its interest in any total return swap, total rate of return swap, credit default swap or other derivative contract (other than any such total return swap, total rate of return swap, credit default swap or other derivative contract entered into pursuant to bona fide market making activities), has a net short position with respect to the Loans and/or Commitments (each, a “Net Short Lender”) shall have no right to vote any of its Loans and Commitments and shall be deemed to have voted its interest as a Lender without discretion in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Net Short Lenders. For purposes of determining whether a Lender has a “net short position” on any date of determination: (i) derivative contracts with respect to the Loans and Commitments and such contracts that are the functional equivalent thereof shall be counted at the notional amount thereof in Dollars, (ii) notional amounts in other currencies shall be converted to the dollar equivalent thereof by such Lender in a commercially reasonable manner consistent with generally accepted financial practices and based on the prevailing conversion rate (determined on a mid-market basis) on the date of determination, (iii) derivative contracts in respect of an index that includes any of the Borrower or other Loan Parties or any instrument issued or guaranteed by any of the Company or other Loan Parties shall not be deemed to create a short position with respect to the Loans and/or Commitments, so long as (x) such index is not created, designed, administered or requested by such Lender and (y) the Company and other Loan Parties and any instrument issued or guaranteed by any of the Company or other Loan Parties, collectively, shall represent less than 5% of the components of such index, (iv) derivative transactions that are documented using either the 2014 ISDA Credit Derivatives Definitions or the 2003 ISDA Credit Derivatives Definitions (collectively, the “ISDA CDS Definitions”) shall be deemed to create a short position with respect to the Loans and/or Commitments if such Lender is a protection buyer or the equivalent thereof for such derivative transaction and (x) the Loans or the Commitments are a “Reference Obligation” under the terms of such derivative transaction (whether specified by name in the related documentation, included as a “Standard Reference Obligation” on the most recent list published by Markit, if “Standard Reference Obligation” is specified as applicable in the relevant documentation or in any other manner), (y) the Loans or the Commitments would be a “Deliverable Obligation” under the terms of such derivative transaction or (z) any of the Company or other Loan Parties (or its successor) is designated as a “Reference Entity” under the terms of such derivative transactions, and (y) credit derivative transactions or other derivatives
transactions not documented using the ISDA CDS Definitions shall be deemed to create a short position with respect to the Loans and/or Commitments if such transactions are functionally equivalent to a transaction that offers the Lender protection in respect of the Loans or the Commitments, or as to the credit quality of any of the Company or other Loan Parties other than, in each case, as part of an index so long as (x) such index is not created, designed, administered or requested by such Lender and (y) the Company and other Loan Parties and any instrument issued or guaranteed by any of the Company or other Loan Parties, collectively, shall represent less than 5% of the components of such index. In connection with any such determination, each Lender shall promptly notify the Administrative Agent in writing that it is a Net Short Lender, or shall otherwise be deemed to have represented and warranted to the Company and the Administrative Agent that it is not a Net Short Lender (it being understood and agreed that the Company and the Administrative Agent shall be entitled to rely on each such notification and deemed representation).

Notwithstanding the foregoing, this Agreement may be amended:

(i) with the written consent of the Borrower and the Lenders providing the relevant Replacement Term Loans to permit the refinancing or replacement of all or any portion of the outstanding Term Loans under any applicable Class (any such loans being refinanced or replaced, the “Replacement Term Loans”) with one or more replacement term loans hereunder (“Replacement Term Loans”) pursuant to a Refinancing Amendment; provided that

(A) the aggregate principal amount of any Replacement Term Loans shall not exceed the aggregate principal amount of the Replaced Term Loans plus (1) any additional amounts permitted to be incurred under Section 6.01 and, to the extent any such additional amounts are secured, the related Liens are permitted under Section 6.02 and plus (2) the amount of accrued interest, penalties and premium (including any tender premium) thereon, any committed but undrawn amount and underwriting discounts, fees (including upfront fees, original issue discount or initial yield payments), commissions and expenses associated therewith,

(B) any Replacement Term Loans (other than (x) customary bridge loans with a maturity date of not longer than one year; provided that any loans, notes, securities or other Indebtedness which are exchanged for or otherwise replace such bridge loans shall be subject to the requirements of this clause (B), (y) [reserved] and (z) Refinancing Indebtedness having an aggregate principal amount outstanding not exceeding the greater of $350,000,000 and 100% of Consolidated Adjusted EBITDA as of the last day of the most recently ended Test Period) must have a final maturity date that is equal to or later than the final maturity date of, and have a Weighted Average Life to Maturity equal to or greater than the Weighted Average Life to Maturity of, the Replaced Term Loans at the time of the relevant refinancing,

(C) any Replacement Term Loans may be pari passu or junior in right of payment and pari passu (without regard to the control of remedies) or junior with respect to the Collateral with the remaining portion of the Initial Term Loans or Additional Term Loans (provided that if pari passu or junior as to Collateral, such Replacement Term Loans shall be subject to an Acceptable Intercreditor Agreement and may, at the option of the Company, be documented in a separate agreement or agreements), or be unsecured,

(D) if any Replacement Term Loans are secured, such Replacement Term Loans may not be secured by any assets other than the Collateral,
(E) if any Replacement Term Loans are guaranteed, such Replacement Term Loans may not be guaranteed by any Person other than one or more Loan Parties,

(F) any Replacement Term Loans that are pari passu with the Initial Term Loans in right of payment and security may participate (A) in any voluntary prepayment of Term Loans as set forth in Section 2.11(a)(i) and (B) in any mandatory prepayment of Term Loans as set forth in Section 2.11(b)(vi),

(G) any Replacement Term Loans shall have pricing (including interest, fees and premiums) and, subject to preceding clause (F), optional prepayment and redemption terms and, subject to preceding clause (B), an amortization schedule, as the Borrower and the lenders providing such Replacement Term Loans may agree,

(H) the covenants and events of default of any Replacement Term Loans (excluding pricing, interest, fees, rate floors, premiums, optional prepayment or redemption terms, security and maturity, subject to preceding clauses (B) through (G)) shall be (i) substantially identical to, or (taken as a whole) no more favorable (as determined by the Company in good faith) to the lenders providing such Replacement Term Loans than, those applicable to the Replaced Term Loans (other than covenants or other provisions applicable only to periods after the latest Maturity Date of such Replaced Term Loans (in each case, as of the date of incurrence of such Replacement Term Loans)), (ii) then-current market terms (as determined by the Company in good faith at the time of incurrence or issuance (or the obtaining of a commitment with respect thereto)) for the applicable type of Indebtedness or (iii) reasonably acceptable to the Administrative Agent (it being agreed that covenants and events of default of any Replacement Term Loans that are more favorable to the lenders or the agent of such Replacement Term Loans than those contained in the Loan Documents and are then conformed (or added) to the Loan Documents pursuant to the applicable Refinancing Amendment shall thereafter be deemed acceptable to the Administrative Agent), and

(ii) with the written consent of the Borrower and the Lenders providing the relevant Replacement Revolving Facility to permit the refinancing or replacement of all or any portion of any Revolving Credit Commitment under the applicable Class (any such Revolving Credit Commitment being refinanced or replaced, a “Replacement Revolving Facility”) with a replacement revolving facility hereunder (a “Replacement Revolving Facility”) pursuant to a Refinancing Amendment; provided that:

(A) the aggregate principal amount of any Replacement Revolving Facility shall not exceed the aggregate principal amount of the Replaced Revolving Facility (plus (x) any additional amounts permitted to be incurred under Section 6.01 and, to the extent any such additional amounts are secured, the related Liens are permitted under Section 6.02 and (y) the amount of accrued interest, penalties and premium thereon, any committed but undrawn amounts and underwriting discounts, fees (including upfront fees and original issue discount), commissions and expenses associated therewith),

(B) no Replacement Revolving Facility other than customary bridge loans with a maturity date of not longer than one year; provided that any loans, notes, securities or other Indebtedness which are exchanged for or otherwise replace such bridge loans shall be subject to the requirements of this clause (B) may have a final maturity date
(or require commitment reductions) prior to the final maturity date of the relevant Replaced Revolving Facility at the time of such refinancing,

(C) any Replacement Revolving Facility may be pari passu or junior in right of payment and pari passu (without regard to the control of remedies) or junior with respect to the Collateral with the remaining portion of any Revolving Credit Commitments (provided that if pari passu or junior as to payment or Collateral, such Replacement Revolving Facility shall be subject to an Acceptable Intercreditor Agreement and may be, at the option of the Company, documented in a separate agreement or agreements), or be unsecured,

(D) if any Replacement Revolving Facility is secured, it may not be secured by any assets other than the Collateral,

(E) if any Replacement Revolving Facility is guaranteed, it may not be guaranteed by any Person other than one or more Loan Parties,

(F) any Replacement Revolving Facility shall be subject to the “ratability” provisions applicable to Extended Revolving Credit Commitments and Extended Revolving Loans set forth in the proviso to clause (i) of Section 2.23(a), mutatis mutandis, to the same extent as if fully set forth in this Section 9.02(b)(ii),

(G) any Replacement Revolving Facility shall have pricing (including interest, fees and premiums) and, subject to preceding clause (F), optional prepayment and redemption terms as the Borrower and the lenders providing such Replacement Revolving Facility may agree,

(H) the covenants and events of default of any Replacement Revolving Facility (excluding pricing, interest, fees, rate floors, premiums, optional prepayment or redemption terms, security and maturity, subject to preceding clauses (B) through (G)) shall be (i) substantially identical to, or (taken as a whole) no more favorable (as determined by the Company in good faith) to the lenders providing such Replacement Revolving Facility than, those applicable to the Replaced Revolving Facility (other than covenants or other provisions applicable only to periods after the latest Maturity Date of such Replaced Revolving Facility (in each case, as of the date of incurrence of the relevant Replacement Revolving Facility)), (ii) then-current market terms (as determined by the Company in good faith at the time of incurrence or issuance (or the obtaining of a commitment with respect thereto)) for the applicable type of Indebtedness or (iii) reasonably acceptable to the Administrative Agent (it being agreed that covenants and events of default of any Replacement Revolving Facility that are more favorable to the lenders or the agent of such Replacement Revolving Facility than those contained in the Loan Documents and are then conformed (or added) to the Loan Documents pursuant to the applicable Refinancing Amendment shall be deemed acceptable to the Administrative Agent), and

(I) the commitments in respect of the Replaced Revolving Facility shall be terminated, and all loans outstanding thereunder and all fees then due and payable in connection therewith shall be paid in full, in each case on the date such Replacement Revolving Facility is implemented;
provided, further, that, in respect of each of clauses (i) and (ii) of this clause (b), (x) any Non-Debt Fund Affiliate and Debt Fund Affiliate shall be permitted (without Administrative Agent consent) to provide any Replacement Term Loans, it being understood that in connection with such Replacement Term Loans, the relevant Non-Debt Fund Affiliate or Debt Fund Affiliate, as applicable, shall be subject to the restrictions applicable to such Persons under Section 9.05 as if such Replacement Term Loans were Term Loans and (y) any Debt Fund Affiliate (but not any Non-Debt Fund Affiliate) may (without Administrative Agent consent) provide any Replacement Revolving Facility.

Each party hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be amended by the Company, each other Borrower, the Administrative Agent and the lenders providing the relevant Replacement Term Loans or the Replacement Revolving Facility, as applicable, to the extent (but only to the extent) necessary to reflect the existence and terms of such Replacement Term Loans or Replacement Revolving Facility, as applicable, incurred or implemented pursuant thereto (including any amendment necessary to treat the loans and commitments subject thereto as a separate “tranche” and “Class” of Loans and/or commitments hereunder). It is understood that any Lender approached to provide all or a portion of any Replacement Term Loans or any Replacement Revolving Facility may elect or decline, in its sole discretion, to provide such Replacement Term Loans or Replacement Revolving Facility.

(c) Notwithstanding anything to the contrary contained in this Section 9.02 or any other provision of this Agreement or any provision of any other Loan Document, (i) the Company and the Administrative Agent may, without the input or consent of any Lender, amend, supplement and/or waive any guaranty, collateral security agreement, pledge agreement and/or related document (if any) executed in connection with this Agreement to (x) comply with any Requirements of Law or the advice of counsel or (y) cause any such guaranty, collateral security agreement, pledge agreement or other document to be consistent with this Agreement and/or the relevant other Loan Documents, (ii) the Company and the Administrative Agent may, without the input or consent of any other Lender (other than the relevant Lenders (including Additional Lenders) providing Loans under such Sections), effect amendments to this Agreement and the other Loan Documents as may be necessary in the reasonable opinion of the Company and the Administrative Agent to (A) effect the provisions of Sections 2.14, 2.22, 2.23, 5.12, 5.14, 5.15, 5.16 or 9.02(b), or any other provision specifying that any waiver, amendment or modification may be made with the consent or approval of the Administrative Agent and/or (B) add terms (including representations and warranties, conditions, prepayments, covenants or events of default), in connection with the addition of any Loan or Commitment hereunder or the incurrence of any Incremental Equivalent Debt, any Replacement Term Loans, any Replacement Revolving Facility, any Replacement Debt and/or any Refinancing Indebtedness incurred in reliance on Section 6.01(p) with respect to Indebtedness originally incurred in reliance on Section 6.01(z), that are favorable to the then-existing Lenders, as reasonably determined by the Administrative Agent (it being understood that, where applicable, any such amendment may be effectuated as part of an Incremental Facility Amendment and/or a Refinancing Amendment), (iii) if the Administrative Agent and the Company have jointly identified any ambiguity, mistake, defect, inconsistency, obvious error or any error or omission of a technical or administrative nature or any necessary or desirable technical change, in each case, in any provision of any Loan Document, then the Administrative Agent and the Company shall be permitted to amend such provision solely to address such matter as reasonably determined by them acting jointly without the consent of any Lender so long as, upon the written request of the Administrative Agent, such proposed amendment has been posted to the Lenders and the Administrative Agent shall not have received, within five Business Days of the date of such posting, a written notice from the Required Lenders stating that such Lenders object to such amendment, (iv) the Administrative Agent and the Company may amend, restate, amend and restate or otherwise modify any Acceptable Intercreditor Agreement as provided therein or to give effect thereto or to carry out the purpose thereof without the input or consent of any Lender and (v) any amendment, waiver or modification of any term or provision that directly affects Lenders under

[[5470263]]
one or more Classes and does not directly affect Lenders under one or more other Classes may be effected with the consent of Lenders owning 50% of the aggregate commitments or Loans of such directly affected Class in lieu of the consent of the Required Lenders.

(d) (i) Notwithstanding anything to the contrary contained in this Section 9.02 or any Loan Document, the Company may at any time, upon not less than ten (10) Business Days’ notice from the Company to the Administrative Agent (or such shorter period as may be agreed by the Administrative Agent in its sole discretion), designate any Subsidiary of the Company as an additional Revolving Borrower and/or an additional Term Loan Borrower hereunder (each such entity, a “Discretionary Borrower”) pursuant to joinder or other documentation to be reasonably agreed solely between the Administrative Agent and the Company (the “Borrower Joinder”); provided, that solely in the case of any such designation of a non-Domestic Subsidiary of the Company (A) as a co-Borrower, consent of the Administrative Agent shall be required prior to the addition of any such co-Borrower and (B) as an additional Revolving Borrower, consent of each Revolving Lender for which such designation would result in a breach of any Requirement of Law applicable to such Revolving Lender shall be required prior to the addition of any such additional Revolving Borrower, in each case of clauses (A) and (B), such consent not to be unreasonably withheld, delayed or conditioned. The Company and the Administrative Agent shall be permitted to make such amendments to the Loan Documents as necessary to incorporate such additional entity as a co-Borrower. The parties hereto acknowledge and agree that prior to any such entity becoming a Borrower hereunder, the Administrative Agent shall have received (w) such corporate authorizations, opinions, and customary certificates (including with respect to representations) reasonably requested by the Administrative Agent, (x) the receipt of customary “Know Your Customer” information requested by the Administrative Agent, (y) the receipt of, in relation to itself as a “legal entity customer”, a Beneficial Ownership Certification and (z) joinders or amendments to security or guaranty documents to evidence the Borrower Joinder, reasonably satisfactory to the Administrative Agent. The new Borrower shall be a party to the Credit Agreement and shall constitute a “Borrower” for all purposes thereof, and the new Borrower shall agree to be bound by all provisions of the Credit Agreement.

(i) Each such Discretionary Borrower hereby irrevocably appoints the Company as its agent for all purposes relevant to this Agreement and each of the other Loan Documents (other than with respect to payment), including (i) the giving and receipt of notices and (ii) the execution and delivery of all documents, instruments and certificates contemplated herein and all modifications hereto. Any acknowledgment, consent, direction, certification or other action (other than with respect to payment) which might otherwise be valid or effective only if given or taken by all Borrowers, or by each Borrower acting singly, shall be valid and effective if given or taken only by the Company, whether or not any such other Borrower joins therein. Any notice, demand, consent, acknowledgment, direction, certification or other communication delivered to the Company in accordance with the terms of this Agreement shall be deemed to have been delivered to each such additional Borrower.

Section 9.03. Expenses; Indemnity.

(a) Subject to Section 9.05(f), the Borrower shall pay, upon presentation of a summary statement, together with any supporting documentation reasonably requested by the Company, (i) all reasonable and documented out-of-pocket expenses incurred by each Arranger, the Administrative Agent and their respective Affiliates (but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one firm of outside counsel to all such Persons taken as a whole and, if reasonably necessary, of one local counsel in any relevant material jurisdiction to all such Persons, taken as a whole) in connection with the syndication and distribution
(including via the Internet or through a service such as Intralinks) of the Credit Facilities, the preparation, execution, delivery and administration of the Loan Documents and any related documentation, including in connection with any amendment, modification or waiver of any provision of any Loan Document (whether or not the transactions contemplated thereby are consummated, but only to the extent the preparation of any such amendment, modification or waiver was requested by the Company) and (ii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Arrangers, the Issuing Banks or the Lenders or any of their respective Affiliates (but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one firm of outside counsel to all such Persons taken as a whole and, if reasonably necessary, of one local counsel in any relevant material jurisdiction to all such Persons, taken as a whole) in connection with the enforcement, collection or protection of their respective rights in connection with the Loan Documents, including their respective rights under this Section, or in connection with the Loans made and/or Letters of Credit issued hereunder. Except to the extent required to be paid on the Closing Date, all amounts due under this paragraph (a) shall be payable by the Borrower within 30 days of receipt by the Borrower of an invoice setting forth such expenses in reasonable detail, together with backup documentation supporting the relevant reimbursement request.

(b) The Borrower shall indemnify each Arranger, the Administrative Agent, each Issuing Bank, each Lender and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages and liabilities (but limited, in the case of legal fees and expenses, to the actual reasonable and documented out-of-pocket fees, disbursements and other charges of one counsel to all Indemnites taken as a whole and, if reasonably necessary, one local counsel in any relevant material jurisdiction to all Indemnitees taken as a whole and, solely in the case of an actual or perceived conflict of interest after the affected Person notifies the Company of such conflict, (x) one additional counsel to all similarly situated affected Indemnitees taken as a whole and (y) one additional local counsel in any relevant material jurisdiction to all similarly situated affected Indemnitees taken as a whole), incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby, the performance by the parties hereto of their respective obligations hereunder or the consummation of the Transactions or any other transactions contemplated hereby or thereby (except for any Taxes, which shall be governed exclusively by Section 2.17), (ii) the use of the proceeds of the Loans or any Letter of Credit, (iii) to the extent related to any of the foregoing (including the exercise of any rights of any Arranger, Administrative Agent, Issuing Bank, Lender or Related Party arising in connection with the matters that are the subject of clause (i) above), any Environmental Liability related in any way to the Borrower or any of its Subsidiaries or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto (and regardless of whether such matter is initiated by a third party or by the Company, any other Loan Party or any of their respective Affiliates); provided that such indemnity shall not, as to any Indemnitee, be available to the extent that any such loss, claim, damage or liability (i) is determined by a final and non-appealable judgment of a court of competent jurisdiction (or documented in any settlement agreement referred to below) to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee or its Related Party or, to the extent such judgment finds (or any such settlement agreement acknowledges) that any such loss, claim, damage or liability has resulted from such Person’s or a Related Party of such Person’s material breach of the Loan Documents or (ii) arises out of any claim, litigation, investigation or proceeding brought by such Indemnitee against another Indemnitee (other than any claim, litigation, investigation or proceeding that is brought by or against the Administrative Agent, any Issuing Bank or any Arranger, acting in its capacity as the Administrative Agent, as an Issuing Bank or as an Arranger) that does not involve any act or omission of the Company or any of its subsidiaries. Each Indemnitee shall be obligated to refund or return any and all
amounts paid by the Borrower pursuant to this Section 9.03(b) to such Indemnitee for any fees, expenses or damages to the extent such Indemnitee is not entitled to payment thereof in accordance with the terms hereof. All amounts due under this paragraph (b) shall be payable by the Borrower within 30 days (x) after receipt by the Borrower of a written demand therefor, in the case of any indemnification obligations and (y) in the case of reimbursement of costs and expenses, after receipt by the Borrower of an invoice, setting forth such costs and expenses in reasonable detail, together with backup documentation supporting the relevant reimbursement request. This Section 9.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages or liabilities arising from any non-Tax claim.

(c) The Borrower shall not be liable for any settlement or compromise of, or the consent to the entry of any judgment with respect to, any proceeding effected without its consent (which consent shall not be unreasonably withheld, delayed or conditioned), but if any proceeding is so settled, compromised or consented to with the Borrower’s written consent, or if there is a final judgment entered against any Indemnitee in any such proceeding, the Borrower agrees to indemnify and hold harmless each Indemnitee to the extent and in the manner set forth above. The Borrower shall not, without the prior written consent of the affected Indemnitee (which consent shall not be unreasonably withheld, conditioned or delayed), effect any settlement of any pending or threatened proceeding in respect of which indemnity could have been sought hereunder by such Indemnitee unless (i) such settlement includes an unconditional release of such Indemnitee from all liability or claims that are the subject matter of such proceeding and (ii) such settlement does not include any statement as to any admission of fault or culpability.

Section 9.04. Waiver of Claim. To the extent permitted by applicable law, no party to this Agreement nor any Secured Party shall assert, and each hereby waives, any claim against any other party hereto, any other Loan Party and/or any Related Party of any thereof, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or any Letter of Credit or the use of the proceeds thereof, except, in the case of any claim by any Indemnitee against the Borrower, to the extent such damages would otherwise be subject to indemnification pursuant to the terms of Section 9.03.

Section 9.05. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns; provided that (i) except as provided under Section 6.07, the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with the terms of this Section (any attempted assignment or transfer not complying with the terms of this Section shall be null and void and, with respect to any attempted assignment or transfer to any Disqualified Institution, subject to Section 9.05(f)). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and permitted assigns, Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Arrangers, the Administrative Agent, the Issuing Banks and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement. Any Successor Borrower permitted pursuant to a transaction referred to in clause (i) of the proviso above, shall thereafter be deemed to be and become the “Borrower” for all purposes hereunder, and such initial Borrower shall be released from its Obligations in respect of this Agreement and the other Loan Documents.
(b)  (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of any Additional Loan or Additional Commitment added pursuant to Sections 2.22, 2.23 or 9.02(c) at the time owing to it) with the prior written consent (not to be unreasonably withheld or delayed) of:

(A) the Company; provided that the Company shall be deemed to have consented to any assignment of Term Loans (other than any such assignment to a Disqualified Institution or an affiliate thereof referred to in the last proviso of this clause (i)) if it has not responded to a written request for its consent from the Administrative Agent within 15 Business Days after receiving such written request; provided, further, that no consent of the Company shall be required (x) for any assignment of Term Loans or Term Commitments to another Lender, an Affiliate of any Lender or an Approved Fund, (y) for any assignment of Revolving Loans or Revolving Credit Commitments to another Revolving Lender or (z) during the continuance of a Specified Event of Default;

(B) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for any assignment to another Lender, any Affiliate of a Lender or any Approved Fund, or for any assignment to the Company and/or its Affiliates, which otherwise complies with the terms of this Section 9.05; and

(C) in the case of any Revolving Facility, unless the relevant assignment is to a Revolving Lender or an affiliate of a Revolving Lender, each Issuing Bank.

provided, that, notwithstanding the foregoing, the Borrower may, in its sole discretion, withhold its consent to any assignment to any Person that is not expressly a Disqualified Institution but is known by the Borrower to be an Affiliate of a Disqualified Institution without regard as to whether such Person is identifiable as an Affiliate of a Disqualified Institution on the basis of such Affiliate’s name.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of any assignment to another Lender, any Affiliate of any Lender or any Approved Fund or any assignment of the entire remaining amount of the relevant assigning Lender’s Loans or commitments of any Class, the principal amount of Loans or commitments of the assigning Lender subject to the relevant assignment (determined as of the date on which the Assignment Agreement with respect to such assignment is delivered to the Administrative Agent and determined on an aggregate basis in the event of concurrent assignments to Related Funds or by Related Funds) shall not be less than $1,000,000, unless the Borrower and the Administrative Agent otherwise consent to a lesser amount, and in each case any assigned amount may exceed such minimum amount in an integral multiple of $1,000,000 in excess thereof;

(B) any partial assignment shall be made as an assignment of a proportionate part of all the relevant assigning Lender’s rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment Agreement via an electronic settlement system acceptable to the Administrative Agent (or, if previously agreed with the Administrative
Agent, manually), and shall pay to the Administrative Agent a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent and which fee shall not apply for any assignment to an Affiliated Lender or Debt Fund Affiliate);

(D) the relevant Eligible Assignee, if it is not a Lender, shall deliver on or prior to the effective date of such assignment, to the Administrative Agent and the Borrower (irrespective of whether an Event of Default exists) (1) an Administrative Questionnaire and (2) any form required under Section 2.17; and

(E) the assigning Lender shall, concurrently with its delivery of the same to the Administrative Agent, provide the Borrower with a copy of its request for such assignment, which shall include the name of the prospective assignee (irrespective of whether an Event of Default exists).

(iii) Except as otherwise provided in Section 9.05(g), subject to the acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in any Assignment Agreement, the Eligible Assignee thereunder shall be a party hereto and, to the extent of the interest assigned pursuant to such Assignment Agreement, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment Agreement, be released from its obligations under this Agreement (and, in the case of an Assignment Agreement covering all of the assigning Lender’s rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be (A) entitled to the benefits of Sections 2.15, 2.16, 2.17 and 9.03 with respect to facts and circumstances occurring on or prior to the effective date of such assignment and (B) subject to its obligations thereunder and under Section 9.13). If any assignment by any Lender holding any Promissory Note is made after the issuance of such Promissory Note, the assigning Lender shall, upon the effectiveness of such assignment or as promptly thereafter as practicable, surrender such Promissory Note to the Administrative Agent for cancellation, and, following such cancellation, if requested by either the assignee or the assigning Lender, the Borrower shall issue and deliver a new Promissory Note to such assignee and/or to such assigning Lender, with appropriate insertions, to reflect the new commitments and/or outstanding Loans of the assignee and/or the assigning Lender.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment Agreement delivered to it and a register for the recordation of the names and addresses of the Lenders and their respective successors and assigns, and the commitment of, and principal amount of and interest on the Loans and LC Disbursements owing to, each Lender or Issuing Bank pursuant to the terms hereof from time to time (the “Register”). Failure to make any such recordation, or any error in such recordation, shall not affect the Borrower’s obligations in respect of such Loans and LC Disbursements. The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, each Issuing Bank and each Lender (but only as to its own holdings), at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment Agreement executed by an assigning Lender and an Eligible Assignee, the Eligible Assignee’s completed Administrative
Questionnaire and any tax certification required by Section 9.05(b)(ii)(D)(2) (unless the assignee is already a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section, if applicable, and any written consent to the relevant assignment required by paragraph (b) of this Section, the Administrative Agent shall promptly accept such Assignment Agreement and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vi) By executing and delivering an Assignment Agreement, the assigning Lender and the Eligible Assignee thereunder shall be deemed to confirm and agree with each other and the other parties hereto as follows: (A) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that the amount of its commitments, and the outstanding balances of its Loans, in each case without giving effect to any assignment thereof which has not become effective, are as set forth in such Assignment Agreement, (B) except as set forth in clause (A) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statement, warranty or representation made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of the Company or any Restricted Subsidiary or the performance or observance by the Company or any Restricted Subsidiary of any of its obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto; (C) such assignee represents and warrants that it is an Eligible Assignee (and not a Disqualified Institution), legally authorized to enter into such Assignment Agreement; (D) such assignee confirms that it has received a copy of this Agreement and each then-applicable Acceptable Intercreditor Agreement, together with copies of the most recent financial statements delivered pursuant to Section 5.01 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment Agreement; (E) such assignee will independently and without reliance upon the Administrative Agent, the assigning Lender or any other Lender and based on such documents and information as it deems appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (F) such assignee appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent, by the terms hereof, together with such powers as are reasonably incidental thereto; and (G) such assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(c) (i) Any Lender may, without the consent of the Borrower, the Administrative Agent, any Issuing Bank or any other Lender, sell participations to any bank or other entity (other than to any Disqualified Institution or an Affiliate thereof referred to in the last proviso of clause (b)(i) of this Section, any Defaulting Lender or any natural Person) (a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of its commitments and the Loans owing to it); provided, that, (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which any Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the relevant Participant, agree to any amendment,
modification or waiver described in (x) clause (A) of the first proviso to Section 9.02(b) that directly and adversely affects the Loans or commitments in which such Participant has an interest and (y) clauses (B)(1), (2) or (3) of the first proviso to Section 9.02(b). Subject to paragraph (c)(ii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 (subject to the limitations and requirements of such Sections and Section 2.19) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section (it being understood that the documentation required under Section 2.17(f) shall be delivered to the participating Lender, and if additional amounts are required to be paid pursuant to Section 2.17(a) or Section 2.17(c), to the Borrower).

To the extent permitted by applicable Requirements of Law, each Participant also shall be entitled to the benefits of Section 9.09 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.18(c) as though it were a Lender.

(i) No Participant shall be entitled to receive any greater payment under Sections 2.15, 2.16 or 2.17 than the participating Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower’s prior written consent (in its sole discretion) expressly acknowledging such Participant may receive a greater benefit. Any Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.17 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 2.17(f) as though it were a Lender and to deliver the tax forms required to claim an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document and then only to the extent of any amount to which such Lender would be entitled in the absence of any such participation (it being understood that the documentation required under Section 2.17(f) shall be delivered to the participating Lender, and if additional amounts are required to be paid pursuant to Section 2.17(a) or Section 2.17(c), to the Borrower).

Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and their respective successors and assigns, and the principal amounts and stated interest of each Participant’s interest in the Loans or other obligations under the Loan Documents (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to any Participant’s interest in any Commitment, Loan, Letter of Credit or any other obligation under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan, Letter of Credit or other obligation is in registered form under Section 5f.103-1(c) of the Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and each Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) (i) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (other than to any Disqualified Institution, Defaulting Lender or any natural person) to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to any Federal Reserve Bank or other central bank having jurisdiction over such Lender, and this Section 9.05 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release any Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.
(i) No Lender may at any time enter into a total return swap, total rate of return swap, credit default swap or other derivative instrument under which any Loan or other Obligation hereunder is a reference obligation with any counterparty that is a Disqualified Institution.

(e) Notwithstanding anything to the contrary contained herein, any Lender (a “Granting Lender”) may grant to a special purpose funding vehicle (an “SPC”), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Company, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPC to make any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) in no event may any Lender grant any option to provide to the Borrower all or any part of any Loan that such Granting Lender would have otherwise been obligated to make to the Borrower pursuant to this Agreement to any Disqualified Institution or Defaulting Lender. The making of any Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 2.15, 2.16 or 2.17) and no SPC shall be entitled to any greater amount under Section 2.15, 2.16 or 2.17 or any other provision of this Agreement or any other Loan Document that the Granting Lender would have been entitled to receive, unless the grant to such SPC is made with the prior written consent of the Company (in its sole discretion), expressly acknowledging that such SPC’s entitlement to benefits under Section 2.15, 2.16 or 2.17 is not limited to what the Granting Lender would have been entitled to receive absent the grant to the SPC, (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender) and (iii) the Granting Lender shall for all purposes including approval of any amendment, waiver or other modification of any provision of the Loan Documents, remain the Lender of record hereunder. In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPC, it will not institute against, or join any other Person in instituting against, such SPC any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the Requirements of Law of the U.S. or any State thereof; provided that (i) such SPC’s Granting Lender is in compliance in all material respects with its obligations to the Borrower hereunder and (ii) each Lender designating any SPC hereby agrees to indemnify, save and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such SPC during such period of forbearance. In addition, notwithstanding anything to the contrary contained in this Section 9.05, any SPC may (i) with notice to, but without the prior written consent of, the Borrower or the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guaranty or credit or liquidity enhancement to such SPC.

(f) (i) If any assignment or participation under this Section 9.05 is made (1) to any Affiliate of any Disqualified Institution (other than any Bona Fide Debt Fund that is not itself a Disqualified Institution) or (2) to the extent the Borrower’s consent is required under this Section 9.05 (and not deemed to have been given pursuant to Section 9.05(b)(1)(A)), to any other Person, in each case of clauses (1) and (2) without the Borrower’s prior written consent (any such person, a “Disqualified Person”), then the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Person and the Administrative Agent, (A) terminate any Commitment of such Disqualified Person and repay all obligations of the Borrower owing to such Disqualified Person, (B) in the case of any outstanding Term Loans held by
such Disqualified Person, purchase such Term Loans by paying the lesser of (x) par and (y) the amount that such Disqualified Person paid to acquire such Term Loans, plus accrued interest thereon, accrued fees and all other amounts payable to it hereunder and/or (C) require such Disqualified Person to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 9.05), all of its interests, rights and obligations under this Agreement to one or more Eligible Assignees and if such person does not execute and deliver to the Administrative Agent a duly executed Assignment Agreement reflecting such assignment within five Business Days of the date on which the Eligible Assignee executes and delivers such Assignment Agreement to such person, then such person shall be deemed to have executed and delivered such Assignment Agreement without any action on its part; provided that (I) in the case of clauses (A) and (B), the Borrower shall not be liable to the relevant Disqualified Person under Section 2.16 if any LIBO Rate Loan owing to such Disqualified Person is repaid or purchased other than on the last day of the Interest Period relating thereto, (II) in the case of clause (C), the relevant assignment shall otherwise comply with this Section 9.05 (except that (x) no registration and processing fee required under this Section 9.05 shall be required with any assignment pursuant to this paragraph and (y) any Term Loan acquired by any Affiliated Lender pursuant to this paragraph will not be included in calculating compliance with the Affiliated Lender Cap for a period of 90 days following such transfer; provided that, to the extent the aggregate principal amount of Term Loans held by Affiliated Lenders exceeds the Affiliated Lender Cap on the 91st day following such transfer, then such excess amount shall either be (x) contributed to the Company or any of its subsidiaries and retired and cancelled immediately upon such contribution or (y) automatically cancelled) and (III) in no event shall such Disqualified Person be entitled to receive amounts set forth in Section 2.13(d). Further, any Disqualified Person identified by the Borrower to the Administrative Agent (A) shall not be permitted to (x) receive information or reporting provided by any Loan Party, the Administrative Agent or any Lender and/or (y) attend and/or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent, (B) (x) shall not for purposes of determining whether the Required Lenders or the majority Lenders under any Class have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document or (iii) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, have a right to consent (or not consent), otherwise act or direct or require the Administrative Agent or any Lender to take (or refrain from taking) any such action; it being understood that all Loans held by any Disqualified Person shall be deemed to be not outstanding for all purposes of calculating whether the Required Lenders, majority Lenders under any Class or all Lenders have taken any action and (y) shall be deemed to vote in the same proportion as Lenders that are not Disqualified Persons in any proceeding under any Debtor Relief Law commenced by or against the Borrower or any other Loan Party and (C) shall not be entitled to receive the benefits of Section 9.03. For the sake of clarity, the provisions in this Section 9.05(f) shall not apply to any Person that is an assignee of any Disqualified Person, if such assignee is not a Disqualified Person;

(i) Upon the request of any Lender, the Administrative Agent may and the Company will make the list of Disqualified Institutions (other than any Disqualified Institution that is a reasonably identifiable Affiliate of another Disqualified Institution on the basis of such Person’s name as described in clause (a)(i) of the definition of “Disqualified Institution”) at the relevant time and such Lender may provide the list to any potential assignee for the purpose of verifying whether such Person is a Disqualified Institution, in each case so long as such Lender and such potential assignee agree to keep the list of Disqualified Institutions confidential in accordance with the terms hereof; and

198
(ii) Notwithstanding anything herein to the contrary, the Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions.

(g) Notwithstanding anything to the contrary contained herein, any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term Loans to an Affiliated Lender on a non-pro rata basis (A) through Dutch Auctions, or similar transactions pursuant to procedures to be established by the applicable “auction agent” that are consistent with this Section 9.05(g), in each case open to all Lenders holding the relevant Term Loans on a pro rata basis or (B) through open market purchases (which purchases may be effected at any price as agreed between such Lender and such Affiliated Lender in their respective sole discretion), in each case with respect to clauses (A) and (B), without the consent of the Administrative Agent; provided that:

(i) any Term Loans acquired by the Company or any Restricted Subsidiary shall, to the extent permitted by applicable Requirements of Law, be retired and cancelled immediately upon the acquisition thereof; provided that upon any such retirement and cancellation, the aggregate outstanding principal amount of the Term Loans shall be deemed reduced by the full par value of the aggregate principal amount of the Term Loans so retired and cancelled, with no reduction to the scheduled installments of principal due in respect of the Initial Term Loans prior to the Initial Term Loan Maturity Date,

(ii) any Term Loans acquired by any Affiliated Lender may (but shall not be required to) be contributed to the Company or any of its subsidiaries and, in exchange therefor, such Affiliated Lender may receive debt or equity securities of such entity or a direct or indirect parent entity or subsidiary thereof that are otherwise permitted to be issued by such entity at such time, it being understood that (x) any such Term Loans that are contributed to the Company or any of its Restricted Subsidiaries shall, to the extent permitted by applicable Requirements of Law, be retired and cancelled immediately upon such contribution and (y) any such contribution shall be treated as a capital contribution that builds the Available Amount pursuant to clause (iii) of the definition thereof by an amount equal to the fair market value (as determined by the Company in good faith) of the Term Loans so contributed; provided that if the fair market value of such Term Loans cannot be determined by the Company, the fair market value shall be deemed to be the purchase price of such Term Loans paid by such Affiliated Lender; provided that upon any such cancellation, the aggregate outstanding principal amount of the Term Loans shall be deemed reduced, as of the date of such contribution, by the full par value of the aggregate principal amount of the Term Loans so contributed and cancelled, and each principal repayment installment with respect to the Initial Term Loans pursuant to Section 2.10(a) shall be reduced pro rata by the full par value of the aggregate principal amount of Initial Term Loans so contributed and cancelled;

(iii) the relevant Affiliated Lender and assigning Lender shall have executed an Affiliated Lender Assignment and Assumption;

(iv) after giving effect to such assignment and to all other assignments to all Affiliated Lenders, the aggregate principal amount of all Term Loans then held by all Affiliated Lenders shall not exceed 25% of the aggregate principal amount of the Term Loans then outstanding (after giving effect to any substantially simultaneous cancellations thereof) (the “Affiliated Lender Cap”); provided that each party hereto acknowledges and agrees that the Administrative Agent shall not be liable for any losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever incurred or suffered by any Person
in connection with any compliance or non-compliance with this clause (g)(iv) or any purported assignment exceeding the Affiliated Lender Cap (it being understood and agreed that the Affiliated Lender Cap is intended to apply to any Loans made available to Affiliated Lenders by means other than formal assignment (e.g., as a result of an acquisition of another Lender (other than any Debt Fund Affiliate) by any Affiliated Lender or the provision of Additional Term Loans by any Affiliated Lender)); provided, further, that to the extent that any assignment to any Affiliated Lender would result in the aggregate principal amount of all Term Loans held by Affiliated Lenders exceeding the Affiliated Lender Cap (after giving effect to any substantially simultaneous cancellations thereof), the assignment of the relevant excess amount shall be null and void;

(v) in connection with any assignment effected pursuant to a Dutch Auction and/or open market purchase conducted by the Company or any of its Subsidiaries, (A) the relevant Person may not use the proceeds of any Revolving Loans to fund such assignment and (B) no Event of Default exists at the time of acceptance of bids for the Dutch Auction or the confirmation of such open market purchase, as applicable;

(vi) by its acquisition of Term Loans, each relevant Affiliated Lender shall be deemed to have acknowledged and agreed that:

(A) the Term Loans held by such Affiliated Lender shall be disregarded in both the numerator and denominator in the calculation of any Required Lender or other Lender vote (and the Term Loans held by such Affiliated Lender shall be deemed to be voted pro rata along with the other Lenders that are not Affiliated Lenders); provided that (x) such Affiliated Lender shall have the right to vote (and the Term Loans held by such Affiliated Lender shall not be so disregarded) with respect to any amendment, modification, waiver, consent or other action that requires the vote of all Lenders or all Lenders directly and adversely affected thereby, as the case may be and (y) no amendment, modification, waiver, consent or other action shall (1) disproportionately affect such Affiliated Lender in its capacity as a Lender as compared to other Lenders of the same Class that are not Affiliated Lenders or (2) deprive any Affiliated Lender of its share of any payments which the Lenders are entitled to share on a pro rata basis hereunder, in each case without the consent of such Affiliated Lender; and

(B) such Affiliated Lender, solely in its capacity as an Affiliated Lender, will not be entitled to (i) attend (including by telephone) or participate in any meeting or discussion (or portion thereof) among the Administrative Agent or any Lender or among Lenders to which the Loan Parties or their representatives are not invited or (ii) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and one or more Lenders, except to the extent such information or materials have been made available by the Administrative Agent or any Lender to any Loan Party or its representatives (and in any case, other than the right to receive notices of Borrowings, prepayments and other administrative notices in respect of its Term Loans required to be delivered to Lenders pursuant to Article 2); and

(vii) neither the Company nor any Affiliated Lender shall be required to represent or warrant that it is not in possession of material non-public information with respect to the Company and/or any subsidiary thereof and/or their respective securities in connection with any assignment permitted by this Section 9.05(g).
Notwithstanding anything to the contrary contained herein, any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Loans and/or Commitments to any Debt Fund Affiliate, and any Debt Fund Affiliate may, from time to time, purchase Loans and/or Commitments (x) on a non-pro rata basis through Dutch Auctions or similar transactions open to all applicable Lenders or (y) on a non-pro rata basis through open market purchases (which purchases may be effected at any price as agreed between such Lender and such Debt Fund Affiliate in their respective sole discretion), in each case without the consent of the Administrative Agent and notwithstanding the requirements set forth in subclauses (i) through (vii) of this clause (g); provided that the Loans and unused Commitments of all Debt Fund Affiliates shall not account for more than 49.9% of the amounts included in determining whether the Required Lenders or Required Revolving Lenders have (A) consented to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom or (B) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to any Loan Document; it being understood and agreed that the portion of the Loans and/or Commitments that accounts for more than 49.9% of the relevant Required Lender or Required Revolving Lender action shall be deemed to be voted pro rata along with other Lenders that are not Debt Fund Affiliates. Any Term Loans acquired by any Debt Fund Affiliate may (but shall not be required to) be contributed to the Company or any of its subsidiaries or parent entities and, in exchange therefor, such Debt Fund Affiliate may receive debt or equity securities of such entity or a direct or indirect parent entity or subsidiary thereof that are otherwise permitted to be issued by such entity at such time (it being understood that if any Terms Loans are so contributed to the Company or any Restricted Subsidiary, the provisions of Section 9.05(g)(ii) shall apply to such contributed Term Loans mutatis mutandis).

Notwithstanding anything to the contrary herein, at the election of the Company, Revolving Loans and Revolving Credit Commitments held by a Defaulting Lender may be assigned to an Affiliated Lender without the need for the consent of any other Person, with the price of such assignment being the lower of (i) par plus accrued and unpaid interest and commitment fees thereon and (ii) such lower amount as agreed by the applicable Defaulting Lender and such Affiliated Lender; provided that Revolving Lenders that are not Defaulting Lenders shall have the right to repurchase such assigned Revolving Loans and Revolving Credit Commitments from such Affiliated Lender, with the price of such assignment being the lower of (i) par plus accrued and unpaid interest and commitment fees thereon and (ii) such lower amount as agreed by such Revolving Lender and such Affiliated Lender; provided further that the provisions of Section 9.05(g)(vi) above shall apply with respect to such Revolving Loans or Revolving Credit Commitments acquired and held by an Affiliated Lender, other than an Affiliated Lender that is a Debt Fund Affiliate, in which case only the limitation set forth in the immediately preceding paragraph shall apply.

Section 9.06. Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loan and issuance of any Letter of Credit regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect until the Termination Date. The provisions of Sections 2.15, 2.16, 2.17, 9.03 and 9.13 and Article 8 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit or any Commitment, the occurrence of the Termination Date or the termination of this Agreement or any provision hereof but in each case, subject to the limitations set forth in this Agreement.
Section 9.07. Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same instrument. Any signature to this Agreement may be delivered by facsimile, electronic mail (including pdf) or any electronic signature complying with the U.S. federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law. For the avoidance of doubt, the foregoing also applies to any amendment, extension or renewal of this Agreement. Each of the parties represents and warrants to the other parties that it has the corporate capacity and authority to execute the Agreement through electronic means and there are no restrictions for doing so in that party’s constitutive documents. This Agreement, the other Loan Documents and the Fee Letter constitute the entire agreement among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective when it has been executed by the Company and the Administrative Agent and when the Administrative Agent has received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

Section 9.08. Severability. To the extent permitted by applicable Requirements of Law, any provision of any Loan Document held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 9.09. Right of Setoff. At any time when an Event of Default exists and the Administrative Agent has commenced an exercise of secured creditor remedies pursuant to Section 7.01 or otherwise with the consent of the Administrative Agent, upon the written consent of the Administrative Agent, each Lender and each Issuing Bank, is hereby authorized at any time and from time to time, to the fullest extent permitted by applicable Requirements of Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations (in any currency) at any time owing by the Administrative Agent, such Issuing Bank or such Lender to or for the credit or the account of the Borrower or any other Loan Party against any of and all the Secured Obligations then due and owing held by the Administrative Agent, such Issuing Bank or such Lender, irrespective of whether or not the Administrative Agent, such Issuing Bank or such Lender shall have made any demand under the Loan Documents and although such obligations may be owing to a branch or office of such Lender or Issuing Bank different than the branch or office holding such deposit or obligation on such Indebtedness. Any applicable Lender or Issuing Bank shall promptly notify the Company and the Administrative Agent of such set-off or application; provided that any failure to give or any delay in giving such notice shall not affect the validity of any such set-off or application under this Section. The rights of each Lender, each Issuing Bank and the Administrative Agent under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender, such Issuing Bank or the Administrative Agent may have.

Section 9.12. **Headings.** Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 9.13. **Confidentiality.** Each of the Administrative Agent, each Lender, each Issuing Bank and each Arranger agrees (and each Lender agrees to cause its SPC, if any) to maintain the confidentiality of the Confidential Information (as defined below), except that Confidential Information may be disclosed (a) to its and its Affiliates’ directors, officers, managers, employees, independent auditors, or other experts and advisors, including accountants, legal counsel and other advisors (collectively, the “Representatives”) on a confidential “need to know” basis solely in connection with the transactions contemplated hereby and who are informed of the confidential nature of the Confidential Information and are or have been advised of their obligation to keep the Confidential Information of this type confidential; provided that such Person shall be responsible for its Affiliates’ and their Representatives’ compliance with this paragraph; provided, further, that unless the Company otherwise consents, no such disclosure shall be made by the Administrative Agent, any Issuing Bank, any Arranger, any Lender or any Affiliates or Representative thereof to any Affiliate or Representative of the Administrative Agent, any Issuing Bank, any Arranger, or any Lender that is a Disqualified Institution, (b) upon the demand or request of any regulatory or governmental authority having jurisdiction over such Person or its Affiliates (in which case such Person shall, except with respect to any audit or examination conducted by bank accountants or any Governmental Authority or regulatory authority exercising examination or regulatory authority, to the extent permitted by applicable Requirements of Law, (i) inform the Company promptly in advance thereof and (ii) ensure that any information so disclosed is accorded confidential treatment), (c) to the extent compelled by legal process in, or reasonably necessary to, the defense of such legal, judicial or administrative proceeding, in any legal, judicial or administrative proceeding or otherwise as required by applicable Requirements of Law (in which case such Person shall (i) to the extent permitted by law, inform the Company promptly in advance thereof, (ii) ensure that any such information so disclosed is accorded confidential treatment and (iii) allow the Company a reasonable opportunity to object to such disclosure in such proceeding), (d) to any other party to this Agreement, (e) subject to an acknowledgment and agreement by the relevant recipient that the Confidential Information is being disseminated on a confidential basis (on substantially the terms set forth in this paragraph or as otherwise reasonably acceptable to the Company and the Administrative Agent, including as set forth in the Lender Presentation) in accordance with the standard syndication process of the Arrangers or market standards for dissemination of the relevant type of information, which shall in any event require “click through” or other affirmative action on the part of the recipient to access the Confidential Information and acknowledge its confidentiality obligations in respect thereof, to (i) any Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or prospective Participant in, any of its rights or obligations under this Agreement, including any SPC (in each case other than a Disqualified Institution), (ii) any pledgee referred to in Section 9.05, (iii) any actual or prospective direct or indirect contractual counterparty (or its advisors, but not any Disqualified Institution) to any Derivative Transaction (including any credit default swap) or similar derivative product under which payments are to be made by reference to the Company and its Obligations and (iv) subject to the Company’s prior approval of the information to be disclosed (not to be
unreasonably withheld or delayed), to (A) Moody’s or S&P on a confidential basis in connection with obtaining or maintaining ratings as required under Section 5.13 and (B) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the credit facilities provided for herein, (f) with the prior written consent of the Company and (g) to the extent the Confidential Information becomes publicly available other than as a result of a breach of this Section by such Person, its Affiliates or their respective Representatives. For purposes of this Section, “Confidential Information” means all information relating to the Company and/or any of its Subsidiaries and their respective businesses or the Transactions (including any information obtained by the Administrative Agent, any Issuing Bank, any Lender or any Arranger, or any of their respective Affiliates or Representatives, based on a review of any books and records relating to the Company and/or any of its subsidiaries and their respective Affiliates from time to time, including prior to the date hereof) other than any such information that is publicly available to the Administrative Agent or any Arranger, Issuing Bank, or Lender on a non-confidential basis prior to disclosure by the Company or any of its subsidiaries. For the avoidance of doubt, in no event shall any disclosure of any Confidential Information be made to Person that is a Disqualified Institution at the time of disclosure.

Section 9.14. No Fiduciary Duty. Each of the Administrative Agent, the Arrangers, each Lender, each Issuing Bank and their respective Affiliates (collectively, solely for purposes of this paragraph, the “Lenders”), may have economic interests that conflict with those of the Loan Parties, their stockholders and/or their respective affiliates. Each Loan Party agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Loan Party, its respective stockholders or its respective affiliates, on the other. Each Loan Party acknowledges and agrees that: (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm’s-length commercial transactions between the Lenders, on the one hand, and the Loan Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender, in its capacity as such, has assumed an advisory or fiduciary responsibility in favor of any Loan Party, its respective stockholders or its respective affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Loan Party, its respective stockholders or its respective Affiliates on other matters) or any other obligation to any Loan Party except the obligations expressly set forth in the Loan Documents and (y) each Lender, in its capacity as such, is acting solely as principal and not as the agent or fiduciary of such Loan Party, its respective management, stockholders, creditors or any other Person. Each Loan Party acknowledges and agrees that such Loan Party has consulted its own legal, tax and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto.

Section 9.15. Several Obligations. The respective obligations of the Lenders hereunder are several and not joint and the failure of any Lender to make any Loan, issue any Letter of Credit or perform any of its obligations hereunder shall not relieve any other Lender from any of its obligations hereunder.

Section 9.16. USA PATRIOT Act. Each Lender that is subject to the requirements of the USA PATRIOT Act hereby notifies the Loan Parties that, pursuant to the requirements of the USA PATRIOT Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender to identify such Loan Party in accordance with the USA PATRIOT Act.

Section 9.17. Disclosure. Each Loan Party, each Issuing Bank and each Lender hereby acknowledges and agrees that the Administrative Agent and/or its Affiliates from time to time may hold
investments in, make other loans to or have other relationships with any of the Loan Parties and their respective Affiliates.

Section 9.18. **Appointment for Perfection.** Each Lender hereby appoints each other Lender and each Issuing Bank as its agent for the purpose of perfecting Liens for the benefit of the Administrative Agent, the Issuing Banks and the Lenders, in assets which, in accordance with Article 9 of the UCC or any other applicable Requirements of Law can be perfected only by possession. If any Lender or Issuing Bank (other than the Administrative Agent) obtains possession of any Collateral, such Lender or such Issuing Bank shall notify the Administrative Agent thereof and, promptly upon the Administrative Agent’s request therefor, shall deliver such Collateral to the Administrative Agent or otherwise deal with such Collateral in accordance with the Administrative Agent’s instructions.

Section 9.19. **Interest Rate Limitation.** Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan or Letter of Credit, together with all fees, charges and other amounts which are treated as interest on such Loan or Letter of Credit under applicable law (collectively, the “Applicable Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) which may be contracted for, charged, taken, received or reserved by the Lender or Issuing Bank holding such Loan or Letter of Credit in accordance with applicable Requirements of Law, the rate of interest payable in respect of such Loan or Letter of Credit hereunder, together with all Applicable Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Applicable Charges that would have been payable in respect of such Loan or Letter of Credit but were not payable as a result of the operation of this Section shall be cumulated and the interest and Applicable Charges payable to such Lender or Issuing Bank in respect of other Loans or Letters of Credit or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender or Issuing Bank.

Section 9.20. **[Reserved].**

Section 9.21. **Conflicts.** Notwithstanding anything to the contrary contained herein or in any other Loan Document (but excluding any Acceptable Intercreditor Agreement), in the event of any conflict or inconsistency between this Agreement and any other Loan Document, the terms of this Agreement shall govern and control; provided that in the case of any conflict or inconsistency between any Acceptable Intercreditor Agreement, on the one hand, and any other Loan Document, on the other hand, the terms of the applicable Acceptable Intercreditor Agreement shall govern and control.

Section 9.22. **Release of Guarantors and Discretionary Borrowers.** Notwithstanding anything in Section 9.02(b) to the contrary, (a) any Subsidiary Guarantor or Discretionary Borrower shall automatically be released from its obligations hereunder (and any Loan Guaranty shall be automatically released) (i) upon the consummation of any permitted transaction or series of related transactions or the occurrence of any other permitted event or circumstance if as a result thereof such Subsidiary Guarantor ceases to be a Restricted Subsidiary or Discretionary Borrower (including by merger or dissolution) or becomes an Excluded Subsidiary as a result of a single transaction or series of related transactions or other event or circumstance permitted hereunder; or (ii) upon the occurrence of the Termination Date and/or (b) any Subsidiary Guarantor or Discretionary Borrower that qualifies as an “Excluded Subsidiary” shall be released from its obligations hereunder (and its Loan Guaranty shall be automatically released) by the Administrative Agent promptly following the request therefor by the Company and/or (c) any asset(s) of the Loan Parties shall automatically be released from the Liens created under the Loan Documents upon the consummation of any permitted transaction or series of related transactions or the occurrence of any other permitted event or circumstance if as a result thereof such asset(s) cease to be owned by a Loan Party or such asset(s) becomes Excluded

[[5470263]]
Assets as a result of a single transaction or series of related transactions or other event or circumstance permitted hereunder. In connection with any such release, the Administrative Agent shall promptly execute and deliver to the relevant Loan Party, at such Loan Party’s expense, all documents that such Loan Party shall reasonably request to evidence termination or release. Any execution and delivery of any document pursuant to the preceding sentence of this Section 9.22 shall be without recourse to or warranty by the Administrative Agent (other than as to the Administrative Agent’s authority to execute and deliver such documents).

Section 9.23. Acknowledgment and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

Section 9.24. Acknowledgment Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Secured Hedging Obligations or any other agreement or instrument that is a QFC (such support, “QFC Credit Support” and each such QFC a “Supported QFC”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

In the event a Covered Entity that is party to a Supported QFC (each, a “Covered Party”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of
the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.
